We Are The Life Of The Dream Of Life By Arthur & Fiona Cristian Love For Life

6th September 2010

In an unbroken thread from our ancestors to our descendants, every feeling and thought we have is created as the dream of LIFE bouncing back in the image of our feelings and thoughts. There is nowhere in LIFE that are feelings and thoughts that are not painted on the canvas of LIFE. The feelings and thoughts of the information of the dream of LIFE are the feelings and thoughts of our ancestors and will be the feelings and thoughts of our descendants when we remember Paradise. We are all brothers and sisters, co-creators of the painting of LIFE.

Everything that is happening to LIFE is what we are painting collectively on the canvas of LIFE through our feelings and thoughts. The pictures we paint with our feelings and thoughts bounce back at us in the image of our feelings and thoughts. All the wars, the storms, tsunamis, fires, earthquakes, droughts and floods, violence, bitterness, hatred and rage, poverty, homelessness, malnutrition, sickness, injustice, disease and suffering, loneliness, loss-of-direction, emptiness and hopelessness, lies, secrets and collusion, fantasies, illusions and delusions, arrogance, ignorance, indifference, self-righteousness, lust, abuse and jealousy, greed, selfishness, power and control trips, self-centeredness and chaos are the result of the way we are feeling and thinking. We have changed the painting of paradise to a painting of distortion and destruction.

We are both artist and audience, feeling, thinking and painting the images that come back at us in the form of all the harm, destruction and distortion in our lives. Everything ever felt and thought by MAN has been created by us. The original painting of Paradise that is the dream of LIFE has been covered over by layers and layers of paint depicting images of "The System" that represent the distortion in the form of fantasy, illusion and delusion, the root of all harm, chaos and destruction to LIFE.

The Grand Architect

One of our ancestors, The Grand Architect who was the first MAN to feel and think that there was an imperfection in the dream of LIFE, created that imperfection by feeling and thinking it. He contemplated on and expanded that imperfection, and every man, woman and child who has focused on and felt and thought those images of imperfection has also expanded the imperfection until it now covers almost all of the images of perfection that make up the dream of LIFE.

The imperfection evolved into "The System" which is every civilisation recorded in the HIS-story of The Grand Architect. Everything of "The System" we live under today comes out of those feelings and thoughts of imperfection and the HIS-story of "The System" is a record, a book of life, of all the feelings and thoughts of the Grand Architect and all the feelings and thoughts of those who have expanded those feelings and thoughts of imperfection ever since. This includes all the bloodline descendants of The Grand Architect who have been the Founding Fathers of all civilisations, including great nations, and are his children today determined to create and fulfill The Grand Architect's dream, a self-fulfilling HIS-story prophecy of a Golden Age Millennium, The New World Order, the fruition of his long-awaited fairytale universe, fronted by the reincarnating demon messiah JeZeus, the son of god, who will come down from the clouds shortly.

The Grand Architect's distorted thought-form has taken on a life of its own fed by everyone who has given their life to this demon. Instead of our children going directly to nature to contemplate on the information each LIFE-form has to share about its role in Paradise, "The System" blocks out what nature has to say. Our children are being hijacked by everyone around them who was hijacked by "The System" to tell them how to think, feel, talk and act. Nature has its own system, its own language that gives us the inspiration to pick up the brush and keep expanding Paradise but "The System" is made up of thousands of CON-structs many of which mimic nature but, when put together, instead of creating Paradise, they create the present matrix that we fall into. Instead of gaining a sense of purpose through co-creating Paradise, we are taught to gain a sense of purpose through our careers, our possessions and, for those who believe their religion, the reward of going to heaven after they have finished their life on earth. Instead of the living creator of the living dream of LIFE, we are given a thought of God, an omnipotent, omnipresent and omniscient master of "The System" whose name changes with every change of civilisation, which is every change of face and name of "The System". E.g. Zeus, Horus, etc.

The thought or idea of God is NOT God!. Neither do thoughts of love, freedom and sovereignty equal love, freedom and sovereignty. They are thoughts. The ideas of cultures, creeds, nationalities are CONstructs that are nowhere to be found in reality. People will kill for the idea of God but, if they were present to a living creator that they are part of, along with all other LIFE forms of LIFE, they would not. Men and women are so trapped in the ideas of politics, freedom, sovereignty, commerce, love, religion, spirituality, etc, that they do not know how to recognise love and act with love. Most people's love is bound by conditions and their own needs and desires. This is not love.

The grand Architect created a world of thoughts without consciousness and it is this distortion that we continue to create as we focus on thoughts without consciousness.

Our nationality, race, colour, creed, status and culture and our sense of being a society or being a "member of the public" gives us a group to identify with, belong to and defend as patriots so that we do not feel a sense of loss at no longer belonging to LIFE. Instead of the natural order of Paradise, we are provided with order through the law, government and the hierarchies of the social classes. Instead of the LIFE force of LIFE flowing through everything, money is the blood of "The System", used to expand or curtail however it suits the agenda of "The System" and to control the masses. Instead of using telepathy to communicate, "The System" provides us with telephones and computers that mimic telepathy by allowing us to communicate with others when we are not with them. Instead of feeling the dream of the living creator as we co-create the dream, we are given the idea of "God", an aloof, patriarchal figure separate from us and "Lord" of us all. When we pray to God, we are praying to the idea of a God and that idea is intellectual property, copyrighted. More on copyright shortly.

Whatever group we identify with provides us with the glue that keeps us stuck to, engaged with, compliant to and "at one" with "The System". "At one" with "The System", we forget all about the LIFE force that is Paradise that is flowing through us at all times and our roles as co-creators of LIFE. Having split us up into in-divide-u-all-s, the Grand Architect has provided the ONENESS glue of "The System" to keep us stuck to "The System". In Paradise we are unique co-creators, not one the same as the next, in "The System" we are separated SELF-centered individuals created from the same mould.

Through the energy we put into "The System", it has taken on a life of its own and become the beast that haunts us, always in the background, always demanding more and more of our energy because, without our energy, it is nothing. The institutions, societies, corporations, governments, courts, etc, of "The System" are the organs of the beast with the blood of commerce flowing through its veins.

Everyone living under-the-standing (understanding) of "the System" has a story, the story of their beliefs or faiths or opinions or what has happened to them or the story of why they live their lives as they do or their version of reality describing who we are, what we are part of, where we came from and where we are heading but ALL of these stories are rooted in the HIS-story of The Grand Architect and none of them are rooted in the information of nature, that is LIFE, that is Paradise, that is TRUTH. They are rooted in the read-and-write alphabet languages, the mathematics, the sacred geometry, geometry and the CON-structs of "The System", painted with the palette of distorted colours provided by The Grand Architect and, so immersed are we in these wide and varied stories of "The System" that we think they are normal and reality and that there is no alternative to "The System".

The irony is that none of this is real; not one of the constructs of "The System" can be found in nature nor has any role to play in nature. All we are seeing is the physical and material form of Paradise being destroyed and distorted at an ever increasing rate as we focus on and feed the beast that is destroying it. The creator of the living dream is a living creator - why would a living creator create something dead? The dead corpse that is "The System" enslaves us as it has no LIFE force of its own and so it needs us to perform for it. "The System" can never set us free to contemplate on Paradise because we are so distracted maintaining "The System".

LIFE Is Information

When we distort the information of LIFE and then eat, drink, absorb, think, feel, hear, see, touch, taste and smell that distortion, work with that distortion, play with it or stress over it or perform it, your LIFE, my LIFE, our children's lives, everyone's LIFE becomes distorted too. Through fantasy, illusion, delusion, deception and lies we are destroying the information of LIFE until there is nothing of Paradise remaining to remind us who we really are, what we are really part of and our true purpose. If we let it come to this, without LIFE we are without LIFE.

If "The System" were a supermarket it would be bigger than Kmart, Walmart, Bunnings, Woolworths, Coles, David Jones and Myers combined. Shelves would be miles long with hundreds of aisles stacked with layers of shelving overstocked with millions of products of distraction. Regardless of interest, the stories of "The System" are sufficient to consume the attention of 7 billion men, women and children over and over and over again, throughout all their waking-life. If "The System" were a sandpit and the stories were plastic toys, the sandpit would be filled with human beings constructing all kinds of imaginary stories for a life-time. They would all be completely oblivious to Paradise. Just imagine the information highway is "The System" linking 7 billion brains together as one 24/7 and all the information going to and fro is the din of "The System's" stories blocking out Paradise. "The System" is a shroud blanketing Paradise in a constant shadow of darkness.

The saturation of "The System" is such that not one of the information and education institutions, think-tanks, media and training centres or experts, educators, academics, priests, professors, business leaders, bankers, economists, media executives, politicians or judges of "The System" has the information of Paradise available. They have no idea about Paradise because all they know is what was purchased at "The System's" supermarket and explored in its sandpit from the time they were babies and where they still remain. "The System" does not have the language or other tools to explain Paradise and there are very few men and women alive who live pure and sincere lives and can remind us of the information of Paradise. To be part of "The System", devoting your energy to upholding and maintaining "The System" is to be lost and distorted.

We Are Superimposing The Distortion Of The Dream Of Life Over Paradise

The information of imperfection has to be unnaturally recorded because it is not natural, cannot be naturally recorded in nature and is nowhere to be found in nature (Paradise). If we didn't remember it, it would fade away. To record the information of imperfection we have to use Paradise and, in the process, wreck it. The HIS-story of The Grand Architect is a record of a fairytale world built on thoughts without the feelings of Paradise embodied, thoughts without the consciousness of the harm doing that we are all co-creating. Paradise is not just earth, it is everything "The System" describes as stars, planets, air, space, etc, but we have been conned into thinking of nature as separate from us and the stars as separate from us and us as separate "tiny" aspects in a universe at the mercy of forces and powers greater than us.

The Grand Architect's UNIVERSEities**, colleges, public and private schools, etc, which all came out of treasure chests that the imperial Powers That Be brought on shore from their ships, upon the supposed new lands where over a billion men, women and children were murdered in mass culling and genocide campaigns going back before the Norman Conquests of Britain, teach us the Rules Of The Divide. The Rules Of The Divide are designed to split us up into in-divide-u-alls (individuals) on a fictitious journey through life heading from somewhere other than Paradise to somewhere, be it an imaginary heaven or hell, or just caught up in the after effects of the Big Bang, rolling along as part of the debris.

[** universe-i-tie-s = tie i in his universe = the eye (i) as in the all seeing eye (i) = the (i) who is brainwashed/braindirtied by "The System" to see the Grand Architect's Universe so that the (i) can journey through any of its millions of fictitious stories and in doing so can be ruled and exhausted of (i)'s energy for a life-time, ruled as in divide and rule or divide and conquer]

"The System's" Rules Of The Divide is teaching us that we are separated from each other, that we have another life somewhere out there besides the current life we are presently passing through. To believe in or have faith in or have opinions about such stories severs us from who we really are, what we are really part of and our true purpose and, having forgotten this, allows us to do harm to each other because we are no longer consciously feeling connected here and now. We are bonded to the fairytale journey rather than to Paradise. Causing harm to each other is what causes the darkness that we are all suffering under one way or another. Just imagine we are all connected as parts to a living BODY of LIFE and collectively, we are cutting off toes, fingers, hands, elbows, ears, eyes, the nose, arms, knees, legs, feet, etc, until there is nothing left of our body to remind us who we really are and what we are part of. Through our disfigurement, The Grand Architect is instructing us to commit spiritual suicide. Far from "evolving" from some un-"civilised" "beast" state into "higher beings", we are actually falling further and further into the darkness, distortion, destruction and chaos of "The System". Did the "dark ages" that we are taught about in HIS-story really exist or is this "age" the darkest yet?

The only "journey" we are undertaking is a journey through the constructs of "The System"; from pre-school to school to university and career, from travelling to renovation to downsizing, from retirement to the nursing home to death. LIFE is here and now and nowhere else and what we do here and now is reflected here and now in the world we live in. Hell is here and now and heaven can be here and now if we create it here and now. LIFE is what we make it here and now. Our past is our experience here and now and our future is our projection here and now. If we don't co-create a world of peace and freedom here and now, we will never live in a world of peace and freedom.

Where Is Darkness And What Is Darkness?

The sun casts no shadow but the Grand Architect and all his "Rules Of The Divide" have persuaded us to cast a shadow of darkness over Earth (Paradise). That shadow is all the information that fills our brains with the chatter of distortion and imperfection, the stories of The Grand Architect's Universe and keeps us from remembering, feeling, thinking and contemplating on the information of perfection and co-creating it through expansion. "The System" is filled with 1001 distractions to make sure the chatter is always loud and clear in our heads.

The tree can't tell time nor can it tell us anything about ages, levels, dimensions, angles, quantities, weights, measurements, volumes, distance, commercial values, copyrights and spaces or first or last, one or two, left or right, A or B, right or wrong and good or bad, etc, and neither can any other LIFE-form, inanimate or not of nature, and this includes children brought up in forests not exposed to "The System". They can't because the information embodied in these CON-structs does not exist in Paradise. The Grand Architect has replicated Alice Through The Looking Glass out of everyone exposed to the braindirtying of "The System". Everyone is trained to see only The Grand Architect's universe of darkness. Everyone is instructed to perform in whatever way "The System" dictates and everyone is encouraged to spread The Grand Architect's knowledge through everyone's brain until the canvass of Paradise is buried deep underneath layers of black paint. Then Paradise will be completely forgotten about, the Sun will no longer shine and a dream without love is a dead one.

In Paradise there is no suffering but The Grand Architect has persuaded us to believe in duality, in darkness and light going hand in hand, and that sadness and joy, perfection and imperfection are natural and one can't be without the other. All forms of duality are lies; there is no oneness or duality in Paradise, just Paradise. Paradise is not "evolving", it just is, here and now as we contemplate on and expand it. Consciousness casts no shadow. Darkness does not exist, we have just been conned into thinking it does. The lies of "The System" so closely mimic the truth of LIFE that it is sometimes hard to distinguish between them. Oneness and Duality are part of the lies that form a veil over the truth.

When we work with steel, plastic, concrete, "fossil" fuel and anything else not natural that requires harm and destruction to LIFE (Paradise), we invite the dream of imperfection into us, just as when we work with negative, destruction emotions, which include fantasy, illusion and delusion, we invite the dream of imperfection into our lives. All the suffering we endure comes as a result of the imperfection of our feelings and thoughts. If we allow our children to contemplate on and feel and think the information of the dream of LIFE, they will create their lives in the image of the dream of LIFE. If we expose them to the information of the dream of imperfection, however, this is what they will co-create LIFE out of.

If we want to destroy the dream of LIFE, we just need to go on feeling and thinking the information of imperfection. If we want to return to Paradise, we have to start feeling and thinking the information of the dream of LIFE. Together, as brothers and sisters of LIFE, we have to paint the images of the dream of LIFE that we are both the painters of and the subject of. The feelings and thoughts of the painting are the feelings and thoughts of the artist are the feelings and thoughts of MAN. To dream the dream of imperfection means that we have drifted from our FULL-responsibility to uphold the perfection of the dream of LIFE.

Every thought and feeling felt and thought across all existence has been felt and thought by MAN.
The consciousness of MAN is the consciousness of the creator.
The dreamer and the dream cannot be separated.

MAN Is The Painter And The Painting

Everything that comes bouncing back at us, whether information from NASA or from all university courses and careers about Mars, Moon, science, religion, New Age, aliens, UFOs, other world civilisations, etc, was created by us and our ancestors, because we have fallen into The Grand Architect's information and given life to his fairytale universe even though the distortion still needs our LIFE to maintain the fictitious appearance of its phantom existence. No natural LIFE-form of LIFE can occur without MAN embodying the energy of MAN into the LIFE-form, which happens when we feel, think, contemplate and rejoice in the LIFE-form. As co-creators of LIFE, we are the ones creating and blowing up the balloon of LIFE. Since our mother's womb, our brains have been so meddled with distortion (Hell) that we can't see our role in creating LIFE anymore.

We have to stop being used and abused by our LOST brothers and sisters of LIFE. Just remember that our LIFE has been hijacked and the hijackers are loading up our brains with distorted information of life to co-create their version of reality. When we see the internationalised alliance of hijackers that are representing, educating, administering, governing and guiding The Grand Architect's universe, the "progress of civilisation", we can clearly see they are all lost and are determined to destroy Paradise, our paradise, your paradise and everyone's paradise.

Why are the powers that be who represent The Grand Architect's fairytale universe doing everything possible to control what we think and feel?

Renters Of The Copyright

"The System" is all about copyright; to live in the world of "The System" (the only choice we are given), we have to rent the CON-struct-ed information invented/imagined out-of-thin-air that makes up "The System". Just as we have to request permission and pay "royalties" to rent/market the intellectual property owned by the copyright holder of the Harry Potter series, so with our registered birth to "The System" we have become life-time renters (slaves, serfs, commoners, labourers, punters, goi/goy, etc) of the "The System's" intellectual property as we live our lives out of it and for it. Thus we pay countless royalties as in fees, registrations, licences, certificates, tolls, permits, taxes, bills, charges, mortgages, etc, all of which go to the copyright holder of the information of "The System", commonly known as "The Crown".

"The Crown"

C = copy

R = right

OWN = ownership

"The Copy Right (Right Of Copy) Ownership Of The Grand Architects HIS-Story Universe"

The author of "The System" is The Grand Architect who is "The Crown" and his bloodline descendants become the holder-in-due-course of "The Crown". Today, the head of The Grand Architect's empire is Elizabeth Windsor acting as The Queen. "The Crown" has an "interest" in the users of its intellectual property and is why "The Crown" charges "interest" and has a vast network of author-(i)-sed re-present-atives who add-minister the international affairs of "The Crowns" copyright business. The Courts, The Governments, The Law and Military EnFORCEment all represent "The Crown's" copyright business interests. It's all about renters (consumers) of The Grand Architect's Universe and this is why the powers that be are doing everything possible to control what we think and feel so we remain locked in "The System" as renters of its intellectual property. With our compliance, the powers that be can exhaust all our life energy in homage to the beast of "The System"!

The CON-struct of ownership exists only in "The System". LIFE does not claim ownership over anything and, in contrast to "The System", offers its information for free without a fee, without conditions or contracts. If you tried to own your last breath or your last meal or your last drink, you would die and, in claiming intellectual property ownership over land, people, animals, water and air, etc, we are both killing LIFE and dying from LIFE. We will never free our lives from "The System" if we do not let go of everything that we are holding onto as "ours".

We Are Taught To Spell To Be Under The Spell Of "the System"

If we were never taught read-and-write alphabet languages, we would never be able to comprehend the **CON**structs of "The System" and never be **CON**vinced to expend our energy maintaining them. Imagine the astonishment and total lack of comprehension of native men and women when the ships of "The System" first arrived on their shores and the Admiral of the fleet, dressed in strange garments, came ashore and began talking about "The Crown" and Navy and census, medicare, insurance, superannuation, money and ownership of land, etc, etc, etc. It would come across as gobbledygook and martian talk. Native men and women had to be forced to learn the language of "The System" and then taught the constructs of "The System" before they could begin to comprehend and give their energy to "The System". We are no different; to comprehend the constructs of "The System" and learn how to live in "The System", we have to be taught how to talk by our parents and carers and then go to school for many years before we can fully become a slave of "The System. We are taught to spell to be under the spell of "the System".

The LIFE of MAN Is The Power Of LIFE

It is MAN doing the feeling and thinking. If MAN does not exist who is there to think and feel LIFE? Remember, there is no MAN existing to both hear and answer the question..... so what is LIFE without MAN? The past and the future of all thoughts and feelings felt and thought by MAN requires MAN to exist here and now. Without MAN existing here and

now, they cannot be. The past and the future cannot be felt or thought without MAN to think and feel them HERE & NOW. Remove MAN and there is no one to paint Paradise and experience it.

Do you realise who we really are and just how powerful we are and the FULL-RESPONSIBILITY that comes with being the artists of Paradise?

When we realise that everything is created by us, all we need to change is how each of us is thinking and feeling. While we are waiting for someone or something to come and change the world for us, we are still thinking and feeling the imperfection and creating it. No one can stop us co-creating imperfection but us, just as no one can change the way we think and feel but us. When we have remembered the original painting, we will remember who we really are and what we are really part of, we will have changed our thoughts and feelings and the image of LIFE we are painting (creating) on the canvas of LIFE will have changed too.

WE ARE THE CO-CREATORS OF LIFE.

There is nothing hidden in LIFE (of LIFE) that can escape our CREATION.

There is nowhere in LIFE where we are NOT.

Our dream is to create a Kindom with others so that we can start peeling off the layers of the paint of imperfection and get back to the original painting of LIFE, inspiring others to do the same until we are all painting with the colours of the dream of LIFE that we are part of. Those lost to the information of imperfection do not remember what it is like to live in a world of perfection. We have all been compromised and brainwashed and we need to pool the resources we have so we can step out of "the System" and learn how to heal our distortion and re-create Paradise together. LIFE is a team effort and none of us can be free while others are enslaved, none of us can have abundance while others have nothing and none of us can have peace while others are suffering.

It is in creating peace for others that we have peace.

It is in creating freedom for others that we have freedom.

It is in creating truth for others that we have truth.

It is in creating abundance for others that we have abundance.

It is in creating love for others that we have love.

It is in giving life that we have life.

Where love is is where you find me (LIFE).

Some Recent Love For Life News

Responses from the representatives of the powers that be to the Love For Life work: Arthur was followed and run off the road three times over the past 13 weeks, the last time on a quiet country road with 3 year old Xanthe in the car. If it wasn't for Arthur's fast instincts both Xanthe and he could have been killed. These attempts have always come with death threats. We are all ok but Arthur rarely goes out now. Unfortunately he eats all the emotions and has been putting on a lot of weight recently. Earlier this year Arthur was followed on his long 2 hour walk by a beautiful charming mature woman in shorts with a great body who gave him that inviting look. He got cold shivers and knew something was terribly wrong. He has not seen this woman before or since but felt MI6, MI5, ASIO, Federal Police, CIA, Mossad, etc... This woman appeared unexpectedly where you would least expect someone and followed him all over the place for around 40 minutes. Arthur never turned to look at her while he walked his usual fast pace, updating Fiona on the mobile a few times, and looking for strange cars, vans, others walking, etc. This creepy vibe had his hair turn up the back of his neck. For others new to Love For Life, Fiona was kidnapped (arrested) early last year and we have now received 9 death threats (one of which was traced to the NSW Police Headquarters in Surry Hills, NSW, Australia). It appears the powers that be do not support our efforts to co-create a world of peace, freedom, joy and abundance for ALL and are trying to intimidate us from continuing Love For Life. We do not report these events, bar the one phone call that was traced by the local police, because we are well aware of the Freemasonic, Satanic, paedophile and sex rings that operate everywhere and that compromise many people in positions of authority.

We are also now economically at breaking point, our rent has gone up twice in roughly 10 months, from \$290.00 to \$350.00 per week in October this year, so we are being forced to move. We have done everything possible to get a Kindom off the ground here in the Southern Highlands where it needs to happen and we are not giving up. Arthur is still working around 16 hours per day 7 days per week (most of the last 5 years) running the website, helping others over the phone or who come to visit, networking over the net, debating on Facebook, etc. Being Humanitarians living off Fiona's Strawman Centrelink payments of just over \$1300.00 per fortnight, caring for 4 young daughters and running the household would not have kept us going without the occasional gifts we have received over the years. In 2005, we set out from the start with two dreams/goals, one was to learn what the truth is and to share this

information to the world, reaching many millions which we have achieved and continue to do so. The other is the co-creation of a Do No Harm Community (Kindom). The dream has grown and grown and is filled with awesome pure and sincere information, we just need the land with lots of fresh running water in between Sydney and Canberra so we can reach 6 million people, some who can come to experience Kindom for a day or two because it will be less than 2 hours drive time from the city. One location is still available, see: <http://loveforlife.com.au/node/7095> and the Ten Steps Of Kindom written originally as an email reply during 2007, which we will revisit shortly and update it extensively, the information has expanded extensively: <http://loveforlife.com.au/node/5788>

Contemplation

As grown ups we create the path we venture on through life and that journey comes with full-responsibility. If it is love then it is love we have created and every step we make through life rests on the firm footing of love. If it is crap then the path through life is in the image of the crap (lies) we have created and every step we make through life sinks into the bog-holes of our crap. Through intent it is very easy to recognise which path is being ventured. Either way the journey comes with full-responsibility. Arthur Cristian - Love For Life

"The System"

We have posted another article called "The System" <http://loveforlife.com.au/node/7416> (pictures/photos to be uploaded over the next 48 hours) which comes as a result of many Facebook discussions, especially with Christians and New Agers. We are finding simpler and simpler ways to explain things. A simple explanation of where and why we are going wrong and the ONLY remedy to our problems. We have entered the very dark times of the many self-fulfilling prophecies, which we are not interested in co-creating, and the sooner we get started on the remedy of KINDOM (Do No Harm Communities), the better.

Love For Life Mailing List

For the last few years, Love for Life has had two main mailing lists, four smaller ones and been involved in many hundreds of discussion groups. We are finding that we simply cannot keep up with all of these so are making some changes in an effort to keep on top of things. We are combining all the addresses on our mailing lists into one so that anything we send out goes to everyone. On the 1st or 2nd of every month the usual auto monthly reminder for the mailing lists will come out. If you wish to unsubscribe, follow the prompts, otherwise ignore it. You can also go here to unsubscribe: <http://loveforlife.com.au/content/09/05/14/campaign-mailing-list> If you have any difficulties removing your email address, send us an email with REMOVE in the subject/header and we will do it for you.

If you do not want to get put back on the Love For Live mailing list, please make sure your email address is not being sent to us by other groups you may be involved in. In our efforts to network with as many people as possible, any new email address that comes to us is automatically added to the Love For Life mailing list. If you find your email address back on the list, please just follow the prompts to remove your address again. Remember, you will get a reminder every month. We are all about freedom, truth, peace, abundance, joy, Do No Harm and "Community Immunity" for ALL. We are not your enemy.

Those of you from different groups who send us information or want us to join their groups or want a reply, we suggest you open up a blog or forum on the Love For Life website and attract people to get involved, inviting them to a forum discussion or to read the blog. We are happy to send out links for you to get discussions going. Or open up a wall on Facebook and invite friends like us so that the information can be dispersed among the various networks. This frees us up so we can work on other projects designed to get the message out and get the remedy going.

We apologise to anyone we have not responded to during the last twelve months. Without the extra man-power we are just unable to cope with the 400 to 600 emails coming in each day. We are also very, very sorry for not being able to help the many, many thousands who have written to us suffering under "The System", one way or another. If you are following up information you have found on the website, we suggest you google or follow the links to the source that we provide wherever possible. Please remember that we are not a legal service and we are unable to offer legal advice to anyone. Our responsibilities towards our four young daughters and our vulnerable position of being alone with hardly any community support around us, as well as being on the poverty line, means that we cannot jeopardise the family by openly confronting the system in our daily lives in a way that would be irresponsible to our daughters. I.e. we cannot afford to have one of us end up in jail or have our children taken from us under some pretext or another. We find it more productive testing the water of the system and documenting the harm as we have been doing since 2005/2006 and, to spend our time reaching as many people as possible to make them aware of what is really going on and to share the ONLY remedy to the chaos. We are confident in saying that there are many, many men and women who have woken up to reality because the Love For Life website helped them along the way. Many of these men and women are now turning around and helping others.

We have been doing a lot of networking on Facebook <http://www.facebook.com/arthurcristian> and find it is a very effective tool for quick communication and posting of news to reach thousands quickly, so we welcome your contact there. If you are worried about privacy, well, we don't think there is any real privacy anywhere on the internet. We have nothing to hide and much to share so we don't worry about who may be reading our stuff. We will continue to post important information to the Love For Life website as it arises.

Thank you for your interest in the Love for Life Campaign by being a subscriber to our 'Campaign' mailing list. Should you ever wish to unsubscribe, send a blank message to campaign-request@lists.loveforlife.com.au with the Subject: Unsubscribe.

When Someone Claims Ownership That Someone Is Owned As Well

Copied from here: To Mark McMurtrie & Everyone Involved Whenever With

OSTF: <http://loveforlife.com.au/content/10/05/13/fighting-keeps-us-fighting-ar...> - 9th September 2010 - Note: some extracts were pasted here from this article: "We Are The Life Of The Dream Of Life" by Arthur & Fiona Cristian - Love For Life - 9th September 2010 (main article on this webpage, scroll to top of this page).....

When Someone Claims Ownership That Someone Is Owned As Well

When someone claims ownership that someone is owned as well. They are owned by their desires of ownership which is what happens with belief, faith & opinion. The word sovereignty (exclusivity/privileges) is the very s--word that kills them/brings them undone.

No one can claim original ownership to Earth because they won't be able to bring forward the first party creator to back their claims. We all have to get past all the distortion to arrive at paradise already present in our hearts and from there we can co-create paradise with each other and expand it. We and all our descendants have all been displaced somewhere along the way and the attitude of "me first" only creates more discord and harm doing.

We ALL came from MAN and all men, women and children are equal - as soon as some start claiming exclusivity or privilege as in sovereignty or ownership they are saying that they are "more equal", have more "rights", have a higher standing than others. More division, more conflict, more hatred, more suffering = social unrest, civil war or worse.

Just one MAN having the thought that he/she can make a claim over something or someone is enough to start chaos; it just needs others to replicate that thought and begin to act accordingly and soon there is rape, pillage and plunder and unfortunately this will escalate to chaos, desolation, death and genocide.

Only LOVE can fix this problem and those fixated on ownership and sovereignty are not on the path of LOVE. We must not let civil war happen because it will be used to get rid of those who want peace, freedom, joy and abundance for ALL, rather than just their chosen few.

We will have nothing to do with any war, hatred, revenge or an eye for an eye. Earth is who we are - when we maim, gouge and blow up Earth, we are maiming, gouging and blowing up our body and the bodies of all our brothers and sisters of LIFE. If we are not all brothers and sisters of LIFE then we are strangers to do whatever we want to do with each other. LIFE today is a smorgasbord; a 1001 ways to choose how we want to harm each other and Earth.

Without the do no harm of love out front we are on the wrong track. We have to keep using our brains to learn how to reclaim the lost with love.

We are all the gift of life (if we remember). While we (LIFE) remember who we really are, what we are part of and our true purpose the war waged against LIFE by the lost will continue to consume them until they are no longer part of LIFE (no longer exist). LIFE continues to roll along here and now and expand. It's a choice..... We must forgive everyone lost because, like us, they were all babies, they were all compromised and as children they were never

provided with full disclosure about what they are supporting. If they had been, none of the lost would choose to be lost.

Life Is The Light Of Life.

We should be guided by LOVE in all that we do because then we will do no harm to any LIFE form of LIFE.

Contemplation

As grown ups we create the path we venture on through life and that journey comes with full-responsibility. If it is love then it is love we have created and every step we make through life rests on the firm footing of love. If it is crap then the path through life is in the image of the crap (lies) we have created and every step we make through life sinks into the bog-holes of our crap. Through intent it is very easy to recognise which path is being ventured. Either way the journey comes with full-responsibility.

If one MAN is without land we are all without land.

If one MAN is without shelter we are all without shelter.

If one MAN is without food we are all without food.

If one MAN is without water we are all without water.

If one MAN is at war we are all at war.

The LIFE of MAN Is The Power Of LIFE

It is MAN doing the feeling and thinking. If MAN does not exist who is there to think and feel LIFE? Remember, there is no MAN existing to both hear and answer the question..... so what is LIFE without MAN? The past and the future of all thoughts and feelings felt and thought by MAN requires MAN to exist here and now. Without MAN existing here and now, they cannot be. The past and the future cannot be felt or thought without MAN to think and feel them HERE & NOW. Remove MAN and there is no one to paint Paradise and experience it.

Do you realise who we really are and just how powerful we are and the FULL-RESPONSIBILITY that comes with being the artists of Paradise?

When we realise that everything is created by us, all we need to change is how each of us is thinking and feeling. While we are waiting for someone or something to come and change the world for us, we are still thinking and feeling the imperfection and creating it. No one can stop us co-creating imperfection but us, just as no one can change the way we think and feel but us. When we have remembered the original painting, we will remember who we really are and what we are really part of, we will have changed our thoughts and feelings and the image of LIFE we are painting (creating) on the canvas of LIFE will have changed too.

WE ARE THE CO-CREATORS OF LIFE.

There is nothing hidden in LIFE (of LIFE) that can escape our CREATION.

There is nowhere in LIFE where we are NOT.

Our dream is to create a Kindom with others so that we can start peeling off the layers of the paint of imperfection and get back to the original painting of LIFE, inspiring others to do the same until we are all painting with the colours of the dream of LIFE that we are part of. Those lost to the information of imperfection do not remember what it is like to live in a world of perfection. We have all been compromised and brainwashed and we need to pool the resources we have so we can step out of "the System" and learn how to heal our distortion and re-create Paradise together. LIFE is a team effort and none of us can be free while others are enslaved, none of us can have abundance while others have nothing and none of us can have peace while others are suffering.

It is in creating peace for others that we have peace.

It is in creating freedom for others that we have freedom.

It is in creating truth for others that we have truth.

It is in creating abundance for others that we have abundance.

It is in creating love for others that we have love.

It is in giving life that we have life.

Where love is is where you find me (LIFE).

Attempts on your lives

I am aware of these tactics the enemies of God have taken against you. For I have also experienced exactly the same tactics. The enticing woman was the most recent a couple of months back..it didn't work, for it goes against my nature. This woman was told to go back to her masters and indicate to them that even if they killed me they would not stop the awakening of the children and the return of the loving God our Father to us.

Careful with what you eat and where you get it.

Careful with your firewalls. Try to use, if you can, computers that have security... even then... with cameras for your own security.

Remove the cookies from your computer daily.

Run the antivirus daily. Watch out for koobface worms and trojan viruses. A college I frequent actually has trojan virus that Norton blocked. The website was occc.edu. Oklahoma Community College. The whole administration was informed after tech dept said there was nothing to be alarmed about. It's still there. This is just one example.

But now that I KNOW your dire circumstances... I will pray informedly. And now watch the miracles. Thank you for enduring. In the name of the Abba, Yeshua ha Mashiach, through the wisdom of His breath, ha Melitz, Ehyeh asher Ehyeh (I shall become who I am becoming), Adonai Shalom, Teodoro Leon III (literally, God's gift like a Lion).

The Incantation Of English - Its Spells & Curses

The Incantation Of English - Its Spells & Curses

By Arthur Cristian
Love For Life

10th January 2011

English law came out of the Normans who were the Vikings who were the Canaanites, who were one of the thirteen lost (secret) tribes (black magic orders/sects/cults) of Ancient Egypt, of **IS** (isis) **RA** (ra) **EL** (el - Saturn/Satan/Elohim) - Every letter of the English language is an incantation- a meaning not taught to the people. You have to be initiated into the secrets to know the meaning of each letter. We were all taught to "spell". As these incantations are combined to form words (sounds) they form a concoction that becomes a "spell" that cloaks us as we

fall under the frequency of the sound that makes the "spell" (the meaning) of our own making. Under the spell we fall from consciousness into a dead-corpse "state" (of hell).

"The System" that is hell is made up of spells upon spells interwoven with more spells. As all lies wear thin, those behind "The System" have an endless array of spells that overlap and replace each other as they wear out. They have the Bible spell, the Torah spell, the Talmud spell, the Koran spell, the Gita spell and, as they are wearing a bit thin for many, we now have the Galactic Federation spell, the alien invasion spell, the ascended masters spell and the channelling spells, the 9/11 spell, the Tax spell, the mortgage spell, the debt spell, the global warming spell, the vaccination spell, the economic meltdown spell, the constitution spell, the freeman spell and the sovereignty spell.

There are so many spells that the citizens in every "state" are forever trapped in the mazes that form the rabbit warren matrix to keep them busy and distracted. They have never seen the way out of hell or even imagine that they are so duped by the "spells" of hell that they cannot consider life without hell. The citizens are forever visiting the supermarket of hell to purchase their next "spell", led by the **"we will lead every revolution (spell) against us"** change agents, dis-information agents, lackeys, deceivers, provocateurs, etc.,. The best "spells" are always the ones with one or a few lies mixed in with a mountain of truths. Overwhelmed by all the morally correct truths, the duped accept the lie/s as part of the truth. Just one lie is a minuscule crack in a wall of truth, providing an entrance for an ocean of lies to flow through, gradually, gradually, gradually seeping in across generations, the crack widening and allowing more and more lies to dilute the truth. Sadly, we have not noticed the impact of the lies on our lives until it is almost too late and the wall is collapsing around us.

English law & language was crafted by French Judeo Judaic legals (architects/draftsmen of law) who were Aryan bloodlines, descendants of the Normans. English primarily came out of Roman/Latin, Greek, French & Hebrew alphabet languages - all mediums of the "spell" - all are "crafts", "practised" by the warlocks and witches of black magic. None are natural, they are not to be found in nature, which is why we have to be "educated" (ed-u-cat/ucated) to "understand" (under their standing) them. The presence of the living creator is not present to the incantations and the spells they form. They are all man-made - they are all abominations. Things are not what they seem. Who do you think "crafted" the bible and "practise" its "spells" of hell????? Refer to the "crack in the wall" above and take a good look across Earth today..

Remember: every letter has a meaning not taught to the people.

Levite priests control the Roman cult who control the Jesuits who control the Pope and his Roman Catholic Church - Levite priests also control the Archbishop of Canterbury (who performs the coronation is the higher power) and his Protestant Church of England which controls "The Crown" of The British Empire (the English or the law of ISRAEL that is SION/ZION, the tallest mountain of Israel). Under-Their-Standing, Levite priests control ALL of Freemasonry and all the sects, cults, lodges, fraternities, brotherhoods, sisterhoods, etc, that form organised hell (chaos), the order's (order out of chaos) ruling chaos (Ball Worship - Ball = Satan/Zeus/Moloch/Horus etc). Levite priests were the high priests of Ancient Egypt and are the supreme masters (the learned) of black magic (the "spell" and their curses). They rule the lost (secret) tribes (orders/sects/cults) of IS-RA-EL. Their master is The Grand Architect often referred to as God, better known as Satan. They get all their "orders" directly from God. Their God is a fraud.

The Main Insights Of The Love For Life Work Can Be Researched Amongst These Recent Posts

These posts will help you to comprehend where we are at and heading and why the REMEDY of KINDOM (Do No Harm Communities)

Is the ONLY remedy that frees MAN from the slavery to man-made HELL.

We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, ignorance, being fed many many lies and being traumatised. The issue is not overpopulation - there is more than enough land available for every family to have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

Coming Shortly

We live for NO SYSTEM. We do not lose anything by not having a man-made system and, in fact, we gain. We gain our freedom and we gain abundance. Let go of the fear.

A Collection Of Various Love For Life Posts Providing The Big Picture We See Sequential Order

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

Peaceful Transition Through Sacrifice And Service

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

Once we fix these issues, we or our children or our descendants to come, can start focusing on the even bigger picture of getting back to where our ancestors were, as breatharyan's, before they fell into non-sense images to be enslaved by them.

The Cristian Family Declaration

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.
- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.

- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

Update Regarding The Love For Life Home Page And Quick User Guide

We are turning the Love for Life Quick User Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

Love For Life Videos

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

Love For Life Music

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

About Us - Love For Life & The Cristian Family

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is

in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

THE CRISTIAN FAMILY SUPPORTS FREEDOM OF SPEECH - FREEDOM OF THOUGHT

Posted Wednesday 17th June 2009

Updated September 2011

**NSW Jewish Board Of Deputies
Has Threatened To Shut Down
The Love For Life Website**

**No Freedom Of Speech - No Freedom Of
Thought**

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the

above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: "**NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of Bank Fraud Condoned By Judges**" <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles**: <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see here: <http://loveforlife.com.au/node/6511> and here: <http://loveforlife.com.au/node/3385> - We also highly recommend that everyone read the brilliant Russian books called **The Ringing Cedars**: <http://loveforlife.com.au/node/1125> - The **Love For Life Website Homepage** also provides lots of inspiring remedy based information: <http://loveforlife.com.au> - If you want to be kept up to date with our work please register to the **Love For Life Mailing List** here: <http://loveforlife.com.au/content/09/05/14/mailling-list>. We usually send two postings per month. Presently (September 2011) there are over 7000 registrations reaching over 500,000 readers across Earth. The website now (September 2011) receives up to 12 million hits per month. Since December 2006, over 100 million people have visited the Love For Life website.

Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
