Why Choose the REATHLETE DEEP4S Therapy Gun?

This product is a do it yourself massager that will provide reliable muscle relief right from the comfort of your own home or wherever you go. It's a portable device that you can pull out and use anywhere. You can plan your own regime for muscle recovery with the Reathlete DEEP4S percussive therapy device. Here are 5 important ways this product can be used:

- Natural pain relief
- Post workout recovery
- Pre-workout warmup
- Stress reduction
- Deep percussive muscle treatment helps speed recovery

How the Reathlete Percussive Gun works?

This product is made by athletes for athletes. It was made with the understanding of what athletes need in terms of a quick effective solution for muscle recovery. You will cut down your recovery time and those particular muscles that are causing you all the pain and discomfort will be targeted.

Instant and long lasting relief is what you will feel as you use the 4 intensities and 5 interchangeable heads of the Reathlete DEEP4S percussion therapy gun. The different heads allow you to adjust, optimize, and work deep into the tissue of each individual muscle.

The ergonomic design which is lightweight including an adjustable arm nothing within your body is outside of this product's reach. You will be able to target every inch of your body and receive a rejuvenating deep tissue massage.

For areas that you cannot reach allows your wife or partner to assist. It's a handheld device that is very easy to use.

The REATHELETE DEEP4S percussion gun is available on Amazon.com. The product has over 400 customer reviews and 72% of customers rated the product 5 stars. [Click to read reviews!!](#)

Battery Life

A huge benefit of using this massage is the super long battery life. It can last a full 6 hours with one charge. You won't have to worry about constantly recharging the device over and over again to get through a massage session.

Battery can be fully charged within 1.5 hours. It also has a low battery indicator so you'll know when it's time to recharge.

Thank you for reading this REATHLETE DEEPS massage gun review.
