MADE IN USA

GMP NON-GMO NATURAL

Luteolin (Perilla Frutescens): It supports weight loss by enhancing thermogenesis and calorie burning.

Kudzu (Pueraria Lobata): Kudzu Root is rich in antioxidants, which combat oxidative stress and promote overall health.

Holy Basil (Ocimum Sanctum): Holy Basil, also known as Tulsi, is an adaptogenic herb that helps the body adapt to stress and maintain balance.

Oleuropein: Oleuropein has the potential to reduce blood pressure and support healthy cholesterol levels.

White Korean Ginseng (Panax): This ingredient has been used in traditional remedies for losing and maintaining weight.

Amur Cork Bark: Amur Cork Bark aids in weight loss by suppressing appetite and boosting metabolism.

Propolis: Its prebiotic properties nourish beneficial gut bacteria, improving digestion and nutrient absorption.

Quercetin: Quercetin, a natural flavonoid, contributes to healthy blood pressure levels by supporting the vasculature.

How Does Puravive Work?

Puravive is formulated with eight powerful natural ingredients, vitamins, and plant extracts, each renowned for its role in promoting overall health and supporting a healthy body weight. The exact mechanism of action of Puravive is not fully understood, but it is thought to work by several mechanisms, including:

- **Increasing BAT levels:** Puravive's ingredients are thought to increase BAT levels by activating certain genes. BAT is a type of fat that burns calories more effectively than white adipose tissue, so increasing BAT levels can help people burn more calories throughout the day.
- **Boosting metabolism:** Puravive's ingredients are also thought to boost metabolism, which can help people burn more calories.
- **Reducing appetite:** Puravive's ingredients may help reduce appetite, which can help people eat less and lose weight.
- **Improving digestion:** Puravive's ingredients may help improve digestion, which can help people absorb fewer calories from food.
- **Reducing stress:** Puravive's ingredients may help reduce stress, which can contribute to weight gain.
- **Boosting antioxidants:** Puravive's ingredients may boost antioxidants, which can help protect against cellular damage and promote overall health.

Highly Recommended

"Puravive is a game-changer. It has dramatically improved my metabolism and given me the confidence to embrace a healthier lifestyle. Give it a try, you won't be disappointed!" - Emily

Puravive Conclusion

Puravive is a weight loss supplement that claims to help people lose weight by burning brown adipose tissue (BAT). BAT is a type of fat that burns calories more effectively than white adipose tissue, and Puravive is said to increase BAT levels by activating certain genes.

Puravive's formula contains eight natural ingredients, including:

- **Luteolin:** A flavonoid found in fruits and vegetables that has been shown to increase BAT levels.
- **Kudzu:** A vine that has been traditionally used in Chinese medicine to treat obesity.
- **Holy basil:** A plant that has been shown to reduce stress and inflammation, which can contribute to weight gain.
- **White Korean ginseng:** A type of ginseng that has been shown to boost metabolism.
- **Amur cork bark:** A tree bark that contains polyphenols that may help reduce appetite.
- **Propolis:** A resin produced by bees that has been shown to have anti-inflammatory and antioxidant properties.
- **Mquercetin:** A flavonoid found in apples, grapes, and onions that has been shown to reduce fat absorption.
- **Oleuropein:** A compound found in olive oil that has been shown to increase BAT levels.
