2) Even though the Mueller investigation is not yet complete & its findings remain classified, Adam Schiff [AS] has decided Mueller's investigation wasn't thorough enough so he's launching his own investigation into the President's finances.

Adam Schiff Questions Depth of Mueller's Probe into Trump and Deutsche Bank

The House Intelligence chief appeared on NBC's "Meet the Press" to explain why he's subpoenaing Deutsche Bank

<http://fortune.com/2019/02/11/schiff-trump-deutsche-bank/>

<http://fortune.com/2019/02/11/schiff-trump-deutsche-bank/>

3) Q asked how Schiff could know what Mueller's team has (or hasn't) investigated.

Isn't it more likely Schiff simply wants to keep POTUS under continual investigation to allow the mockingbird media to continue spinning their narrative that Trump is a Russian pawn?

▶   02/11/19 (Mon) 15:00:54 ID: 15e248 (1) No.5126726 >>5126729 >>5126730

If [AS] has seen 'evidence' of collusion and/or POTUS/RUSSIA illegal activities, as he's stated in the past many times across all D-arm media networks, why then is there a need to open 'new' investigations?
What about the so-called 'evidence' already seen?
How is [AS] making open statements re: MUELLER not investigating POTUS/Deutsche Bank thorough enough if the MUELLER investigation itself is CLASSIFIED?
How does [AS] know what MUELLER has/hasn't investigated?

4) New FOIA documents obtained by Judicial Watch show that former FBI Chief Counsel James Baker gave Hillary Clinton's attorney a heads up after the bureau found her emails on Anthony Weiner's laptop. The message went to many others in the FBI.

<https://www.judicialwatch.org/press-room/press-releases/judicial-watch-fbi-general-counsel-talked-to-hillary-clintons-lawyer-about-comeys-letter-on-weiner-laptop-clinton-emails/>

(Washington, DC) – [Judicial Watch](#) announced today it received [215 pages](#) of records from the U.S. Department of Justice revealing former FBI General Counsel James Baker discussed the investigation of Clinton-related emails on Anthony Weiner's laptop with Clinton's lawyer, David Kendall. Baker then forwarded the conversation to his FBI colleagues.

The documents also further describe a previously reported *quid pro quo* from the Obama State Department offering the FBI more legal attaché positions if it would downgrade a redaction in an email found during the Hillary Clinton email investigation "from classified to something else."

The newly obtained emails came in response to a May 21 [order](#) in a January 2018 Freedom of Information Act (FOIA) [lawsuit](#) filed after the DOJ failed to respond to a December 4, 2017 FOIA request ([Judicial Watch v. U.S. Department of Justice](#) (No. 1:18-cv-00154)). Judicial Watch seeks:

- All records of communications, including but not limited to, emails, text messages and instant chats, between FBI official Peter Strzok and FBI attorney Lisa Page;
- All travel requests, travel authorizations, travel vouchers and expense reports of Peter Strzok.
- All travel requests, travel authorizations, travel vouchers and expense reports of Lisa Page.

On October 28, 2016, the day that Comey [sent a letter](#) to Congress regarding the FBI's discovery that the Weiner laptop contained Clinton's emails. Hillary Clinton's personal lawyer David Kendall, within hours, [emails](#) Baker requesting a call "ASAP" about the Comey letter. Baker describes his follow-up call to senior FBI officials:

I received the email below from David Kendall and I called him back. Before doing so I alerted DOJ via email that I would do that.

[Redacted paragraph]

He said that our letter was "tantalizingly ambiguous" and made statements that were "inchoate and highly ominous" such that what we had done was worse than transparency because it allows people to make whatever they want out of the letter to the prejudice of Secretary Clinton.

I told him that I could not respond to his requests at this time but that I would discuss it with others and get back to him.

I suggest that we have some kind of follow up meeting or phone call with this group either this evening or over the weekend to address this and probably other issues/questions that come up in the next 24 hours. Sound reasonable?

Baker's heads up on the Kendall call was sent to:

- Then-Director [James Comey](#); since fired;
- Then-Associate Deputy Director [David Bowdich](#), who later replaced Andrew McCabe as deputy director;
- [Michael Steinbach](#), the F.B.I.'s former executive assistant director for national security;
- Then-Assistant Director of Counterintelligence [E.W. Priestap](#), now retired;
- [James Rybicki](#), former chief of staff to Comey;
- FBI intelligence analyst [Jonathan Moffa](#);
- Former Acting Assistant Director [Jason V. Herring](#);
- [Michael Kortan](#), FBI assistant director for public affairs, now retired;
- Former principal deputy general counsel [Trisha Anderson](#);
- Strzok and Page

The emails show that a conference call for the above senior officials was set up for the next day by Peter Strzok. (Two days before the election, on November 6, Comey sent a [second letter](#) reporting that the FBI's review of the Weiner laptop material would not change his "conclusion" that Hillary Clinton should not be prosecuted.)

Let's actually use 'FACTS':

Step One: Hype an invented threat of POTUS working w/ the RUSSIANS (disinformation campaign).

Step Two: Send FBI/DOJ/CONGRESS/SENATE/C_A/NSA/INTEL/FVEY/etc... to address and investigate the IMAGINARY THREAT.

Step Three: Justify the 'SPECIAL COUNSEL' and MILLIONS OF TAXPAYER DOLLARS SPENT as necessary to protect the public and our election process against an imaginary, made-up, non-existent threat (which really is) designed to protect the illegal activities of many elected officials.

Step Four: Open 'new' Fake & False investigations as CHAIRMAN of the House Intel Comm to retain disinformation campaign designed to keep liberal/D Americans onboard to regain POWER & PREVENT prosecution - Executive Time!

19) On page 294 of the DOJ IG report, Executive Assistant Director Randall C. Coleman's notes can be found related to an October 4th meeting he had with James [@Comey](#) about the contents of Anthony Weiner's laptop.

<https://www.justice.gov/file/1071991/download>

Coleman told us that he kept regularly took notes in a journal. Coleman's notes from October 4 contained the following entry:

- (1) Anthony Wiener [sic]
- (2) [Unrelated]
- (3) Wiener [sic] – texting 15 yo – Sexually Explicit
9/26 – Federal SW – iPhone/IPAD/Laptop
Initial analysis of laptop – thousands emails
Hillary Clinton & Foundation
Crime Against Children

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.

20) When interviewed by the Inspector General, Coleman, Comey, James Baker & other FBI leaders developed collective amnesia about emails and briefings related to Anthony Weiner's laptop.

Fox takes charge of hen house: Maxine Waters and the House Financial Services Committee

The fox has taken charge of the hen house, and things will not be business as usual. Rep. Maxine Waters, D-Calif., has said as much.

I chewed the url Q gave us a little and found a long list of reports. Here is where you can download document lists for several years. clerk.house.gov/public_disc/fi...

Edit the link Q gave with proper year and doc number and go to work.

Here are a few I grabbed.

50 people are talking about this

28) Would you be satisfied with simply locking up corrupt people without addressing the flaws in the system that allowed them to take advantage of us in the first place?

POTUS is making changes & creating checks & balances to prevent this from ever happening again.

Q [!mG7VJxZNCI] 02/12/19 (Tue) 09:34:13 ID: 539e80 (1) No.5140929 >>5140938 >>5140939 >>5140940 >>5140945

POTUS: "This can never be allowed to happen again (in our Country or to another President)."
 How do you deter & prevent this from happening again?
 Simply by terminating employment of those responsible?
 Simply by conducting a few 'non-threatening' investigations?
 Or by:
 Prosecuting those responsible to the fullest extent of the law?
 Setting up new checks & balances and oversight designed to increase transparency?
 Provide OIG office(s) w/ funding inc (size) ++ authority?
 Provide select committees w/ access and in-house viewing of non NAT SEC CLAS material?
 Provide a check on Directors/Dep Directors/Asst Directors of all such ABC agencies?
 Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity)?
 Transparency and Prosecution is the only way forward to save our Republic and safeguard such criminal and treasonous acts from occurring again.
 While some want to quietly remove those responsible and go about our business (save face on the World Stage), those in control, understand, this band-aid will simply not work.
 Nobody should be above the law (no matter how massive the spider-web is (entangled)).
 This will never happen again.
 TRUTH WORKS.
 FACTS MATTER.
