Man’s body was made from the dust of the ground; so, man has to feed on cultivations from the ground to survive. Man, however, is a spirit, and the spirit of man came from God’s Spirit and was created with the Word of God. Therefore, you must continually feed on God’s Word to truly live.

The Lord Jesus said in Luke 4:4, “… It is written, That man shall not live by bread alone, but by every word of God.” Acts 20:32 says, “And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified.”

Through the Word, you condition your life for victory every day, such that no matter the circumstances, you’re always triumphant. In Isaiah 55:11, the Lord says, “So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.” Culture and regulate your life with the Word, and keep growing from glory to glory.
