By Alfred Lambremont Webre - NewsInsideOut.com - WATCH PART I ON YOU TUBE – [PART II COMING SOON] -  
VANCOUVER, BC – Speaking with NewsInsideOut.com’s Alfred Lambremont Webre from an undisclosed location in  
Part I of a wide-ranging interview, Ella Draper & Abraham Christie make public their testimony that the UK Court  
excluded in the case involving Ella’s children Alisa and Gabriel, whose whistleblowing has led, thanks to the Internet  
and a growing number of awakened supporters in the UK and worldwide, to the exposure of Hampstead, UK as a  
pedophile and ritual child sacrifice hub involving the courts and Hampstead municipality including schools, social  
services, churches, police, and families.

Ella and Abraham's NewsInsideOut.com interview took place on March 20, 2015, the day after the wide publication of Mrs. Justice Pauffley's decision in "hit pieces" with no independent journalistic critique of the evidence, proceedings or judicial bias in newspapers with known intelligence connections such as the UK Daily Mail and the UK Telegraph. According to one informed source, Justice Pauffley reported leaked her decision to the Daily Mail and the UK Telegraph before releasing her decision to parties and their counsel as well as publicly, and then fled to Israel on a "vacation". One independent journalist, Aimee Devlin of CCN Network, remarked of the judgment, "A court and Judge (and mainstream media channels) have now become complicit in satanic ritual abuse by participating in a widespread Paedophile cover-up. "The High Court judge ruled that 'An evil mother tortured her children to make up sickening allegations about a satanic cult based at a primary school in the midst of a seething child contact dispute.'  
<http://www.dailymail.co.uk/news/article-3003247/Mother-partner-tortured-...> - From the prima facie evidence, Mrs. Justice Pauffley, the Judge brought in to cover up on prior leaks of the pedophile networks such as IN the Hollie Greig case, has been similarly tasked by her superiors here. Judge Pauffley same judge in the start of the Hollie Greig Case.

Undoubtedly there are be multiple grounds for appeal from Mrs. Justice Pauffley's decision.

Ella & Abraham's Interview - Ella and Abraham's interview includes their feelings about the implications of what Ella's children Alisa and Gabriel have brought to public light about Hampstead being a hub of pedophilia and ritual child sacrifice, up until now protected by the authorities. Their interview continues with the full story of their discovery of Ella's children Alisa and Gabriel's participation in the pedophile and ritual child sacrifice hub at Hampstead through their Father Ricky Dearman; through the Christ Church School and the Hampstead neighborhood. Ella and Abraham share their experiences, following this discovery with the Police, Social Services, Other State Agencies, the Courts, and the Main Stream Media - Part II of Interview - Ella and Abraham are currently pursuing their legal options including preparation of an appeal from Mrs. Justice Pauffley's Court decision. Ella and Abraham and their legal team and supporters are working so that Ella's children Alisa and Gabriel be placed back with their maternal family including their grandparents, and not be returned by the pedophile enabler Court to either state care or the pedophile Father

Ricky Dearman. Part II of the interview with Ella and Abraham will include: What have you learned from these experiences? What are your plans to rebuild your children's future? Part II will be released in the near future.

"We've come here to get our children, our grandchildren. Our happy family life has been destroyed in a flash by wicked powers. I don't even know what name to give them. I am not totally aware what is really going on, but I have come here with one aim only - to take my grandchildren back home as quickly as possible to the family. The children have been staying in a strange family, under arrest. Imagine a small child living with strangers while his or her mother is still alive? The loving mother who has cared for him or her for years, who had always been a good mother and has suddenly become a bad person! In other words, it's impossible to understand, a normal person cannot understand this. It is not normal. As I said, I am not a believer, but I am praying to God for this situation to be resolved as quickly as possible, so that our children will not live with strangers. It doesn't matter how good or lovely they are, for the children it is just not the same as living with their own parents or grandparents. We have prepared all the documents, all the papers for guardianship. We want the guardianship of our grandchildren to be given us by law. We want to take the children away and give them all our love and affection. I can guarantee that nobody can give them what we, grandparents can give to our children. We insist and always do on being given back our grandchildren. When children change country they will be in a different culture. With a different mentality and different speech. They will have new friends but be surrounded by loving people. And we are sure that this is the logical, right thing to do. They, the children, will be able to forget, in this situation, let us have our beloved grand children, and in return we will do everything in our power and use all our skills and capabilities, devote all our time to bringing them up happily. We have every possibility to do this and they will get nothing but love from us" ~ the grandparents of the Hampstead whistleblower kids.

## **Ella Draper Text Regarding Alisa and Gabriel**

From here: <http://pastebin.com/RXZPG2Ka>

Chronology of the contacts and father's involvement in Alisa and Gabriel's lives

The relationship between Mr Dearman and I was on and off since 2004 until 2007. We have separated several times.

From what Alisa and Gabriel have been telling me:

Mr Dearman started to abuse the children since they were babies. I clearly remember an incident when Alisa, around 6/7 months of age, once became upset all of a sudden for no apparent reason. I knew she was fed, clean, and well. I was breastfeeding then and have been very careful with my diet to not upset her tummy but she kept crying and crying as if something disturbed her deeply. Mr Dearman was around but seemed to not take much notice of it. He was saying that she just was difficult and wanted her own way. I couldn't believe what I heard.

We have split up when Gabriel was around 1, although Mr Dearman was frequently visiting or taking children out after that: during 2007-2008. Children are telling me that around this time he started to fully abuse them inserting his front private into their bottoms and making them to perform oral sex too. He was taking them to the places where there were disabled toilets: at nearby Golders Hill park, Starbucks in Hampstead, Costa coffee in Golders Green, Topsy Turvy indoor children's activity centre. He was putting, twigs, small rocks, PVC glue, pieces of toilet tissues in their bottoms, and then making the children to poo it out while watching. If it happened in the disabled toilets he would put children on the baby changing folding board. He was touching his front private while doing this. Mr Dearman was forcing the children to intimately touch each other at front of him and do it secretly at home. He would punish them for not doing it and was questioning them on how many times a day they did it, and still would hurt them even if they obeyed.

When Alisa and Gabriel were around 3-4 years old Mr Dearman was also taking the children to his pedophile associates, members of the pedophile ring: Minia (Polish) - the most violent and wicked, hurting and humiliating, one of the leaders, Buster (German), Joseph (English). Mr Dearman's family members also abused the children: his mother Linda, sister Lisa and her husband David (Indian), brother Wayne and wife Mary. The adults were bringing other children to the properties where the abuse and violence was going on: Lisa's children Katie (6 years old), Max (8 years old); Wayne and Mary's children: Amelia (5 years old), Alex (7 years old). Apparently, Minia was looking after 2 two babies: Rebecca and William, (around 1-3 years old) and also brought them to abuse.

Ella Draper

The adults were hitting the children hard on the head, treating them like slaves, frightening the children, swearing at them, forcing them to perform oral sex. They were taking turns to sexually abuse the children, 2-3 minutes each. The adults were doing similar things with rocks, glue, twigs and grass, which were inserted into the children's bottoms. They were made to poo it out while they were watched. These humiliation and violence was filmed on video. The children were made to watch each other being abused even though they didn't want to. The adults were holding their head in place so they had to watch. Afterwards the children were forced to watch the videos that the adults filmed. Alisa and Gabriel said that their dad was putting it on Internet since they saw it there too. During the filming adults and children were wearing the masks. Children were consistently threatened to be killed if talked. They were told to say that "none of the abusers have ever existed" if asked.

During this time Alisa and Gabriel were displaying very disturbing behaviors, being aggressive towards each other, me and sometimes other adults coming to the house. For example, Gabriel could throw himself on the pavement and tantrum for 5-15 minutes kicking and hitting anyone who tried to comfort him. This was usually happening on the way home.

Alisa would throw the tantrums at home, also without apparent valid reason. She would hit and kick the fridge and anyone who approached.

From the end of November 2008 to mid autumn 2009 Mr Dearman didn't see the children. In March 2009 I have started the legal proceedings, applied for the emergency non-molestation order. After the serious incidence of violence towards me and then several months later towards my mum (February 2009), she suggested to take Alisa to Russia for long holidays and for Gabriel to stay with me in London. This was relatively peaceful period for both of the children and me.

Alisa Draper

After Alisa came back from Russia, James has already begun the counseling sessions in the Tavistock Centre after witnessing the violence towards me and been hit by Mr Dearman. Soon after I started to take both Alisa and Gabriel

to see the psychologist Charlotte Burck too. On one of the occasions she has invited Mr Dearman. He was rude, started an argument with Dr Burck and slammed the door on her.

Sensing an evil in Mr Dearman I was adamant to limit any contact between him and the children but the court still has ordered the unsupervised contacts every Saturday from 10am to 6pm. This was going on from autumn 2010 until October 2011.

In 2010 Alisa started to attend the Christchurch school in Hampstead, Gabriel - year later. That is the time, when the children are claiming to being abused by the teachers. According to the children, Mr Dearman has already knew Ms Wilmer (Gabriel's teacher in year 1) from before and became good friends with Mr Hollings (Alisa's last Year 3 teacher) and Mrs Forsdyke (the headmistress). The abuse was going on the regular basis, almost as part of the school time schedule. Many other children have been abused too. As a reward and bribe for not talking, the children were given their favorite sweets. There were even chocolate lessons, where children were sharing which sweets were most desired. Also they were threatened to be killed if talked.

Alisa told me that she was going to tell me once but Gabriel stopped her reminding her of the threat. On the other occasion, Alisa's friend Millie who came to our house for a play day asked whether I was doing sex to the children. When Alisa answered "no". Millie said that "she was lucky" and "why don't they tell me about what was going on in school". Alisa also then reminded Millie about the threat of being killed. The children were terrorized by the abusers and have never told me until August this year (2014) while on holidays.

Gabriel Draper

Both Alisa and Gabriel were abused physically, hit on the head, their front privates. On one occasion, according to Gabriel about a year ago, Mr Dearman hit him so hard on his left year that it bled. His father would often scream into both children's ears. They claim to not hear very well: Gabriel with his left and Alisa with her right ear.

The children say that there were plenty of visitors coming to the school on Wednesdays. The most wicked ones were doing terrible things to the children. Like putting broom's sticks in the children's bottoms and then fishing the pieces out while it caused bleeding. The adults were pushing them hard into the walls, inserting plastic strip on willies into the children's bottoms, sometimes together with the plastic balls, and hitting them hard with their boots into the children's privates.

The children like Gabriel who could not tolerate the pain and screamed too much were put to sleep. The school nurse Ms Marden, according to the children, was the one to inject them. After being injected they felt pain in their belly, dizziness, headache, numbness, weakness, and heavy limbs.

All along I was aware of the serious underlying issue with my children, just didn't know what it was. I have never been exposed or came across the sexual abuse and only briefly knew about the existence of the pedophile phenomena so did not recognize the signs.

Aggressiveness, violence towards each other was always present in my children, to more or less degree. There were periods of the relative peacefulness in the family, for example, the time when Mr Dearman was out of the UK from the end of 2011 until summer of 2012. Although formally, as far as I was aware he didn't see children until June-July 2014, when the contacts were ordered by the court, the children behaviors, attitudes started to worsen with the beginning of school in September 2013.

The growing dissatisfaction, edginess, bullying one another and me were the consequences. Alisa became increasingly cynical in her comments, cold towards the sufferings, pain of others. I saw she was deeply unhappy. I instigated the conversations with her many times, asking her what was bothering her, if something happened in school, whether someone has upset her. She wouldn't talk.

Gabriel's behavior was a concern. He found funny the babyish like acting, kept laughing and coming back to the jokes about pee-pee and poo-poo he was frequently making. One of the striking signs that I found very disturbing was kind of glaze over his eyes as if he was switching off from the reality. Even though I knew he had got the enormous potential and mental capability, I was observing the slow development, which I now realize, was in fact arrested development due to what he was experiencing. I noticed this in his friends and other children in school too.

For the last year Gabriel was experiencing outbreaks of strong headaches, usually after school, which I thought was due to the dehydration. I told the school staff to remind Gabriel to drink.

About a year and a half ago I have caught the children were doing something inappropriate in the little bathroom. When I came in, Alisa had her panties down and Gabriel had my phone in his hands. I have learnt that Gabriel was filming Alisa. (This could be done without even unlocking the iPhone). There was about 50 seconds of the video footage on the phone. I have explained to the children that this was inappropriate, the intimate parts were for our own private use and we should not touch each other's or our private parts unless cleaning. I then were suspicious about this activity continuing but haven't ever caught the children red handed. My mother has also noticed similar things. Alisa told her that Gabriel was "sucking his willie and poking her front private".

About half year ago I've noticed Gabriel was touching our puppy Crystal's intimate parts. Mr Christie noticed this too.

About two years ago the children started to steal money from my purse to buy sweets even though I was buying their favorite healthy treats like nut and fruit bars, dried fruit yo-yos, vegan jelly beans, chocolate, cakes, ice-cream, popcorn, etc. The situation became worse around spring 2014 when Alisa was encouraging Gabriel to steal or doing it her self. They now revealed that it was their father who was teaching them to do this. Moreover, he was forcing them to steal for him. The large amounts of money were missing both from Mr Christie's wallet and my purse.

In May-June 2014 the large amounts were taken from my credit card. Alisa says that her dad asked her to write the card details for him. This incident was reported to the bank. Mr Dearman forced Alisa to steal Mr Christie's iPhone (along with the other few possessions), which according to the children, was then used by Mr Dearman to film the sexual abuse scenes.

I was constantly seeking the answers to the situation, asked the school twice for the referral to the Tavistock Center (after we have attended previously), had a private consultation with the child psychologist, signed up and attended six weeks course on positive parenting and prepaid and was going to attend another advanced course on the siblings parenting (this supposed to start on 9 September 2014 but I never went because of the children disclosure, reporting to the police, children have been retained, courts, etc).

In regards the children's diet: they were vegetarian since birth; then vegan from about 2-3 years old. They were always well and properly nourished with the adequate amounts of healthy high quality plant based proteins, essential fatty acids, carbohydrates and essential sugars. Freshly prepared meals three times a day, including pulses, avocados, buckwheat, quinoa, millet, red and brown rice, nuts, soya protein (tofu, veggie sausages, fillets, etc), plenty of vegetables and fruits, wholesome snacks throughout the day, freshly extracted vegetable and fruit juices. Alisa and Gabriel was always within the middle of the charts in regards their height and weight.

The End

Lite River Joel, wipe the hysterical slaver from the corners of your mouth and calm yourself down. The children retracted their statements and instead accused their mother's psycho boyfriend of violence and intimidation, he is the principle abuser.

If you really believe all that nonsense about the teachers sacrificing babies, then giving the corpses to MacDonald's to make into burgers, and their skin to a cobbler to make shoes out of, then you will believe anything. If there really has been sexual abuse, and I don't totally discount the fact that one person may have sexually abused them, then by putting all this 'evidence' out on the web it is being made non admissible and unusable in a court, the evidence would be regarded as tainted, therefor preventing the children getting any justice.

The fact is if so many teachers were raping so many kids at that school why has not one other pupil spoken up, the case must be well known to parents of that school, so why have not one parent gone to police to report their child being abused

It is also child abuse to be putting those poor kid's faces all over the net for everyone to see and making them talk about revolting and graphic sexual matters. A group of ruthless sickos is touting these kids like pieces of meat in front of the camera, completely disrespecting their right to privacy and the fact that they have no idea what this all means or how they are being used. How do you think they are going to feel in 6 years at secondary school when their classmates can find these videos of them talking about such things, how will they feel as adults knowing that everyone has seen them in these horrible videos. How much respect do you have for innocent children that you would promote these videos of them talking about such filth, without their consent? Shame on you for using two little children to promote your own agenda!

Lite River The controlled opposition lot promote these ridiculous cases so that when it comes to real abuse cases the public will just roll their eyes and assume it is also farfetched lies and nonsense. One of the principle people involved in promoting this rubbish is Belinda McKensie who was involved in embezzling millions of pounds from an Iranian children's charity.

Lite River Oh and here is some news about the last 'satanic mass abuse' case that these jokers were 'campaigning about. Robert Green, Belinda McKensie and Sabine McNeil were the three principles involved in horrendous false accusations involving a down's syndrome woman called Hollie Greig. Here is the result - Robert Green admitting he falsly accused innocent people of repulsive sexual crimes.

Lite River Now read about the so called Greig abuse accusations and compare them with the hampstead case - similar are they not, it terms of smearing multiple people, allegations of a cover up and claiming the most outlandish nonsense including allegations of murder. If this does not send alarm bells ringing then i don't know what will.

Lite River So you are pressing like when someone accuses me of protecting pedophiles Arthur, because i am using logic to debunk the latest controlled opposition hoax, nice!

Well Arthur if you believe in McDonald's baby burgers and baby skin shoes, even after I have presented the clear and copious evidence that this is a hoax and that the people promoting it are notorious fakes, con artists and charlatans,

then you disappoint me. I know real abuse cases happen and some of them are child abuse rings, but this case is clearly not one of them. For all your talk of critical thinking you don't seem to do any in this case.

Simon Penton Yeah Arthur, this 'person' trying to cover-up a massive ring is probably working for the police and the paedophile ring. They 'believe' all the police and paedo ring DISINFO and know virtually nothing about the case. Pure troublemaker and lowlife!  
Anyone who actually saw the police interviews and knows the FULL sequence of events and ALL the evidence going back to August-September knows that this issue is very real. But this 'person' is a paedophile ring agent and either knows the evidence OR is incredibly ignorant and a pathetic troll!  
You are well advised to unfriend those who attempt to cover-up the MANY paedophile rings operating across Britain. They will only waste a lot of your time!  
12 March at 09:55 · Edited · Unlike · 3

Simon Penton Yeah, what a "nonce protector"! As if the 'hearing' will make any difference whilst those that reported serious harm to children are on the run from the paedophile police! Now with masses of evidence covered-up and no proper investigation (not one attempt to confirm the children's stories!), it is the criminal police, the paedophile ring members and their supporters, who sanction access to children by a (many times) reported and restrained abusive father, who ignore the FACT that the police interviews on September 5th AND 11th show the children confirming the same stories they told Abraham and Ella in August 2014! The same police infiltrators then ignore the FACT that after Ricky Dearman was allowed access to his children (by the police) and gave them a laptop for skype calls, and that the

children changed their story and said that they were 'coached' by Abraham in the interviews of September 17th!  
Simple psychology can spot the obvious!

And claims that Abraham assaulted the children when they said specifically that he hit them with a spoon in Morocco but nowhere else! What the "nonce protectors" don't mention is that A was disciplining them for fighting all the time and wiping their shit on various places. And what the "nonce protectors" don't mention is that Ella is a raw vegan very sensitive and caring mother who innocently reported what she heard her children talk about after her ex Ricky beat her almost senseless AGAIN, before he took the kids to another sex party that THEY described in detail in the police interviews (after they were taken into police/social services custody!)

Beware the "nonce protectors" - they do not mean well!

12 March at 18:52 · Unlike · 2

Simon Penton I repeat: SIMPLE PSYCHOLOGY shows that the children were "coached" by Ricky (the father with a history of violent abuse towards his partner and children) to retract their statements after the police gave him access to the children and he gave them a laptop for skype conversations! Just like loads of other cases involving police and SS and Family courts, the abusers get access and the victims get more abuse from the authorities! We've seen this MANY times before, in various parts of the country.

But the LIARS who haven't seen all the evidence and police interviews, who don't know about the family, OR the people who brought the story to attention, who go on trying to debunk it and turn others away, are either dangerously ignorant (a little information is always dangerous!) OR they are working for the elite paedo rings and the corrupt corporate authorities. The paedo rings include police, CAF/CASS, priests, teachers, etc because they are very organised and have prepared for being exposed. In 2 weeks the entire school staff were 'moved', the school website completely changed, and Ricky Dearman, the very rich but utterly awful actor (how exactly does he make money from his 'acting'?), with a long history of violent abuse and threats, who had already been restrained by the police on several occasions, ONLY needs to be medically examined (along with the other abusers) and all the tattoos will PROVE the story, OVER & OVER AGAIN!

But the "nonce protectors" don't want any medical examinations to PROVE the children's claims - they want to debunk the story while their masters get away!

12 March at 19:13 · Unlike · 3

Simon Penton For the record:

Abraham has admitted to slapping Gabriel, and also to hitting them with a spoon NOT any of the other hitting

allegations.

The kids were non-stop fighting with each other. During the summer they all went to Morocco, and within few days, whilst Ella was out, Abe caught the kids molesting each other sexually, he told them off and asked why they did this and where did they get this from? No answer. He told Ella, and they both decided to keep closer watch on them, then he caught them at it again, and this time they decided to separate them into different bedrooms, which is when all hell broke loose for the next couple of weeks. The kids had many fights with each other, they also made Abe and Ella's life hell, putting poo in their foods, and on their toothbrushes! They refused to talk and told Abe that he would have to fight them to get the truth. And then the 'final straw' was when they were introduced to a little 3 year old girl and within 20 minutes they were found to be molesting the little girl sexually! So Abe lost it and slapped G, then later demanding they talk he hit them on head with spoon, still nothing. He then told them could not eat or go to bed until the truth was said, and that's how and why there were recordings of them at all!

The 17th Sept police interview retractions are utter nonsense, as Alisa says one thing, and Gabriel a totally different version! It's blatantly OBVIOUS what's happened, to anyone who has seen the evidence!

The IDIOTS who claim it's all a fake haven't got a clue! Abe and Ella's lives are in ruins. They are both on the run from police for innocently reporting what they saw and heard. The children are in care, and the abusive father still has access! The police said it was a matter of "national security" - why is that? WHO is involved?

Yet there are honest doctors, lawyers and decent people of integrity out there (maybe even honest cops?) who can see the truth for what it is! Such people can help expose the truth by researching, by demanding medical examinations of the accused abusers. NO tattoos can be removed without leaving clear scars. Which means that simple procedures can PROVE the guilt or innocence of the abusers. Children can NOT know about birthmarks and 'demonic' tattoos on teachers and parents genitals UNLESS they have been abused and the abusers and their paid protectors know this! That's why they've all fled - to avoid being examined!

Time for the honest and decent people to get-to-grips with this issue. Not just this individual case, but the THOUSANDS of cases around the country and around the world! The elite hierarchy is BASED upon paedophilia, snuff films and extortion, and has been for years! As many as HALF the police are involved directly or indirectly! Secret services are ALL involved!

Arthur Cristian Desecration of MANS magnificence is the shattered reality and everyone trapped in "The System", from both the highest of highest levels of Freemasonry to the everyday slaves, have had their magnificence shattered.

It is impossible to set "The System" into motion and keep "The System" in motion without MANS magnificence severely corrupted.

The WHOLE of "The System" IS the complete and utter corruption of MANS magnificence.

"The System" is built out of morally corrupted men, women and children.

The sacredness of MANS purity and sincerity = innocence is terribly shattered. How else can we have men and women capable of doing immense, horrific, despicable crimes to nature and to tribes of MAN on land all-across Earth????

What many children describe as ritual abuse and sacrifice rituals involving police, secret services, government agents, judiciary, politicians, priests, media-stars, actors, rock stars, etc, etc, etc, is the corruption of MAN translated into doing immense harm to multi-millions of men, women, children and nature/earth.

The trauma of MANS desecration is what desensitises abused-MAN into performing horrific crimes perpetually.

These children are NOT lying.

Fiona has no money to cover it. Fiona never

wrote or posted the comment and even though she took it down within three weeks of being asked to do so, the "defamed" is wanting \$10,000.00 damages, money Fiona does not have. Anyone who checks out the Love For Life website homepage will clearly see/know that Fiona has no spare money to service such a hefty "fine".

The "defamed" has shown a penchant for combing intensely for fine details through volumes of data - we would be surprised if the "defamed" was not aware of Fiona's commercial standing before taking out actions against her.

The "defamed" has also come after Arthur for \$10,000.00 too but Arthur has been completely out of "The System" since 2006. Arthur owns nothing, has no govt hand outs, no jobs, no cash, no credit cards, no bank accounts, no tax file numbers, drivers license, car regos, leases, commercial contracts, medicare, savings, assets, super-funds, passport, etc, etc.

These attacks clearly demonstrate exactly how the Freemasonic/Satanic world operates Lite River - are you going to be there to support families like us who have been on the front-line doing something about all this corruption since 2005????

Simon Penton This Lite-headed bloke is a paedophile protecting TROLL and working for the accused paedophiles and police. People who know the children and Ella KNOW the truth but this LIAR is truly LOWLIFE SCUM! Ricky Dearman, PROVEN abuser of women and children is the boss and his gang have all changed their names on FB. This Litebrain is defending the gang because of being part of it. They have to deflect criticism whilst they get away, so need at least one STOOGE to work for them in various groups and forums, in an effort to play for time. The courts and police are ALL complicit, so referring to them as any kind of 'authority' is going against what those in Lawful Rebellion and those dealing with Family Courts and SS and police, have known for years. Therefore referring to them as 'authority' is the clearest indication of 'Nonce Protector'!

As for 'Nonce Protector's question about other children and parents coming forward, they are ALL under threat of death from Ricky and his gang of paedo thugs, including the complicit police in Hampstead and Barnet. It's not the 1st time that whistle blowers have been threatened or killed. And if they do the SS takes their children away, just like has happened all over the country in thousands of cases. That's THOUSANDS OF CASES.

'Nonce Protector' will be claiming that Savile & Jaconelli didn't do it, Haut de la Garenne wasn't real, Dolphin Square, Elm House, Nottingham care homes, Rotherham (where Ricky and his mum and her mum all come from) didn't happen, the Welsh police Masonic Lodge didn't do it, the THOUSANDS of police caught kid-fiddling and abusing, Leon Brittan and snuff films, MKUltra didn't happen, Monarch didn't happen, etc etc etc. 20,000 children a year go missing in Britain and 'Nonce Protector' is working for those doing the abusing, or is one of them with a fake name!

Mascha Roedelof The police interviews from Sept 11th are totally different then the ones from Sept. 17th. So who indoctrinated the children? And why making Abraham and the mother Ella look like! the criminals? Indeed same tactic over and over again!

The children were telling the truth. Maybe sometime they filled in blanks because memory loss is very common when experiencing such deep profound horror! But the evidence the children are telling are very consistent. Up to Sept 17th: so what happened in between Sept 11th and Sept 17th?  
14 March at 21:07 · Unlike · 1

Simon Penton Well-spotted!  
Barnet police allowed Ricky to see the children. He gave them a laptop for skype calls. Result - as you can see! So the police are totally complicit. 3 of their Hampstead officers are directly involved, and have similar genital tattoos to the parents and teachers involved, and there will be MANY more police who are involved also. The police and secret services are vital to the paedo groups, as we have known for decades! Officers who are not directly involved are protecting their fellow officers, making themselves complicit either way!

Simon Penton Classic diversion paedo group BULLSHIT! Made up by an organised paedo network in a desperate attempt to distract away from the Hampstead paedo group. The parents and teachers group operates under changed names on FB and are desperate to be able to continue with their activities!  
How anyone after watching the video material, the police interviews, the medical confirmation of abuse, the FACT that the mother has been abused repeatedly by Ricky Dearman and ALL the friends of the family have known about it at least since last year.  
Lite River continues to spew his/her paedo group filth as he/she works with the authorities and the courts to further abuse the children in 'foster care' and secure the continued abuse of the other children. ALL the main children were

named, as were the parents, police, CAF/CASS workers and priest. Yet NOT ONE has been medically examined to prove OR disprove the children's testimonies that were REPEATED to the police on 5th and 11th Sept 2014!

As I wrote elsewhere to another troublemaker:

""The children themselves denied they had been abused."?? After everything provided, after the MANY interviews, after the clear statements to the police on 5th and 11th Sept, after the medical evidence, after the police allowed PROVEN abuser Ricky access shortly before the children changed their stories, after the statements by the grandparents, and you STILL support the obviously coached changes and confused statements that simple psychology exposes as false?? Seriously? Or just being a contrarian who is cherry-picking and supporting the police line?

This is VERY serious! The mother is on the run after her violent abuser ex was supported by the police and allowed more access to her children than she was? Not at ANY time has Ricky Dearman, an alleged mass paedophile, mass-murderer, major child abuser, conspirator, criminal, etc been medically examined to prove his innocence. What does that say about the police? Abe and Ella have had to flee the country because of charges of "harassment" by Ricky, the PROVEN abuser who had police restraining orders on him for previous extreme violence. Why are those who innocently reported serious criminal activity been threatened with arrest and prosecution whilst the abuser faces no such thing? NO investigation has been conducted and NO medical examination made of ANY of the other accused to check for the identifying marks and tattoos, despite very serious allegations and the FACT that children could not have seen tattoos and birthmarks without the bodies naked and in sexual abuse context. So why NOT ONE single examination?

All the pissing about by police, courts, school, church, CAF/CASS, etc has lost months of time that led to a change of staff, parents left, more than enough time to make substantial changes to buildings and other vital evidence, etc."

As this one shows, there have been major efforts at cover-up going on, even the closing of the Macdonalds restaurant in Hampstead where the babies were cooked-up for the group and its parties (according to the children's testimony!). Arthur Cristian Bill And Judy's Chocolate Factory Analogy

If Bill and Judy own a chocolate factory but have a secret desire to kill children and eat them, what is their greatest line of defence against being discovered?

How do they continue with their dirty secret without those around them finding out and being disgusted and making sure that the horrific crimes against children stop?

They put little bits of the bodies in the chocolate that they make. Not enough to make it obvious, but enough so that everyone who eats the chocolate they make ingests a little bit of murdered child.

Thus the trauma of the missing and murdered children is taken on by all those who eat the chocolate and they become lost in the trauma, desensitised and unable to see/sense clearly what is really happening and, unwittingly, complicit in the murder of all the missing children going into the chocolate.

Eating chocolate containing murdered babies becomes normal, part of everyday life. Children are brought up eating it.

Those who support Bill and Judy in keeping their secret, are supplied with lots of chocolate to keep them happy too. Bill and Judy supply lots of chocolate free to benevolent bodies and community groups.

Everyone is happy.

We all breathe the same air, drink the same water and walk the same land. When we eat the same chocolate of trauma, we breathe that same trauma, and spread that same trauma wherever we go and whatever we do. The trauma is everywhere and has been accepted as the norm.

If someone finds out about the murdered children in the chocolate, and starts spreading the news, does everyone cry out in horror and stop eating the chocolate?

No, they say, "But this chocolate is normal. We have always eaten this chocolate. Bill and Judy would never do that. Look at all the good work they do."

So the people don't realise that the trauma is in the chocolate, those who help Bill and Judy encourage the people to think that the trauma of the missing children is "out there", away from them, never close to home, too big for them to deal with. The chocolate eaters are kept fed with a variety of distractions to keep it that way, always out there and never in the chocolate.

Those who help Bill and Judy keep supplying the chocolate to keep everyone under the trauma of the chocolate so that Bill and Judy can keep making the chocolate undisturbed.

And so the people continue to eat chocolate containing murdered children.

Bill and Judy are happy because they can make their chocolate, the people who support them are happy because they are getting lots of chocolate, and the people who have been taught that eating Bill and Judy's chocolate makes them happy are happy too.

A whole world based on murdered children with everyone happy!

We don't want to keep eating the children.

"The System" is the chocolate.

Arthur Cristian To completely heal we have to return to a complete healthy do no harm way of life, and we do this through how we eat, drink, think, feel and act.

To stop all forms of harm-doing we have to get rid of "The System" and we do this by creating Kindoms which is all about turning our backs on "The System", to no longer react to "The System", to no longer fight "The System". We give our life force energy to "The System" when we react to it.

We just direct all our life energy into a living example of Kindom so that others lost to "The System" can experience/sense (touch, taste, feel, smell, hear, see) it through direct sensory experience if they want to.

When the lost see/sense there is another way to live without the need for another version of "The System" which includes money or cashless money, where everyone has freedom, truth. peace, joy, abundance, do no harm, no loss of uniqueness & originality and no slaves ad rulers, then they will quickly flee "The System" too and "The System" will quickly fade away to be no more and therefore all the harm doers no longer have power and control and all tools of manipulation become useless as well.

Everyone has fully woken up to what was really going on.

This is how we get rid of paedophilia, of sexual abuse, of corruption and crimes and of all forms of harm-doing. .

It's in the way of life where we give our life force energy to, that either continues hell on Earth or brings an everlasting paradise for everyone.

'Lie River', the secretive SCAMMER and LIAR who doesn't dare post their real name, here to post police and court and media DISINFO.

'Lie River' the PAEDOPHILE PROTECTOR who protects Ricky Dearman a PROVEN and RECORDED violent abuser, given access to 2 children that said clearly in repeated police interviews that he abused them and ran an international MURDER & PAEDOPHILIA ring while supporting the arrest of the mother for NO CRIME!.

'Lie River' the secretive PAEDOPHILE PROTECTOR working for a paedophile ring and its members to prevent a full investigation, prevent ANY medical examination, prevent the return of the children to their grandparents and allow them to go home to Russia, and thereby supporting the PROVEN paedophile system!

"Innocent people"?? When they are medically examined and proven NOT to have tattoos and birthmarks as the children repeatedly described, THEN and only then will they be 'innocent'!

16. I am able to state with complete conviction that none of the allegations are true. I am entirely certain that everything Ms Draper, her partner Abraham Christie and the children said about those matters was fabricated. The claims are baseless. Those who have sought to perpetuate them are evil and / or foolish.

17. All the indications are that over a period of some weeks last summer, P and Q were forced by Mr Christie and Ms Draper, working in partnership, to provide concocted accounts of horrific events. The stories came about as the result of relentless emotional and psychological pressure as well as significant physical abuse. Torture is a strong word but it is the most accurate way to describe what was done to the children by Mr Christie in collaboration with Ms Draper.

120. Arising out of the first examination, it was reported that P and Q had a number of scars and abrasions consistent with their assertions of having been physically abused by Mr Christie.

-----  
Lite River continues on.....

from a recorded conversation between Abraham Christie and the children, where he is heard to coach, correct and threaten them into saying what he has taught them to say. What a delightful man he sounds, threatening, correcting, directing and bullying two children into repeating his insane lies and filthy graphic scenarios.

The 4 September recorded discussion between Abraham Christie and the children.

78. The 4 September audio recording made by Jean Clement Yaohirou on his mobile 'phone is a key component of the material relevant to this inquiry. It provides an invaluable record of the interaction between Mr Christie and the children, the various prompts and instructions given by him to the children and, later, an insight into the mother's attitude towards the children's relationship with their father.

79. At the very beginning, Mr Christie instructs the children, "Don't tell Jean Clement any lies ... Do you hear me?" He continues, "Otherwise we'll have to lock you up in the jail. Have you got room to lock her up tonight Jean Clement? Have you got room, yes or no?" Mr Christie then laughs and says, "So tell him what you said. You deserve to be locked up for killing the baby. Listen did you kill any babies?"

80. One of the children replies "No." Mr Christie asks, "Who killed the babies?" A child replies, "Papa. Papa hold our hand... We put on our hand but we – " Mr Christie then interrupts, saying "No, he puts your hand on." The child continues, "And then he puts his hand on ours, cuts off the baby's head. Because he's strong – ." Mr Christie interrupts again, "But he teaches you (inaudible)."

84. What else do they sell?" One of the children starts to reply but is told to "Shut up" by Mr Christie who then says, "He makes movies. He makes snuff movies of the babies and he sells them in the Ukraine, in Russia, in Brazil, in Portugal, in Brussels, in England, he sells them all over the world."

85. At times, Mr Christie sounded very agitated and aggressive, for example when he told Mr Yaohirou that they "have to give the (children's) passports back to the solicitor who is a member of the paedophile group;" and also when he said "... But we're not going to let him (the father) see them (the children). We can't let him see them. They (sic) will kill them."

86. A little later, there is discussion between Mr Christie and Mr Yaohirou about the court proceedings between the mother and father. Mr Christie explains that Mr Dearman has taken the mother to court "because he wants to see his children." Mr Christie rhetorically asks, "But why does he want to see them? To do sex to them, to make party, to sell them to other people and to make movies.... We cannot allow it to happen anymore. He must be arrested." Mr Christie then introduces the topic of "Papa's secret room" asking one of the children to say what is done there. But nothing is said by either child.

87. There is evident pressure upon the children when, for example, Mr Christie asks, "Has father got keys to the house." A. "Yeah." Mr Christie says, "Is it a lie? Is it a lie? We do not have time for lies."

88. Mr Christie is directive towards the children saying, "Be quiet and go outside now, come on. Hurry up. Outside. Outside. Outside. I don't play around, just stay there. That's it. That's right, discipline." And a little later, "Sit round the table properly, son. Don't let me tell you again, you sit down properly, thank you. Thank you. Don't let me tell you again, sit down at the table properly." He adds a few minutes later, "and you speak when you're spoken to. You understand? Come on. Let's have some respect ... let's help each other and let's make sure that no more children get killed, ay?" One of the children adds, "And make sure papa goes to jail."

Simon Penton NOW FOR THE REMEDIES IN THE HAMPSTEAD CASE:-

The key issues, the remedies sought by the mother and grandparents, in their application made before Judge Keehan on 12 March 2015, on the strength of the medical evidence of rapes and sodomy in primary schools in Hampstead, NAMELY:-

1. RETURN OF THE KIDS TO LOVING MOTHER WHO HAS SOLE CUSTODY AND GUARDIANSHIP
2. ASSISTANCE WITH SAFE RE-PATRIATION TO RUSSIA TO BE SAFE WITH GRANDPARENTS
3. PROTECTION OF ALL WITNESSES, REPRESENTATIVES

4. IMMEDIATE ACTION TO STOP ALL SATANIC RITUALS IN UK SCHOOLS, CHURCHES, COUNCILS, BUSINESS - DEEMED TREASONOUS AGAINST HUMANITY - PUNISHABLE BY DEATH BY HANGING UNDER COMMON LAW

have not yet been considered in the Family Courts. Judge Keehan, had referred the remedy sought by the family and McKenzie friends Belinda McKenzie and Sabine McNeill, to Judge Pauffley to deal with (as she was doing the fact-finding and would be in a better position than him), but Judge Pauffley has not dealt with it. As it stands, the medical

evidence of the rapes and sodomy in primary schools and Christ Church itself in Hampstead London NW3 1AB, was before Judge Pauffley, but it did not fit in with her treasonous pre-determination so she left it out. She has acted outside her oath of office and committed TREASON which is a crime worse than murder and punishable by death by hanging under common law.

As a result of Judge Pauffley's Treason, the children remain kidnapped by UK Police under London Boroughs of Barnet & Camden. So this is a FINAL PUBLIC NOTICE OF DISHONOUR FOR THE IMMEDIATE REMEDIES SOUGHT ABOVE to their loving mother and maternal grandparents so as to take them out of the UK to safety.

WE HEREBY URGE JUDGE MUNBY, HEAD OF FAMILY COURT RCJ, STRAND, LONDON, TO APPOINT JUDGE MICHAEL KEEHAN TO DEAL WITH THE REMEDIES SOUGHT IN THE FAMILY'S APPLICATION MADE BEFORE JUDGE KEEHAN ON 11 MARCH 2015 BY BELINDA MCKENZIE ON BEHALF OF OVER 15,000 SUPPORTERS IN THE CASE

Arthur Cristian From Simon Penton Another ring exposed! <http://www.independent.co.uk/.../police-staff-teachers...>

More than 260 suspected paedophiles have been charged since the start of a major operation targeting people who access child abuse images online – and police staff, teachers and civil servants are among them.

The National Crime Agency (NCA) revealed that 745 suspects have been arrested under Operation Notarise, which was launched just over a year ago.

Of these, 264 were charged, including 47 who were employed in positions of trust or voluntary roles with access to children.

The NCA said that 518 children have been "safeguarded" as a result of the operation.

Those charged include:

- Eight teachers and several others working in education;
- A former UK Border Agency officer;
- Three civil servants and one government employee;
- One GP, two medical technicians and one paediatrician;
- One employed in and another retired from "police service" work;
- One retired justice of the peace;
- One banker.

Around 10,000 devices have been seized by investigators.

So far 16 suspects held as part of the operation have been given cautions for offences involving indecent images of children, the NCA revealed.

Phil Gormley, deputy director general of the NCA, said hundreds more suspects remain under investigation.

He said: "This is an ongoing and dynamic investigation so these figures will be out of date almost as soon as I've given them."

Mr Gormley said the scale of offending uncovered was "depressingly large".

It was also revealed that there have been 328 arrests linked to Project Spade, a Canada-led investigation into the buying and selling of child pornography.

Authorities have come under fire for failing to act quickly enough on information garnered from the operation.

NCA director general Keith Bristow admitted today that "further difficult lessons" may lay ahead.

He said: "I've been pretty consistent in saying that whilst it happened before the NCA came along, in my judgment not everything that should have been done was done then."

"I couldn't be clearer that none of this is zero risk, I couldn't be clearer that there will be other cases of people who are in a position of trust - which is the most emotive part of this - that have not been identified quickly enough and may have continued to offend.

"I can assure you we are doing everything in our collective power to make sure we improve the response and it is improving significantly."

Mr Bristow said the threshold used to assess referrals of material has changed partly because of Spade.

The previous approach saw images judged on the basis of their severity but that has been changed so that the starting point is to assess the risk the individual who accesses the picture poses to children.

He said: "That doesn't mean there is zero risk. In my judgment there will be further difficult lessons as we understand more around child sexual exploitation."

Mr Bristow referred to the challenges posed by the likelihood of "further budget pressures" in the next parliament and highlighted the issue of how policing is shared across different law enforcement agencies.

He said: "Austerity doesn't seem to be something that is going to go away any time soon.

"My judgment is we need to give some serious thought to how the capabilities we have are distributed around the national, regional and local police forces.

"If there is going to be less overall resource available, how is it we ensure that the public are protected and part of that is about making sure the capabilities are distributed in a very rational way.

"This isn't an NCA land grab. There are some things we do at the moment that may be better done by local police forces or by regions.

"Equally, I suspect some of the high-end law enforcement capabilities that might be distributed elsewhere, probably the NCA ought to do more of that."

Arthur Cristian 50 police officers arrested in child porn raids. Fifty police officers across the UK have been arrested as part of a crackdown on suspected paedophiles who pay to access child pornography websites, detectives revealed today. The officers were among 1,300 people arrested on suspicion of accessing or downloading indecent images of children - some as young as five - from US-based Internet sites. Thirty-five men were arrested in London this morning as part of the investigation - codenamed Operation Ore - following raids on 45 addresses across the capital.

Of the 50 policemen identified, eight have been charged to date and the remainder bailed pending further inquiries. Scotland Yard said none of those arrested today was a policeman.

At a press conference at Scotland Yard today, Jim Gamble, assistant chief constable of the National Crime Squad, said he was not surprised at the number of police officers among the suspects.

"As police officers, we should expect to be held accountable," he said.

"Fifty police officers have been identified and we are not hiding that fact. We want you to know about that to reassure you.

"Police officers are member of the communities that they serve and there will be good people and bad people in the police."

Mr Gamble said the 50 officers were among 1,200 Britons who had been identified as "category one or two" suspects - those who posed the greatest potential risk to children.

In addition, 40 children nationwide - 28 of them in London - had been identified as being at risk of being abused and appropriate steps had been taken with other agencies to ensure that all the youngsters were safe.

Before today's arrests, the Metropolitan Police had executed 75 warrants across the capital with 65 arrests and more than 130 computers seized.

Although 7,000 suspected users of "pay-per-view" child pornography sites based in the US were identified in Britain, Mr Gamble said the actual number of offenders would probably be lower, partly due to duplicates.

The Met's Deputy Assistant Commissioner, Carole Howlett, said today's raids represented the single largest operation of its kind mounted so far by the force.

She added: "Our priority so far has been to identify those individuals on the list that pose the greatest threat to children now.

"But this process is on-going ... and it will continue after today, even though it is extremely resource intensive."

Ms Howlett also announced that the Home Office had agreed to allocate an extra £500,000 to support further action as part of Operation Ore.

She said the money would be used to provide extra training in computer forensics for officers across the country and to buy more equipment for analysing computers seized.

Commenting on today's operation, children's charity NSPCC said it had been assisting the Met by responding to any emerging child protection matters.

Colin Turner, head of NSPCC's specialist investigation service, said: "The arrests send out a strong warning to those that think they can remain anonymous and escape the law by using the Internet to trade in child abuse images.

"Behind these indecent, abusive images are real children who will have suffered immense damage and trauma."

Operation Ore is the UK wing of a huge FBI operation which traced 250,000 paedophiles worldwide last year through credit card details used to pay for downloading child porn.

The names of British suspects were passed on by US investigators.

Suspects were traced through the Landslide web site - a gateway to an international collection of child pornography sites.

Thomas Reedy, who ran the web site and earned millions from it, is now serving several life sentences in the US.

Arthur Cristian Which one? Can you repost it here. Also, we are currently updating Darkness Visible Part One, breaking it down into five parts. Should all be finished by late next week.

Darkness Visible Part One A

The Freemasonic World In Plain Sight

Decoding George Washington Lithographs

Arthur & Fiona Cristian

Love For Life

14th December 2014

<http://loveforlife.com.au/node/8557>

Major Update Occurred 30th March 2015 6.00pm Sydney, Australia.

Note: Large sections of the original Part One may not be back up for the next couple of days while we fix them up.

As Darkness Visible Part 1 has become so large we've decided to split it up into

Part One A <http://loveforlife.com.au/node/8557>

Part One B <http://loveforlife.com.au/node/8567>

Part One C <http://loveforlife.com.au/node/8568>  
Part One D <http://loveforlife.com.au/node/8569>

Part 1A will be as it was originally with all the information on the George Washington Lithographs.  
Part 1B is the reporting of the defamation case against Fiona Cristian (Arthur Cristian).  
Part 1C is the paedophile/sexual abuse/organised corruption information.  
Part 1D ... to be confirmed..... more than likely the continuation of Part 1C.

Note: We may create Part 1E just for the Hampstead Satanic Ritual Abuse of children Alisa and Gabriel Draper.

Darkness Visible Parts 2, 3, 4, 5 and 6 will remain the same and Darkness Visible Part 7 is still to come.

Darkness Visible Part One A shows the inter-connections of everything in the Freemasonic world, how it works and how that translates into our everyday lives. We have created a way to navigate it using two George Washington Lithographs and a deconstruction of a TEAL video.

Darkness Visible Part 2 contains various Facebook discussions that expand on some of the themes in this article.

Darkness Visible Part 3 is a breakdown of the word "sausage" that shows how the symbolism and hidden meanings of Freemasonry are present in everything of their world. Also in Part 3 we give news of how Fiona is being fined \$10,000.00 for defamation along with four others Michael Borisiewicz, Teresa van Lieshout, Amber Pryor & Gwen Butler. We plan to integrate the defamation information into Part 1B.

Darkness Visible Part 4 gets into a Facebook discussion about Psychedelic Psilocybin Mushrooms and the Karnak Temple in Egypt which led to insights we shared into the real work of Aleister Crowley, Thelema & the OTO. Part 4 also makes it very clear how everything comes together in "The System", and how the seemingly loose ends are actually all carefully orchestrated brainwashing methods that have been in place for as long as "The System" has appeared to exist, in one guise or another. Aleister Crowley, his work on Thelema and "The Book of the Law" which is also known as "Liber AL vel Legis", all ties in to the arts, the film industry, the law and the courts, the politics, the religions and the OTO and ALL of Freemasonry. Part 4 also looks at why we are being sued for \$10,000 for defamation.

Darkness Visible Part 5 is a letter from Fiona explaining why Arthur is not willing to partake in a ritual with them and why they do not have any authority over Arthur. It also explains how the trauma of ritual sacrifice is embedded in all the letters and numbers that make up all the constructs and concepts of "The System" and how this trauma affects us all.

Darkness Visible Part 6 explains the latest attack on Love For Life and freedom of speech as one of the videos used in Darkness Visible Part 1 has been flagged as "hate speech" on the Love For Life YouTube channel. This video is a documentary that uses historical, fact based research explaining ritual sacrifice in the Jewish religion. The video has been on the YouTube channel since 2011 without any complaints. Our comments on the video make it very clear that ritual sacrifice is not limited to the Jewish religion, that most Jews are completely innocent of ritual sacrifice and that we are not anti-Semitic. We have written to YouTube and Google and Part 6 contains this correspondence and correspondence put on the mailing list and Facebook about this matter.

Along with the information to be found by scrolling down the Love For Life Home Page <http://loveforlife.com.au> (still to be finished), the insights contained in Darkness Visible Part 1A and Part 5 give a good overview of what is really going on behind the stage of "The System" and how there are no winners on any side in the situation we are all in. We have all been misled and even those who now appear to have it all and think they have it all can never escape the horror that is "The System" that we are all responsible for. If we do not change the way we are living, there will be very little remaining of Earth for any of us and most of us, MAN, will cease to live. The system "winners" will have nothing to offer their descendants and we will all go through the effects of our man-made hell, no matter how much power and wealth we have in "The System". Overall, Darkness Visible uses the attack on Fiona Cristian to clearly demonstrate how the Freemasonic networks control everything of "The System".

Arthur Cristian We are all the little baby boys and girls kidnapped and transported to an alien world and there we were raised up to be aliens by aliens, second after second, minute after minute, hour after hour, day after day, week after week, month after month, year after year.....

We've been trained to be aliens, the e-go; it's all we know, and basically, it's all that we are good at. However, there is still a tiny glimmer of the kidnapped little boy and girl radiating there, the soul of unconditional love pulling at our heart strings to come back home where our soul belongs.

And to go back home the little boy needs to create a dream of home and then put its heart into the dream, its head, arms, legs, fingers, blood, veins, organs, glands and bones inside the living dream of home, its soul, and be the living embodiment of its soul.

The dream of home is the vessel the little boy creates to escape the alien world of ego that's made a prisoner of him. This vessel is the soul the little boy created and is the ONLY way of getting back home where it originated.

To start creating and expanding the soul of the little boy's home, the glimmer that remains after the kidnapping, the little boy rebuilds the living-dream of its home, its soul, second after second, minute after minute, hour after hour, day after day, week after week, month after month, year after year.....

And then equipped with the precision skills of a living soul capable of sailing across the abyss of a man-made hell, "The System" of ego, the soul sets sail to the motherland of Kindom where it reunites with many other salvaged souls to celebrate their homecoming with the determination that no little boy or girl will ever be stolen from their motherland and be turned into slaves of an alien world.

Intensely, for as long as it takes, we all have to be thoroughly tested and challenged to be sure we have all returned home to the motherland of our Kindom.

The only way to be tested thoroughly is by living with each other while we all walk-the-talk of Kindom second after second, minute after minute, hour after hour, day after day, week after week, month after month, year after year.... until the whole of Earth has become the Kindom Motherland of MAN.

The success of Kindom clearly tells us that we have departed the alien world of chaos and harm and are no longer being compelled to set destructive e-motions into motion. All residues of "The System" have been left behind and none of them enter Kindom.

If we do not re-ignite the glimmers of our souls, of who we really are, we will be lost to "The System" of e-go forevermore, disconnected from the soul of the Kindom Motherland of MAN and each other. Our soul has died and who we really are is no more. Gone. We've sold our soul to a make-believe world of aliens.

'COVER-UP OF SATANIC CHILD ABUSE IN HAMPSTEAD'; SECURITY SERVICES INVOLVED?

...

Alisa and Gabriel

Child pornography is said to be a \$20 billion industry.

Here are the allegations concerning an international 'the snuff movie gang' that allegedly operates in Hampstead, a very wealthy part of London:

The allegations by the family and friends of Alisa and Gabriel come from: Details on the Satanic Death cult

DISCLAIMER: THE POSTING OF STORIES, COMMENTARIES, REPORTS, DOCUMENTS AND LINKS (EMBEDDED OR OTHERWISE) ON THIS SITE DOES NOT IN ANY WAY, SHAPE OR FORM, IMPLIED OR OTHERWISE, NECESSARILY EXPRESS OR SUGGEST ENDORSEMENT OR SUPPORT OF ANY OF SUCH POSTED MATERIAL OR PARTS THEREIN.

1. The child abuse videos are made in several Hampstead schools and at various other locations in North London, including a Hampstead church.
2. Members of the gang film, edit, translate and sell the movies around Europe, Russia, Ukraine and the USA.
3. The scores of adults involved include certain school staff, certain parents, a priest and others.
4. Babies are sexually abused, tortured and murdered.

Satanic ceremonies are carried out.

...

5. The Hampstead gang gets babies from such countries as the USA, South Africa, Portugal, Spain, South America, China and India.

6. Locations where the gang meet include an upstairs room in an American fast-food restaurant.

The boss of the restaurant allows child sacrifice in a secret room.

Babies are prepared and cooked at the restaurant.

1983 - In Jordan, Minnesota, several children made allegations of satanic ritual abuse against their parents and an unrelated man. The man confessed and then identified a number of the children's parents as perpetrators. Twenty-four adults were charged with child abuse though only three went to trial with two acquittals and one conviction.[53] Despite strong medical findings of sexual assault, all other charges were dropped. The children made allegations concerning child pornography, child murder, and ritual sacrifice.

7. The Hampstead gang includes the father of Alisa and Gabriel.

The gang includes a headmistress, a school nurse, a school receptionist, the owners (from Belgium) of a shoe repair shop, certain Germans, certain East Europeans, certain Indians...

The headmistress has a huge pink birth mark around her shaved front private. The headmistress is involved in the business of child prostitution, child porn and snuff movies.

One member of the gang regularly travels to Thailand and runs a lucrative child pornography and snuff movies business.

Oude Pekela. 1989 - a group of parents published allegations in a conservative magazine that their children had witnessed Satanic Ritual Abuse and had been ritually abused from May, 1987 until October 1988 in Oude Pekela, in the Netherlands. During the initial investigation, only the non-ritual aspects were reported in the press and investigated by the authorities. In 1989 the Christian news program Tijdsein reported allegations that included satanic ritual abuse, to which there was no official response. Oude Pekela doctors Fred Jonker and Ietje Jonker-Bakker alleged that several children had been abused by unknown men in the context of satanic rituals.

8. The Hampstead gang includes:

A man who runs a building company and who constructs secret rooms and escape routes.

An Indian who is involved in procuring babies and selling videos.

A Chinese woman who brings babies from China and sells videos.

A woman in the property business who provides babies from the Ukraine and Russia, provides empty properties for ritual abuse, and sells videos in Ukraine and Russia.

9. The children are frequently injected with drugs to stop them screaming.

Continued here: Details on the Satanic Death cult

According to the mother of Alisa and Gabriel (above):

Details on the Satanic Death cult

The mother of Alisa and Gabriel is separated from her former partner Mr D.

Mr D had secretly been abusing Alisa and Gabriel from an early age.

Eventually the children told their mother that Mr D had sodomised them and forced them to do oral sex.

When Alisa and Gabriel were around 3 - 4 years old Mr D had introduced them to his child abuse gang, which involved a number of adults and young children.

The gang was violent to the children and forced them to take part in sexual activity.

The children were filmed.

The children were repeatedly told that they would be killed if they spoke out.

Paul Bonacci in front of the ranch where, reportedly, Johnny Gosch, and other boys were held captive. Paul Bonacci has stated that, as a youth, he was forced to participate in satanic snuff films. He identified Bohemian Grove as the location of a satanic murder. Paul A. Bonacci said that, as a child, he was kidnapped by the US military, tortured and subjected to sex abuse and mind control. In 1999, in a court in Omaha, he won \$1,000,000 in damages.

During this time Alisa and Gabriel were displaying very aggressive and disturbing behaviour inside and outside their home.

In March 2009 the mother started legal proceedings, applying for a non-molestation order.

The court ordered that Mr D must have unsupervised contacts with the children every Saturday from 10am to 6pm.

The children were sent for counselling sessions at the Tavistock.

(The Tavistock clinic allegedly organises the mind control and sexual abuse of children - MIND CONTROL, SATANISM, 7/7, TAVISTOCK ...)

Alisa and Gabriel. "Members of the cult film, edit, translate and sell the movies around Europe, Russia, Ukraine, America."

In 2010 Alisa started to attend Christchurch school in Hampstead; Gabriel joined a year later.

The children claim that, at the school, they, and other children, were regularly sexually abused by their father Mr D, and by certain teachers who were friends of Mr D.

The children were all threatened with death if they spoke out.

It was only in August 2014, while on holiday, that Alisa and Gabriel told their mother about what was going on at the school.

On one occasion, Alisa's friend Millie came to play at the home of Alisa and Gabriel.

Millie asked the mother if she was going to have sex with the children.

When Alisa answered 'no', Millie said 'why don't they tell about what was going on in school'.

Alisa then reminded Millie about the threat of being killed.

The children say that there were plenty of visitors coming to the school on Wednesdays.

Some of the visitors were putting broom's sticks up the children's bottoms, causing bleeding, and kicking the children's privates.

The children like Gabriel who could not tolerate the pain and screamed too much were given injections by a nurse.

The children's behaviour started to worsen with the beginning of school in September 2013.

Sometimes a kind of glaze would come over Gabriel's eyes, as if he was switching off from the reality.

The children were observed to be indulging in unusual sexual behaviour at home.

The mother's partner is a Mr Christie.

Mr Christie grew suspicious about the children being abused.

On one occasion Mr Christie tapped both Alisa and Gabriel on the head with a teaspoon following their extremely rude and disrespectful behaviour.

On 11 September 2014, there was a police interview of the children.

The children were taken into the custody.

The children retracted their allegations against the abusers.

The mother writes:

"I believe that most of the information my children have revealed is true.

"There is no way a child could create a story like that, with so many intricate details...

"It is out of the question that Mr Christie or me would coach the children to say things like that.

"Neither of us would ever put the children through this for whatever reason, and create such unbelievable situation for ourselves.

"Even supposedly we coached them to say this, the children of that age could not possibly repeat the same story all over again to the different adults in different circumstances without hesitation or changing the details.

"Although we know that they have retracted their statements, the children still, even now keep coming back to the same story and the details, while in the foster care to the degree that it became unbearable for their caretaker Carol to look after them. She no longer wants to do this."

Alisa and Gabriel

The following allegations by the mother of Alisa and Gabriel come from:

Details of the mass child sex abuse, satanic ritual child sex abuse and sacrifice cult, serial murdering and blood drinking.

Main action is happening in C..... primary school in Hampstead, London, together with at least another 7 schools: H school, H school, F primary, Perrochio school, N, N, D; possibly more schools involved.

The school staff and parents, priest, others involved are doing sex to boys' and girls' bottoms with the large plastic willies.

Adults force the children to do oral sex.

Babies are supplied regularly for the rituals: abused, tortured with the rat traps, dropped on the floor (often bleed), then killed. They put them to sleep by injecting, slit baby's throat, drain blood, drink the blood and then cook the body by either roasting or frying. The meat is eaten by the leader Mr D., teachers, 20 special children and their parents.

The baby sexual abuse and sacrifices are going on Tuesday, Wednesday (big sex day), Thursday. On Wednesdays, my children, Alisa and Gabriel have been abused by at least 60-70 people including 20 special children (the children are taught to abuse each other).

I was wondering why my children were often pretending sick and refused to go to school on Wednesdays.

~~

There are 4 secret rooms in the church where the cult members perform the rituals. The ritual involves wearing special costumes: children wear 10-13 babies skulls (sometimes with blood and hair still on the skull), adults - 20, - on their bodies, leader - 30 skulls.

Everybody has skulls worn around the neck (4), on breast, front private, belly, knees, arms.

Details on the Satanic Death cult

"It's her children who at long last had begun to 'talk' after their father had threatened to kill them, should they speak out.

"She had no idea that their erratic behaviour was typical of being abused."

What's to become of the Hampstead whistleblower kids?

In three videos (see below), two children describe sexual abuse carried out by named adults.

"Several people are alleged to be involved and have a good opportunity to clear their names.

"Mr Hxxxxx could for example prove that he doesn't have red dots over his privates.

"Miss Mxxxxx could for example prove that she doesn't have a wart on her privates, the size of a 5p coin."

Who are the adults allegedly abusing the children in the video? Here are some more clues?

Two young children in Hampstead in London have reported Satanic child abuse by large group of people, which allegedly included their father.

Aangirfan has no way of knowing whether or not the reports by the children are accurate or are inventions.

Everyone named must be assumed to be innocent until proven otherwise.

It is possible that the children have been coached.

When you have read the entire blog post you can make up your own mind.

Anonymous writes:

"The children's medical reports state that the police had been called out on several occasions because Ricky Dearman, the father, was committing 'domestic violence.'

"The medical reports make horrific reading as the children are examined for anal abuse (it is confirmed - with scarring).

"I hear that the police also took the children to have hair follicle tests to ascertain whether drugging had taken place.

"The mother has not been allowed to see the results...

"The mother is not being allowed to see the children and the father has regular access while they are in 'Care'."

Reportedly, police officers and politicians are often involved in child sexual abuse rings.

Councillors and police officer accused of having sex with children.

In London, an 8-year old boy and his 9-year old sister reported that their father, and others, had sexually abused them.

Allegedly, the father "is the leader of a Satanic child abuse cult in Hampstead in North London."

In September 2014, their reports were recorded on video - by the mother and her partner in separate conversations with the boy and the girl.

The father is British and the mother is Russian.

CHILDREN IN CARE to Protect Police Cover-Up of organised ChildSexualAbuse

"Abusers are named as parents, teachers, clergy and police."

The police have taken the children into custody and would now seem to be protecting the Satanic child abuse ring?

Or have the children been coached?

"My dad ... sees us every single day in school where they do sex to us."

That is what the 9 year old girl told her Russian mother about her allegedly 'child abusing' British father.

The children were reportedly threatened with death if they talked.

The mother reported 'the crime', and Barnet Police (Hampstead area) ordered medical examinations.

Reportedly, these confirmed sexual abuse and violence.

Family - Russian.

Christ Church primary school, named by the children as being a centre of abuse.

The Police, however, 'closed the case' as 'no crime confirmed'.

A week after 'the crime' had been reported, the children were taken into police custody.

6 days later the children retracted their allegations.

They were then held 'in care' by the Local Borough of Camden and since then Barnet.

Family - Russian.

..

The two judges involved have covered similar cases: Judge Vera Mayer who was involved in the case of Melissa Laird transferred the case to Mrs Justice Anne Pauffley in the High Court who was involved with the Hollie Greig case.

"Private meetings between the Local Authority's barrister and the Judge are going on behind the mother's back, which violates the 'Code Of Practice' and, of course, indicates a certain common agenda between the Judge and the Local Authority.

"The alleged abuser-father has more contact with the children than the mother, while the Russian grandparents and the older half-brother have hardly any.

"A 12-day fact finding hearing is scheduled to start on 16 February at the Royal Courts of Justice in London - in the secrecy of family courts - without the general public or any media."

CHILDREN IN CARE to Protect Police Cover-Up of organised Child Sexual Abuse

Why Ian Josephs advises mothers NOT to report the crimes of abusive fathers: you lose your children!

Beatrix Campbell, "the Green candidate for Hampstead and Kilburn believes in Satanic Ritual Abuse of children."

Famous residents of Hampstead:

Ozzy Osbourne (British rock musician)[17]

Ian Fleming (British spy, creator of the James Bond novels)[37]

Hampstead is the fictional location of Lucy Westenra's tomb in Bram Stoker's novel Dracula. Lucy lured children to Hampstead Heath at night to drink their blood. During the course of their investigation, Drs. Van Helsing and Seward dined at Jack Straw's Castle and caught a cab near Spaniards Inn.

Efraim Halevy, former Head of the Mossad, in Hampstead.

Allegedly, serious child sexual abuse takes place in Hampstead in London.

Hampstead's Royal Free hospital was one of the hospitals ordered by a government minister to investigate links to Sir Jimmy Savile, the alleged Satanist.

Jimmy Savile: hospital.

Hampstead.

Reportedly, Jimmy Saville supplied boys to former UK prime minister Ted Heath, an alleged Satanist.

Reportedly, Edward Heath liked to meet young boys in Hampstead.

"The name 'Mr. Eddy' was well known on Hampstead Heath and the boys home nearby in the seventies."

Ted Heath - Whale.

Brian Coleman is a politician in the North London area that covers Hampstead.

In April 2007, Brian Coleman wrote:

"The late Ted Heath managed to obtain the highest office of state after he was supposedly advised to cease his cottaging activities." [13]

Coleman is a former Chairman of the Finchley Friends of Israel and remains a member of Conservative Friends of Israel. He is a governor at two local Secondary Schools.

Reportedly a Satanic child abuse ring operates in Hampstead.

Yuri Geller, Michael Jackson, and (right) Greville Janner

In 2013, as part of investigations into historic child sex abuse allegations, police officers searched the luxury Hampstead flat belonging to Lord Greville Janner, in West Heath Road.

Lord Greville Janner has served as president of the Board of Deputies of British Jews from 1978 to 1984.

He chairs the Holocaust Educational Trust and is vice president of the World Jewish Congress.

It is believed that the major child abusers, such as Jimmy Savile, Jeffrey Epstein and Marc Dutroux, have been used by the CIA, Mossad and their friends, in order to control the top people.

It is believed that all the key government agencies, such as the police and social services, have been infiltrated by child abusers linked to the security services.

The head of the UN inquiry into the 2014 Israeli genocide in Gaza has sent the UN a resignation letter. He received death threats during his time as chairman. Head of Gaza war crimes inquiry received 'personal attacks, death threats'.

Goddard.

There is a history of cover-ups of child abuse.

Theresa May has named the alleged 'cover-up merchant' Lowell Goddard as the new child abuse inquiry chair.

Justice Goddard is past Chair of New Zealand's Independent Police Conduct Authority and now sits in the Wellington High Court.

"Justice Goddard ... covered up a number of serious complaints...

"Goddard refused to release evidence that former judge Michael Lance was guilty of throwing (wrecking) a police prosecution of his son Simon's business partner...

"Judge Lance later became Goddard's deputy judge at the Independent Police Conduct Authority...

"Lance retired in disgrace shortly afterward when it was reported he was keying cars parked in front of his Takapuna apartment. (Lance was prosecuted in a judge alone trial and let off.)

"The Independent Police Conduct Authority became an even more opaque agency under Justice Goddard...

"Lawyers who appear before her generally have little regard for her as a judge willing to conform to law or rule consistent with relevant facts. They are far more impressed with her impeccable dress and makeup."

High Court Justice Lowell Goddard.

A Dundee charity revealed the terrible toll of ritual sexual abuse ...

"Children as young as five are being forced to take part in torture and violent sex acts as part of a brutal underworld of ritual abuse in East Scotland."

"A leading charity has received as many as five calls a day from survivors of gruesome ceremonies that have included the stealing of babies and grotesque sexual abuse.

The charity's project coordinator, Joseph Lumbasi says "You hear about people who were made to do torture at as young as five and even kill people.

"We get a lot of people describing satanic ceremonies and set-ups of a religious element that accompany the abuse."

A police spokeswoman said: "We are not aware of any issues of that nature in Tayside Division."

Unfortunately, the police are often involved in the abuse.

"SATANIC RITUAL ABUSE BY THE POLICE"

The following comes from a report about Helen G. that appears to have been compiled by the Ritual Abuse Information Network and Support (RAINS).

'Satanists' at Bohemian Grove in California.

Satanic child abuse is widespread and often the police are involved in the cover-up.

1. Australia: In the late 1980s, a number of children at a daycare centre in the Mornington Peninsula, Victoria, began disclosing experiences of organised and ritualistic sexual abuse to their parents and the police.[3]

Their disclosures included instances in which they were taken in a car from the creche to a nearby house, undressed by adults and sexually assaulted, video-taped and filmed while naked, and urinated and defecated upon by adults.

The children disclosed that some of the abusers wore police uniforms....

[4] List of satanic ritual abuse allegations

In 2002, Chief Commissioner Christine Nixon refers complaints about the mishandling of the case by police to the Victorian Ombudsman.

An officer from the Ethical Standards Department was stood down a year later from the Ombudsman's investigation for "incompetence" after failing to pass on information from two key witnesses, and claiming that he never spoke to them when phone records proved that he had.

One of the witnesses referred to a tape of child pornography showing men in police uniforms sexually assaulting children from the daycare centre, however, this lead was never followed up by the police.

Another witness identified the house in which the children had been assaulted as being owned by a police officer.[7]

The principal of a private college on the Mornington Peninsula repeatedly told the Department of Human Services that a 12-year-old boy disclosed ongoing sexual abuse by an organised group of men wearing police uniforms.

According to the principal, all records of the child's complaint vanished.

A Victoria Police spokesman said he was not aware that files had disappeared.

The police declined to press charges, saying the boy had been "too well groomed" by the pedophiles and probably would not testify in court.[8]

THE CIA RUNS THE PEDOPHILE RINGS.

2. In the early 1990s, Superior Universal Alignment, an Argentinian-based international cult, was implicated in the ritualistic murders of several children.

One of the leaders of the group, Osvaldo Marcineiro, confessed to murdering a number of young children in Satanic rituals, in which the children were tortured, murdered and their body parts cannibalised.

A number of prominent citizens were arrested in relation to the murders.

People sentenced in relation to the murders included a former police officer.

The charges related to the murders of three young children and the attempted murder of another, however, victim's families say that there were at least nineteen other murdered children.

The cult is based in Argentina and has branches in Holland.

[21]. List of satanic ritual abuse allegations

3. In 2006, a jury at Dublin County Coroner's court unanimously ruled that the infant found stabbed to death over three decades ago belonged to Cynthia Owen.

During the trial, Owen detailed her childhood history of satanic ritual abuse orchestrated by her parents involving at least nine other men.[22]

Following the findings of the Coroner's Court, Owen raised questions regarding the failure of the police to investigate the murder. [23]List of satanic ritual abuse allegations

4. In 2003 allegations by three children in Lewis, Scotland resulted in the arrest of eight people for sexual abuse occurring between 1990 and 2000.

A 2005 investigation by the Social Work Inspection Agency found extensive evidence of sexual, physical and emotional abuse and neglect.[41]

Police investigation resulted in allegations of an island-wide "Satanic paedophile ring",[41][42] though charges were dropped nine months later following an inconclusive investigation.[42][41]

#### List of satanic ritual abuse allegations

5. Lt Col Michael Aquino, of the US military, has been accused of being involved in child abuse in the USA: "One child positively identified Aquino and his wife, Lilith (known to the kids as 'Mikey' and 'Shamby'), and was also able to identify the Aquinos' private home and to describe with considerable accuracy the distinctively satanic interior décor of the house.

"The young witness claimed to have been photographed at the Aquinos' home. On August 14, 1987, a search warrant was served on the house. Confiscated in the raid were numerous videotapes, photographs, photo albums, photographic negatives, cassette tapes, and name and address books.

"Also observed was what appeared to be a soundproof room.

"Neither of the Aquinos was charged with any crimes...

"The U.S. Attorney in San Francisco handling the case was Joseph Russoniello. Russoniello would later be identified by reporter Gary Webb (of the San Jose Mercury News) as a player in the Contra cocaine smuggling operation led by Lt. Col. Oliver North and company, just as witnesses would later identify Lt. Col. Michael Aquino as an operative in the very same sordid affair."

Fort Bragg: "Aquino was also identified by children in Santa Rosa and Fort Bragg, California. In the Fort Bragg case, 'allegations of ritual abuse erupted...

"Cases erupted at some of the country's most esteemed military bases, including Fort Dix, Fort Leavenworth, Fort Jackson, and West Point. Many of those making the accusations were career military officers who had devoted their lives to unquestioned allegiance to the U.S. armed forces. Many would resign their posts in outraged protest...

"The Times Herald Record reported in June 1991, the 'incidents [at the West Point Child Development Center] unfolded against a backdrop of satanic acts...

West Point: "The Mercury News reported, 'by the end of the year, 50 children had been interviewed by investigators.

"Children at West Point told stories that would become horrifyingly familiar. They said they had been ritually abused. They said they had had excrement smeared on their bodies and been forced to eat feces and drink urine. They said they were taken away from the day care center and photographed.'

"Despite abundant medical and psychological evidence and literally dozens of child witnesses, and despite '950 interviews by 60 FBI agents assigned to the investigation,' the investigation, 'led by former U.S. Attorney [and future mayor] Rudolph Giuliani' produced 'no federal grand jury indictments,' according to the Herald Record..."

6. Marc Dutroux was part of a mafia-style operation which kidnapped and killed children and which organised orgies for top people including politicians and police.

In 1989, Dutroux was sentenced to 13 years in jail for kidnapping and raping young girls. He was out within 3 years.

Dutroux claimed that two police officers had helped Lelievre and himself to kidnap Marchal, and Lambreks who were later raped and murdered.

The common knowledge that police officers and high ranking officials also attended Nihouls orgies at the chateau must give further fuel to the fire that the accused was not acting alone. -aangirfan: Marc Dutroux

## The Hampstead Satanic Sex Cult of Lies

March 26th, 2015 | by AnonWatcher

Copied in full from this link: <http://anonhq.com/hampstead-satanic-sex-cult-lies>

It's pure evil at work. That's how the residents in a quiet North London suburb, Hampstead have described the recent events created and conjured by Ella Draper. The High Court has also ruled that her actions have created a town where people are 'living in fear' because of her.

Ella Draper, a stunning mid-forties blonde, seemed to have it all. A single mother of two, she was known and respected by those in her town; a yoga instructor, a successful, doting mother of her two young children... She drove a Porsche, paid for private violin lessons for her children – the beautiful Ella Draper was the epitome of success through hard work...

Today her children are now cared for by social services, and her location is unknown. She is suspected to have fled abroad to her native country, Russia. The High Court ruled in her absence regarding a disturbing story that defies belief, that had everybody entangled in her alleged web of lies. It ruled the victims of her accusations innocent of wrongdoing.

Behind the court case is a story of malicious and unfounded allegations against the residents of Hampstead, spread online by Ella Draper and her boyfriend of 3 years, Abraham Christie. They named names, informing the community of a sex cult among them, listing vile crimes against everyone from the headmistress (who allegedly ran a child pornography and snuff ring) to advertising executives, business owners, the local priest and dozens of others, up to 50 in total.

One of the accused, associated with the advertising industry, spoke out against Draper. 'Since all this started, I have been receiving unbelievably hateful emails every week, saying things such as "Your days are numbered" and calling me "paedophile scum". To say it has been distressing to be publicly associated with child abuse and, crucially, to have your child's name published online, too, is an understatement.' [1]

The claims were supported by videos posted to websites and viewed by millions online. But it's the disturbing nature of the content posted that has irrevocably damaged those directly involved. Draper's two small children, aged 8 and 9, appeared to have been the true victims of the concocted Hampstead cult.

Forced to admit to humiliating abuse and rituals, the young brother and sister sat in front of the camera documenting in detail the satanic sex cult's crimes against them. Claims included drinking victims' blood and drugging babies.[2] They even accused their own father, divorced former husband of Ella, of being the ruthless leader. But it goes deeper still; tests on the children revealed marijuana in their system. The brother and sister described to police how a soup blended with marijuana was made in their home. It's has also been revealed in court proceedings how the children had suffered psychological torment as well as regular beatings to coerce them into participating in this gruesome plot.

Below is one of the videos she had used to make her allegations:

no they are not 100% sure... the recantation was shaky at best! if they cant be believed after being pressured into confessing? then why shud they be believed when they were pressured into recanting???? the truth is, the ONLY way they can be 100% sure is to have the 10 or so people whose genitals were described in minute detail, examined on the record! its no worse than they do to someone they suspect of holding a joint, or wat someone goes through at a smear test!... and with the magnitude of the case, and the amount thats at stake, if that was me they accused, id have been down the police stn the next morning demanding to be examined on the record as it would INSTANTLY exonerate me beyond all doubt!

Child pornography is said to be a \$20 billion industry.

Here are the allegations concerning an international 'the snuff movie gang' that allegedly operates in Hampstead, a very wealthy part of London:

The allegations by the family and friends of Alisa and Gabriel come from: Details on the Satanic Death cult (this webpage has been taken down)

1. The child abuse videos are made in several Hampstead schools and at various other locations in North London, including a Hampstead church.
2. Members of the gang film, edit, translate and sell the movies around Europe, Russia, Ukraine and the USA.
3. The scores of adults involved include certain school staff, certain parents, a priest and others.
4. Babies are sexually abused, tortured and murdered.

Satanic ceremonies are carried out.

5. The Hampstead gang gets babies from such countries as the USA, South Africa, Portugal, Spain, South America, China and India.

6. Locations where the gang meet include an upstairs room in an American fast-food restaurant.

The boss of the restaurant allows child sacrifice in a secret room.

Babies are prepared and cooked at the restaurant.

1983 - In Jordan, Minnesota, several children made allegations of satanic ritual abuse against their parents and an unrelated man. The man confessed and then identified a number of the children's parents as perpetrators. Twenty-four adults were charged with child abuse though only three went to trial with two acquittals and one conviction.[53] Despite strong medical findings of sexual assault, all other charges were dropped. The children made allegations concerning child pornography, child murder, and ritual sacrifice.

7. The Hampstead gang includes the father of Alisa and Gabriel.

The gang includes a headmistress, a school nurse, a school receptionist, the owners (from Belgium) of a shoe repair shop, certain Germans, certain East Europeans, certain Indians...

The headmistress has a huge pink birth mark around her shaved front private. The headmistress is involved in the business of child prostitution, child porn and snuff movies.

One member of the gang regularly travels to Thailand and runs a lucrative child pornography and snuff movies business.

Oude Pekela. 1989 - a group of parents published allegations in a conservative magazine that their children had witnessed Satanic Ritual Abuse and had been ritually abused from May, 1987 until October 1988 in Oude Pekela, in the Netherlands. During the initial investigation, only the non-ritual aspects were reported in the press and investigated by the authorities. In 1989 the Christian news program Tijden reported allegations that included satanic ritual abuse, to which there was no official response. Oude Pekela doctors Fred Jonker and Ietje Jonker-Bakker alleged that several children had been abused by unknown men in the context of satanic rituals.

8. The Hampstead gang includes:

A man who runs a building company and who constructs secret rooms and escape routes.

An Indian who is involved in procuring babies and selling videos.

A Chinese woman who brings babies from China and sells videos.

A woman in the property business who provides babies from the Ukraine and Russia, provides empty properties for ritual abuse, and sells videos in Ukraine and Russia.

9. The children are frequently injected with drugs to stop them screaming.

According to the mother of Alisa and Gabriel (above):

Details on the Satanic Death cult (This webpage has been taken down)

The mother of Alisa and Gabriel is separated from her former partner Mr D.

Mr D had secretly been abusing Alisa and Gabriel from an early age.

Eventually the children told their mother that Mr D had sodomised them and forced them to do oral sex.

When Alisa and Gabriel were around 3 - 4 years old Mr D had introduced them to his child abuse gang, which involved a number of adults and young children.

The gang was violent to the children and forced them to take part in sexual activity.

The children were filmed.

The children were repeatedly told that they would be killed if they spoke out.

Paul Bonacci in front of the ranch where, reportedly, Johnny Gosch, and other boys were held captive. Paul Bonacci has stated that, as a youth, he was forced to participate in satanic snuff films. He identified Bohemian Grove as the location of a satanic murder. Paul A. Bonacci said that, as a child, he was kidnapped by the US military, tortured and subjected to sex abuse and mind control. In 1999, in a court in Omaha, he won \$1,000,000 in damages.

During this time Alisa and Gabriel were displaying very aggressive and disturbing behaviour inside and outside their home.

In March 2009 the mother started legal proceedings, applying for a non-molestation order.

The court ordered that Mr D must have unsupervised contacts with the children every Saturday from 10am to 6pm.

The children were sent for counselling sessions at the Tavistock.

(The Tavistock clinic allegedly organises the mind control and sexual abuse of children - MIND CONTROL, SATANISM, 7/7, TAVISTOCK ...)

Alisa and Gabriel. "Members of the cult film, edit, translate and sell the movies around Europe, Russia, Ukraine, America."

In 2010 Alisa started to attend Christchurch school in Hampstead; Gabriel joined a year later.

The children claim that, at the school, they, and other children, were regularly sexually abused by their father Mr D, and by certain teachers who were friends of Mr D.

The children were all threatened with death if they spoke out.

It was only in August 2014, while on holiday, that Alisa and Gabriel told their mother about what was going on at the school.

On one occasion, Alisa's friend Millie came to play at the home of Alisa and Gabriel.

Millie asked the mother if she was going to have sex with the children.

When Alisa answered 'no', Millie said 'why don't they tell about what was going on in school'.

Alisa then reminded Millie about the threat of being killed.

The children say that there were plenty of visitors coming to the school on Wednesdays.

Some of the visitors were putting broom's sticks up the children's bottoms, causing bleeding, and kicking the children's privates.

The children like Gabriel who could not tolerate the pain and screamed too much were given injections by a nurse.

The children's behaviour started to worsen with the beginning of school in September 2013.

Sometimes a kind of glaze would come over Gabriel's eyes, as if he was switching off from the reality.

The children were observed to be indulging in unusual sexual behaviour at home.

The mother's partner is a Mr Christie.

Mr Christie grew suspicious about the children being abused.

On one occasion Mr Christie tapped both Alisa and Gabriel on the head with a teaspoon following their extremely rude and disrespectful behaviour.

On 11 September 2014, there was a police interview of the children.

The children were taken into the custody.

The children retracted their allegations against the abusers.

The mother writes:

"I believe that most of the information my children have revealed is true.

"There is no way a child could create a story like that, with so many intricate details...

"It is out of the question that Mr Christie or me would coach the children to say things like that.

"Neither of us would ever put the children through this for whatever reason, and create such unbelievable situation for ourselves.

"Even supposedly we coached them to say this, the children of that age could not possibly repeat the same story all over again to the different adults in different circumstances without hesitation or changing the details.

"Although we know that they have retracted their statements, the children still, even now keep coming back to the same story and the details, while in the foster care to the degree that it became unbearable for their caretaker Carol to look after them. She no longer wants to do this."

Details of the mass child sex abuse, satanic ritual child sex abuse and sacrifice cult, serial murdering and blood drinking.

Main action is happening in C..... primary school in Hampstead, London, together with at least another 7 schools: H school, H school, F primary, Perrochio school, N, N, D; possibly more schools involved.

The school staff and parents, priest, others involved are doing sex to boys' and girls' bottoms with the large plastic willies.

Adults force the children to do oral sex.

Babies are supplied regularly for the rituals: abused, tortured with the rat traps, dropped on the floor (often bleed), then killed. They put them to sleep by injecting, slit baby's throat, drain blood, drink the blood and then cook the body by either roasting or frying. The meat is eaten by the leader Mr D., teachers, 20 special children and their parents.

The baby sexual abuse and sacrifices are going on Tuesday, Wednesday (big sex day), Thursday. On Wednesdays, my children, Alisa and Gabriel have been abused by at least 60-70 people including 20 special children (the children are taught to abuse each other).

I was wondering why my children were often pretending sick and refused to go to school on Wednesdays.

There are 4 secret rooms in the church where the cult members perform the rituals. The ritual involves wearing special costumes: children wear 10-13 babies skulls (sometimes with blood and hair still on the skull), adults - 20, - on their bodies, leader - 30 skulls.

Everybody has skulls worn around the neck (4), on breast, front private, belly, knees, arms.

Two young children in Hampstead in London have reported Satanic child abuse by large group of people, which allegedly included their father.

Aangirfan has no way of knowing whether or not the reports by the children are accurate or are inventions.

Everyone named must be assumed to be innocent until proven otherwise.

It is possible that the children have been coached.

When you have read the entire blog post you can make up your own mind.

Anonymous writes:

"The children's medical reports state that the police had been called out on several occasions because Ricky Dearman, the father, was committing 'domestic violence.'

"The medical reports make horrific reading as the children are examined for anal abuse (it is confirmed - with scarring).

"I hear that the police also took the children to have hair follicle tests to ascertain whether drugging had taken place.

"The mother has not been allowed to see the results...

"The mother is not being allowed to see the children and the father has regular access while they are in 'Care'."

Allegedly, the father "is the leader of a Satanic child abuse cult in Hampstead in North London."

The father is British and the mother is Russian.

That is what the 9 year old girl told her Russian mother about her allegedly 'child abusing' British father.

The children were reportedly threatened with death if they talked.

The mother reported 'the crime', and Barnet Police (Hampstead area) ordered medical examinations.

Reportedly, these confirmed sexual abuse and violence.

6 days later the children retracted their allegations.

They were then held 'in care' by the Local Borough of Camden and since then Barnet.

A Dundee charity revealed the terrible toll of ritual sexual abuse ...

<http://www.thecourier.co.uk/news/local/dundee/dundee-charity-reveals-ter...>

"Children as young as five are being forced to take part in torture and violent sex acts as part of a brutal underworld of ritual abuse in East Scotland."

"A leading charity has received as many as five calls a day from survivors of gruesome ceremonies that have included the stealing of babies and grotesque sexual abuse.

The charity's project coordinator, Joseph Lumbasi says "You hear about people who were made to do torture at as young as five and even kill people.

"We get a lot of people describing satanic ceremonies and set-ups of a religious element that accompany the abuse."

A police spokeswoman said: "We are not aware of any issues of that nature in Tayside Division."

Unfortunately, the police are often involved in the abuse.

## PLACES

*The following places have been mentioned either by HG or PALS, several by both. Some are places they were taken to for punishment or abuse. Others used for ceremonies, policy meetings, or housing prisoners and/or records.*

**Penerley Lodge**, New Forest. On R. side of B3056, heading SWwards. Large squarish, grey stone building, used mainly for meetings. Used for meetings of Cult members, not Ceremonies

**Culverley Old Farm**, New Forest. Off L. side of B3056 heading SW. Gate with cattle grid, along straight drive, the sharp L. turn over several more cattle grids to security gates. Can see rambling red brick house and small hexagonal building like a summer-house. HG said equipment for ceremonies stored in this. At the turn of the drive, HG has previously seen doll-like objects hanging in trees, at times of ceremonies, which take place there. (Told it is owned by Vivien Heathcote Hacker).

**Greystones**, Crawley, Hants. Dilapidated looking house up a short drive where those attending meetings can change form of transport and occupy fewer vehicles. Also used for Cult meetings.

**Biddestone House**, between Appleshaw and Chute, NW of Andover. Beautiful Georgian house with a semicircular drive and 2 gates. There is a low statue below drive as it circles in front of house. Belongs to Lord Moyne, connected with the Guinness family. Ceremonies held there.

**Beaulieu Palace, ruined Abbey & Church**. Lord Montagu's place. Many ceremonies held here or in grounds. Many human sacrifices, often following torture or other punishment. Bodies either buried in New Forest or cut up and dropped in sea, weighted.

**Christchurch, Dorset**. Ruined Church by river. Used for gatherings more than ceremonies.

**Old Sarum Castle, Salisbury**. HG underwent very severe trauma in these ruined castle grounds. We went there about 8 years ago. Many memories returned. Both torture and ceremonies took place there.

**Wetherspoons pub, Salisbury**. Formerly, was called The Town House. Situated next to the river. Used mainly as a meeting place.

**Ludgershall Castle**, small ruined castle on edge of Ludgershall; village in Hants, NW of Andover. HG taken there for abuse and punishment mainly, but has attended ceremonies there.

**Hurst Castle**, Nr Keyhaven Hants. This is built on a peninsular; a long walk along a sandy strip, but more readily approached by ferry from Keyhaven. This is what Tony, H & I did in summer 2003. In some parts there are hooks and rings attached to the ceiling. HG said she was sometimes hung from these by her feet, naked and then beaten and cut. Ceremonies are also held there.

**Coppins, Ivor**. **Belongs to the Duke of Kent**. Not sure if used for Ceremonies, or just for meetings of Cult Members, including Policy Meetings. Possibly for meetings of Commanders, in which case, no robes would be worn and it would appear more like a Seminar or Conference.

**West Wycombe, Church with the Golden Ball** and surrounding buildings, some of which ruined. This place has been mentioned also by a number of survivors and therapists, including Pamela Klein, a US psychotherapist. I have been there. It is situated high on the hill above 'The Hell Fire Caves' where the so called 'Hell Fire Club' held meetings. The church has alternating black and white tiles on the floor and it looks more like a Masonic Temple than a church. I am told that ceremonies are still held in the church and nearby ruins, possibly also in the caves.

**Osterley Park, West London.** HG said she was taken there many times for Ceremonies.

**Black Park, West of London, Uxbridge.** West of M25. Ceremonies held there. Has large lake. Pinewood Studios at NE end. HG taken there many times when living in Hillingdon. Not only for Ceremonies; also abuse, 'drowning' torture and other forms of punishment.

**Pinewood Studios. West London** (See Black Park). Ceremonies held there.

**Savernake Forest.** SE of Marlborough. There is an old red brick house with tall chimneys, within the Forest. Ceremonies take place in house and forest.

**Harewood Forest.** East of Andover. A303 runs through middle of it. Ceremonies take place there. Also punishment. HG taken there many times. Police have found things hanging in the trees.

**Bournemouth. Public loos in Public Gardens.** (I believe they have been demolished since I went there in 2003. They were boarded up then). HG taken there. Meeting place.

**Bournemouth.** Second shelter to R. of pier, facing seawards. Meeting place.

**Max Bygraves' house on Bournemouth cliff top.** Meetings.

**Highclere Castle, nr Newbury, Berks.** Owned by George Herbert, Earl of Caernarvon. Lives mainly in US. Have heard nothing sinister about him but possibly ceremonies held in the castle, when he is abroad.

**Breamore House, Nr Salisbury & Fordingbridge.** HG has very clear memories of both torture and ceremonies taking place there. She described the house – but didn't know where it was, or the name of it. Later, Pals told us of it. We went there. The hall has black & white alternate tiles, like a Masonic Temple. She had described a room which has a carved mantelpiece and a large table. We entered this room. The carvings were just as described. There were other parts of the house which she had described but these were not open to the public. Owned by Sir Edward Hulse, but no information known about him.

**Highgate Cemetery, NW London.** Mentioned by others including HG. M taken there in 2004. Used for ceremonies, burials and desecration of graves.

**Arundel Castle, Sussex.** Owned by the Duke of Norfolk. Mentioned previously by BS, VH and others. Ceremonies take place there. Daughter of Duke, Karina (see People) married to David Frost.

**Leigh Park, Havant, Hants.** House (2 stories – near a PO and some shops) where computers kept and Pals are or were incarcerated upstairs.

**39 Dunbar Street, W. Norwood, SE27.** House v. near railway and **Church** where, early on the day of the funeral of Pope John Paul 2<sup>nd</sup>, the cult held a mock funeral in which a young man was drugged then killed. He was dressed up like the Pope. The house in Dunbar Street is 2 storied; built of London brick.

**Branksea Castle.** On Brownsea Island, near Poole, Dorset. Used for meetings and ceremonies.

**Epping Forest, Nr Waltham Cross, Essex.** Used for Ceremonies; also for punishment.

**House on Broadlands Estate, nr. Romsey.**

**Nether Lypiatt, nr Stroud, Glos.** Formerly owned by Prince Michael of Kent. In 2006 was sold to Lord Drayson. (See PEOPLE). Was used for ceremonies.

**Caravan in Rockley Caravan Park, Napier Road, Hamworthy, Nr Poole. Dorset.** Used for punishment.

**Charleville Forest Castle.** Tullamore, Co. Offaly, Ireland. Steve was taken there for ceremony early in 2007.

**Castle/House nr. Hawkhurst.** Kent/Sussex border. Belongs to Russian Embassy. Described also by NJ in 1989. Children were kept in cages. Ceremonies took place there regularly.

**Marchwood Hants, Church of St John the Apostle.** Both HG and Pals have spoken of this. Things went on in the vault, the gallery and the side chapel. In the front pews next to the main aisle there are carved goats heads at either end. I have photographs of these. HG was punished there many times.

*The following two places were mentioned to me by Pals or HG, between June 2008 and February 2010. Other places have been mentioned by various other survivors, and will be listed separately.*

**Amport House, near Ludgershall.** Belonged to RAF. Was Chaplain's School for Armed Forces. Has secret passages & underground rooms. HG offered job there but declined.

**Clifton Hall, near Nottingham.** Belonged to Clifton family – then a Girls School – Polytechnic & part of Trent University. Anwas Rashid lived there. Now empty. Said to be haunted. Mentioned also by VH in early 1990s.

*Nothing more heard from Pals since Feb. 2010. Information from others will be listed elsewhere.*

'Satanists' at Bohemian Grove in California.

Satanic child abuse is widespread and often the police are involved in the cover-up.

1. Australia: In the late 1980s, a number of children at a daycare centre in the Mornington Peninsula, Victoria, began disclosing experiences of organised and ritualistic sexual abuse to their parents and the police.[3]

Their disclosures included instances in which they were taken in a car from the creche to a nearby house, undressed by adults and sexually assaulted, video-taped and filmed while naked, and urinated and defecated upon by adults.

The children disclosed that some of the abusers wore police uniforms....

[4] List of satanic ritual abuse allegations  
[http://en.wikipedia.org/wiki/List\\_of\\_satanic\\_ritual\\_abuse\\_allegations](http://en.wikipedia.org/wiki/List_of_satanic_ritual_abuse_allegations)

In 2002, Chief Commissioner Christine Nixon refers complaints about the mishandling of the case by police to the Victorian Ombudsman.

An officer from the Ethical Standards Department was stood down a year later from the Ombudsman's investigation for "incompetence" after failing to pass on information from two key witnesses, and claiming that he never spoke to them when phone records proved that he had.

One of the witnesses referred to a tape of child pornography showing men in police uniforms sexually assaulting children from the daycare centre, however, this lead was never followed up by the police.

Another witness identified the house in which the children had been assaulted as being owned by a police officer.[7]

The principal of a private college on the Mornington Peninsula repeatedly told the Department of Human Services that a 12-year-old boy disclosed ongoing sexual abuse by an organised group of men wearing police uniforms.

According to the principal, all records of the child's complaint vanished.

A Victoria Police spokesman said he was not aware that files had disappeared.

The police declined to press charges, saying the boy had been "too well groomed" by the pedophiles and probably would not testify in court.[8]

2. In the early 1990s, Superior Universal Alignment, an Argentinian-based international cult, was implicated in the ritualistic murders of several children.

One of the leaders of the group, Osvaldo Marcineiro, confessed to murdering a number of young children in Satanic rituals, in which the children were tortured, murdered and their body parts cannibalised.

A number of prominent citizens were arrested in relation to the murders.

People sentenced in relation to the murders included a former police officer.

The charges related to the murders of three young children and the attempted murder of another, however, victim's families say that there were at least nineteen other murdered children.

The cult is based in Argentina and has branches in Holland.

3. In 2006, a jury at Dublin Country Coroner's court unanimously ruled that the infant found stabbed to death over three decades ago belonged to Cynthia Owen.

During the trial, Owen detailed her childhood history of satanic ritual abuse orchestrated by her parents involving at least nine other men.[22]

Following the findings of the Coroner's Court, Owen raised questions regarding the failure of the police to investigate the murder. [23]List of satanic ritual abuse allegations

4. In 2003 allegations by three children in Lewis, Scotland resulted in the arrest of eight people for sexual abuse occurring between 1990 and 2000.

A 2005 investigation by the Social Work Inspection Agency found extensive evidence of sexual, physical and emotional abuse and neglect.[41]

Police investigation resulted in allegations of an island-wide "Satanic paedophile ring",[41][42] though charges were dropped nine months later following an inconclusive investigation.[42][41]

5. Lt Col Michael Aquino, of the US military, has been accused of being involved in child abuse in the USA: "One child positively identified Aquino and his wife, Lilith (known to the kids as 'Mikey' and 'Shamby'), and was also able to identify the Aquinos' private home and to describe with considerable accuracy the distinctively satanic interior décor of the house.

"The young witness claimed to have been photographed at the Aquinos' home. On August 14, 1987, a search warrant was served on the house. Confiscated in the raid were numerous videotapes, photographs, photo albums, photographic negatives, cassette tapes, and name and address books.

"Also observed was what appeared to be a soundproof room.

"Neither of the Aquinos was charged with any crimes...

"The U.S. Attorney in San Francisco handling the case was Joseph Russoniello. Russoniello would later be identified by reporter Gary Webb (of the San Jose Mercury News) as a player in the Contra cocaine smuggling operation led by Lt. Col. Oliver North and company, just as witnesses would later identify Lt. Col. Michael Aquino as an operative in the very same sordid affair."

Fort Bragg: "Aquino was also identified by children in Santa Rosa and Fort Bragg, California. In the Fort Bragg case, 'allegations of ritual abuse erupted...

"Cases erupted at some of the country's most esteemed military bases, including Fort Dix, Fort Leavenworth, Fort Jackson, and West Point. Many of those making the accusations were career military officers who had devoted their lives to unquestioned allegiance to the U.S. armed forces. Many would resign their posts in outraged protest...

"The Times Herald Record reported in June 1991, the 'incidents [at the West Point Child Development Center] unfolded against a backdrop of satanic acts...

West Point: "The Mercury News reported, 'by the end of the year, 50 children had been interviewed by investigators.

"Children at West Point told stories that would become horrifyingly familiar. They said they had been ritually abused. They said they had had excrement smeared on their bodies and been forced to eat feces and drink urine. They said they were taken away from the day care center and photographed.'

"Despite abundant medical and psychological evidence and literally dozens of child witnesses, and despite '950 interviews by 60 FBI agents assigned to the investigation,' the investigation, 'led by former U.S. Attorney [and future mayor] Rudolph Giuliani' produced 'no federal grand jury indictments,' according to the Herald Record..."

6. Marc Dutroux was part of a mafia-style operation which kidnapped and killed children and which organised orgies for top people including politicians and police.

In 1989, Dutroux was sentenced to 13 years in jail for kidnapping and raping young girls. He was out within 3 years.

Dutroux claimed that two police officers had helped Lelievre and himself to kidnap Marchal, and Lambreks who were later raped and murdered.

The common knowledge that police officers and high ranking officials also attended Nihouls orgies at the chateau must give further fuel to the fire that the accused was not acting alone. -aangirfan: Marc Dutroux

### **Sequential Order**

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Name", Contract To "Name", "The System" Of "Names", "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, 1st Party vs 3rd Party, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and

women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

## We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, being fed many many lies and being traumatised. The issue is not overpopulation - there is more than enough land available for every family to have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

## NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

## **A Collection Of Various Love For Life Posts Providing The Big Picture We See Sequential Order**

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

## Peaceful Transition Through Sacrifice And Service

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

Once we fix these issues, we or our children or our descendants to come, can start focusing on the even bigger picture of getting back to where our ancestors were, as breatharyan's, before they fell into non-sense images to be enslaved by them.

## The Cristian Family Declaration

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

## THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.
- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.

- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

## Update Regarding The Love For Life Home Page And Quick User Guide

We are turning the Love for Life Quick User Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

### Love For Life Videos

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

### Love For Life Music

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

### About Us - Love For Life & The Cristian Family

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is

in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

## **ADDITIONAL DISCLAIMER**

### **THE CRISTIAN FAMILY SUPPORTS FREEDOM OF SPEECH - FREEDOM OF THOUGHT**

**Posted Wednesday 17th June 2009**

**Updated September 2011**

**NSW Jewish Board Of Deputies  
Has Threatened To Shut Down  
The Love For Life Website**

**No Freedom Of Speech - No Freedom Of  
Thought**

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the

above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: "**NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of Bank Fraud Condoned By Judges**" <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles**: <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see here: <http://loveforlife.com.au/node/6511> and here: <http://loveforlife.com.au/node/3385> - We also highly recommend that everyone read the brilliant Russian books called **The Ringing Cedars**: <http://loveforlife.com.au/node/1125> - The **Love For Life Website Homepage** also provides lots of inspiring remedy based information: <http://loveforlife.com.au> - If you want to be kept up to date with our work please register to the **Love For Life Mailing List** here: <http://loveforlife.com.au/content/09/05/14/mailling-list>. We usually send two postings per month. Presently (September 2011) there are over 7000 registrations reaching over 500,000 readers across Earth. The website now (September 2011) receives up to 12 million hits per month. Since December 2006, over 100 million people have visited the Love For Life website.

## Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
