Subject: RE: R. Mills Reports SSA Disability Fraud

Good evening Mr. Richard Mills,

I hope this message finds you well today. Thank you for contacting our office and seeking assistance with the Social Security Administration.

While we would like to assist you in this matter, it is a long standing custom of Congressional courtesy which permits Members of Congress to serve the constituents they were elected to represent. Based on the information you have provided, it appears that you reside in Pennsylvania and are already working with the office of the Honorable Senator Bob Casey on your issue. Please also note that multiple congressional offices cannot be actively working on one constituent's case, as this causes significant delays within the agency. We encourage for you to continue working with Senator Casey's staff.

Please do not hesitate to reach out to us for future casework.

Sincerely,

—Stephen
