PARLIAMENT SQUARE

Construction Update
April 2019

Parliament Square Greenland Street, Liverpool

Work has begun at Parliament Square in Liverpool, with the first construction update showing that the hoarding has been successfully erected around the site.

The area is undergoing various preparations. Extensive site investigations entailing numerous collections of data and reports have now been completed. Excavation has commenced which involves works to the earth, such as trenching and tunnelling underground.

Summary of Works Progressed

- The hoarding has been 100% erected.
- 100% of site investigations works have been completed.
- Excavation works have commenced.

Works Anticipated

Excavation works will complete to allow for sewage and drainage works to commence.
