

RWinvest

A large, modern multi-story building with a mix of grey, blue, and white panels and windows. The word 'HAMILTON' is visible on the top edge of the building. The building is set against a blue sky with light clouds. In the foreground, there is a street with a car and some greenery. A yellow diagonal line cuts across the image from the top left to the bottom right.

HAMILTON HUB

Construction Update
December 2018

Hamilton Hub

5 Cleveland Street, Birkenhead, Wirral, CH41 6BL

The latest Hamilton Hub construction update highlights all progress made to date at the site on Devon Street. Interior works are well underway including the construction of corridor walls, internal walls and electrical works. Demolition alteration works have also commenced along with relevant removal works to aid the next construction phase.

Progress Summary

Internal corridor walls to 7 rooms on the second floor are up and boarded on one side.

Interior walls to 4 rooms on the first floor have been built.

Core hole drilling has started on the second floor with 16 holes drilled.

Electrical work has started with kitchen areas being cabled in 8 rooms.

Window refurbishment has started with 20 windows internally on the 2nd floor under refurbishment.

We have commenced with the demolition alteration works.

The internal walls to the gable end have been removed.

The walls to the 1st floor small roof extension and the walls to the roof of the single storey extension have also been removed.
