My Theme: The End Won't Be For Everyone.

2) During the last two weeks, after being led to believe thousands of children were being rescued from underground tunnels, many people have given up hope for the restoration of justice.

3) Q never promised thousands of kids would be rescued from tunnels. If you believed that because someone told it to you, and you were disappointed when it didn't happen, you have only yourself to blame.

4) Q's instruction to research for yourself, think for yourself, and trust yourself means not relying on urban legends and unverified rumors from other people.

5) Others, after watching millions of people lose their jobs and after experiencing the erosion of personal freedoms, have lost faith in the President.

Didn't Q say patriots are in control?

6) Many people say "God is in control" as if God controls the choices of every person on earth.

He does no such thing.

We are sovereign beings with free will.

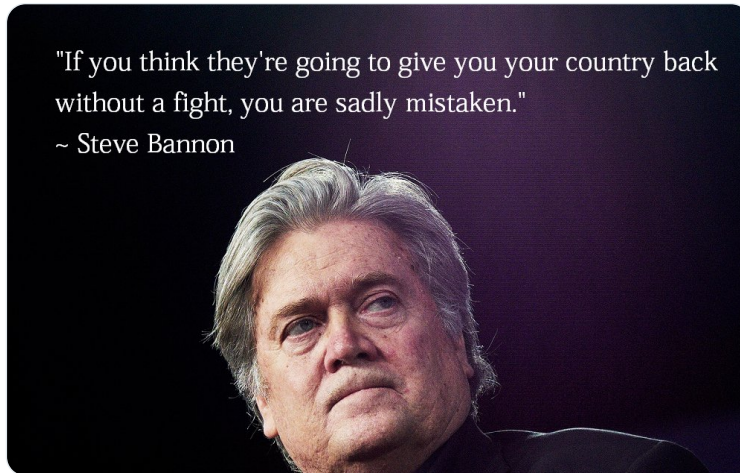

God doesn't control our actions.

God isn't responsible for senseless acts of violence.

7) When Q says "Patriots are in control" he means that good people have the upper hand in a fierce battle being waged over the destiny of the world.

It does not mean bad things won't happen.

8) As Steve Bannon said, "If you think they are going to give you your country back without a fight, you are sadly mistaken."

9) If you're following Q only to hear about pedophiles being arrested, you're going to be bored and disappointed during the next year.

Those crimes will be prosecuted but not right now.

FISA is front and center.

Other crimes are going to wait.

10) The Justice Department, the military, the President and Q have chosen to discuss each topic in a certain order for a specific purpose.

You may or may not like that, but the plan isn't going to change to suit you.

11) Q intends to reveal factual evidence of evil practices, the likes of which are only found in fantasy movies.

Everything you believe to be true will be challenged.

The end will not be for everyone.

The choice, to know, will be yours.

Coincidence the Matrix (movie) grew people as a crop, used for energy, and controlled their mind?

Sound familiar?

Wonder where they derived that idea from.

Now comes the 'conspiracy' label.

Deeper we go, the more unrealistic it all becomes.

The end won't be for everyone.

That choice, to know, will be yours.
