Q has not posted today, but President [#Trump](#) tweeted something relevant to past Q posts.

2) This morning, President [#Trump](#) Tweeted this, suggesting that Loretta Lynch may have struck a deal with Bill Clinton during their Phoenix [#TarmacMeeting](#) for a SCOTUS (or Attorney General) spot if Lynch saw to it that Hillary wasn't prosecuted.

5) When President [#Trump](#) suggested that Obama "tapped" his wires, the MSM went berserk. But we now know Obama had Trump's entire campaign under surveillance.

How did he know?

The NSA sees all.

POTUS has access to their intel.

7) When Admiral Rogers met with [#Trump](#)'s team after the election, the meeting was about more than the fact that Obama had them under surveillance.

Rogers likely spilled the dirt on the corruption in DC.

**Did NSA Director Admiral Mike Rogers Warn Trump About Eavesdropping?**

8) Today's tweet by the President asked what happened during the [#TarmacMeeting](#) between Loretta Lynch and Bill Clinton.

[#Qanon](#) asked the same question but suggested the NSA has a recording of it which Admiral Rogers misscategorized to hide from bad actors

<https://archive.4plebs.org/pol/thread/14.7547939/#q14.7581302>

What was negotiated on the tarmac between BC and Lynch?

Remember it was expected HRC was going to win during this time period.

What if the wizards and warlocks tipped off a local reporter as to the supposed unscheduled stop?

What if the NSA under the personal direction from Adm R had this meeting miscat and logged under a false identity to prevent bad actors from locating while also verifying to said players all was clear \_ no logs.

What really happened when the wizards and warlocks revealed what they had?

Was Comey forced into the spotlight shortly thereafter not by choice? Right before the election no doubt which would cast suspicion?

<https://pbs.twimg.com/media/Da1YXqxVQAM0Qha.jpg>

9) Why would President [#Trump](#) tweet about the [#TarmacMeeting](#) suggesting that a deal was made to keep Hillary from being prosecuted?

Because he knows what was said.

And [#Qanon](#) said we need to keep public interest high regarding this issue.

## Trump Blasts Comey in Barrage of Tweets, Calling Him 'Slippery'

By CHRISTINA CARON APRIL 15, 2018

President Trump called James Comey, the former F.B.I. director, a "slime ball" for the second time this week. It was one of numerous disparaging comments Mr. Trump made about Mr. Comey on Twitter on Sunday.

Ms. Lynch told NBC that Mr. Clinton told a "charming story" about grandchildren and discussed issues of the day, such as Brexit.

Mr. Trump balked at that description, writing on Twitter, "Was she promised a Supreme Court seat, or AG, in order to lay off Hillary. No golf and grandkids talk (give us all a break)!"

During the summer of the 2016 campaign, Lynch met with former President Bill Clinton on a tarmac while the email investigation was still underway. Conservatives cried foul, insinuating there was something corrupt about the meeting, which Clinton and Lynch said was largely **friendly talk** about their grandchildren.

Trump on Sunday revived the tarmac conspiracy, asking what happened between "Wild Bill" and Lynch. He publicly wondered whether she had been promised a Supreme Court seat or to become attorney general to "lay off Hillary."

"No golf and grandkids talk (give us all a break)!" Mr. Trump added, in a jab at Lynch and Clinton's claims that Clinton saw the attorney general on the tarmac and boarded her plane to say hello.

Besides taking a break to tweet on the U.S. coalition air strike in Syria, saying his call back to a Bush-era phrase "mission accomplished" should be "brought back," the president **disputed ever asking Comey for a loyalty pledge**, despite Comey testifying before Congress that he did in fact ask for such an oath during a private dinner at the White House.

1. The age of consent for sexual acts must be lowered to 12 years old.  
"Eliminate the phrase 'carnal knowledge of any female, not his wife, who has not attained the age of 16 years' and substitute a federal, sex-neutral definition of the offense. . .  
. A person is guilty of an offense if he engages in a sexual act with another person, . . . [and] the other person is, in fact, less than 12 years old." (p. 102)

. . . in Education

1. Single-sex schools and colleges, and single-sex school and college activities must be sex-integrated.  
"The equal rights principle looks toward a world in which men and women function as full and equal partners, with artificial barriers removed and opportunity unaffected by a person's gender. Preparation for such a world requires elimination of sex separation in all public institutions where education and training occur." (p. 101)

2. All-boys' and all-girls' organizations must be sex-integrated because separate-but-equal organizations perpetuate stereotyped sex roles.  
"Societies established by Congress to aid and educate young people on their way to adulthood should be geared toward a world in which equal opportunity for men and women is a fundamental principle. The educational purpose would be served best by immediately extending membership to both sexes in a single organization." (pp. 219-220)

3. Fraternities and sororities must be sex-integrated.  
"Replace college fraternity and sorority chapters with college 'social societies.'" (p. 169)

4. The Mann Act must be repealed; women should not be protected from "bad" men.  
"The Mann Act . . . prohibits the transportation of women and girls for prostitution, debauchery, or any other immoral purpose. The act poses the invasion of privacy issue in an acute form. The Mann Act also is offensive because of the image of women it perpetuates. . . . It was meant to protect from 'the villainous interstate and international traffic in women and girls,' 'those women and girls who, if given a fair chance, would, in all human probability, have been good wives and mothers and useful citizens. . . . The act was meant to protect weak women from bad men.'" (pp. 98-99)

# Five Eyes

From Wikipedia, the free encyclopedia

The **Five Eyes**, often abbreviated as **FVEY**, is an **intelligence** alliance comprising **Australia**, **Canada**, **New Zealand**, the **United Kingdom** and the **United States**. These countries are parties to the multilateral **UKUSA Agreement**, a treaty for joint cooperation in **signals intelligence**.<sup>[1][2][3]</sup>

The origins of the FVEY can be traced back to the post-**World War II** period, when the **Atlantic Charter** was issued by the **Allies** to lay out their goals for a post-war world. During the course of the **Cold War**, the **ECHELON** surveillance system was initially developed by the FVEY to monitor the communications of the former **Soviet Union** and the **Eastern Bloc**, although it is now used to monitor billions of private communications worldwide.<sup>[4][5]</sup>

In the late 1990s, the existence of ECHELON was disclosed to the public, triggering a major debate in the **European Parliament** and, to a lesser extent, the **United States Congress**. As part of efforts in the ongoing **War on Terror** since 2001, the FVEY further expanded their surveillance capabilities, with much emphasis placed on monitoring the **World Wide**
