Luxe Serena Collagen Retinol Skin Cream Ingredients List

- **Collagen:** A vital protein that provides structure to the skin, promoting elasticity and helping it to appear more youthful and vibrant.
- **Retinol:** Also known as Vitamin A1, it aids in skin cell turnover, promoting a more even tone and smoother texture.
- **Hydrolyzed Sericin:** Derived from silk and known for its moisturizing and anti-inflammatory properties, it helps to nourish and calm the skin.
- **Hyaluronic Acid:** A powerful humectant that attracts and retains moisture, contributing to a plump, hydrated complexion.

The Luxe Serena Collagen Retinol Skin Cream is carefully formulated with a powerful blend of key ingredients, each selected for its specific skin benefits. Collagen, a primary component, provides essential support to the skin's structure, ultimately contributing to a firmer and more resilient appearance. Additionally, the inclusion of retinol encourages healthy skin cell turnover, aiding in the reduction of fine lines and promoting an even complexion.

The addition of hydrolyzed sericin, extracted from silk, brings its hydrating and soothing properties to the formula. This helps to maintain the skin's moisture balance and alleviate any potential irritation. Moreover, hyaluronic acid, known for its exceptional hydration capabilities, further enhances the cream's ability to retain moisture, resulting in a supple and well-nourished skin surface.

How to use Luxe Serena Skin Cream effectively
