

# Gliding! The Sport With Thrills

The world has sat in wonder at the tremendous feats performed in Germany in gliding. Already, gliders have remained aloft without power for 14 hours—a marvelous achievement.

Here is a sport for American youth, new—thrilling—exciting. Every boy in America should take up the sport of gliding. It keeps you out in the open. It starts you on the road toward aviation.

## Build Your Own Glider and Fly It

Here is a chance for you to get started on gliding, easily—safely—economically. We will furnish you complete blue prints on a glider—one of the most successful ever flown—one that is guaranteed. Together with these blue prints, comes a booklet giving complete instructions on construction and on the art of gliding. As an introductory offer, we will make a very special price in order to start American youth in this new sport. Easy to build, simple to fly, any boy can do it. Complete blue prints and instruction manual for only .....
