2) [#Qanon](#), former FBI Director James Comey, and Devin Nunes appear to be speaking in

coded messages about the coming prosecution of corrupt public officials using cornfields as the motif.

This tweet from Comey in June of 2018 was an example.

Nunes to receive a special package from BARR?

Q

6) Two days later, on July 27th, in an interview with Sean Hannity, POTUS confirmed that Devin Nunes might receive declassified information from Barr.

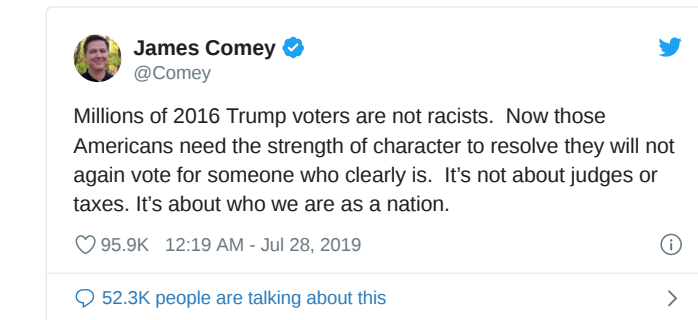

7) That same day, Devin Nunes tweeted this.

8) Later the same day, Comey tweeted this.

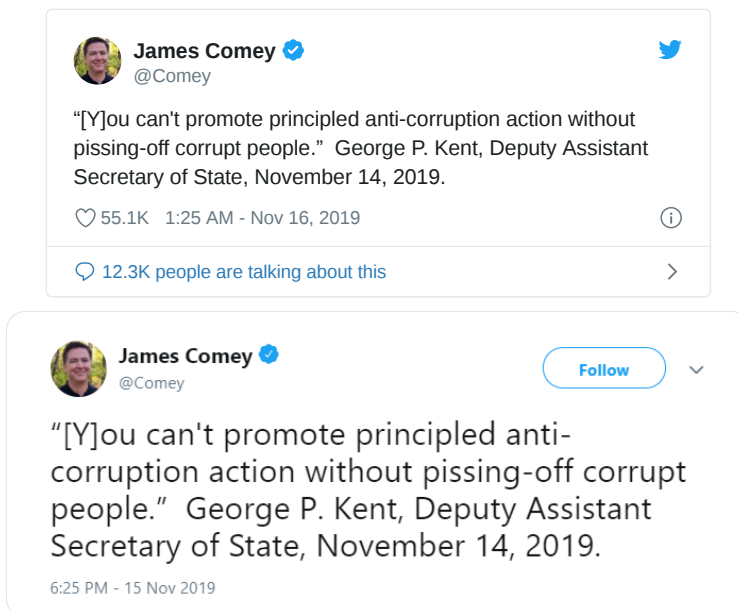

9) Q responded, linking to Comey's tweet, inferring that his prosecution was drawing near.

[93 dk] appears to have been a prediction that Q would go dark for 93 days, which in fact, happened when 8chan went offline.

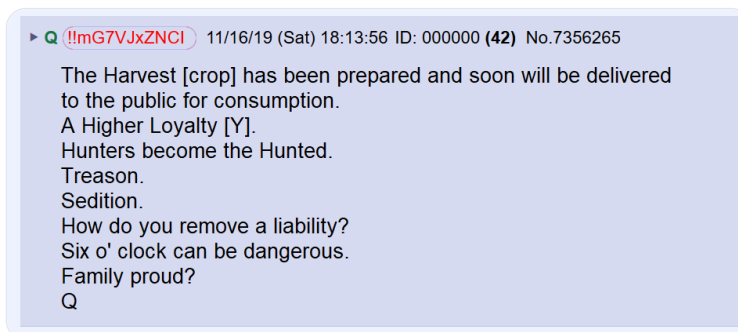

10) This morning, Comey tweeted this with message the letter [Y] in brackets.

11) This is Q's latest post regarding Comey.

Note: The letter [Y] is in brackets.

(I'm not sure what "Six o' clock can be dangerous" means.)

12) On February 14, 2019, the day Attorney General Barr was confirmed, Q indicated that the JUSTICE phase of the operation had begun.

Many who 'represent' us, do not love us.

18) The deep state has always used normal means of communication to discuss their plans, until Trump took office. Since then, all comms picked up by NSA via signals intelligence (which reveal their plans) are in Trump's hands.

19) Since Trump took office, bad actors have used X-Box and Play Station chats as well as Gmail drafts to avoid having their comms collected by No Such Agency.

Their attempts failed and platforms have had to scrub their servers after Q exposed what was happening.

How many coincidences before mathematically impossible?
Q

20) Apparently, the latest attempt by the deep state is to create invitation-only groups on the Star Wars game platform where they discuss their plans.

(Star Wars gamers might experience a mysterious service interruption, soon.)

How do 'select' bad actors attempt comms w/o SIGINT collection?
Rebellion or Empire?
Private [invite only] faction(s)?

21) Game platform comms would explain the odd reference Comey made to Star Wars in this tweet last month.
