2) In previous posts, [#Qanon](#) suggested that the deep state may have incorrectly assumed they were safe with Robert Mueller in charge of the Russia investigation.

An anonymous person noted there was increased chatter regarding Mueller.

We are not alone.

I drove 3 hours (with my wife's ex but that's a whole nother story). We walked over a mile, stood outside (wind chill of 36 degree) for 3 hours, to support Potus in Washington, MI.

There were between 10-15k Patriots standing outside watching Potus on a Jumbotron. There were shouts of "Qarmy" "Whose Q?" And "Release the Texts!!!".

If you think your efforts are not making a difference, my experience tonight says otherwise.

Anons and Autists, your efforts are more important than you will ever know. So from someone who does not have your skill set, from one Patriot to another THANK YOU for your service..

Be careful who you are following.
Some are profiting off this movement.
Some are building a big following off this movement only then to retreat and go mainstream.
Patriots make sacrifices.
Some, the ultimate sacrifice.
Patriots are SELFLESS.
Do they ask for monthly payments to remain Patriots?
Think logically.
To some, it's only about the money.
Those who would seek personal gain at the expense of others in this movement has an agenda.
You decide.

The only profit we should all be striving for is TRUE FREEDOM.

From Wikipedia, the free encyclopedia

DEMS FEARING MUELLER NOW?
MARK PENN: "Well, look, I spent a year fighting Ken Starr and I think any reasonable person looking at what happened here says this investigation had no foundation and whatever foundation it had was not only wrong but corrupt. I think Christopher Steele was part of the FBI when he leaked, lied, and then was fired. Page and Strzok are clearly biased. The head of the FBI was clearly biased. The head of the CIA appeared to be doing illegal leaks as well. This whole thing was corrupt. There is a doctrine called the fruits of the poisonous tree, that says when investigations get started like, this when searches and seizures are done on this basis, they should

be thrown out. I think that's probably the best way to stop this thing because, otherwise, we are going all the way to the end and I don't think we should waste another year here."

The term 'singing' has been used often by Q.

It's a euphemism for telling investigators what you know about a crime.

Q is suggesting that Lindsay Graham has been forced to tell what he knows about some kind of illegal activity.

37) Lindsay Graham & John McCain have been inseparable during their time in Congress. McCain serves as chair of the Senate Armed services committee. He's heavily funded by weapons contractors. Saudi Arabia gave the McCain institute \$1million dollars.

[#Qanon](#)

https://pbs.twimg.com/media/DcE10N_VMAA00Rx.jpg

38) McCain is well-connected to (and controlled by) the deep state. He does their bidding in the realm of weapons procurement. Including weapons of mass destruction.

[#Qanon](#)

<https://pbs.twimg.com/media/DcE2G4xVAAAwwQj.jpg>

39) I haven't said this recently, so I'll say it now. The agenda for the global elites is to create a one world government that they rule over. That goal requires the destruction of sovereign nation-states and their subjugation under a single ruling entity.

[#Qanon](#)

40) The destruction of sovereign nation-states is necessary to remove international borders. Borders present an obstacle to global governance so they must be removed by whatever means necessary,

including war.

[#Qanon](#)

41) The two main obstacles that prevent a true global government are Russia and America. Nations with strong national identities that have refused to capitulate to the globalist's demands for borderless migration.

[#Qanon](#)

42) The strategy of the globalists then is to get Russia and the U.S. to decimate each other in a war. If that can be accomplished, the major obstacles to global governance would be removed.

[#Qanon](#)

43) With that in mind, let's move on.

[#Qanon](#) has in the past asked what John McCain was doing during his secret meetings in Syria.

Chemical weapons are outlawed and dangerous, but not difficult to make or transport. And the UN says they have evidence that Assad made his own.

So if it wasn't chemical weapons, what did McCain deliver?

[#Qanon](#)

49) With that background information, let's look at [#Qanon](#)'s post from today about the Iran nuclear deal, the revelation that they never stopped their weapons program and evidence that they built a secret nuclear facility on Northern Syria.

50) #Qanon asked us to examine the terms of the nuclear deal that President Obama made with Iran. Here's a summary.

Link: https://en.wikipedia.org/wiki/Joint_Comprehensive_Plan_of_Action

Iran agreed to:

1. Eliminate its stockpile of medium-enriched uranium
2. Cut its stockpile of low-enriched uranium by 98%,
3. Reduce by about two-thirds the number of its gas centrifuges for 13 years.
4. For the next 15 years, Iran will only enrich uranium up to 3.67%.
5. Agree not to build any new heavy-water facilities for the same period of time.
6. Uranium-enrichment activities will be limited to a single facility using first-generation centrifuges for 10 years.
7. Other facilities will be converted to avoid proliferation risks.
8. To monitor and verify Iran's compliance, the International Atomic Energy Agency (IAEA) will have regular access to all Iranian nuclear facilities.
9. In return for verifiably abiding by its commitments, Iran will receive relief from U.S., European Union, and United Nations Security Council nuclear-related economic sanctions.

59) [#Qanon](#) said:

Define cover.

60) [#Qanon](#) is suggesting that most of the uranium from the Uranium One deal went to Russia but some was secretly shipped to Syria and Iran.

It was important that it come from the same batch.
Why?

61) Uranium isotopes have a unique fingerprint, so batches can be traced.

It was illegal to sell uranium to Syria or Iran but not to Russia.

So Hillary, Obama and the cabal put together the Uranium one deal.
The cover story was that it ALL went to Russia.

[#Qanon](#)

62) But secretly, some of the same batch went to Syria and Iran.

Because it was from the batch that was sent to Russia, anyone who discovered that Syria and Iran had obtained Uranium would think it came from Russia.

[#Qanon](#)

63) The deep state shipped uranium to Syrian Iran to start a war and if anyone ever discovered they had it, Russia would be blamed for it.

[#Qanon](#)

64) [#Qanon](#) asked:

Why did we strike Syria?
Why did we really strike Syria?

65) The cover story for the air strike on Syria was Assad's use of chemical weapons.

(Those who insisted Assad didn't use them may be right.)

[#Qanon](#)

66) But the real reason for the air strike was to obtain proof that Syria had been building nuclear weapons for Iran.

I suspect that we now have evidence that the uranium Syria had was from the same batch we sold to

Russia.

68) How did Syria get the uranium?

69) Going back to Lyndsey Graham, what is he "singing" about?

I suspect now that Trump and the Generals have evidence that McCain, Obama and Hillary shipped uranium to Syria, Graham is telling what he knows about the operation.

70) After Bibi Netanyahu presented evidence this morning that Iran had been in violation of the nuclear deal the entire time, [#Qanon](#) posted this.

An extraordinarily complicated plot. All along ISIS and the migration to Europe were distractions while the Iranians were doing their thing. Americans high up in the American government transfer American uranium and tons of cash to Iran to help them produce a nuclear bomb. The bomb was to be used to nuke the USA and then the Russians were to be falsely blamed for the attack. President HRC would then go to Congress and get approval to declare war on Russia. It would have been WW3. All to enrich the Rothschilds, HRC, BHO, and their evil friends. They needed desperately for this to work. Things suddenly went awry when HRC lost the election. But the cabal is still pulling all the tricks...They've sent May, Manny, and Merkel to try to convince POTUS to stay in the Iran deal. All of them failed. Now they are in panic mode because there will be no war with Russia and they have been exposed.

But did they really think this through? It seems a bit short-sighted. We have nuclear weapons to fight such a war, but so do the Russians. Neither side would win. The nuclear fallout would severely impact the planet for decades...the air..the water...the food... Where were the elites planning to go to spend their billions and live a life of luxury and ease after they poisoned and destroyed the planet? How long did they plan to rough it in underground bunkers? These people are not just stupid, they are insane.

<https://pbs.twimg.com/media/DcFhXe-U0AAdGDm.jpg>

74) On a happy note, once their deception was exposed, Iran unilaterally withdrew from Obama's nuclear deal.

Trump didn't even have to confront them.

Boom week indeed.

And it's only Monday.
