My Theme: All For A Conspiracy?

2) On February 18th, Q posted a link to the latest video by [@AwakeninGreatly](#) titled, "Ask the Q."

3) The video pits of the narrative that Q is a "conspiracy" against the evidence that evil people in positions of power are being brought to justice.

4) The media like to portray Q as a fringe movement with few followers. If they admitted how popular the movement is, more people would want to earn about Q.

The video above has 318,412 views in just 2 days.

5) On August 1, 2018, Q estimated 52-58 million people were "tracking" Q.

300-350 million people were aware worldwide.

Q has not provided an estimate since then.

(I would conservatively estimate that those numbers have at least doubled in the last year and a half.)

7) At the rally in Phoenix last night, POTUS seemed optimistic that corrupt people would be brought to justice.

9) @sapna was Q'd for an article she co-wrote in the New York Times claiming that Victoria's Secret fosters a culture of bullying and misogyny.

'Angels' in Hell: The Culture of Misogyny Inside Victoria's Secret

A Times investigation found widespread bullying and harassment of employees and models. The company expresses "regret."

10) The truth, of course, is much worse.

Victoria's Secret Founder Les Wexner was a close associate of Jeffrey Epstein.

The full depth of their depravity has yet to be revealed.

@sapna

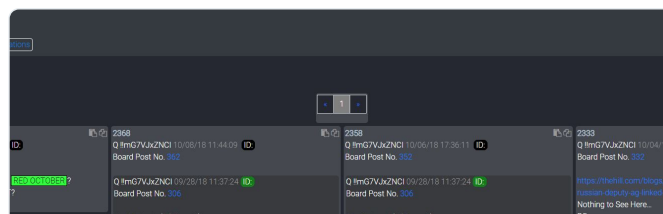

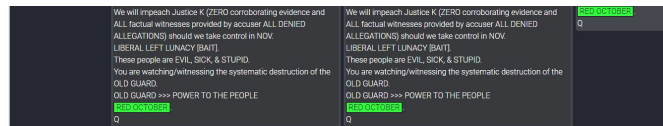

Victoria's Secret has been under a microscope for its outdated marketing & the L Brands CEO's Epstein connections. More than 30 people also described an entrenched culture of misogyny, bullying & harassment: [nytimes.com/2020/02/01/bus...](https://www.nytimes.com/2020/02/01/business/victorias-secret-razek-harassment.html)

13) A baker posted this.

The problem at Victoria's Secret may be a little darker than what was described in the New York Times article.

14) Q replied.

The media create false narratives when the facts aren't on their side.

When the evil at Victoria's Secret (and other organizations) is exposed, the hidden rats will be forced into the light.

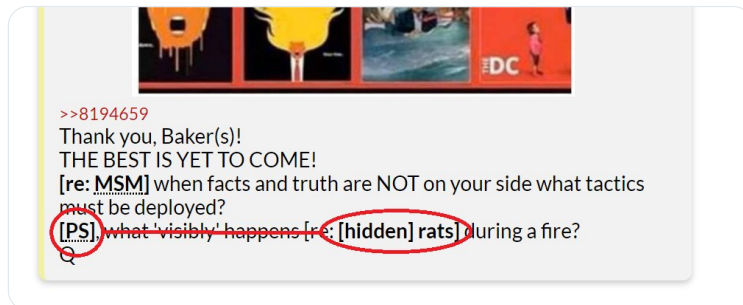

15) In the above post, PS is in brackets.

The context could simply mean "postscript."

PS usually stands for Peter Strzok.

Another possibility is a hidden (unknown) rat with the initials PS that we're going to learn about.
