MARKETPLACE MINISTRY

Each of us have been called to Marketplace ministry.

Marketplace ministry looks like a manifestation of the great commission.

Listen to these words from the book of Mark chapter sixteen.

Mark 16:15 - And he said unto them, **Go ye** into **all the world**, and **preach** the gospel to every creature.

The **world** is outside the four walls of a church facility. The world can be seen in various sectors of the earth.

In fact, the world can be seen as realms. For example: The marketplace includes the educational world or realm, the entertainment world or realm, the judicial world or realm, the legal world or realm, the economic world or realm.

The marketplace includes but is not limited to your place of employment; it also includes your cleaners, your shoe repair, your supermarket, the department store, the auto technician, the law firm, the accountants office, and your social sites online can be considered the marketplace.

Ministry within the marketplace enables us to fulfill God's mandate to publish the gospel throughout the world.

For most Christians, the marketplace is where we are daily and is where ... most of our interaction takes place with the world around us. The Marketplace represents a place where people interact, transact, and engage w/ others outside of a religious atmosphere.

Jesus chose his disciples from the marketplace! He did most of His miracles in the marketplace! Most of Jesus' followers remained in full-time business while simultaneously conducting ministry.

This was possible because they saw the marketplace as their congregation and their businesses as a pulpit. To them witnessing was not an occasional activity but a lifestyle.

Our place of employment can become a platform for ministry, because it takes you to places where your Pastor cannot go and connects you with people that your Pastor cannot connect with.

Your work should not be divorced from your witness. In fact the Hebrew word for "work" also means "worship".

We ought to worship the Lord in our attitude about the "work" He's called us to do. Treat your place of employment, where you "WORK" as a divine assignment from God and then give God your best.

Wherever we are, we are to "BE" the church; even at our place of employment.

Many Christians have thought that ... if they weren't involved in pulpit ministry or functioning as a Ministry Gift, that their calling was insignificant.

But that's not true!

All of us have been called into ministry.

All of us have been given a ministry of reconciliation.

In a sense, we've all been called to marketplace ministry, even us as Ministry Gifts.

"Our Christian presence in the world is indispensable to evangelism..."

A few important truths about Marketplace Ministry

- Non-Christians are in the marketplace.
- Almost all Christians are in the marketplace.
- The marketplace is a more authentic showroom for Christianity.
- The marketplace enables the church to use its abilities.
- Everything gets funded from the marketplace.

We must bridge the gap between the Church and the marketplace.

The next great move of God is going to be through the believers in the marketplace, which I believe also include the World Wide Web.

Let's Get to it!

I WANT MY RHEMA # 4487

There are ... two Greekroot words that I'd like to introduce to you ... both of which represent the word ... for "word".

(One) of which is "LOGOS" which represent the **written** Word **of** God. The bible as you see it before you ... is known as the Logos or written word of God.

The written Word should have great value to us, ... as it is the foundation ... for the Rhema Word ... from God.

The second word we're introducing is "RHEMA" which represent the Word **spoken from** God ... to you personally, ... whether it be ... from within your own heart ... by the Spirit of God or through a Man of God as He is ministering to you under the anointing of God.

Both words are important, yet the Lord would have usto understand and appreciate the value of a Rhema Word ... from Him.

So then, what is a Rhema Word? A Rhema Word ... is a prophetically inspired Word ... spoken ... from God ... to you ... personally.

The **Rhema Word of God** has ... been defined by some ... as the spoken Word. However, ... that's ... an incomplete definition. What makes it incomplete is leaving off ... the fact that ... it's the **Word spoken ... from God**.

It's the ... **from God** ... part ... that makes it ... a Rhema.

Again, the Rhema Word is a prophetically inspired Word ... spoken ... from God ... to you personally.

Whereas the "Logos" Word is the prophetically inspired written Word of God.

The Rhema is the part of the written Word ... that God causes to come alive to us.

In order to position ourselves ... to see some things that ... will be said as we move forward, ... I believe it'll be good ... for us to look at a few references where the Word ... Rhema is represented.

These references will become extremely important in understanding the value of a Rhema Word.

First, ... listen to this scripture ... from the book of John chapter fourteen and verse ten.

John 14:10 - Believest thou not that I am in the Father, and the Father in me? the words (RHEMA) that I speak unto you I speak not of myself: but the Father that dwelleth in me, he doeth the works.

In this verse, ... Jesus ... is ... saying ... that the RHEMA Word ... that He receives from the father ... is what does the Work ... in His ministry.

Jesus is referring to a specific tailored made word from the father.

Listen to this reference from the book of Ephesians chapter six and verse seventeen.

Ephesians 6:17 - And take the helmet of salvation, and the sword of the Spirit, which is the word (RHEMA) of God:

In this reference ... the Apostle Paul is calling ... the Sword of the Spirit ... "a Rhema Word".

He's not referring to the written word in this verse; he's specifically referring to ... the Rhema Word.

A Rhema Word ... has the power ... to cut through situations and circumstances that oppose God's will for your life.

We must understand something!

We must understand that the written word or Logos of God ... is "**ALIVE**", but it might not be "ALIVE" to us personally. And this is the threshold to be crossed.

We must move the word from the place of being LOGOS to RHEMA.

The Logos can be considered a generalized word to all ... whereas the Rhema is a specific tailored made word for your personal-present situation.

It's not just echoing the words from the bible or parakeet-ing the words of a man. The sword of the Spirit is a Rhema word that's alive ... to you personally.

Let's look at some additional ... references for Rhema.

Look with me at the book of John chapter six and verse sixty-three.

John 6:63 – It is the spirit that quickeneth; the flesh profiteth nothing: the words (RHEMA) that I speak unto you, they are spirit, and they are life.

The Greek root word for "word" in this verse is also RHEMA.

The RHEMA word is a quickened word from God.

The word "quickeneth" means to make alive. The Holy Spirit wants to cause the word (logos) to come alive to you personally.

Rhema doesn't come from the flesh. Ok?

Rhema is of the Holy Spirit!

The words that God speaks to YOU personally are your spiritual lifeline.

Listen to the book of Romans chapter ten and verse seventeen.

Romans 10:17 – So then faith cometh by hearing, and hearing by the word (RHEMA) of God.

Even the capacity to believe ... is influenced by the Rhema Word.

Faith comes when you hear the Rhema Word.

The Rhema is heard by the Spirit of God from within your heart.

Also, listen to this reference found in the book of John chapter three and verse thirty-four.

John 3:34 – For he whom God hath sent speaketh the words (RHEMA) of God: for God giveth not the Spirit by measure unto him.

We of whom ... God has sent ... ought to speaking the Rhema words from God. The Rhema Word should be extremely important to us.

Say this with me! "I Want My Rhema."

Say it again! "I Want My Rhema."

Well we have to go get it!

Well, I should say we are the ones who for the most part initiate the process.

Here's what I mean by that:

Go with me to the book of Proverbs chapter four and verses twenty through twenty-two.

The verse that we're going to read, may seem like it ... doesn't fit, yet there's insight that we can get from it..... if we'll have ears to hear.

Listen these words from Proverbs chapter four and verses twenty through twenty-two.

Verse twenty.

Proverbs 4:20 – My son, attend to my words; incline thine ear unto my sayings.

Notice the word... SAYINGS, ... The word must become a SAYING ... and not just what God has said (past tense), but what He is SAYING, (present tense).

God's Word is to become a saying to you personally. However, for God's word to become a saying to us personally, we must attend.

Attending to the word is what causes the word to become a Saying to us ... personally.

Once ... God's word ... becomes ... a SAYING to us personally ... we can get the LIFE out of it.

Let God's written word become a living word ... to you.

Meditation in the word and fellowship with the father will cause the word to become ... Rhema to you.

Meditation is to think about, ponder, revolve around in the mind and to mutter out loud.

We need to continue to meditate, (ponder, think about, revolve around within the mind, mutter out loud with the mouth ...the scriptures) day and night until they literally leap off of the pages and SAY something back to us.

You meditate the scriptures ... until ... they (the scriptures) ... start to talk back.

When the word you memorize ... becomes a word that you meditate; here's what will happen:

The word you read ... becomes a revealed word. The words that God SAID ... becomes a SAYING to you, personally.

One of the mostimportant benefits to having a Rhema Word is that it contains ... the faith of God.

God uses Rhema ... to impart faith into your heart.

Listen to these words again from the book of Romans chapter ten and verse seventeen:

Romans 10:17 - So then faith cometh by hearing, and hearing by the word (Rhema) of God.

In the Greek, the book of Romans chapter ten and verse seventeen: does NOT ... read ... faith cometh by hearing, and hearing by the **Logos** or the written word of God.

Instead, it reads: Faith cometh by hearing, and hearing by the **Rhema** of God.

It's extremely important to know this:

Some may have thought they were in faith because they had a few scriptures memorized.

Now, the Logos or the written word is important, ... because the Rhema is based on the written word of God.

Here's how the process works:

As we continue to hear the written Word or Logos of God... and ... as we continue to fellowship with the Lord ... concerning the situation for which we desire an answer, ... God will by His Spirit quicken or cause to come alive within us the Rhema Word, ... so that, we can see what He's saying to us personally.

Therefore, to the extent that we receive this Rhema Word ... we'll receive the faith we need ... for the situation at hand.

Why? Because faith comes by hearing rhema.

So then, meditation within the written word of God and fellowship with the father, becomes extremely important ... to hearing God's rhema ... for you ... and the hearing of faith ... when it comes.

The Rhema of God is heard with your spirit while the Logos of God is heard with your physical ears. As we continue to meditate the written Word of God ... the Rhema will be heard from within our hearts.

So then, we could say that..... The Rhema of God is ... the moment to moment ... portion of the Logos Word ... revealing and unveiling truths to us ... that you had not ... previously known ... enabling us to release faith.

A second benefit to having a Rhema Word is that it contains the ability or power of God.

Prior to Jesus' birth ... you'll recall that His mother, "Mary", ... was visited by an Angel, who spoke the following prophetic words to her.

Listen to this reference from the book of Luke chapter one and verse thirty-seven. This is from the classic amplified edition.

Luke 1:37 AMPC - For with God nothing is ever impossible and no word from God shall be without power or impossible of fulfillment.

The Greek root-word "Rhema" from which we get the word for "WORD" also renders the words "Nothing" or "Thing".

So then, the Lord was saying to Mary through His Angelthat no Rhema from Godshall be without power or impossible of fulfillment.

In other words, a Rhema Word is NOT an empty word. A Rhema word is full of power.

Our goal is to get the written word ... convertedinto a Rhema Word ... within our hearts and then allow that Rhema word to come out of our mouths in faith releasing the power of God.

I can hear someone ... asking ... the question:

How will I know when I have a Rhema Word?

Oh Yooooooooou'll know.

This reminds me of a son or daughter asking a parent: How will I know that I've met the right mate? And the Parent would answer Ooooh yooooooooou'll know.

Likewise, you'll know when you have a Rhema, because it will be like fire shut up in your bones.

You'll feel as if you have dynamite in your possession and your faith will be at an all-time high.

Praise God!

That's all for now!

Mark 4:26 – And he said, So is the kingdom of God, as if a man should cast seed into the ground; **Vs 27**– And should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not how.

When speaking of seed where the kingdom of God is concerned; Jesus said that the seed is the Word of God.

Luke 8:11 – Now the parable is this: The seed is the word of God.

When we speak of sowing seed, and when the bible speaks of sowing seed, specifically in the book of Mark chapter four where it deals with the parable of the sower and the soils, Jesus refers to the seed as the Word of God being sown into the hearts of men.

Our money becomes seed **only** when it used to help advance the publishing of the gospel.

Money provides transportation for revelation!

Consider sowing the seed of the Word of God today by giving it transportation through your financial partnership.

God gives seed to the sower! When we purpose to sow in our heart ... finances begin to move in our direction to help us publish the gospel.
