WELCOME TO LOVE FOR LIFE

Love For Life is committed to the creation of Do No Harm, Kin Domain communities across Earth. Kindoms, where we grow our own food and support one another away from the endless rules and obligations we currently struggle under, are the only way to achieve lives of peace, joy and abundance for all and take care of Earth so that Earth flourishes. Love For Life shines a light on the darkness of "The System" we live in so that we may all recognise that darkness and until there is nowhere left for it to hide. A Guide To The Love For Life Website

Updated 20th January 2017 . Opening up the Quick User Guide <http://loveforlife.com.au/node/6608> may take a few minutes, depending on your internet service, computer and ram size, as it contains a lot of information, including embedded videos. However, it is worth the wait because, as an introductory page into the big picture we see/sense, as well as some information about our backgrounds, it gives a very clear overview of what "The System" is, the remedy to "The System" we call Kindom, which is what Love For Life is all about and what we, the Cristian family, stand for and where we are heading. It is best to wait until the **Quick User Guide webpage** <http://loveforlife.com.au/node/6608> is fully loaded before scrolling down. Don't bother with the left hand menu at this stage.

If you are currently on the **Home Page of the Love For Life website** <http://loveforlife.com.au> and reading this, you are looking at a small teaser of what used to be the start of the very long home page. As it is now, the **Home Page** <http://loveforlife.com.au>

If you are currently on the **Home Page of the Love For Life website** <http://loveforlife.com.au> and reading this, you are looking at a small teaser of what used to be the start of the very long home page. As it is now, the **Home Page** <http://loveforlife.com.au> is just an index of teasers providing links to Love For Life articles.

The **Quick User Guide** <http://loveforlife.com.au/node/6608> used to be a blog where we put a lot of Love For Life insights up in readiness for the free Love For Life e-book but, because of its enormity, we have made this teaser, which will still show when you open up the **Quick User Guide** <http://loveforlife.com.au/node/6608>

Since March 2017, the posts **The Selfie Of Freakenstein** <http://loveforlife.com.au/node/8588>, **The Satanic Craft Of Inculcation In Practice** <http://loveforlife.com.au/node/8578> and the **Love For Life Quick User Guide** are now the culmination of the intense Love For Life insight work that we started in March 2005.

The Selfie Of Freakenstein and the drawing upon insights from **The Satanic Craft Of Inculcation In Practise**, a July to September 2017 series of videos called "**Breaking The Illusion Of Self Obsession Junkies - The Background To "The System"**" <http://loveforlife.com.au/node/8591>, made with **Jahnick Leunier of The Tru-Mon Show**, the **Love For Life Quick User Guide** and their comments sections are collectively the Love For Life pallet of paint from which we'll produce the free Love For Life e-book. **The Satanic Craft Of Inculcation In Practise** and its comments section is a massive read and there are many Love For Life videos embedded there. The "**Breaking The Illusion Of Self Obsession Junkies - The Background To "The System"**" videos are embedded below and here with full description: <http://loveforlife.com.au/node/8591>.

Note: All our latest insight work 26th October 2017 to 16th December 2017 posted in Facebook can be found here in this comment section below: **The Fantorgasmic Fusion Of 1** ---> **0**: <http://loveforlife.com.au/content/17/03/18/selfie-freakenstein-arthur-fi...> - All our insight work since 17th March 2017 is posted in **The Selfie Of Freakenstein** webpage, including its now lengthy comments section: <http://loveforlife.com.au/node/8588> - Arthur & Fiona Cristian - Love For Life - 18th December 2017

If you don't fully comprehend the difference between SENSE and NON-SENSE and the consequences of not being able to distinguish between them, then diving into the links provided above will help you comprehend the big picture of why this is so important.

Since December 2006 and up to 27th April 2016, the home page has been visited by more than 430 million unique ip addresses/browsers. We still receive up to 1000 emails per day.

Because we are so busy with many demands on our waking life, including the family and creating a Love For Life free e-book, this **Quick User Guide** <http://loveforlife.com.au/node/6608> and the threads "**The Selfie Of Freakenstein**" <http://loveforlife.com.au/node/8588> and "**The Satanic Craft Of Inculcation In Practise**": <http://loveforlife.com.au/node/8578> (including the comments sections of both threads) and the "**Breaking The Illusion Of Self Obsession Junkies - The Background To "The System"**" series of videos <http://loveforlife.com.au/node/8591> are currently the best places to go to get the big picture of what Love For Life is all about. There is a whole range of different articles and Love For Life videos to be found in these places. In the articles, there is repetition because they are not comprehensive articles as a whole, with some stuff taken from Facebook and YouTube discussions, email correspondence, etc, dribs and drabs, put together on the run. Basically, it is everything we have been doing since the 1st March 2016, stored as reference material for the e-book, which will be written differently, to give everyone an idea of some of the insights dumped in various bits of material.

When the free Love For Life e-book is finished, it should be about a two hour read. Links to it will be posted here in The Quick User Guide, near the top so come back and check here now and again, join the **Love For Life Mailing List** <http://loveforlife.com.au/content/09/05/14/mailling-list>, look in **Recent Posts**: <http://loveforlife.com.au/tracker>, or join **Facebook** <http://facebook.com/arthurcristian>. The free e-book will be something that we can send out to people who are interested in what Love For Life and the Kindom remedy is all about. Being able to spend less time on the computer and more in the garden, with the family and other Kindom related projects is the goal!

The first post in **The Satanic Craft Of Inculcation In Practise**: <http://loveforlife.com.au/node/8578> (including the comments section) provides examples of how we are using our lives as guinea pigs to show what exactly is "The System", how it works and who the perpetrators are, information that cannot be found anywhere in any of the information of "The System". The first post contains three documents filed in ACAT (ACT Civil and Administrative Tribunal) and the ACT (Australian Capital Territory) Supreme Court in Canberra for a defamation case against Fiona Cristian, owner of this website, that went between March 2014 and October 2016. These documents give a clear sense of how we engaged with these people.

Full details are included in this thread. Scroll down to find it.

NSW Supreme Court Case Macquarie Bank/Perpetual Limited vs Fiona Cristian Victims Of Bank Fraud Condoned By Judges

Posted 12th July 2006
<http://loveforlife.com.au/node/5>

[Note: The above court case was the catalyst for us starting Love For Life and the thread contains details of everything we and supporters went through at the hands of the force behind "The System".]

When you are on the real road to freedom, the perpetrators have to come out into the open to try to stop us and this is how they reveal themselves, even though they hide behind lackeys. It has nothing to do with the Military, the Police, the Government and the Courts but goes back out of plain sight to another level again, even though they are all involved.

In fact, everything is in plain sight but we are conditioned not to recognise it. Even though the military, police, politicians, courts, government agencies and religious leaders are controlled by those who have sold out to Freemasonry above the farce of the show pony, benevolent, charity levels, the real secrets are shared between only a very, very few at the top, who may be hiding behind some of these guises or not. They do not want their greatest secrets of how they really control MAN exposed because then they lose all their power. There have been many men and women who have been unravelling these secrets and the Love For Life work has also unravelled many of them using scrutiny to overturn every stone, going where truth takes us and honing our noses on the scent through over three and a half thousand debates. Eleven years later, we have come to the culmination of the Love For Life work because we have worked out exactly how and why MAN is controlled and what the remedy to the horrors of "The System" is. We have let go of all belief, faith and associated opinion, which is where most people get stuck because they are unwilling to put their beliefs to the test of scrutiny to see how they stack up, so any information that does not fit into the boxes of their belief is disregarded. This is why they remain easily controlled system robots. Go here to see some recent examples of this: **The Spinning Top - Full Bloom Inculcation - Arthur And Fiona Cristian - Facebook Discussion 8th to 11th December 2016**: <http://loveforlife.com.au/content/16/03/04/satanic-craft-inculcation-pra...>

To us, everything those of "The System" throw at us only validates the insights of the Love For Life work because we are deconstructing their true methods and pushing them out into mainstream, which we have been doing since 2005/2006. However, we have to keep pushing harder as we are getting closer and closer to the completion of their plans to bring in the New World Order (NWO) as announced by George Bush Snr back in the 1990s, which will see most of us dead and the rest of us even more enslaved. Most people have no idea of what the NWO really is as it has been intentionally white-anted as a conspiracy theory and played out in the media, by pied-piper story-tellers and Hollywood to desensitise us.

These subjects can conjure up all sorts of trauma, which is what they rely on to keep us fearful, arrogant, stubborn and ignorant and

Watch Out For Mark Darwin & Truthology 2010-2017 Emails Between Mark Pyteltek, Fiona & Arthur Cristian And Victims Of Truthology

Due to the extreme amount of disgruntled people writing to us about their misfortunate dealings with Mark Darwin & Co and due to current court cases going on and future ones pending, we felt it was best to post these 7+ year old testimonies to assist those both considering Truthology and those who have been harmed by Truthology, keeping the names sanitised, though Mark Darwin would probably know who they were. We know that Mark Darwin has taken out defamation actions against at least one woman, details of which can be found here: **Gi Linda** sent a message using the contact form at

<http://loveforlife.com.au/contact>. 3/12/2017 5:30 AM - Feedback to Fiona and Arthur] **Mark Darwin expanding fraud:** Update: <https://mountwarningecovillagescam.blogspot.com.au/2017/12/truthology-fr...>

Even though we have Drupal 5 backups of the old Love For Life website, we don't have the skills or the \$\$\$\$ to find these missing Mark Darwin threads <http://loveforlife.com.au/node/7579> and <http://loveforlife.com.au/node/6645> that were damaged during 2016, and re-upload them. However, we have been able to find many comments and posts made via email and we are copying them here in a non sequential order (just dumping them as we find them) as a reference point for those interested. The old Drupal 5 database running the current Love For Life website needs to be upgraded as soon as possible to at least Drupal 8.

Being able to spend less time on the computer and more in the garden, with the family and other Kindom related projects is the goal!

The first post in **The Satanic Craft Of Inculcation In Practise**: <http://loveforlife.com.au/node/8578> (including the comments section) provides examples of how we are using our lives as guinea pigs to show what exactly is "The System", how it works and who the perpetrators are, information that cannot be found anywhere in any of the information of "The System". The first post contains three documents filed in ACAT (ACT Civil and Administrative Tribunal) and the ACT (Australian Capital Territory) Supreme Court in Canberra for a defamation case against Fiona Cristian, owner of this website, that went between March 2014 and October 2016. These documents give a clear sense of how we engaged with these people.

Full details are included in this thread. Scroll down to find it.

NSW Supreme Court Case Macquarie Bank/Perpetual Limited vs Fiona Cristian Victims Of Bank Fraud Condoned By Judges

Posted 12th July 2006

<http://loveforlife.com.au/node/5>

[Note: The above court case was the catalyst for us starting Love For Life and the thread contains details of everything we and supporters went through at the hands of the force behind "The System".]

When you are on the real road to freedom, the perpetrators have to come out into the open to try to stop us and this is how they reveal themselves, even though they hide behind lackeys. It has nothing to do with the Military, the Police, the Government and the Courts but goes back out of plain sight to another level again, even though they are all involved.

In fact, everything is in plain sight but we are conditioned not to recognise it. Even though the military, police, politicians, courts, government agencies and religious leaders are controlled by those who have sold out to Freemasonry above the farce of the show pony, benevolent, charity levels, the real secrets are shared between only a very, very few at the top, who may be hiding behind some of these guises or not. They do not want their greatest secrets of how they really control MAN exposed because then they lose all their power. There have been many men and women who have been unravelling these secrets and the Love For Life work has also unravelled many of them using scrutiny to overturn every stone, going where truth takes us and honing our noses on the scent through over three and a half thousand debates. Eleven years later, we have come to the culmination of the Love For Life work because we have worked out exactly how and why MAN is controlled and what the remedy to the horrors of "The System" is. We have let go of all belief, faith and associated opinion, which is where most people get stuck because they are unwilling to put their beliefs to the test of scrutiny to see how they stack up, so any information that does not fit into the boxes of their belief is disregarded. This is why they remain easily controlled system robots. Go here to see some recent examples of this: **The Spinning Top - Full Bloom Inculcation - Arthur And Fiona Cristian - Facebook Discussion 8th to 11th December 2016**: <http://loveforlife.com.au/content/16/03/04/satanic-craft-inculcation-pra...>

To us, everything those of "The System" throw at us only validates the insights of the Love For Life work because we are deconstructing their true methods and pushing them out into mainstream, which we have been doing since 2005/2006. However, we have to keep pushing harder as we are getting closer and closer to the completion of their plans to bring in the New World Order (NWO) as announced by George Bush Snr back in the 1990s, which will see most of us dead and the rest of us even more enslaved. Most people have no idea of what the NWO really is as it has been intentionally white-anted as a conspiracy theory and played out in the media, by pied-piper story-tellers and Hollywood to desensitise us.

These subjects can conjure up all sorts of trauma, which is what they rely on to keep us fearful, arrogant, stubborn and ignorant and pliable for manipulation without realising the hidden hand behind the tactics, but the main focus of the Love For Life work is remedy, which is all about returning to nature and do no harm ways of life.

To get some deep background into "The System", read this article before moving on.

Due to the extreme amount of disgruntled people writing to us about their misfortunate dealings with Mark Darwin & Co and due to current court cases going on and future ones pending, we felt it was best to post these 7+ year old testimonies to assist those both considering Truthology and those who have been harmed by Truthology, keeping the names sanitised, though Mark Darwin would probably know who they were. We know that Mark Darwin has taken out defamation actions against at least one woman, details of which can be found here: **Gi Linda** sent a message using the contact form at

fraud: Update: <https://mountwarningecovillagescam.blogspot.com.au/2017/12/truthology-fr...>

Even though we have Drupal 5 backups of the old Love For Life website, we don't have the skills or the \$\$\$\$ to find these missing Mark Darwin threads <http://loveforlife.com.au/node/7579> and <http://loveforlife.com.au/node/6645> that were damaged during 2016, and re-upload them. However, we have been able to find many comments and posts made via email and we are copying them here in a non sequential order (just dumping them as we find them) as a reference point for those interested. The old Drupal 5 database running the current Love For Life website needs to be upgraded as soon as possible to at least Drupal 8.

Sanitised wrote to us....

"The psychic reign is conducted by Satan, A MAN all Freemasons worship as The Grand Architect, the creator of the dream of Hell for MAN" Satan is A MAN?"

We replied.....

Yep (Y)

Sanitised replied...

Man or man like?

We replied.....

Through invitation, initiation and definition,

the pure and sincere innocence of undefined MAN fell into the dream-world of a defined MAN, the Grand Architect, Satan, a mapped out version of defined reality

dreamt up by a MAN with the intent to deceive MAN (children/men/women/brothers/sisters/family/community/tribe) into being defined (fallen).

Defined consciousness, life, reality, freedom, etc, is all fake, lies, deception and fraud.

"Man Like" is a defined MAN under the light of Lucifer (see candle),

desecrated and no longer pure and sincere. A defined MAN is not a MAN, instead is a fallen MAN under the influence of illumination, the light of Lucifer, the intellect of definition, the craft of the occults in practice.

Man is undefined, is pure, sincere and uncorrupted, the living Christ (soul) of MAN'S living dream of life.

MAN is sacred but misguided brothers/sisters were conned into the promise of "jewels", "power", "truth" and immense pleasures

that come with exclusive and privileged "standings" amongst societies ("The System") of brother-hoods/sister-hoods.

They are all now desecrated under the robotic programming of the occults, the Luciferic (intellectual) illumination of 3rd party definitions (explanations, instructions, education, suggestions), the ancient (deeper) mysteries, ancient tongues/ways, etc, fully mapping out a fake, defined reality with brainwashed MAN at its centre, the mask of SELF-OBSESSION.

The blindfolded MAN of belief, faith and associated opinion of definition,

is now in the darkness, the Luciferic illumination of intellectualised non-SENSE, under the stereotyped HOODS of defined reality, truth,

Novice Knights Templar initiate trampling the cross of Christ

crucified under the DARK influence of those whose intention is to desecrate unique, original, MAN (Christ - Soul) seducing MAN into giving up SENSE (undefined reality, purity and sincerity of a unique, original living/live-in soul), hence the blindfold and the already blind brothers(hoods) (and sisterHOODS)

standing behind and in front of him with the occultic swords of defined "truth", "power" and "UNION" to bind (initiate) the blind MAN to their order/fraternity/society/etc, "The System" where everyone is blind (dead) to sense (soul)

and determined to make those around them and under them blind to sense too,

immersed in the NON-SENSE that is the defined reality of the OCCULTS that define a falling MAN into being corrupted and giving up the creation of a unique, original living (live-in) soul. They are all desecrated, they are all blind. The blind are leading the blind, coming as politicians, judges, lawyers, rock stars, film directors and appearing in ALL areas of system life. They all carry the light of Lucifer and are the rolling stone out of control, all working together for the Grand Plan of desecrating everything of the living dream of reality, celebrating together as they roll towards eternal destruction IN THIS LIFE.

Unearthing The Trail Of The New World Order Shepherds, Spinning Their Webs Before Our Eyes Ronald Bernard Ex Dutch Banker

So here we have Dutch banker **Ronald Bernard** exposing the elite he worked for all those years as a high level inside trader. This 40 minute interview <https://youtu.be/cRuKmxQSPSw> (embedded below) takes you on a brief overview of Ron's life from a "war zone" childhood through to becoming a high level merchant banker with a 100% minus zero conscience. At the end of this "tragic" story, Ron is invited to participate in the ritual sacrifice of a child as part of a Luciferian practice amongst the elite he works for with the intention to use blackmail against him if he ever reveals the truth as to how the real world works at the top level. He refused to do so and that was the beginning of the end of his work at this level. He was also tortured, leading to him being out of action for a year due to cardiac arrest, so that he would never reveal the names and institutions he was involved with.

Now, he is a leading light of **B of Joy**, "a cooperative, fair trade, pro-life bank in formation, creating a sustainable, abundant society", a "good guys" solution to the corruption of the banking system, putting the "money back where it belongs". All interest free, too. Sounds rosy, doesn't it? But what we are seeing here is the NWO being brought in stealthily by the "good guys" of the elite even as they point their fingers at the "bad guys" of the elite, the Jews and the Rothschilds following "**The Protocols Of The Learned Elders of Zion**", doing over the "sheep".

He fails to mention that B of Joy will still need to be administered, will still need some form of authority and all those participating in it will need to be brainwashed from early childhood so that the stereotyping of a new type of MAN to meet and enter the NWO comes about to fit within the stereotype of the NWO system. All robots need a program to perform their task, in this case, as good, kind, fair robots, close to nature and earth.

We are finally bringing together the many insights we've been unfolding and gathering over the past 11 years, particularly the last 3 years, to form a simple free Love For Life e-book full of simple sketch illustrations, approximately a 2 hour read. We are currently looking for simple sketch illustrators to assist with the e-book right through to a series of Love For Life music production videos and eventually a documentary and finally a film showing the big picture of how our ancestors, with good hearts, fell from paradise (DO NO HARM way of life) and how all their descendants with good hearts have never been able to return to Paradise, remaining completely stuck in ways of life that support, condone and acquiesce to DOING HARM ways of life and expanding that. It shows what "The System" of Doing Harm really is, how it is made, how it really works, why it is like it is, who benefits, what the real consequences are and the remedy to getting out of there and back to paradise in this life.

The Selfie Of Freakenstein and the drawing upon insights from **The Satanic Craft Of Inculcation In Practise**, a July to September 2017 series of videos called "Breaking The Illusion Of Self Obsession Junkies - The Background To "The System" <http://loveforlife.com.au/node/8591>, made with Jahnick Leunier of The Tru-Mon Show, the **Love For Life Quick User Guide** and their comments sections are collectively the Love For Life pallet of paint from which we'll produce the free Love For Life e-book. **The Satanic Craft Of Inculcation In Practise** and its comments section is a massive read and there are many Love For Life videos embedded there. The "**Breaking The Illusion Of Self Obsession Junkies - The Background To "The System"** videos are embedded below in this webpage, copied in the comments section below and can also be found here **Breaking The Illusion Of Self Obsession Junkies - The Background To "The System" Series Of Love For Life Videos July to Aug 2017** <http://loveforlife.com.au/node/8591>.

If you don't fully comprehend the difference between SENSE and NON-SENSE and the consequences of not being able to distinguish between them, then diving into the links provided above will help you comprehend the big picture of why this is so important.

Introduction To The Selfie Of Freakenstein

***The words "nature", "earth" and "MAN" and their definitions are stereotypes that are used in an attempt to define the reality of undefinable life forms. However, so as to make things easy to write and comprehend, we are using the words "nature", "earth" and "MAN" to mean every living life form of undefinable reality; the sky, clouds, trees, mountains, rivers, valleys, every plant, fungus, etc, and every creature from amoeba to mammoth.

Everything of life, reality, truth, is in and of intent, but being raised in "The System" conditions us to superficiality that also comes with intent. Men and women unaware of just how deep the superficiality rules them will look at selfies (it's a daffodil and it is yellow) and see only the stereotypes (it's a daffodil and it is yellow) they are trained to see which means that they are completely blind to the living existence and purpose of the sensory life form they are looking at, now labelled "it's a daffodil and it is yellow". Reality is not being sensed, is not on the radar of reality. Instead reality is now imaginary and being impersonated. Nature and earth have become a world of stereotypes, all of them fake, including MAN centred in nature and earth. We have been trained to become self obsessed with an identity that has been defined for us by others, a reality that does not exist, even though we believe it does through our imagination of it.

The brainwashing education of "The System" has formed an alphabet language of the superficial, artificial communication of stereotypes that make up the selfies that men and women have been trained to live by. The whole of the alphabet language including mathematics and geometry is in, of and about the selfie; reality is not on the radar. My name is....., I am a, my nationality is....., my interests are....., my religion is....., my birthday is....., I own, earth is a planet....., that is the sun....., earth is a sphere....., nature is hostile....., our ancestors lived in the dark ages.....

This selfie is what we imagine we see when we go into the bathroom and look in the mirror. There is an imaginary conversation going on in-between the ears but the reflection in the mirror is not real and it is unable to think and talk of its own free will. We have to do all the thinking and talking for the reflection. Raised in "The System", when we are observing a "natural" sensory life-form, an imaginary conversation is already going on in-between the ears, "it's a daffodil and it is yellow", and this conversation is the reflection of the selfie bouncing off the mirror of our imagination. We are using definitions to reflect a fake, defined version of reality while having a conversation with fantasy, the selfie, believing the selfie, "it's a daffodil and it is yellow", is real and normal. The selfie and the conversation going on in our imagination are not on the radar of reality. We just pretend that they are on the radar.

It is all fake because it is all indoctrination through stereotyping that we have learned to illuminate and project since we appeared in the womb because our mothers and fathers were already lost to the selfies of stereotypes and constantly saturated us with conversations they were having with their selfies because we were their selfie conversation too. The selfie is a never ending script of animation going on inside our heads with every alphabet letter, word, sentence and paragraph filled with explanations that are the stereotypes that are the imagination of images of fantasy flicking constantly through our thinking like the pictures of animated characters coming alive as each flicking page slightly changes, giving the impression that the animated characters and settings have come alive in our imagining of the story telling of the stereotypes. This is exactly what is happening to children when they are lying in their cribs, wearing their nappies, sucking their dummies, or glued to a cartoon, or lost in a fairytale. Our parents turned us into stereotypes from so young because they were lost to the stereotypes of what it is to be a good mother and father and therefore everything about them being parents and raising us as their children was a fairytale from the outset.

The relationship we have with each image of animation flicking through our thinking adds to and forms a library of stereotyped history for the life-time conversation we have with the selfie we identify with and live for, giving us an artificial sense of belonging to a defined "reality" that is all fake. The conversation is always in, of and about the selfie in relationship to the fake reality. This is how "The System" was raised from fantasy, conning us into destroying reality to construct the physical, material forms of the artificial world of "The System". We have raised "The System" from the dead, from what does not exist, into a wonderland cinema of fantasy where we are perpetually animating a conversation with a selfie without ever leaving this cinema of fantasy. We have bonded with the illusion of reality through the selfie and the definitions we have been given; this is grass, that is a mountain, animals are cute, or dangerous, vegetables are good for us, etc., etc. Reality has been defined for us but it is all fake which means that we are fake because it is this fakeness of the selfie that we live our system lives out of. This is how we destroy our children and how we were destroyed.

We go from practising with the selfie images in the sandpit to making shapes out of reality to meet the conversations we have with our selfies, resulting in the chaos and destruction to reality that we see all around us, including the destruction of our brothers and sisters as we make them slaves to our selfie lifestyles, ostracise and discriminate against those who worship a different selfie, write off those who turn out to be having a different selfie conversation than the one we thought they were having, and send each other to war so that we can meet on the battlefield of selfies and kill each other over our selfie stereotypes.

The distorted conversations that our Freakenstein selfies have are conversations of confusion we have with reality. Sickness and disease are conversations of confusion we have with reality but we believe these conversations are of reality and the confusion is backed up and justified by the fact that we are sick and diseased, and those around us are sick and diseased, and so we have endless conversations of confusion about our health that lead to us having Ken and Barbie Freakensteins behind Big Pharma providing us with medicines, experimenting on us, cutting us open, swapping our body parts and perpetuating the confusion about our health throughout the generations.

Our conversations of confusion with reality are the social media we use, science and technology, homelessness, poverty, fast food, boxed in fashion, schooling, careers and lifestyles, all part of a conversation we are having as a social experiment with confusion to see how it fits with reality. We wear the costumes, titles and status of the social engineering to experience how this confusion with reality entertains the selfie of Freakenstein we have become. As much as we like to come across as being "good" Ken and Barbies, we are all mass murderers of reality. There is nothing more evil than being possessed and driven by the selfie of Freakenstein.

The whole of "The System" of government, politics, law and religion is a conversation of confusion with reality administered and governed by the confused who know nothing about reality because they are faking everything. This only happens in the imaginary world of Freakenstein where Ken and Barbie are slaves ruled by Ken and Barbie slave masters.

They are conversations of confusion, conversations of chaos and destruction, conversations of imagined hurts and slights but we think that they are reality but reality is not on our radar because reality has been distorted from so long ago and the confusion we have with it has left us with no idea what reality is, however much we fake it. This is the world of Freakenstein full of Freakenstein Ken and Barbies. To have a conversation with the selfie, we have to destroy everything of reality.

Even matters of the heart are overridden by the conversations with the selfies that get in the way of the conversations of the heart because of the conversations of fear, doubt, uncertainty and distrust that we are having with our selfies, all the while we are trying to have conversations with the heart and with others who think they are having conversations of the heart, unaware that it is actually the selfies conversing all along in a state of confusion with reality. The world of Freakenstein is a conversation with death with the occultists manipulating the conversations that direct our selfies. This fire of hell that is our selfie fantasy is burning up everything of our real lives because it needs death and destruction to reality to continue.

The fact is, MAN cannot define reality for another MAN; to do so is to create "The System". Reality is undefinable and yet we have men and women trying to define reality for everyone and every living life form they come into contact with. This is the power and control behind "The System" - those who create the definitions for us gain all the power and control derived from "The System" over all those lost to the in, of and about of the stereotypes of their selfie in "The System", of "The System" and about "The System".

This is the Selfie of Freakenstein, Freakenstein being "The System" where the men and women lost to confusion with reality, the Ken and Barbie Freakensteins, are enslaved to the worship and demands of their selfies, carrying on the confusion of death to reality and celebrating it, giving it birthdays, New Year's celebrations, holidays, etc. The selfie is a slave of self-obsession labouring in the imaginary prison world of "The System" for a lifetime, with all the life energy of the men and women generated in their labour for their selfie benefiting the inventors of the selfie and their bloodline beneficiaries who gave them the definitions, the administrators overseeing "The System" of self-obsession. These administrators are vampires, occultists (Freemasons) performing spell binding black magic on all their victims all across earth. If they have made a world of confused men and women, it is easy to control them all and thus have absolute power over all of reality.

From so young, we are raised in a selfie sandpit where every grain of sand is a stereotyped thought, an image of the script of the animation of selfies that we are permitted to choose from as we learn to form and animate our fake, stereotyped, selfie lives. The whole sandpit is flickering with defined images of reality that mesmerise us so that we forget all about the unique, original dreams and aspirations of the undefined reality of our living souls that we sense when we are raised by nature with no one inside our heads explaining anything to us.

We learn to play at being Ken and Barbie permaculture, Ken and Barbie taxation, Ken and Barbie sustainability, Ken and Barbie Christian, Ken and Barbie socialite, Ken and Barbie Jew, Muslim or Atheist, Ken and Barbie consciousness, Ken and Barbie recyclers, Ken and Barbie Ezekiels Of God, Ken and Barbie carpenters, mechanics and IT Professionals, Ken and Barbie nature lovers, Ken and Barbie Freemasons, Ken and Barbie raw fooders, Ken and Barbie psychiatrists and counsellors, Ken and Barbie film directors, Ken and Barbie educators and scientists, Ken and Barbie Judges, Lawyers, Politicians and Priests.

The explanations we are given tell us that we are confused about who we really are and therefore are no longer the sacred magnificence of our undefined reality, that we must have doubt and uncertainty about the undefined reality of who we really are so that we will be forever addicted to and enslaved to the definitions of confusion with reality that we labour for. If all we know are the stereotypes that we have been given to work with, we are gone, lost to the magnificence of undefined reality forever. Undefined reality is freedom.

We are given a birth certificate and a death certificate, registered and trademarked throughout our system lives as a selfie of Freakenstein. Nothing of our lives is created uniquely and originally by us. All we are is copies of definitions in random assortments that make us think that we are all "different" and we are given a world of e-motion to keep it this way; arrogance, righteousness, indifference, jealousy, lack of confidence, insecurity, shame, pride, repression, depression, etc, all of which keep us detached, removed from the consciousness of the undefined reality of who we really are by the schism of confusion in our thinking that has us adopt Ken and Barbie Freakenstein copies rather than living the promise of the magnificence of a unique, original, living soul. We are prisoners locked in the confusion of a defined reality. This is chaos and the occultists bring order to the confusion we have with reality. They manipulate the confusion of chaos to provide their order to their chaos which gives them all power over the lost.

The motive behind raising us in the sandpit of "The System" rather than in the living reality of nature is to keep us in "The System" so that we never remember who we really are and our jealous lovers, the occultists so obsessed with harvesting and using our life energy, keep us pliable and unconscious, soulless Ken and Barbie zombies without conscience who can no longer sense reality and so kill it without a qualm.

The undefined reality of MAN is sacred and must never be desecrated. The intent to do so is more sinister than putting a bullet through someone's head because a definition of a MAN, a selfie, is lost to reality forever, if the MAN does not remember who they really are and let go of the selfie they are a prisoner to. When we define reality for a child, we are committing murder and we all have the full responsibility not to corrupt undefined reality with definitions because, when we do so, we are creating copies of MAN, Ken and Barbies, not the real MAN.

We are MAN who have given up the soul of undefined reality, the rank and file robots with our rank and file software program of e-motions downloaded, following the tax department in rank and file, the politics in rank and file, the banks in rank and file, the religions in rank and file, the statutes in rank and file, the libraries in rank and file, the land title deeds in rank and file, the economy in rank and file, the day-care, pre-school, kindergarten, primary school, high school, studies, courses, degrees, title, standing, status, exclusivity and privilege in rank and file, the TV, Internet, media, Hollywood, soap operas and fox network channels in rank and file, the polls in rank and file, the census in rank and file, the drivers licence, car registration, mortgage, passport, lease, contract, Medicare and government hand outs in rank and file, the birth certificate, marriage certificate and death certificate in rank and file, the clock in rank and file, the sport, booze, cinema and shopping in rank and file, the cults/occults in rank and file, the whole of our lives in rank and file and nothing changes, even when we opt out of one form of rank and file and join another, oblivious to our submission. Brainwashing does this to the best of us. We don't really notice that something is amiss with the rank and file appearing everywhere throughout "The System" because, as Ken and Barbie Freakenstein, we have never known anything else.

How rarely do we contemplate on why the rank and file exists and why the rank and file imprints start in the womb. If we do not wake up, then the New World Order stereotyped freedom, truth, peace, consciousness and reality will just be the continuation of rank and file Ken and Barbies, all under a cashless quota system of slavery.

Raised in the rank and file order of "The System" as a collective of in-divide-u-all-s is very different to everyone being unique and original raised by nature with no one inside their heads explaining anything about reality - there is no man-made order there.

The definers of reality are unable to bring forward the reality of their definitions to prove that they are true. All they can do is act as impostors, being the mouths, the tongues talking as the definition of the reality they are defining. All they have to rely on is an opinion, which is a belief and a fusion of stereotyped Ken and Barbies all sharing the same belief in definitions forms a religion under the name of the stereotype their selfie worships and has a fake sense of belonging to. When we scrutinise our selfie beliefs and put them to the test, the extent of the infection of the selfie in everyone becomes apparent. To define reality is the original sin because this is how MAN fell from reality to be a sinner lost in the confusion of a Ken and Barbie Freakenstein hell.

If we are to remember who we really are and to set the generations-to-come free from the curse of definitions, those behind the fake world of "The System" of definitions must either immediately stop what they are doing and be seen to be doing everything possible to wake others up to what has been done to them and do what is required to fix it, working for the dream of every family having unencumbered land, water food and shelter so that they have the freedom and space to contemplate and let go of the fog of confusion, taking full responsibility for their real lives without the burden of system obligations running them, or be stopped, even if it takes a bloodbath bigger than the French Revolution to do so.

Their methods are being revealed so that they can be recognised for who they are and what their agenda is. Their biggest fear is that we will rise up against them because there are far more of us than there are of them, which is why they have trained us to be passive wimps, crippled by fear, doubt and uncertainty, too weak to take matters into our own hands and do something. They rely on their definitions of political correctness and the fake moral compasses we adopt to hide our broken wills as we act out the part of the "good guy" in "The System", weaving the sentiments of revolution, regeneration and retribution into our speaking all the while continuing to bow down to the dictates and compromises of our selfie stereotypes and doing nothing. We raise our fists and rant and then go home to our TVs or back to our budding food forests where we bury our heads in the soil and pretend that it will all go away once the turnips are through.

Once the occultists are gone, there will be no more paedophilia, no more abuse, no more blood letting/blood libel rituals, no more Chemtrails, electro-magnetic interference, factories spewing out filth, brain pollution on the TV, rule of the clock, commuting, politics, law, government, etc. Once we let go of our selfies and the stereotypes attached to them, the occultists have no more power over us.

When we remember who we really are, the occultists have no power over us anymore because we have remembered that there is no separation between MAN and the undefinable creator of all life, often stereotyped as God in "The System". The undefinable creator of all life dreamed the dream of life and held that image in all its purity. Then the undefinable creator of all life breathed the life of undefinable creator into the image of that dream to give life to the dream and the essence of undefinable creator is MAN in all the magnificence of undefinable creator. This is the full responsibility that we all carry as MAN. There is no god apart from MAN that we can blame for what goes wrong or plead with to make things better. We have that power of creation that we can use to destroy everything or to create living dreams of life. This is our free will in action.

There is no beginning to undefinable creator and there is no beginning to MAN. The consciousness of undefinable creator that is MAN has always existed without beginning or end. MAN precedes every thought, idea, dream, feeling MAN experiences and there has never been a thought, idea, dream, feeling or experience preceding MAN. How could that be? The free will of undefinable creator that we all have comes with full responsibility for everything we think, feel and do. Everything we experience is the result of our thinking and dreaming in our likeness. No one but us can come forward in first party to communicate thoughts, dreams, ideas, feelings, conversations, parables, insights, storytelling, philosophies, religions, occults, esoterics, lies, truths, etc, etc, and no one else can perform fantasy, illusion and delusion in 3rd party or otherwise. Whether we abuse our powers of creation or not, when MAN comes forward it is undefinable creator coming forward as the creation of whatever MAN has created as the experience of undefinable creator. When MAN is judging MAN it is undefinable creator judging undefinable creator. What a stupid blame-game that is!

Our only bond with the reality of nature is through the definitions of nature fed to our selfies. Reality, earth, nature does not even begin to be sensed because the animation of non-sense, the information we are thinking about a life form, is not coming directly from the life form. Instead it is coming from the animated script that has even nature, earth and all of life stereotyped. We have been trained to focus on these stereotyped images that are definitions of reality to the point where we are lost in a dream world that is all fake, and this is all we know because, as we think, speak and write in alphabets, we have become so assimilated into our selfies, so tolerant of the affect of living them on the living MAN, that we don't notice how completely lost we are to this fake, alphabet world. All the while we are living in reality, we are lost to it.

The intent of Freakeinsteins is to fulfill the stereotypes that rule them, one of the biggest being Freakeinstein sex, with the fake, secure lifestyle needed to preserve the Freakeinstein images and the Freakeinstein looks demanded by superficiality, hence the multi-billion\$\$\$ Freakeinstein cosmetics and fashion industries that rely on women's (and men's) insecurity about how they look in the eyes of others that is the doubt and uncertainty about who they really are, the heart, and what they are really part of, the life of the heart.

The intent of the pure, uncorrupted heart can never meet with the shallow intent of superficiality because we have been practicing superficiality for so long that the weight of its doubt and uncertainty crushes the pure, uncorrupted heart.

When we sense who we really are, we have no need to advertise anything about us because it is already clear in how we live, the heart of our real lives, already fully present with the presence of life. Our magnificence radiates throughout the whole of the living dream of life, not boxed in by the image measurements of time and space stereotypes of Freakeinstein that are sex, looks, jewellery, fashion, cosmetics, real estate, lifestyle.

Our system lives are full of Freakeinstein rituals that are all about meeting the Freakeinstein stereotypes - the morning make-up, the perfect home in the perfect location, the right car, the right job, the right partner, the right babies, the right social lives in the right coffee shops, restaurants, and shops, the right holidays, the right mobile phone, etc, etc, etc. Vomit, vomit, vomit.....

We have sold out so can expect nothing more than emptiness filled by Freakeinstein busyness.

The attacks of the stereotypes start before a baby (MAN) has even arrived in the womb because the lives of the parents are so full of the stereotypes that led them to having sex in the first place. Pregnancy is stereotyped (a selfie), birth is stereotyped (a selfie) and then every aspect of the child's life is programmed to meet the stereotypes of selfies.

Unless they have the fortitude and the reservoir of the heart to withstand all the attacks until they are an "adult", so they still sense their heart as the essence of who they really are, they don't have a chance to meet the heart of a pure man or woman because the heart of a pure man or woman will not be evoked and drawn in because there is no life of the living heart for anyone to meet.

Deep down, in the heart of every man and woman, is that purity and that aspiration to co-create with the pure heart of another man or woman. But the constant bombardment of Freakenstein stereotypes are pitched with the intent to have us sell out, sell out, sell out, sell out, sell out, sell out, sell out.....

While we are all doing it, this is the "norm" so we don't question it. We have to live, got to keep a roof over our heads, put food on the table and send the kids to Freakenstein schools. We have to be seen to be doing "something" with our lives, whatever it takes to meet the stereotype of the group-cult that we have chosen, even if that means doing "nothing".

Lost to the confines of the stereotypes, we censor and discriminate against others, too blind to sense the brutality of what we are doing to them and often unable to sense what we are doing even when it is pointed out to us. We are unable to be the eagle soaring over the mountain tops and seeing every aspect of the fine detail of the bigger picture of what we are doing and how it all connects Freakenstein lives in a Freakenstein world.

We have confronted the stereotypes many operate out of over the years of the Love For Life work but they cannot sense what they are doing because they are so trapped in the confines of the stereotypes. This is why we rattle their cages, even if they hate or shun us for doing so. Maybe the seed that we plant will sprout down-the-line, during times of misery or moments of clarity, when they can sense the heart of the seed sprouting forth and go with that. If we don't share real truths of everyday life in "The System" then there is no real light for those lost in the darkness to return to and the stereotypes reign supreme. Isn't it worth being unpopular in order to stand up to what we know is wrong?

It is best where possible to be a beacon of truth for those still lost to deep "states" of apathy and denial and inspire them to return to Kindom (light/consciousness/conscious of doing no harm) in this life, never to return to passing the buck as confused and mesmerised men and women with broken wills lost to darkness and unconsciousness, unable and unwilling to stop harm spreading from family to family.

The abuse that has been sent our way since we started Love For Life has been far outweighed by the appreciation and generosity of those who are touched by what we write and say. Those who attack us for standing up for the living dream of MAN'S life are only showing their true colours, their commitment to their stereotypes.

When we confront others about what they are doing, the e-motion that comes up for them is nothing to do with not being loved and cared for. The reactions of aggression, depression, repression, fear or whatever come up because it is the only thing that is keeping them in the stereotypes that they don't want to break out of. Their reactions are the suits of armour they wear to protect their enslavement.

If we don't practice living outside the confines of our stereotypes, we will never escape them and the Freakenstein conversations in our heads that have us maintain them. We have to practice walking outside the confines of our stereotypes because it is there that we will meet the aspirations of our hearts. The more we practice this, the more we force the stereotypes to collapse and shatter because we are refusing to be subjected to the stereotypes any more. Once we recognise that it is only in the stereotypes that we find the misery, dissatisfaction and empty restlessness, why would we want to go back to them?

When we live out of stereotypes, we pave the paths before us because the stereotypes define who we think we are. We predetermine what joy is according to the stereotypes so that joy becomes the present of jewellery, the new car and the romantic holiday, even though these fake dreams all cause harm to everything of life and subject our fellow MAN to slavery.

Lies create the cults of fantasy. Believers in fantasy are the duped clinging to lies as their only form of "reality-salvation" to the chaos, harm, doubt, uncertainty, deceit, fear, fantasy, illusion and delusion they are experiencing and enduring.

It has been this way since the inculcation of psyop programming manipulation practices were implemented as a Satanic craft to control others through trauma and reactions to trauma, conning them into projecting pseudoscience images to create make believe worlds to live in and be ruled by those who invented inculcation and pseudoscience.

Inculcation occurs ONLY through the sinister forms (delivery mechanisms) of trauma based myths, fables, fairytales, 3rd party indoctrination, brainwashing and expert commentary (education/instruction/explanation/suggestion) because they only happened amongst the victims of war, invasion and decimation and those who conquered them.

Wherever you find these myths and lores, you also find that they are rooted in the history of war and terror, the trauma that everyone is reacting to, thanks to the manipulation of inculcation and pseudoscience that imprisons them in "The System". This is what forms "The System", which is Ancient Egypt, Greece, Rome, etc. All the ancient civilisations bear the mark of this manipulation upon the people trapped in them

Yep. Only slaves and deeply sedated educated slaves in denial of their slavery pray for their and others salvation from slavery.

It is the Satanic mark of their doubt and uncertainty to their magnificence gifted to them by the living glory of all of MAN'S ancestors and descendants.

The shattered reality is where they are praying from.

You don't see the perfection of MAN in paradise praying for who MAN already is.

But in "The System" you see the scum of what a fallen-duped-MAN has become praying for salvation from the hell they are creating, supporting, condoning, complying and acquiescing to all around them.

They do not want to face the full-responsibility they have given up to be the lie they live, hence their lust for 3rd party saviours, messiahs, god's, prophets, intermeddlers, interceders, interlopers, etc, = THE BLIND LEADING THE BLIND.

To Be Educated Is To Have No Soul The System Is Soul Destroying

Arthur & Fiona Cristian
Love For Life

1st September 2016

The "Good Guys" of "The System" are slowly, gradually moving together. It will not be long before they are all joining up to work together for the common good of all of us under the new version of "The System", the New World Order (NWO). There is not the NWO of FEMA camps, mass burial grounds, military in the streets and dictatorship. There is the NWO of oneness, consciousness, eco-friendly, spiritual, free energy (Tesla), One world government, religion, quota systems, etc.

All the "Good Guys" have been trained in their roles and they are bringing all the different aspects of the NWO together, making us think that they are acting separately because they appear to be coming out of grass roots movements, all unrelated to each other. They are all "We Will Lead Every Revolution Against Us" lackeys, put in place to maintain watch over the sheeple and make sure that they don't escape the enclosures of "The System" no matter how much they think they are moving towards truth and freedom.

As we have been pointing out recently, Eric Dubay is one of these, trained to capture those who are questioning their system brainwashing because they are waking up to the lies that they have been told and get them so caught up in worshipping the Flat Earth theories that they forget to practise the skills of real freedom. Eric then also talks to them about freedom, etc, but without ever giving the big picture of how the freedom he talks about is still in "The System", never outside "The System" which is the only way we can be free.

This is why pied pipers like Eric avoid scrutiny at all costs; they do not want others to learn the big picture that exposes them for the liars they are. They avoid any interview, debate or discussion with anyone who looks at the big picture and challenges them by asking all the right questions to open them to the big picture, if they are willing to go where the truth takes them. Eric refuses to debate with us but, if Eric has truth on his side, then what has he got to be scared of? Truth is all we are interested in.

What you will see in the discussion with Frederick Malouf, a Sydney based promoter of Gifting, below, is this lack of interest in going where the truth takes him. He seems to be interested in a friendly discussion, but soon his need to

control outcomes through censorship and discrimination followed by his stance of third party expert commentator re-presenting those who read his Facebook page. He also throws in subtle barbs about Arthur's character and makes suggestions about how he thinks Arthur should present the Love For Life work. All of this is designed not only to censor but also to put doubt into the thoughts of others reading the thread. The doubt becomes discrimination as others are conned into reacting to the trauma Frederick has on offer, the barbs, ridicule, subtle abuse, etc.

Men like Frederick set themselves up as men seeking a fair, good outcome for everyone but it soon becomes apparent that the outcomes are only designed for those who fit into the boxes that these men and women set up. If you don't fit in, you are out. They look for "good" government, "good" business, "good" law, "good" energy, "good" lifestyles, etc, but everything is system based.

Frederick Malouf promotes Gifting, a system of which there can be many models wherein those in a Gifting community contribute time and skills in return for a share of the abundance they help to create. Sounds good, doesn't it? But it seems that the giving of the gift of their labour is all for them; they do it because it benefits them, not because they are benefiting their community. So the greed and selfishness continues.

Frederick Malouf

Also there is no mention of how this system sets MAN free in this life forevermore. There will need to be someone overseeing it, checking that everyone is doing their part and what if someone doesn't? Who is going to confront them and, if necessary, get them to leave. And what if they bring out the shotgun and say, "Make me."?

Who owns the land where the gifting community is and who administers it? Are the children now going to be educated into Gifting, the way they are educated into a, b, c, 1, 2, 3, so that they can operate in commerce? This is a continuation of inculcation - no freedom there, no uniqueness and originality. The educated slaves are still in "The System", whether under Gifting or Ubuntu.

If we still want technology, we need a system and we still need to destroy parts of earth to fulfil our technological needs. Who is going to chose which parts of earth to destroy, and who is willing to gift their time destroying it so that they can have the technology?

Any so-called alternative to the current system is still a system if it relies on men and women operating out of the void of their doubt and uncertainty.

There is so much more to this that we cover in the videos, "**The Dark Side Of The Moon - The Background To "The System" Part One**": <https://www.youtube.com/watch?v=C5TViw1NLR4> and "**Eric Dubay's Flat Earth Movement Is A Cult - The Background To "The System" Part One**": <https://youtu.be/rCPWgEQg-2M>

The important point is that these scams are so close to the truth that they sound wonderful but none of those promoting them will admit that they are not offering any freedom at all.

With corporations owning and controlling all the land now and with the removal of Fee Simple on lands such as Australia, meaning that even those who have paid off their mortgages are listed on their Land Titles Deeds as "Tenant", the issue has become one of who owns the land versus who is fully responsible for taking care of a piece of land, which everyone should have the opportunity to do.

When we are living, raw fooders and we have returned earth to the food forest it was dreamt to be, there is no need for contrived gifting because earth is doing all the gifting naturally to us, if we don't interfere and harm it, overcoming our greed and selfishness, our "What's in it for me?". Someone who lives this way treads very lightly, needing only a small piece of land with a food forest and clean water to care for, and having no need for electricity, technology, government, administration, free energy, etc. These "survival" needs are all gone and now we have real freedom.

Just how much do we want earth to heal? Just a little bit so that it doesn't die and we can keep fulfilling all our superficial (educated) needs, wants and desires, or completely, which means that we stop ALL the harm doing, even if that means that we have to sacrifice most of what we currently think we cannot do without. What legacy do we want to leave our children?

These Intel operatives never address the bigger picture of the psyop programming that leads men and women to enter into these glorified gifting and sustainable lifestyles while never addressing the trauma that stops them being free MAN on the land, without the need for any contrived lifestyle where they need someone to tell them how to be free and what freedom is.

A MAN on the land is a free MAN. Remove that MAN from the land and you turn that MAN into a slave who is now under another MAN who educates and trains the MAN how to live on the land that is controlled by another MAN. There are now rules, regulations, rituals, procedures, conditions and contracts between the MAN and the land and between the MAN and the MAN who claims ownership and administrative rights over the land.

Which way do we go? Where MAN is under the conditions of gifting between a MAN and a MAN, or where MAN is free on the land with nature doing ALL the gifting and without any conditions of ownership and administrative rights between MAN and another MAN?

The whole scam is over the land where we all are now. But we have all been educated and subjected to conditions since babyhood so that we are unable to live freely on that land because we don't know how to. It is alien to us but the conditions of a system of a MAN under another MAN are not, so we are easily susceptible into being manipulated into accepting another system model under another guise that appeals to our educated slavery sentiments of freedom, sustainability and consciousness.

The fact that we are being educated into gifting is a red light alert to the fact that there is no freedom to be found here. A MAN on the land does not need educating because nature already provides that and everything else that "The System" tries to mimic unnaturally. Our ancestry is on the land but along the way our ancestors were removed from land and educated so they could learn how to live under another MAN through the system of their slave masters beckoning. And here we still are squabbling over the semantics of gifting but all of us are educated slaves in "The System" where we don't have freedom on the land.

A child brought up by nature is already skilled in allowing nature to gift everything to MAN and never squabbles over any MAN having access to nature's natural, constant abundance. This has not been educated into them. Can you not see the system scam of gifting and the politics of Ubuntu? Gifting and Ubuntu are pitched to educated slaves. They are not pitched to MAN already free on land. Those still strapped to gifting and Ubuntu still have a long way to go to fully wake up.

Give MAN the full responsibility to live on land again, and that MAN will do what MAN has to do to live freely again and, in doing so, MAN will again become a calm and peaceful MAN. Keep MAN from the land, and MAN will continue to

be a desperate, educated slave still squabbling and squabbling while being manipulated by slave masters who are pitching the systems of gifting and Ubuntu through their controlled opposition lackeys.

When we succumb to the doubt and uncertainty of having to do something, anything now because of our current predicaments of slavery, we are still educated slaves perpetuating the doubt and uncertainty that we can be fully magnificent free MAN on the land without the need for any unnatural system in this life. Slave masters and their lackeys play on this doubt and uncertainty by manipulating us and providing us with "alternatives" that we clutch at and cling to rather than telling them all where to go and living freely on land again, learning how to take full responsibility for the land so that we don't do harm to it any more and the flow of abundance is never ending, freeing all of MAN from being under another MAN. Land is the only issue we have to resolve in this life. No one owns the land, so what are we waiting for?

Frederick Malouf doesn't talk about any of this. He just gets into semantics, as do Michael Tellingner and others promoting these "alternative" systems that do not usurp the power and control of the slave masters they serve.

<https://youtu.be/rCPWgEQg-2M>

Arthur & Fiona Cristian chatting with Jahnick Leunier of The Tru-Mon Show, 31st August 2016. In this video Arthur & Fiona discuss how the psyop programming that we experience from very young conditions us to accept all the "Good Guys" of "The System" leading us toward the New World Order. They discuss the trauma rituals behind the alphabet languages and how that trauma resonates throughout everything that we think,

feel and do, dumbing down our senses so that we are able to watch and participate in endless harm doing with complacency. Arthur & Fiona show how measurement (Freemasonic/Occultic/Satanic compass & square = a, b, c, 1, 2, 3) defines and therefore divides (DESTROYS) everything of life, leading us to think that there is separation between us and life, and life and life, which is how we are able to fall for and believe in the Flat Earth theory. They show how measurement is death and destruction to reality/life/MAN/MAN'S Nature/Earth/Creation.

Eric Dubay

They show how all those in the public eye who claim to be showing us the way to truth and freedom are actually ushering us towards the New World Order OF DEATH AND DESTRUCTION TO MAN AND MAN'S EARTH and we are accepting it because we are still not willing to take full responsibility for our real lives. Arthur & Fiona also talk about how children are infected with the inculcation of "The System" before they are even conceived and how this leads them to doubting who they really are and their magnificence, leading to death and destruction.

The Dark Side Of The Moon The Background To "The System" Part One

Arthur & Fiona Cristian
Love For Life

24th August 2016

The Dark Side Of The Moon, The Background To "The System" Part One is a Live recording of the intense, passionate chat Arthur & Fiona Cristian had with Jahnick Leauhier of the Tru-Mon show <https://www.youtube.com/channel/UCIw8cJCxJZgzEsgYQLAT6Yw>, 24th August 2016.

Arthur and Fiona talk about what "The System" is and how and why we remain trapped in it despite our yearnings for freedom. They discuss the true nature of consciousness and how explained consciousness is not our consciousness,

just as all the information of "The System" that we are educated into has nothing to do with the unique, original MAN we are supposed to be creating.

We have all been conned into creating the dreams of another MAN, even though we are creating death to all of life by doing so. We are blinded by the illumination of "The System" that hides the intent, the dark side of the moon, of those whose dream is for complete power and control over all of MAN. The remedy to "The System" can ONLY be found outside "The System" and we create this when we confront and let go of the trauma we carry so that we can co-create living Kindoms together, becoming the wind under each other's wings as we all walk to freedom by taking full responsibility for our lives.

We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, ignorance, being fed many many lies and being traumatised. The issue is not overpopulation - there is more than enough land available for every family to have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system

with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

A Collection Of Various Love For Life Posts Providing The Big Picture We See Sequential Order

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

Peaceful Transition Through Sacrifice And Service

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

Once we fix these issues, we or our children or our descendants to come, can start focusing on the even bigger picture of getting back to where our ancestors were, as breatharyan's, before they fell into non-sense images to be enslaved by them.

The Cristian Family Declaration

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.

- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.
- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

Update Regarding The Love For Life Home Page And Quick User Guide

We are turning the Love for Life Quick User Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

Love For Life Videos

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

Love For Life Music

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

About Us - Love For Life & The Cristian Family

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

THE CRISTIAN FAMILY SUPPORTS FREEDOM OF SPEECH - FREEDOM OF THOUGHT

Posted Wednesday 17th June 2009

Updated September 2011

**NSW Jewish Board Of Deputies
Has Threatened To Shut Down
The Love For Life Website**

**No Freedom Of Speech - No Freedom Of
Thought**

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or

sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: "**NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of Bank Fraud Condoned By Judges**" <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles**: <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the

program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see here: <http://loveforlife.com.au/node/6511> and here: <http://loveforlife.com.au/node/3385> - We also highly recommend that everyone read the brilliant Russian books called **The Ringing Cedars**: <http://loveforlife.com.au/node/1125> - The **Love For Life Website Homepage** also provides lots of inspiring remedy based information: <http://loveforlife.com.au> - If you want to be kept up to date with our work please register to the **Love For Life Mailing List** here: <http://loveforlife.com.au/content/09/05/14/mailling-list>. We usually send two postings per month. Presently (September 2011) there are over 7000 registrations reaching over 500,000 readers across Earth. The website now (September 2011) receives up to 12 million hits per month. Since December 2006, over 100 million people have visited the Love For Life website.

Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has

been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
