

Increasing the Scientific Excellence and Innovation Capacity in Advanced Scintillation Materials of the Institute of Physics from the Czech Academy of Sciences

2016-2018

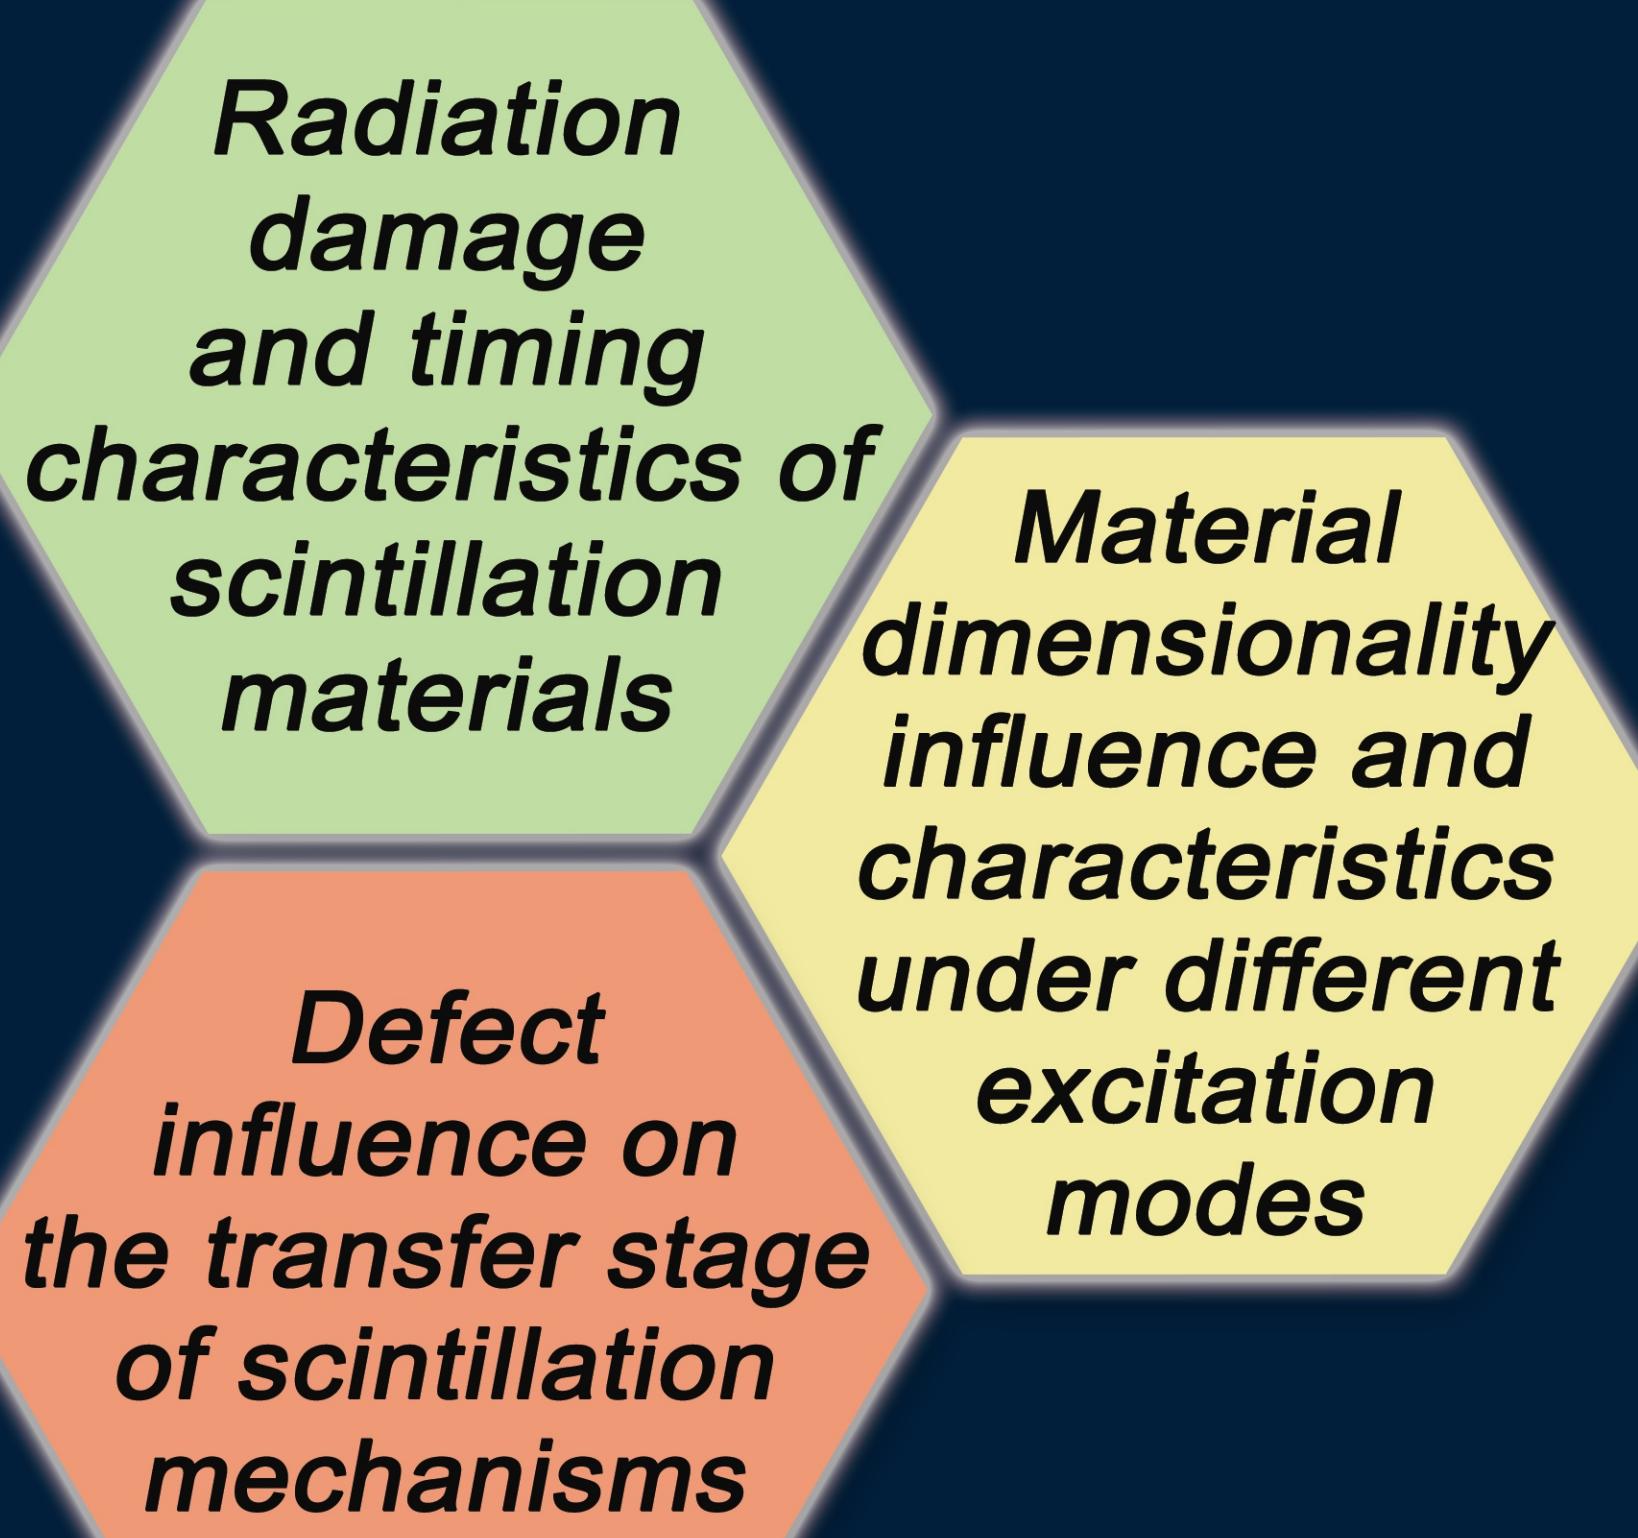

ASCIMAT

Project Partners:

- Fyzikální ústav, ČAV, v.v.i.
- CERN
- Université Lyon 1 Claude Bernard
- Università Degli Studi di Milano-Bicocca
- Intelligentsia Consultants

Research Topics:

www.h2020-ascimat.com

Project Funding

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 690599

Coordination

Institute of Physics,
Czech Academy of Sciences
