Michael Borusiewicz from Luke's Army <http://www.lukesarmy.com> and <https://www.facebook.com/LukesArmy> posted a comment on the Love For Life.com.au website <http://loveforlife.com.au/content/08/01/30/gaiaguysnet-website-has-been-...> (currently unpublished). See text attachment: Note: Fiona has taken this text file down.

It is the comment from Michael Borusiewicz Luke's Army that Fiona is being sued for, even though she took the comment down within three weeks of being requested to do so when no first party evidence was forthcoming from Michael Borusiewicz. We will be putting up our response to this as the matter unfolds.

Phone Call From David Bottrill May 2014

Around the time we received the first email from David Bottrill (see below), we received a phone call from David Bottrill on Fiona's private home phone. Arthur answered the phone and they had a short conversation in which David Bottrill asked for the comment to be taken down. Arthur told him that he would process the curses of his making and that was that (refer to Arthur's Facebook post - a copy of which was emailed to David Bottrill). Arthur told Fiona about the Bottrill phone call and this was the first time that Fiona became aware of this issue.

Arthur and Fiona Cristian

Mr and Mrs Cristian

I refer you to <http://loveforlife.com.au/content/08/01/30/gaiaguysnet-website-has-been-....>.

This page contains a number of comments which defame me; the text contains imputations that I, the OTO and others, constitute a satanic organisation which engages in a range of criminal activities which include murder, paedophilia, and cannibalism In particular the page contains a number of comments authored by Dyson Devine and Vivienne Legg and more recently by Michael Borusiewicz .

Some of these materials reference the previous cases conducted in the ACT and Victoria against Devine and Legg and include text which acknowledges that no evidence was produced to support these outlandish claims making your republication of this material either malicious or negligent.

This defamatory material should be removed immediately. In its and in its place you should post an apology which advises regret at publishing the previous defamatory material, admitting you have no evidence to support any of the claims made, and apologise for any hurt or distress caused by your actions. You should also make an appropriate offer of amends which reflects the injury caused by being falsely accused of such acts.

Within 24 hours of your receipt of this advice you should advise me by email to me as to what steps have and will be taken to comply with the above. If you fail to provide a satisfactory response or publish further false and defamatory material I reserve all rights including commencing proceedings against you and shall rely on this letter on the matter of damages and may seek exemplary damages and indemnity costs reflective of the length of time this material is online.

This material has been viewed in the Australian Capital Territory where I reside so I refer you to the Civil Law (Wrongs) Act 2002.

Yours sincerely

David Bottrill

19/05/2014 5:15 PM

Mr and Mrs Cristian

I refer to my previous email to you (see copy below) and note that despite receiving this the defamatory content is still online and available on your website.

This should be removed and you should advise me immediately that this has been done.

Any further delay and I will assume that you do not intend its removal and take action accordingly.

Arthur Cristian's Post On Facebook

20/05/2014 1:53 PM

Arthur posted this on Facebook.....

We just posted this on Luke's Army's FB

Wall: <https://www.facebook.com/groups/LukesArmy/permalink/10153504347448125> - <https://www.facebook.com/groups/LukesArmy> - Hi Michael, we've been extremely busy lately - just got this David Bottrill email (copied below). We get around 1000 emails per day so it's challenging to stay on top of all this traffic compounded by all the other busy traffic we receive collectively through Facebook, YouTube, phone calls, visitors, etc.

Where are you up to with all this?

By the way, the LoveForLife.com.au website has now received over 200 million unique ip addresses/browsers :)

The Love For Life networks set up are extensive now - we can have hundreds of websites put up all the(content removed) attacking Love For Life.com.au and Fiona Cristian info almost overnight - but better than that is this: all lies are curses and all liars are processing curses of their "own" making.

We now force all liars to process the curses of their "own" making IN PRESENT-SENSE.

Since Arthur started doing this seriously roughly 2 years ago we now know of at least 20 families in law completely destroyed and 17 paedophiles committing suicide (media says by natural causes or unfortunate accidents) and this is just the tip of the iceberg of what is coming down.

Others are now learning to do this as well. Maybe you would like to learn how to do this?

In present-sense we are now focusing our sights on these networks. There is NOTHING they can do about this now unless they make WHOLE in present-sense with everyone they have harmed or sought to do harm.

All their beneficiaries, associates, extensive networks, families, children, loved ones, etc, are now processing the curses of this network which impacts all involved and this includes all of MAN acting in the bar, politics, federal police, police, govt departments, agencies, private corporations, etc, etc, and there is no time and space restriction as it is all-embracing of the whole of creation in present-sense and there is no respite for them either.

If they laugh at this or ignore, reject, use rituals, go silent, attack, scheme, plot, etc, etc, (no matter what they do) it ONLY amplifies and intensifies and accelerates the processing of curses of their "own" making in PRESENT-SENSE, all of their "own" doing. If they harbour any ill will to you Michael, your family, your networks or to the Cristian family and our networks, etc, their all-seeing-eye continues amplifying intensifying and accelerating the processing of their curses of their "own" making in present-sense.

THERE IS NO ESCAPE FOR THEM!

Everyone now has a choice between eternal life and eternal death.

We force them to fully experience the outcomes of their dreaming, of their "own" making. We honour and protect the "inherent gifts/rights" every man, woman and child has with free-will, BUT we make sure that they FULLY-EXPERIENCE in present-sense the consequences of their free-will's making setting into motion their dreams, thoughts, e-motions, ideas, plans, schemes, intentions, desires, performances, actions, etc....

Everything they do now comes upon them in present-sense with no way out = oblivion for all of them across all of Earth, all of creation, that's unless in present-sense they make WHOLE with everyone they harmed or sought to harm AND the moment they create lie and set it into motion the processing of their "own" curses reactivate, amplify, accelerate, intensify..... in present-sense.

Our intentions overrides all of the black-magic of "spelling" English and of all of their black-magic craft and practices ever imagined and set into motion.

For more on processing curses, refer to the Sequential Order of Love For Life articles, videos, debates, etc, listed below. Another post called "Separating The Wheat From The Chaff" <http://loveforlife.com.au/node/8516> will be posted by the 22nd May 2014. It contains all our insightful work going back over the past "four weeks".

How will David Bottrill commence anything against you if you are not plugged into the system in any way? He will need a strawman won't he? And you are a Man not a paper man.

Arthur Cristian

Fiona is still in "The System" and her "name" and the children "own" the Love For Life website.

Arthur is completely free to force/make David and co to process the curses of their "own" making.

Sanitised replied

OK. But where does that leave Fiona if they want to commence anything?

Arthur Cristian

And each-day/night, Arthur really means it, there is no doubt/uncertainty.

They can, but in present-sense, instant by instant, the curse of their "own" making amplifies, accelerates, intensifies upon them, their children, their families, their loved ones, their associates, their beneficiaries, their networks, etc, and in present-sense, they cannot escape the sight of Arthur's living dream for them. It means their eternal-death (this all happens quickly) if they don't pull out and make whole with all those they sought to harm or have harmed.

There is already a trail of wreckage. Now there is more to add to the trail only this wreckage is more high profile in the "public's eye of sight". We welcome them coming after Fiona. It's great news. We don't ask them too, we don't invite them, they choose this outcome them"selves". Everyone David drags into this is being led into their and their families, etc, eternal-death. It's a choice they have between eternal life and eternal death. As we say, all lies are curses and all liars are processing curses. Arthur is their redeemer or their lie/lies is their grim-reaper.

Sanitised replied

Have we entered the end-game stage of affairs Arthur?

Arthur Cristian

Do you want to take the full-responsibility to be that? We do.

You have been warned David.

You have been provided with full-disclosure.

You have the full-responsibility to inform everyone you drag into the eternal hell of your "own" making.

We will have all this correspondence posted on numerous websites so you cannot hide from the light of this truth.

The burden is on you of your "own" making.

In present-sense, this MAN, Arthur Cristian, comes as your redeemer or forces you to use your lies as your Grim-Reaper.

It's your choice which way you want to go.

(Content removed.....)

We welcome you to begin the attacks because this will bring everything we hold, in our sight, into mainstream, and "The System" of Satanic networks will not be able to contain it or control any outcome to suit their agendas.

First News Of Court Action

From the 3rd June, 2014, when Fiona took down the comment until the phone call from Teresa Van Lieshout (see below), Fiona had no idea that any action had been started against her in ACAT. Two envelopes had arrived with Arthur's name on them but, as he no longer acts as the re-presentative of the legal fiction, Arthur Cristian, he returned them to sender. Unbeknownst to Fiona, some emails from ACAT had also arrived but Arthur had bounced them straight back without even downloading them. These had Fiona's name on too, but Arthur wasn't thinking about that when he bounced them back. After Teresa's phone call and email (see below), when the next email from ACAT arrived on the 12th December 2014, Fiona opened it and found an order demanding that she remove any defamatory material from the website (there wasn't anything after the comment was removed on the 3rd June 2014) and that she pay damages of \$10,000.00.

Phone Call From Teresa Van Lieshout

Early December 2014

We received a phone call from Teresa Van Lieshout in early December 2014 who lives in Western Australia informing us that she and 5 other parties are being sued \$10,000.00 each for defamation by David Bottrill - two of the parties were Fiona & Arthur Cristian and the other 4 parties were only administrators on the Luke's Army Facebook wall. None of them had anything to do with creating and posting the same comment Michael B (Luke's Army) posted in the Love For Life website.

Attached is my last letter (3rd letter) I'm posting to David Bottrill and the ACT Tribunal. I don't have the time, energy, or resources to sue Bottrill in the WA District Court, and most of the judges/magistrates here won't help me.

I made a video, already up on my youtube channel; I have another video to upload next week, regarding the yellow envelope sent by the tribunal (I have the sealed envelope in the video as evidence).

Regarding David Bottrill, the OTO, and the ACT Administrative Tribunal Action...registrar Athol Morris sent me a 2 page letter.....(content removed)

I intend to file a detailed submission before the 10th December 2014, and post it off to Bottrill and the tribunal.

I don't care about the courts dates, or their Nazi orders...this will not be resolved in this tribunal, I think this will go on for years, and we will have to fight(content removed)

(Content removed)..... all of us, the 6 of us, have to stick together, and get the public on our side, because we know the courts, the judges, magistrates, and registrars, mostly are men, and they are involved or cover up(content removed) all over Australia, all over the world, especially those working in the government.

I will be making a video, and going on the radio hopefully, we have to use ALL media sources to fight this group, and freemasons, and get in contact with that medical Doctor, Reina Michaelson, she tried to fight them, on her own, we take her side, she must have evidence of disclosures.....(content removed).

David Bottrill; Ordo Templi Orientis (OTO, Australia)

Published on 3 Dec 2014

The former National Treasurer, now confessed 'Life Member', of the...(content removed)..... Ordo Templi Orientis (OTO) - Grand Lodge of Australia, Mr David Bottrill, has taken legal action against 6 of us, in the ACT Civil & Administrative Tribunal;

Michael Borusiewicz
Teresa van Lieshout
Amber Pryor
Gwen Butler
Arthur & Fiona Cristian

I was one of 11 administrators in the facebook group, Lukes Army, and Mr Bottrill picked my name out of the list, along with 3 other admins, based on posts made by Mr Borusiewicz.

Bottrill sued a woman doctor, Raina Michaelson (correction; PHD, not a medical doctor), and CSAAP, in 2005, the case was reported by the Herald Sun. Bottrill works for the federal department of immigration.

Public analysis and critique has alleged the OTO Australia is a..... content removed.....group, involving political and govt men, and the cover up of(content removed)..... in Australia, by govt men. Freemasons, also receive similar public critique.

Under freedom of speech and political communication, public discussion and critique of individuals and groups, in the public domain, is normal and an important aspect of democracy.

Athol Morris, Registrar, of the Civil & Administrative Tribunal, ACT, posted me Mr Bottrill's original proceeding documents, with the tribunal's envelope and franked address on it, constituting an abuse of process by the tribunal. Also, Mr Morris sent me a 2 page letter, dated 27th June 2014, advancing Mr Bottrill's legal and material argument (see video part 2).

Mr Bottrill, you harassed me, wasted my time, and caused stress to me, with your foolish action; this will be resolved in the public domain, and I personally now demand you publish a list of names of your membership group, to ascertain the political and govt men involved in the OTO Australia.

I guarantee, I won't be paying a cent, or subjecting myself to any court or tribunal 'orders' regarding this issue, or any others; Australian courts require significant reform on account of political & govt men and women serving the govt, and the corporate sector, with violence and corruption, destroying our rights, interests, and freedoms.

Also, the public deserves to know the membership list and names of Freemasons in Australia, also believed in the public domain to be Satanic men working in the govt, and associated with child sexual violence.

Fiona received two emails from ACAT, 12th & 17th Dec 2014 and downloaded them.
Fiona has posted both of them here.

Arthur, the 1st party, completely ignores them. Arthur is not compelled. He just completely ignores them as they are addressed in 3rd party from 3rd parties. They are not in 1st party (the living) to 1st party (the living). Refer to the home page of the Love For Life website introduction for more on all this: <http://loveforlife.com.au> and to the documents Fiona filed into ACAT during early 2015 which are copied/embedded below.

The letter to David Bottrill and Elizabeth Symons was sent on the 21st January 2015, unfinished, and the text below is the full, finished letter sent by Fiona on the 24th January, 2015 at 8.47am. They did not receive the embedded videos, pictures and sub-headings. This is a copy paste from Darkness Visible Part Five: <http://loveforlife.com.au/node/8562>

There Is No Life In Letters

The only power is living MAN, setting into motion the water of MAN'S every breath, present here and now amongst the living with the presence of life that is present sense consciousness, not confined by time, space and measurement constructs and concepts. Only living MAN, first parties, in and of eternal present-sense consciousness, can move forward here and now.

No third party letters, numbers, words, names, constructs and concepts or any physical, material forms and images thereof, (letters, etc) are present here and now amongst the living MAN creating water with their every breath.

Third party letters, etc, are unable to create water with their every breath and are not living first parties. They are not present with the presence of life to be present amongst the living and they have no power of life, no free will to move forward. No intentions can be sensed (touch, taste, feel, smell, hear, see) from them because they do not have life, consciousness, to set intentions into motion and therefore cannot be sensed amongst the living first parties of MAN.

They are only make-believe, meaning they are as nothing. The intentions behind their make believe existence cannot move forward in this relationship amongst the living first parties who breathe water to set into motion their intentions to be sensed amongst the living first parties of MAN.

Unless anyone amongst the living first parties can prove that letters, etc, can exist of their own free will without a first party MAN having to perform for them, as third parties, none of the intentions of the meanings behind every letters, etc, invented and embodied within them and of them as codes, symbols, etymology, phonetics, cryptography, compelling trauma based motions or e-motions, secret or not, initiated or not, (codes, etc) have any power over any living first party MAN.

What's Your Intention?

The only power is in the intentions of the living MAN first parties using their free will power to practise the ancient craft of embodying intentions for specific hypnotic outcomes in letters, etc, so that the letters, etc, have the intentions of the living first party MAN embodied within them and of them as codes, etc, and are set into motion with MAN'S free will, to affect those that the codes, etc, were intended for. This proves incontrovertibly that MAN is fully responsible for everything MAN thinks, feels, says and does. It is the living MAN coming forward now, not the letters, etc.

Either living MAN is using letters, etc, to communicate the magnificence of MAN'S uncorrupted, pure, sincere consciousness that is always present here and now in present sense and does not require letters etc, to exist and be present amongst the presence of the living, or living MAN is using letters, etc, with the corrupt, impure, insincere intention of performing black magic, hypnotic rituals to compel other men and women to perform **usury (USE YOU R Y)** because they believe in the power of those black magic, hypnotic rituals over them and allow the effects of the intentions embodied in the letters, etc, to compel them. This is no different to putting a software program on a disk into a robot and giving the robot specific programs, the robot only being able to operate within those directives.

The reason men and women feel compelled to perform usury, or to force others to perform usury, under the imagined, hypnotic power of letters, etc, is because they have been educated into believing that the letters, etc, have power apart from MAN, and to build a fictional world based on the instructions and explanations of the information contained in the letters, etc, that form the make-believe world that is "The System". This is why pieces of paper move from desk to desk to desk to desk, being written on, stamped, marked, signed and scribbled on, and why we have a world of administrators, white collars, blue collars and a whole force of armed and unarmed men and women whose job it is to enforce the hypnotic letters, etc, instructions on pieces of paper or electronic, digital data and ensure they are carried out.

One only has to Google "hypnosis" to come up with the following;

"When you hear the word hypnosis, you may picture the mysterious hypnotist figure popularized in movies, comic books and television. This ominous, goateed man waves a pocket watch back and forth, guiding his subject into a semi-sleep, zombie-like state. Once hypnotized, the subject is compelled to obey, no matter how strange or immoral the request. Muttering "Yes, master," the subject does the hypnotist's evil bidding."

and

"Hypnotised subjects are said to show an increased response to suggestions. "put to sleep", nervous sleep, Mesmerism, hypnosis as a "nondeceptive placebo," i.e., a method that openly makes use of suggestion and employs methods to amplify its effects"

What else is happening when armed Police Officers use the suggestion of the pieces of paper to threaten, intimidate and extort usury from men and women who have harmed no one, committed no crimes and have not broken the peace? The Police Officers are not allowed to be Peace Officers, using their sense of a situation to work out a peaceful, sensible outcome for all concerned in an incident. They have to follow the instructions on the paper to the letter, relying on the hypnotic information of their suggestive training, or they are also subjected to other men and women forcing them to follow instructions on the paper.

Falling Prey To The Letters

When you amplify this to the whole of "The System", we have a world of men and women, all hypnotised slaves to pieces of paper and all trying to force others under the spells of those pieces of paper, none of which have any power. This is why it is so easy for people under suggestion who are third parties to act under hypnosis as first party strangers, interloping, intermeddling and interceding in first party matters that have nothing to do with them. Regardless of title, standing, status, position, career, we have a whole world of incompetent people doing and supporting harm in a make-believe world. They are actually insane, psychotic and yet these are the "norms" of a make-believe, administrative chain of authority that runs right through the whole of "The System".

Across the whole of Earth, there have been untold millions of families who have been torn apart by third party strangers under these make-believe methods in a huge variety of ways, depending on the institution, bureaucracy, corporation, company, department, agency the paper represents. Nothing written on the pieces of paper actually exists, and yet it is causing immense harm to hundreds of millions of men, women and children, and to nature across the whole of Earth.

This all starts with the hypnosis of children in schools into letters, etc, that they have to repeat endlessly and practise using for many, many years before they are firmly implanted in their make-believe thinking. But, as the letters, etc, do not exist, the only place they appear to exist is bouncing to and fro, to and fro, to and fro between the child's ears as make-believe echoes that they have to remember, putting them into a hypnotic, zombie-like state under the power of suggestion and training them for their roles as third party strangers interfering in the lives of others.

Without idiot friendly, full disclosure being provided to children that they are being brainwashed under the education system, they learn to accept the letters, etc, as having hypnotic power and authority and therefore that the costumes and titles such as Police Officer, Judge, Magistrate, formed out of those letters, etc, give power to the men and women wearing them. The power of the costumes and titles is illusory, the only real power being the effect of the intentions of those who crafted the letters that spelled out the names of the costumes and titles and those wearing them.

This is the "ominous, goateed man" waving his pocket watch in front of his subject. Blackboards, books, teachers, etc; this is what is happening. None of this is natural and none of it happens to children raised in nature by nature, so what is the common denominator glue that binds billions of MAN to the letters, etc, to create an artificial world full of artificial people destroying each other in a chain of command, across multiple generations, throughout recorded history and Holy books, etc? Why do we keep hanging onto it and why do we panic when we receive the official letter in the mail, or see the flashing lights on a Police car? Why is it that we put our life energy into animating commercials for all the information based on letters, etc, that advertise the destructive, hypnotic state that we are under? Where does all this e-motion come from?

It's All In The Name

The whole of "The System" is a make-believe world of names because a, b, c, 1, 2, 3, and everything that comes out of them is names. A supermarket is aisle after aisle of names, a city is compiled of names and every aspect of "The System" with all its libraries, roads and maps is names. The hypnotic spells that we learn at school are names and all the zombies following the instructions and explanations of the names out front are creating chaos all across Earth.

The mark of the beast referred to in the Bible and Holy books is the letters, etc, that make up the names of the beast that is "The System". It has taken ten years of our Love For Life research work to realise that the mark is imprinted into our thinking through the use of trauma derived from the horrific, ritual, blood letting sacrifice of men, women, children and animals. Wherever we find alphabets and numbers, and everything derived from them, we also find ritual sacrifice. They go hand in hand.

This is the glue that keeps us spell bound to the hypnotic suggestions behind the letters, etc, that form the make-believe world of our devastation to who we really are and everything that we are naturally really part of. It is the source of MAN'S hatred to MAN and the source of all destructive e-motions experienced by MAN upon MAN. This only happens to MAN under the suggestive spells of letters, etc. It is impossible to be in "The System" without this unnatural effect being upon you. It doesn't matter what your role in "The System" or who you work for or what interests you have; you are under the effect of ritual sacrifice. It is impossible to be in and of "The System" without doing harm, because that is what trauma is.

In being educated into letters, etc, children are also being educated into the trauma of the horrific Freemasonic/Satanic ritual sacrifice and abuse of men, women, children and animals that was used by the inventors of the letters, etc, to ensure that the trauma of the sacrifices was encoded into the letters, etc, that are instructed to the children.

The blood-letting ritual sacrifices are still performed with the intention of capturing the trauma of the victims and embodying it in the letters, etc, through the will power of those performing the sacrifices so that the trauma of the victims of their sacrifices always resonates throughout the whole of "The System" of government, law, politics, religion and education that is all made up in the image of letters, etc.

This is why people experience so much fear and trauma living in "The System" and why people will perform immoral acts under the hypnotic suggestion of the trauma based letters, etc. The letters, etc, don't exist but the trauma is very real, and it is the e-motions of the trauma that compel men, women and children to perform for the letters, etc, even while they don't comprehend why they are such traumatised puppets on strings doing harm to the living. They are so desensitised to the living that they have no problem re-enacting the harm of the perpetrators of the ritual sacrifice.

We re-animate, re-animate and re-animate the commercial of the perpetrators intent to cause trauma, which is what a Police Officer does when he/she comes to advertise the harm of that trauma under the name of what is written in the letters, etc, bouncing between their ears, that compels them to perform that make-believe advertisement. We are in a state of "nervous sleep", completely mesmerised by the blinding hypnotic spells of suggestion that openly make use of demonic invocations of intent, the trauma of the lost soul, that are the software programs for the robots to carry out the effects of these intentions. The software on the disk is the amplification of the perpetrators intent during the sacrifice. This demonic suggestion is demonic possession because we are being possessed by the lost souls of the victims of the blood letting rituals.

The Divisions Of Trauma

In an overt system of control, those in power use their armies and police to remind people who is in power through the open use of force. Anyone who tries to stand up is killed, imprisoned and/or beaten. The trauma is in plain sight. The current system that we are living under is one of covert control. While those in power pretend that we have freedom, they use the trauma of their sacrifices to ensure that we are too traumatised to see their power game and refuse to partake in it. It is all smoke and mirrors, brilliantly done.

The letters, etc, were invented as the conduit for the trauma of the sacrificial victims to be transmitted to others who, through the education system, are being forced to perform the usury of the trauma intended by those behind the ritual sacrifices. It is a slave system with everyone trapped in the usury of it. This is why there have been millions sacrificed since the beginning of "The System".

This constant back drop of trauma in every day system life causes doubt and uncertainty in men, women and children as to who they really are as living MAN, and causes them to feel e-motionally compelled to fall under the power of men and women who claim to have power over them through the use of letters, etc, bearing the e-motion programmed directives.

It is only severe trauma that causes a MAN to be under the hypnotic spell of letters, etc, and causes MAN to be unconscious of another MAN, not to sense another MAN and be so blinded by the instructions of letters, etc, that MAN can look another MAN in the eye and do harm to another MAN, kill another MAN, imprison, starve, torture and sacrifice another MAN, to ridicule and verbally abuse another MAN.

Where does the power come from to make a MAN who calls himself a Christian fight a MAN who calls himself a Jew? Where does the power come from to make a MAN believe that he has to pay for and own land and to live in fear of not being able to keep that land? There is nothing natural in any of this. It is all the power of black magic induced trauma at work.

How many billions have been killed in the image of letters, etc? How much of Earth destroyed? How many men, women and children have been harmed? Will MAN and Earth be completely annihilated before the penny drops?

Learning The Spells Of Trauma

It takes years of practising to fall under the spell of letters, etc, and believe in the make-believe world that they are used to teach us about.

If a book fell out of a plane over a remote jungle, and was found by a child of a local tribe who had had no exposure to any letters, etc, the trauma contained in those letters, etc, would have no power over the child because the child hadn't been educated into them. If an educated man parachuted in with the book, however, and started to teach the child the sounds that made up the letters and words of the book, repeating it over and over again, then the child would begin to feel the effects of the sacrificial trauma contained in the images of the book. This clearly shows that it is not the letters, etc, that have the power, but the man who teaches them.

In this matter brought forward against Fiona, there is nothing of uncorrupted, pure, sincere consciousness on offer from living first party MAN. All that there is on offer is deception as fallen men and women acting under third party costumes and titles, relying on the trauma encoded in the letters, etc, to make claims over other men and women, claiming that the letters, etc, that they are using give them the right to enslave other men and women and make claims of ownership and power over them.

Whatever the intention, it is the living first party MAN who is always coming forward for all amongst the living to sense, clearly announcing and demonstrating that living, first party MAN is fully responsible for all the intentions and outcomes of using letters, etc, showing clearly the intentions and determinations of the living MAN using these third party constructs.

Only first party living MAN can move forward here and now, and only the intentions created by living MAN can move forward here and now and be sensed, in and of eternal present sense. Only living MAN first parties on all-sides are present here and now. There is nowhere across the wholeness of consciousness in present sense for living MAN to hide behind letters, etc, to absolve living MAN of any full responsibility for what living MAN does here and now. Living MAN can only move forward with full responsibility here and now. We cannot pass our responsibility onto things that do not exist, such as statutes, laws, bills, courts, governments, etc. They have no power.

Fraying Our Bonds

When uncorrupted MAN engages with uncorrupted MAN as first parties, the magnificence of MAN is amongst us here and now in present sense. A real MAN does not give up MAN'S magnificence for lies because MAN is conscious of MAN'S magnificence and would never participate in acts of extortion and usury.

Letters, etc, are not natural. Using them does harm. Nothing of the living first parties of nature needs them to exist so that they may exist. They are part of the fraying of MAN from the magnificence of the natural dream of life so that MAN can be used and abused in black magic Satanic rituals. Those involved in persuading MAN to perform these rituals have already given up their magnificence because they are willing to do harm to another MAN and to claim that there is inequality between MAN.

To us, the living first parties of MAN, the only purpose and intention behind the invention of letters, etc, is to con, trick and deceive other first parties of MAN into performing usury, as in slavery, for the benefit of those who invented alphabets and mathematics and everything derived thereof. This is all rooted in the intention to do harm.

There is no agreement in place that third party letters, etc, have ever had power, past, present or future. Any MAN who believes they do and who tries to hide behind them, acting as if they are first parties with the power of living, breathing MAN, is committing crimes and using black magic rituals to trick, con and deceive their fellow MAN. They are doing harm.

Use Your Letters Wisely

Can any MAN who believes that letters, etc, have power bring them forward as living first parties so that we can hear directly from letters, etc, that they are living, breathing life forms and that they do have power over living, breathing MAN? Once we hear this directly from the letters, etc, we can be sure that we don't have a living MAN hiding behind third party fictions with impure and insincere usury motives.

Any MAN who wishes to use letters, etc, without the intention of hiding behind them needs to make clear the intention behind their use.

The living MAN Fiona and the living MAN Arthur, use letters, etc, as a method of communication for the living to reach those who have forgotten the magnificence of MAN, who still believe that letters, etc, have power and who do not sense the magnificence of the living because they are relying on letters, etc, to cure first party matters between magnificent first party men and women, bringing in the third party representatives of those letters, etc. This is how the deviousness of deception, collusion and corruption prospers.

Any man or woman who tries to move forward with letters, etc, without pure and sincere intentions clearly communicated, is creating a curse that comes back on them if the living MAN they are attempting to offer it to does not accept it. They are creating a lie that lives amongst them because it has nowhere to go. To hide behind letters, etc, is to be a vampire attempting to suck the life force energy of the magnificence of living MAN so that the letters, etc, appear to have power. They are imposing their will and using a world of zombies to carry out the instructions of their intent.

The intentions behind the creation of the letters, etc, have no power here. Only first party MAN to first party MAN, sensing each other's intentions through the water of our breath, can move forward here.

What Are You Brewing?

The living MAN that you are trying to draw into your controversy through the legal fiction name Arthur Cristian, does not accept the intentions behind the black magic use of the letters, etc. Neither Arthur nor the living woman Fiona will support the ritual abuse and sacrifice of men, women and children. We do not accept the trauma, and we use this language to communicate with you, not to be bound by it, but so that you, David, and you, Elizabeth, can sense our intentions and be given full disclosure of the consequences of hiding behind letters, etc. Everything explained in this communication is to help you make sense of and connect with the living consciousness of Arthur and Fiona so that we are present as the living amongst you and you see and sense us as we see and sense you, the living.

Are you seeking to do harm to the living Arthur and the living Fiona through the use of letters, etc, or are you seeking to heal this matter without using lies? Are your intentions pure and sincere? Or are they just intentions of greed as you try to compel us to perform usury for you? What is your motive for this claim? Who is animating the intentions behind the letters, etc, of the writing on the orders you are sending out?

Why do you, Elizabeth, acting under the fantasy name of Magistrate, believe that the tools that are the letters, etc, that you are using, have power over a MAN who has not hurt anyone, has committed no crime and is a stranger?

This action seems to be a modern day version of highway robbery. It is a blatant extortion attempt.

The law can't come forward as a first party to prove its existence and power. Neither can government or any other institution of "The System". They are all illusions that have been made up of black magic letters, etc. There is nothing else there.

Why Do You Need Third Parties?

These names are not of the living first party MAN; they are third party because the legal fiction can never be first party. The name on pieces of paper does not exist and it is impossible to talk directly to the living MAN by talking to the letters of the name on a piece of paper. This is why the legal fiction name needs third party impostors to act for the name as if they are first parties. You are relying on the trauma of the letters to draw us into performing for the legal fiction name. The living MAN Arthur refuses to do this as he will not re-present the names on your pieces of paper, thus becoming part of your ritual sacrifice, a blatant organised crime.

Why can't you engage with us, the living, as a magnificent living first party, fully responsible for all your thoughts, feelings and actions? Instead you prefer to use defamation as the carrot to suck us into your usury scam, admitting that you are mesmerised by the trauma of ritual sacrifice and willingly participating in these rituals, glorifying the murder of those sacrificed in the name of the trauma that you are asking us to perform.

We Don't Perform In Fairytales

Defaulting to third party, having accepted the fairy tale of legal fiction, neither of you is acting under full responsibility for everything you think, feel or do. You are both impersonating our characters and intentions, the living first parties, by acting as third parties for the legal fiction names on the paper, putting your names on the paper with our names that is the controversy that is the order on the menu of your ritual sacrifice. Neither the living Arthur nor the living Fiona is present on the paper. Are you both fully responsible for everything you think, feel and do or are you incompetent, acting under the fake security of limited liability, washing your hands like Pontius Pilot?

By using the legal fiction name, you have both entered into "The System" Wonderland fantasy, reliant on the trauma of the sacrificial victims in an attempt to draw us, the living MAN, into this controversy so that we can be ritually used and abused. We do not seek to impersonate you by making claims about you using the legal fiction names David and Elizabeth. We refuse to commit an original sin.

David; you rang my family home to ask us to remove a comment on the Love For Life website that had your name on it. I contacted the writer of the comment and asked for first party proof of what he was claiming about you. I gave him three weeks to do so. When no concrete evidence was produced, the comment was removed from the website and you were informed of its removal on the same day, on the 3rd of June, 2014, within three weeks of your phone call. It was clear that the matter had been resolved.

But you have decided that you are not happy with just the removal of your name from the website. Arthur never posted anything on Facebook about you and, as Arthur does not own the website, you have attempted to involve Arthur in something that Arthur was not involved with or responsible for. As Arthur has been out of "The System" for many years, and never uses the legal fiction name Arthur Cristian, when mail came in the legal fiction name of Arthur Cristian, it was returned to sender, as were emails in the legal fiction name of Arthur Cristian. Nothing was directed to the name Fiona Cristian which is why Fiona knew nothing about the tribunal until early December 2014, through a phone call from another woman in Western Australia being sued by you, David.

Arthur only posted the fact that you were threatening us with legal action in reference to a comment written by someone else on the website.

The fact that you chose to continue down the path of third party legal action after your name was removed from the website, shows that you have other agendas here. We have even been receiving information suggesting that the comment was put up by Michael Borusiewicz with the intention of providing you with an avenue of attack on us. We have already got the Police involved in investigating this.

The Heat Increases

There has been documentation of surveillance in the family home and this combined with other information about links between the Catholic Church and the OTO, and intelligence agents waging attacks at us on Facebook and elsewhere, combined with the death threats that we have been receiving, suggest that this on us is part of a much larger, orchestrated plan of attack against our family. All the evidence is already in the public domain, posted in the website in the series of articles, **Darkness Visible**: <http://loveforlife.com.au/node/8557>.

How do you quantify damage to a name that has been severely damaged consistently over many years? What is the damage that is worth \$10,000.00? The information you were concerned with that was in the comment on the website was already in the public domain.

Why have you picked on us when there are many other places on the internet where your name appears? Why aren't you going after all the other owners of websites, including the owners of the Sun Herald and The Age? There is an impulse that results in free will bringing forward an action such as this, but you need to show us the damage that has been done, the substance of that damage. If you can't, then you are making something up out of nothing and claiming that it has substance.

Let's Work Together

We know that every lie is a curse and that if anyone involved is lying, they and their loved ones and all those who benefit from their actions, will process the curses of their own making. The same with you, Elizabeth; the curses of your actions will come upon you, your loved ones and all those who benefit from those curses in action, through your free will to continue doing so. We do not live to invalidate the free will of any man, woman or child.

We recognise that you, David, are our brother and that you, Elizabeth, are our sister. We do not wish you harm and invite you to work with us in stamping out the problems of ritual sexual abuse and sacrifice and all that goes with it. We know how extensive it is throughout the whole of "The System" because of all the letters, emails, visits and phone calls we have received from both victims of ritual, sexual and sacrificial abuse and from those whose families have been involved in perpetrating the abuse.

There Is No Escape

If you, David, or you, Elizabeth, think that there is a lie in what has been written above, then this is the first matter that needs to be resolved before this controversy that you are both party to can move forward. How can this matter be healed when there is doubt and uncertainty about the intentions of those involved and the letters, etc, being used by all living parties in this matter to communicate? You need to prove that the letters, etc, have power over us, the living man and woman.

If you choose to ignore what we have written through the use of legal rituals or any religious practices, refusing to see the presence of the living MAN Fiona and the living MAN Arthur amongst you, this does not mean that what is written here is not true and powerful. To choose to ignore our living intentions is to admit that you have no power because you are relying on third party storytelling to give you the appearance of having power. You are unwilling to deal with this matter first party to first party, as living MAN.

Arthur, the living MAN, has not been part of your commercial world since 2006. Arthur is in your world but not of your world. Arthur has no contracts with "The System" and therefore no longer uses the legal fiction name "Arthur Cristian". All enquiries regarding the legal fiction name "Arthur Cristian" should be directed to the administrators of that intellectual property. Arthur does not have a bank account or an account at any other financial institution. Arthur does not have an income of any sort and does not receive any privileges and benefits of "The System". Arthur has not received any benefits from Centrelink since 2006 and does not deal in commerce. Arthur owns no valuable possessions and lives from the generosity and gifts of others.

The only thing of substance that the living MAN Arthur can provide you with is Arthur's blood, that is Arthur's real, living, first party life. This is all that Arthur has and you are welcome to it. But be warned, that when you take on Arthur's life and the life of Arthur's living family, you are taking on all Arthur's thoughts, intentions and dreams, and every thought and intention that you are thinking towards Arthur instantly comes upon you, your loved ones, beneficiaries and those in your networks who support your harm doing. Your actions towards us give us the greater power here.

Every instant that you choose to do harm, you are committing spiritual suicide and bringing spiritual suicide upon your loved ones, beneficiaries and those in your networks who support your harm doing, in this life.

Every thought, every intention that you are thinking towards us to harm us instantly comes upon you and cannot be escaped because we do not accept your thoughts and intentions of harm. You can try to ignore it, scorn it, deflect it with rituals or try to hide from it but you cannot escape it. We do not intend either of you any harm, but any harm

that you wish upon us is immediately returned to you and there it amplifies without respite, resonating throughout the whole of creation until there is nowhere that any of you living this lie, living under the make-believe power of black magic letters, etc, can hide.

You are already gone, of your own free will, by continuing to wish harm upon your brothers and sisters of life and giving up the magnificence of who you really are as first party living MAN. You have given us the full responsibility of inspiring the MAN that you are to return to MAN'S true magnificence and, as magnificent MAN, giving up all forms of harm doing to your brothers and sisters of life.

When you are willing to talk to us as first party MAN, uncorrupted by impurity and insincerity, taking full responsibility for your thoughts, feelings and actions, we will be ready to talk to you.

To be continued.....

As Arthur has no intention of engaging in third party rituals, the living woman Fiona, decided to write to you David and you Elizabeth so that you have full disclosure about why Arthur chooses not to do this and where we are coming from. The continuation of this will be sent before this living woman comes to see you both on the 28th of January 2015.

The Ritual Trauma Of Our Present Traumatized Lives In "The System"

In the pictures of ritual sacrifice, what can we see?

In most of them, the victims are still standing alive whilst they are being slowly strangled and pierced in multiple locations causing blood to flow slowly or fast from their bodies. They are surrounded by a gang to force them to emotionally experience powerlessness, weakness, hopelessness, emptiness, directionlessness, incompetency, ineffectiveness, inadequacy, failure, gagged, suffocation, asphyxiation, abandonment, vulnerability, paralysis, "trance states" of delusion, illusion and fantasy, desperation, gloom, melancholy, pain, suffering, torture, immense stress, despondency, heartlessness, sorrow, misery, rejection, wretchedness, discouragement, fear, trauma, doubt and uncertainty.

The victim feels this throughout the length of the ritual. We don't know how long this is but, if it is anything like typical O2T torture, it will be dragged out so that the victim is completely drained of resistance in that final moment before death when the last of the life force energy, the soul of the victim is drained out of the body - the "lifting of the

soul" as the Passover - and captured to be used for black magic purposes, as in usury, USE YOU R Y. For more on O2T torture, follow this link.

OCTOGON SWITZERLAND OF THE TEMPLARS: THE BASE OF ALL EVIL

A series of videos from Sean Hross out of Switzerland are being mirrored to our YouTube channel as the Swiss government is censoring and/or deleting his videos.

Sean's channel is giureh at <http://www.youtube.com/user/qiureh>

These videos are thought provoking and require a deep understanding of history.

AD's views may vary however a great deal of the content is imperative in understanding today's world.

<http://youtu.be/Z9HrNHE7cCw>

In some pictures, we can see the victim pleading and begging, gazing into the eyes of one of the torturers who looks back at the victim with a smile on his face. This is how we are when we go to the courts and ask them to sort out our problems, when we vote in their puppets to make decisions for us, when we write to them asking to improve our slave conditions. A magnificent MAN doesn't need to ask another MAN for freedom. This shows you how delusional the freeman/sovereignty movement is. They are begging to their slave masters. Although there are mini slave victories, "The System" still remains in control. They are still using you for blood letting.

In "The System" this is what is being done to us throughout our whole lives but it is done through the e-motional affects of the trauma that "The System" is built on rather than physically inflicted upon us by a gang. That is not to say that we do not experience physical effects from the trauma. When we see the Police Car flashing its lights at us, our heartbeat quickens and we feel the stress of being powerless before our fellow MAN. When we go to court, our nerves may make us feel short of breath, we tremble and are surrounded by a gang made up of lawyers, magistrates, bailiffs, etc, all of whom know the rules and you don't. How powerless do you feel? How abandoned by your fellow MAN? How inadequate?

This trauma is the psychological equivalent of an overt system of power through force to keep us fearful and obedient. Instead of the army walking the streets with guns, their use of trauma and brainwashing keep us fearful and obedient. They still have the back up of force if they need it but, mostly, we are our own sheepdogs.

This pattern of trauma is present throughout our everyday lives; we feel the stress of paying the bills and of meeting our other system obligations, the heartlessness that is all around us as we senselessly destroy almost everything living. Our lives are an almost constant drain of our life force energy by "The System", portrayed in the sacrifices as the slow letting of blood. The magnificent MAN that we really are is being sacrificed, day in, day out, to be the life blood of "The System". This is the life of usury as robots under instruction.

The birth certificate of "name" is a blood libel; a document that binds you to "The System" for all of your life. It is your lifetime bond as a slave to them. The blood libel of your blood letting. This is the Passover (pass----over); you are taken from the magnificence of nature where the magnificence of MAN exists to be a living-dead slave in their dead-world.

They have provided you with a commercial that comes as a story of the Wonderland of your fake life and they tempt you into the fairytale to perform your fake system life there, under your "name", your blood-libel. You are advertising their commercial with everything that you learn and animate through a, b, c, 1 2, 3. You are animating the trauma of ritual sacrifice, the compelling e-motion of the letters of the "names" that we advertise in "The System" in our fake lives.

What makes us go to their world, to their courts, to their governments, when there is nothing there? They don't exist. We have to get past this. Fighting them is just another form of blood letting as they continue to suck our life force energy. They do not mind us fighting them because they get what they want anyway, whether they "win" or "lose". We have to get past the trauma of the fear of loss so that we deal with these people from our strength rather than the weakness of our doubt and uncertainty.

The weapon they use continually is to break us apart from the magnificence of nature to enter into the shattered reality of "The System" so that we spend our waking life trying to piece together what has been broken from us. They have decimated indigenous tribes so that the tribes are caught up battling for their rights, their land and their stolen children. We have had up to 100 years of protests, rallies, movements to make whole what has been shattered but nothing changes. One shattered reality gets smoothed over to the next and the blood letting continues. Before that, the tribes were invaded and decimated and are still being destroyed through alcohol, drugs and despair.

The fact is..... we've been lost to the illusion of finding the missing pieces to a shattered reality that never happened to us. The shattered realities were those of the victims of ritual sacrifice giving the impression that we have also been shattered. When we let go of this trauma that superimposes (hoods*) us we no longer feel shattered. *Satanic brotherhoods/sisterhoods.

Our true power is when we remember the magnificence of the MAN that we really are because we are of the consciousness of original MAN and, as long as we remember this, MAN will continue to be created eternally from that magnificence no matter what these practising Satanists do. If we lose sight of this, we lose sight of who we really are too, and we have committed spiritual suicide, which is exactly what they want us to do. Now we are lost in the doubt and uncertainty of their shattered reality.

Our magnificence is something they cannot destroy and something we must never lose sight of. When we remember our magnificence, we no longer fight them as the ritualised e-motions of their blood letting because, when we do, we are just re-enacting/re-animating the effects of the e-emotional trauma of their ritual sacrifice of our brothers and sisters, and we have given up who we really are and have sold out to be like them. This does not mean that we become weak. We are stronger because we have let go of the ritual trauma of our doubt and uncertainty being played out, that has us worry about our tribes, our children, our communities, our land. We must give up our doubt and uncertainty so that we no longer Passover the magnificence of who we really are to be less than that, to be shattered. To deal with these people, we always do it from our magnificence. We must never be like them.

If our children have fallen, they are already fallen. If our tribes have fallen, they are already fallen. We cannot rescue them from their fallen state. If they have given up their magnificence, they have given it up. We are dealing with free will here, which is sacred.

What we can do is to set up living examples of how to live as magnificent MAN again, Kingdoms/Do No Harm Communities/Tribes, so that they experience us living this way in present-sense and remember who they really are through our living-example so they can rise up to live as magnificent MAN again. This is no longer about races, cultures, creeds, colours, standings, titles, status, etc, it is about magnificent MAN, men and women not ruled and

driven by doubt and uncertainty. The faster MAN remembers who MAN really is, the faster those behind "The System" are creating their "own" destruction/spiritual-suicide in this life, unless they too remember who they really are.

Anyone who is lost to this lie, to this shattered reality, will not be around any more of their own free will IN THIS LIFE. Those of "The System" are well on the road to spiritual suicide in this life because they have forgotten their magnificence as MAN to be able to do what they do to their fellow MAN. They have given up the dream of life, of their real magnificent lives, for the dream of their spiritual suicide in this life. We must not join them there because then we are no different to them and have sold out and are committing that spiritual suicide too in this life. They are on the raft heading down the river of spiritual suicide. We don't want to join them, instead you want to inspire them to hop off and join with the rest of us on the magnificent land of the living.

We have to get past the fear of our families being destroyed, of our tribe falling apart as we focus on the bigger picture of bringing the wholeness of our magnificence back in every area of our lives so that this trauma leaves MAN forever. This is not to say that we do not do what we can to protect our families and tribes but not to the extent that we destroy who we really are as magnificent MAN because, if we do, falling into doubt and uncertainty, then we have accepted the lie and we are lost and they have us exactly where they want us and they are destroying our families daily anyway.

We need to find true courage, true peace, true unconditional love and true forgiveness to do what has to be done, to live as the magnificent MAN that we really are and never sell out. It is only then that we can move forward POWERFULLY and PEACEFULLY.

The reality is that it is just our brothers and sisters who have fallen from their magnificence, from the magnificence of the consciousness of the living-creator of MAN that dwells in all of MAN. That is all that is going on. Why should we forsake who we really are and what we are really part of? Why should we be fallen? Why should we be like them? The blood letting libel of who we really are must stop. We must refuse the Passover of who we really are.

To repeat..... copied from Facebook

Going to an educated slave who's made their bed in "The System" will never lead you to freedom, instead they train you to remain a slave. No matter what they talk about,..... freedom, truth, peace, consciousness, life, conspiracies, organised crimes, exposure, ufo's, et's, aliens, reptilians shape-shifters, dracos, illuminati, health, nutrition, diet, God, Bible, Jesus, NWO, etc, etc, etc, etc,..... while their bed is laid in "The System" the whole of their lives defaults to "The System" and those being influenced by them default to "The System" too.

You shall know them by their fruits.

If they have no absolute determination to depart "The System" in this life never to return, no matter the circumstances, they are either Intel Operatives messing with your head or are already messed between the ears trying to mess with you. Intel runs rampant through Facebook and elsewhere.

Slavery is NOT acceptable under any guise but many are seriously confused about slavery and are ignoring the fact that the whole of "The System" is slavery based relying on brainwashed children to enter "The System" as educated slaves, the cogs in the wheels of "The System" (blue and white collars, labourers, paper pushers, etc, etc) and that they want this to continue so they can continue to receive all the benefits, privileges, services, etc, of "The System".

We are dealing with a system of slavery. If you are reading this post then you are a slave in a slave system. If you are fighting "The System" of whatever of "The System" then you remain a slave in "The System" too. The only way to be free of slavery is to stop living like one here and now. No matter what you believe that keeps your interest going, while you live as a slave in "The System", you are a slave. The fact is, if there was no slavery there would be no Facebook, no internet, no telecommunications, no libraries, universities, colleges, high schools, public schools, kindergartens, pre-schools, no religions, holy books, churches, synagogues, temples, mosques, no institutions, no governments, no courts and rules of law, no private corporations, no supermarkets or shopping malls, no cars, trucks, motor bikes, trains, planes, rockets, space-ships, no cities, suburbs, no countries, nations, states, passports, credit cards, banking, money, commerce, stock markets, birth certificates, drivers licence, registrations, title deeds, lots, plots, acres, hectares, etc, etc... There would just be MAN on the land free from being under another MAN.

To reinforce an incontrovertible fact: a, b, c, 1, 2, 3, etc, HAVE NO POWER, HAVE NO FREE WILL. They cannot do anything because they do not exist. They need the life-force energy of MAN to appear to have any substance and/or power. This semblance of power comes from the e-motional effect of ritual sacrifice passed on from perpetrators whose intention it was that we should

experience this trauma through the use of a, b, c, 1, 2, 3, etc. It is the trauma of ritual sacrifice that compels a MAN to perform the will of the perpetrators.

Bill And Judy's Chocolate Factory Analogy

If Bill and Judy own a chocolate factory but have a secret desire to kill children and eat them, what is their greatest line of defence against being discovered? How do they continue with their dirty secret without those around them finding out and being disgusted and making sure that the horrific crimes against children stop?

They put little bits of the bodies in the chocolate that they make. Not enough to make it obvious, but enough so that everyone who eats the chocolate they make ingests a little bit of murdered child. Thus the trauma of the missing and murdered children is taken on by all those who eat the chocolate and they become lost in the trauma, desensitised and unable to see/sense clearly what is really happening and, unwittingly, complicit in the murder of all the missing children going into the chocolate. Eating chocolate containing murdered babies becomes normal, part of everyday life. Children are brought up eating it. Those who support Bill and Judy in keeping their secret, are supplied with lots of chocolate to keep them happy too. Bill and Judy supply lots of chocolate free to benevolent bodies and community groups. Everyone is happy.

We all breathe the same air, drink the same water and walk the same land. When we eat the same chocolate of trauma, we breathe that same trauma, and spread that same trauma wherever we go and whatever we do. The trauma is everywhere and has been accepted as the norm.

If someone finds out about the murdered children in the chocolate, and starts spreading the news, does everyone cry out in horror and stop eating the chocolate? No, they say, "But this chocolate is normal. We have always eaten this chocolate. Bill and Judy would never do that. Look at all the good work they do." So the people don't realise that the

trauma is in the chocolate, those who help Bill and Judy encourage the people to think that the trauma of the missing children is "out there", away from them, never close to home, too big for them to deal with. The chocolate eaters are kept fed with a variety of distractions to keep it that way, always out there and never in the chocolate.

Those who help Bill and Judy keep supplying the chocolate to keep everyone under the trauma of the chocolate so that Bill and Judy can keep making the chocolate undisturbed. And so the people continue to eat chocolate containing murdered children. Bill and Judy are happy because they can make their chocolate, the people who support them are happy because they are getting lots of chocolate, and the people who have been taught that eating Bill and Judy's chocolate makes them happy are happy too. A whole world based on murdered children with everyone happy!

We don't want to keep eating the children.

Freedom Of Speech & Love For Life Website Under Attack Again \$20,000.00 Defamation Actions Against Fiona Cristian & Arthur Cristian

23rd January 2015 11:10 PM

Hi Everyone

The last time this happened, the **NSW Jewish Board of Deputies** tried to close the website down claiming that we were anti-Semitic, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665>. Within hours of posting this news, they were inundated with people complaining and they backed off and we have heard nothing since. Now we are undergoing what seems to be a coordinated attack to discredit us as well as intimidate us. The link to **Darkness Visible Part One** below contains the details of what is happening.

Below is also a copy of an email (we have sanitised a few things) we sent to a Priest with a very large parish who we chatted with today at great length. Have a read of it, watch videos (links provided) and then check out **Darkness Visible Parts One to Four**, five and six coming whenever (links below). Since 2005, this priest is the first influential priest who appears to be coming forward and agreeing with much of what we are saying about the corruption and the

ritual sacrifice and abuse going on, and wanting to do something about it this year. He seems to be fully aware of what is really going on, particularly with the paedophile/ritual sacrifice side of things - he told us news today that we can't discuss here. Apparently cracks are appearing in other denominations as well as within his Church and there are good people who do care about what is going on and want the abuse to stop. This abuse is all tying in to the judiciary, the political side of things, the religions, the education and EVERY area of "The System".

If there is one thing that will bring "The System" of Freemasonry down, it is this horrific abuse particularly the ritual slaughter of children and adults in the tens of thousands every year across Earth. The priest is very interested in the Satanic occultic practises that involve human ritual sacrifices and why tens of thousands of children are going missing every year across Earth. We have to get our heads around what is really going on here because this is our greatest weapon against those assuming power and authority over the rest of us. At a local level, we can use this abuse to bring people together and bring "The System" down while we make changes in how we live so that "The System" does not rise its ugly head again.

What we have done over these past 10 years is scrutinise everything with great intensity, letting go of all the fantasy, illusion and delusion until we have come out with a clear picture of how "The System" operates behind the scenes and why those behind it do all the psychotic things they do.

In relation to the \$10,000.00 defamation case we have each been recently targeted with, below is our reply to ACAT which will give you a very clear picture where we are up to with our almost 10 years of intense Love For Life work. When the full reply is completed to ACAT we will post it all into Darkness Visible Part One, probably within the next two days or so. Darkness Visible Part One has already had nearly 700,000 views.

There is a lot of reading involved, as well as videos, but if you really want to fully-comprehend everything the way we do now, you need to put the time in. The remedy to all of this is simple but, as it is also selfless, most people can't see a way to making it work in their lives. Having said that, there are now many, many people across Earth who have had enough of living under "The System" and are willing to do what has to be done.

During 2014, the attacks on us have increased. We have had death threats and constant intel attacks via Facebook, etc. We are not the only ones - we are hearing about other strong freedom/truthers with a strong presence on the internet who are NOT controlled opposition who are being isolated and targeted. You can see some intel agents in action in our Facebook debates as people try to get at us, find a weakness in us and destroy what we are about. They never succeed, in fact it all comes back to them, and because we have had so much practise debating people, they don't stand a chance!

It is not just intel attacks on those who are openly anti-system and anti corruption. Soon they will be introducing their "vaccination" programs, microchipping, microwave and radiation attacks, the control of food supplies (shops only have about 2 days supply now), etc, etc. If the US dollar goes, so does the Australian dollar.

We have evidence of surveillance technology in our home (see: **Darkness Visible Part Four** and inside this webpage do a search for keyword Cambodia) that Fiona has reported to the police and we are starting to find good contacts in the Police who have had enough of the Freemasonic controlled environment. Most of these Police have been involved in investigating the abuse and sacrifice so their eyes are open to the horrors of what is really going on. They will also need our full-support if they are to come out with what they know. Neither they nor us can rely on the political system or the judicial system to help us. It is the people who have to take a stand now, and bypass the political and judicial systems. There needs to be LOTS of us. Hundreds of thousands of us need to get together in Sydney, Melbourne, Brisbane, etc, and shut down the main artery routes into the cities (for example) and shut down the whole of the city to let everyone know that the abuse has to stop.

We are not asking "them" to do something about it, we are telling them to go away and then deal with the confusion until we work things out. Once we have made a stance in the cities, we get back to a local level and take over the communities. The city protest will give people the confidence that we CAN do something. Get rid of the Freemasonic webs at the local level. Get rid of the local council, etc, etc, and let the communities start working things out for themselves. Get rid of all the outside interference. It is very clear that we do not need governments, banking, insurance, commerce, private corporations, etc, etc. We've proven this fact over and over and over and over again in debates. Darkness Visible carries samples of such intense debates. The transition of going through such a chaotic mess is a far far far far better option than the mass genocide that awaits most of us during these next few years if not sooner.

There is no point in fighting the political system any more, or the judiciary. Our slave mentality is such that we are always asking those in power for what we want. We don't need them to give us what we want - we just need to start living it by taking control at local levels so those good people in the police, etc, can come out with what they know.

We do NOT need masters. At a local level, we need to be sorting out food, growing lots of it, sorting out water supplies and whatever else we need to survive. Fixing things at a local level is the ONLY way we get strong. Until we have community immunity we have nothing. One thing we have noticed is that our attention is always focused on a national and global level by the media. This makes the problems seem too vast to deal with and the issues too far away. When we come back to a local level, we can do something powerful because it is achievable and then things spread from there. Trying to do things at a national and global level is like trying to stop a war in Libya while there is war in your local streets!

To protect each other, if one local community is threatened, members of another community come to help until the threat is gone. This is true community immunity in action. We are the power. Let's use it instead of giving it away. We are all supposed to be operating with full responsibility, not limited. A slave operates under limited liability because he relies on others of "The System" to solve his problems for him. When the level of corruption in the Freemasonic world is exposed, then is the time to go after them because they will be at their weakest point.

We have been at this for ten years and there are many good people out there who have been fighting "The System" for far, far longer but nothing has really changed. The most powerful thing we can do is grow food, start eating healthily and sharing what we grow. It is amazing how quickly we can let go of attachment to system things when we start doing this. Doing this is far more powerful than endlessly fighting the government which keeps them happy as they are keeping you busy all the while you are still a slave!

Nearly everyone out there is hurting so we just need a tipping point to get many, many people on side. There are only a few rotten apples but once these are routed out, which we many of us know how to do including the intel operatives who try to infiltrate and control anything like this, most people are good people who are sick and tired of living under slave masters. What we all want to do is to control the outcome, not let them control the outcome. An easy way to spot intel agents is that they still fight for a slave system and/or they never provide the big picture, never address the deeper e-motional issues of what is going on. Their jobs as intel agents is to allow anti-system movements to grow and then make sure they collapse so people are demoralised and think it is not possible to do something about their situation.

We will never resort to violence but we know that there are plenty who will so this needs to be stopped before we get to civil war. Peaceful, non violent action is the only way. We have to let go of the fear and give up our jobs for a week and maintain the presence until we have got the message across. We need everyone with credibility and sincerity so that we can keep the skills under control. We need to do this before all the good, strong people are locked up or killed. There is still no true community immunity around any of us. We just have a strong internet presence and respect in the community because of our daughters and how they are. They do very well at school in all areas, are good musicians who play in local orchestras and get many compliments on their behaviour and attitude. Even though all this is "system stuff", it is protection for them.

We know that there are also good people in the military who know what is going on and they, like the police men and women need to know that they have the support they need.

We have also been heavily attacked via the website in the form of thousands and thousands of bots inundating the server every day for the last 14/15 months where the website is hosted. The website goes down at least 5 to 6 times a day until it is refreshed. Our wonderful long-term web hosts pair.com have come to the party to help us because they know we are non-profit and have written off over \$3000 in over usage charges. We also have someone working to build a whole new Drupal 7 database so that we can transfer the old Drupal 5 database over. She is doing this as a gift.

We are coming closer to the end times because they are trying to clear all of us who are not intimidated by them out of the way. It is difficult for them to get at us because we have a very strong internet presence and have been saying the same thing for so many years. We have never sold out.

Darkness Visible is the culmination of the last ten years and we know that we are coming to the end of this work and we are ready to move on to the next full on remedy stage, which is doing what we can to get as many people as possible to stand up to this abuse and the abusers while we are creating living Kindom remedies. No one has ever been able to find fault with the remedy we offer, and we are always happy for people to tell us how they think it could be improved, but so far no one has come up with anything. It is not our remedy - we don't own it and, if anything better comes along, we will be happy to go with that.

The evidence is starting to come together of the connections between the Roman Catholic Church, other Satanic based organisations, the sexual and ritual abuse, the intel networks, babies being imported for sacrificial purposes, etc, etc, etc. The more evidence everybody can bring to the table, the stronger the picture we can paint to men and

women in the wider community. There really is a tipping point. We do not want to get killed over this but we are not backing down. Our consciences will not allow us to avoid this abuse problem any more.

We are going to need all the support we can get in every way. We have managed to stand on our own feet for the last ten years, with a few gifts here and there but we realise that the time has come to work together on this, whatever our affiliations, remedy ideas, etc. The more of us who are sincere in wanting to get rid of "The System" push this, the more the good people in "The System" will start walking away as they realise what they are part of. Those who actually want the abuse and sacrifice to continue are a tiny, tiny minority.

Apologies for any of you who are on our mailing list as you will get this again. We would ask all of you to put out the word on this because the more we can bring these attacks out into the open, the more we force the perpetrators out into the open too. Please also send it to any good men and women in the Police Force, the judiciary, governmental departments or the churches.

All the best to all of you and your families

Hi (sanitised)

It was great and uplifting chatting with you today.

Considering the pressure we are under now it would be great to meet you when you are not so pressured.

We have so many ideas about how to stamp out this problem of ritual abuse and all the sexual abuse and debauchery that goes with it but we are getting to the stage where we really need help to continue with what we are doing. When you read **Darkness Visible**, you will get a pretty good idea of what is really going on and why the abuse happens. The email that Fiona sent to ACAT on Wednesday, copied below (see above in this webpage), goes into it in even more detail.

We have been pretty much on our own for the 10 years of this Love For Life work, with those who really support us being too far away to be in our lives in a practical sense. This has been fine up until now but we are now ready to start networking locally in the community to create community immunity and a Kindom. To have a support network in place would be a great relief, mainly because we have four children. We can no longer ignore this problem of abuse but we realise that standing up against it comes with a certain risk factor, which is why most people don't stand up against it, of course.

Another aspect of our work is health, healing, etc, as most people are not healthy despite their protestations that they are. What we have discovered is that the best way to eat is, of course, as nature intended - fresh living food picked from the garden, not processed, cooked or altered. We do not eat meat for both health and ethical reasons. We are not designed to eat meat having the intestines of a herbivore, not a carnivore. We also do not feel that we have the right to kill an animal to eat it. They have never given us permission to kill and eat them. Lot's more to discuss about this another time! Just letting your know where we are with this. Also, eating this way helps enormously with health issues, with many, many people finding that they are able to lose lots of weight, stop taking masses of pills and start feeling like they did when they were 20.

From Bare Dirt To Abundance Part Two B

Coming Shortly

This health work is part of the remedy we offer to stopping all the harm, the full version of which can be found in The Sequential Order below, under the remedy section. This explains how we can start untangling our lives from "The System", learning to live as free, peaceful MAN on the land. We first wrote this in 2006-2007. We call it **The Steps Of Kindom**: <http://loveforlife.com.au/node/8304> - do no harm communities where we see life as a gift and live accordingly. The biggest obstacle to this is the doubt and uncertainty in most people that has them think that they aren't good enough, that it can't be done, too hard, etc, etc. If people can visit a living Kindom and experience men, women and children in their true magnificence, doing what others think is impossible, and so inspiring those who visit, then we can return Earth to Paradise quickly. MAN'S true inheritance as custodian of the dream of life will be realised. This is how we raise each other up out of hell and back to Paradise.

Once we let go of our doubt and uncertainty and restore MAN'S magnificence, we realise that we can do anything and that whatever we truly need is provided for us. We do not have to jump 10 feet across the room to grab our next breath - air is always there for us to breathe in present sense, without us having to worry about it. Everything of the truth is the same; everything has been taken care of. The dream of life has everything we need to live joyfully and abundantly, it is just that we have forgotten how to live as part of the dream of life and think that we can only live if we keep destroying the dream of life to make the things we have been convinced that we cannot live without! We do not need to own each other, own things, own land and own animals. When we are magnificent, it is easy for us to let go because we also let go of the fear and trauma that has us cling on to what we think we need. This is what has stopped MAN returning to true freedom throughout the time that MAN has fallen.

Every generation has men and women who dream for true freedom but nothing has happened. It has not happened because of the fear and trauma caused by doubt and uncertainty. If there had been one real truth in how we live our real lives as dreamt by living creator for all of us, passed down through the generations, you would think that we would be living in Paradise by now. This ain't the case. Since MAN fell, MAN has continued that fallen state, unable to see the way out of that Grand Plan of Grand Deception. This is where we have to be very pure and sincere in our intention and prepared to scrutinise EVERYTHING that we have ever been taught, including the constructs and concepts of time and space = measurement = compass and square = Freemasonry. Using scrutiny is how we have been able to unscramble the Grand Plan of Grand Deception and show it for what it is and how to get out of it. Our intense scrutiny of everything hasn't made us popular but it has got us very, very clear about what is really going on and how to fix it.

The lie of co-intel, psyop programming is so devastating that it forms a fictitious wonderland where all believers are trapped in it as determined by the constructs and the concepts that come out of the compass and square. More on this can be found in our work, or we can discuss it with you, but it is critical to fully comprehend how this works. The greatest lie and liar is the one closest to the truth and, if we don't rout out ALL the lies, we will destroy everything of the truth. Everything of the Grand Deception comes out of a, b, c, 1, 2, 3, compass and square and all constructs and concepts derived thereof. The evidence of this is incontrovertible.

When you can see/sense the difference between sense and non-sense, the difference between first party and third party, the difference between consciousness and unconsciousness, the difference between the living and the dead, you have the simple, idiot-friendly tools to dismantle the whole of the Grand Deception. What we got to see/sense very clearly is that truth is always direct sensory experience, first party to first party and the lie is always non direct experience, where MAN acts as a third party impostor of a first party committing fraud by explaining, instructing and educating (indoctrination, brainwashing) anything and everything of the dream of life.

Part of **The Steps Of Kindom** is what we call the **Mud Room**. This is the main transition to letting go of system habits, wants, needs and desires and learning to live with each other without trying to make each other fit into boxes, without judging each other but at the same time, learning to stand up to harm doing when we see it. This is the formation of true community immunity when harm done to one is harm done to all and is the full responsibility of all and all the community come together to sort out the problem so that the community can move forward together.

Since we wrote **The Steps Of Kindom**, we have also been thinking a lot about the elderly and how they are such an important part of the healing that needs to happen. Too often, they are shunted into old people's homes and ignored with no one listening to any of the wisdom they have gathered from their life experiences. This is encouraged by all the TV sitcoms showing the elderly as bumbling idiots. We would love to have a major focus of Kindom being about helping those of the elderly who are interested, by changing their diets and helping them heal of many of their problems so that they can once again live their lives fully and become an important part of the community. This goes along with creating the food forest gardens that we eat from that heal us, and all other infrastructure needed with the children being involved so that the current rift between children and the elderly is healed.

The remedy has to be whole, not the shattered reality that is "The System", full of in-divide-you-alls (individuals), all obsessed with themselves and what they need, want and desire. A, b, c, 1, 2, 3, is shattered because they have no connection as a whole, as all life forms of the dream of life work together to make up the whole of the dream of life. Everything is connected with a natural purpose. In "The System", everything is fragmented because it is all constructed out of a, b, c, 1, 2, 3, - thoughts and ideas that have no substance of life, no life force energy, forming the Grand Deception. No matter how far people go into the shattered reality looking for a remedy to the problems of the shattered reality, they will never find one. The only remedy is to be found OUTSIDE the shattered reality.

There are no saviours because living creator created MAN to be fully responsible, not needing to be saved. A true saviour is one who inspires others to rediscover their true magnificence and take full responsibility for their lives again, creating peace, joy, etc, in the lives of others so that they may have it too. The misconception of a saviour is all about brainwashing and indoctrination and we can explain all of this to you when we meet up. All the saviours recorded in their books only come to save those in "The System"! As we say, you don't go to an educated slave who has made their bed in "The System" to learn about freedom. Everyone who talks about freedom in mainstream and has made their bed in "The System" clearly shows us that they are false prophets, illuminated shepherds = "We will lead every revolution against us." Again, there is much more explanation of this in our work.

The men, women and children of Kindom need to be aware of their responsibilities to the wider community too. We are not about creating a fortress stronghold with the possibility of a WACO situation! We can offer a place for children of the wider community to come when their parents are working. We can offer for people to help out in the gardens if they want to, or even offer small plots of land to those in the wider community to grow food on. Surplus food will be shared out to the wider community too. As we grow, we can offer healing and offer sanctuary for both the victims of abuse and the abusers because the abusers were once children too and it is only because they have been got at that they have ended up as abusers.

There are very, very few truly evil men and women amongst us. Abusers need to have the opportunity to escape from the hell they have been caught up in and to make amends for what they have done by devoting their lives to helping others. Imagine the possibility for healing if abusers and abused are together and learn to comprehend all sides of the picture and so come to peace with what they have been part of.

Kindom is a move from third party instruction, explanation and education to direct experience, first party to first party. It is about moving away from a shattered reality back to the wholeness of the dream of life and our connection to everything. The shattered reality teaches us to be so self-centred, as in isolated, lonely and every other destructive e-motion that comes with the Grand Deception, that we forget the reality of our connection to everything living, which is why we destroy, destroy and destroy. We have lost connection to the big picture, giving up, forsaking the creator who loves the whole of the dream of life and MAN, the embodiment of the unconditional love of living creator in the dream of life. The shattered reality is the fake, explained universe of the Grand Deception that is the world of education, explanation and instruction = brainwashing, indoctrination, doubt and uncertainty.

An explained truth about anything is not the truth. It is not a direct, sensory, living experience. The purpose of Kindom is to learn to live full responsibility, live the wholeness of the dream of life. The thought of God is not God. Only direct first party experience with the life of living creator is God. We don't use the word "God" because "God" is a concept/construct bouncing to and fro between our ears as a result of our education into a, b, c, 1, 2, 3, etc. This God is dead, not living. The God in your head is an image that has been put in your head by an impostor, a third party man or woman acting as a first party God. This is fraud and is lying. This is part of the Grand Deception. This subject alone opens up a can of worms that we can talk about. You will come across this in our work, how it relates to the water of our breath and how we project non-sensory images with our breath to deceive each other. These non-sensory images are apparitions that fade in and out, not having the substance of life to be sustained in present sense eternally. They are demons, better known as man-made thought forms.

To solve the problem of the ritual sacrifice we need to change the way we are living at the local level. Otherwise the shattered reality will continue giving the abusers places to hide as we live as strangers with no community immunity. How many people do you know in your parish who are not scared, not self-centred, not under pressure? Probably very, very few. This shows how compromised we all are. Most people have good hearts but are under too much pressure from their system obligations to do anything to help those around them to the extent that needs to happen. We are so crippled by manufactured e-motion that we default to doing harm and have developed an array of justifications, excuses and reasons to fob it off. Everyone in "The System" is under limited liability/responsibility, which is the clear making of a slave. A MAN is not a slave because MAN takes full responsibility for everything MAN thinks, feels and does. "The System" is all about slavery. There are no free men in "The System", even those at the top of the pile. We have had many hundreds of debates with experts on this one and they all run because we show how it all works.

Kindom is free. As in nature, there is no commerce, no contracts, no privilege from money, no ownership. When visitors come, everything we do for them is free. If they want to gift in return, they can. If they don't, that is fine too, because a gift is not a gift if it is not given freely without conditions or expectations. When visitors come, they will be able to have a direct experience with magnificent MAN, living freely, joyfully and abundantly, without ownership, just taking full responsibility for his/her life as part of the dream of life. Those who are inspired can either join us or take the inspiration of their experience with them to co-create Kindoms elsewhere. Imagine a network of Kindoms expanding across Australia and all across Earth supporting each other, providing places for people from other Kindoms to stay, all of it for free.

We have been working from a rental property for the last 10 years, and have been growing the food forest garden for the last 3 years, with the aim of demonstrating to people just how much food can be grown in small spaces. We have had many, many people visit, some of them just for a day, others for a week or a few months, and Arthur has spoken to hundreds and hundreds of people over the phone and hundreds and hundreds more via email and Facebook. Currently we have two young people living with us, Hannah who has been with us for three and a half years and Aidan who has recently come back after a spell back in Melbourne. Both of them have extremely good hearts but have been very damaged by their experiences in "The System" so we are providing them with the space to heal and learn about taking full responsibility for their lives. This process is not always comfortable to say the least but it is a very necessary part of their healing. There are other young people we have had to stay and we will talk to you how we help them overcome suicidal tendencies, etc.

We are bursting out of this 3 bedroom house and are ready to move to the next stage. What we need now is a piece of land with running water where there is room for more people (we have people wanting to come, some from overseas) and where we can expand our food production and what we can offer to inspire people. This is where we can start to provide the sanctuary so that people can come if they feel scared or threatened so that more and more people have the courage to start speaking out and pointing the finger at their abusers until there is no ignoring them.

We do not need police, politicians, etc, when we have community immunity because the people take full responsibility for what is happening in the community. Imagine a large group of people walking into the Police stations where there are abusers, walking into the churches where there are abusers, staking out the driveways of the abusers, walking the streets at night to ensure that no one is harmed..... the power of a united community is unstoppable!

Getting onto land is where we can also start weaning our lives off the nipples of the private corporations more and more, walking the talk of do no harm, learning to eat what we grow, stop using electricity and gas, etc, etc. Once we no longer need the benefits of "The System" we no longer have to accept those behind "The System" dictating our lives. Here in the Southern Highlands is the perfect place for a community because we are right in the heart of the wasps nest. Many of the big international players in the Grand Deception visit here and some also live here. Between Newcastle down to Sydney and Wollongong and across to Canberra, we are in easy reach of about 6 million people so that they can come for a day without having to worry about accommodation, long treks, etc.

Please feel free to forward this to people in your networks who might be interested in what we are doing and in working with us to stop the abuse. You must know that there will be people in your networks and in your church who are Freemasons, and their loyalty will be to their brotherhoods/sisterhoods before all else. We always do everything out in the open as it is the safest place to be BUT we are not stupid and choose carefully those we trust!

Below is what we sent to the ACAT Tribunal, Wednesday 21st January 2015. It is unfinished and when finished, possibly today but no later than tomorrow we will include it in Part One of Darkness Visible (links below) and possibly create Part Five and include it there as well as all the other relevant info.

Darkness Visible is about the Freemasonic networks behind "The System" and how to deconstruct their symbolism. It also covers the extensive ritual abuse of both children and adults, why these sacrifices are made and the effects they have on all of us, ultimately in keeping us trapped in the slavery of "The System", unable to see/sense the way out.

Please note that while this video focuses on ritual sacrifice in the Jewish religion, we are not anti-Jew/anti-Semitic. We recognise that ritual sacrifice goes on in ALL cultures and creeds of "The System" and has been part of all the civilisations of "The System" that there have ever been. Those behind these horrific sacrifices hide behind the races, cultures, creeds, colours, careers, titles, standings, status, etc, that they invented to keep us all distracted, divided and ruled.

We are all MAN, all brothers and sisters underneath our educated nationalities, religious affiliations, skin colour, etc, etc. We are NOT pointing the finger at the Jewish people when we talk about this subject. To us, the Jewish race is used as a scapegoat for many of the crimes of those behind "The System". We were all innocent babies once and we have all been educated into our system roles. This is not to say that Jewish people who practise these rituals should not be brought to account, just as the perpetrators hiding behind every other race, culture, creed, etc, should be brought to account. To us, it is clear that we have to get rid of this system which means also getting rid of this problem because "The System" and ritual abuse go hand in hand. In the 10 years of our research work, we have also been sharing a do no harm, life is a gift remedy that ensures that we walk away from all kinds of harm doing forever, never to return, called "**The Steps Of Kindom**": <http://loveforlife.com.au/node/8304>.

We are all connected through the thread of nature that is impossible to sever unless we destroy everything including our lives and the lives of our ancestors and descendants. As much as we may wish it to be different, everything we think, feel and do affects all of life because we are ALL part of the wholeness of life. The threads that are nature/earth, our ancestors and descendants get affected by what we do to our bodies, to the bodies of others, to everything of life and all our descendants and children. We may think we are separated by our labels of Jew, Christian, Greek, French, Atheist or Agnostic but we can never sever the bonds that make us life. We are just unconscious of the effect we have on all of life because we are so distracted by all the thoughts of the "The System" that keep us locked in and fallen.

The intricate web of life that is nature and all that we see which binds us all in wholeness can only be severed by fantasy, illusion, delusion, fear & trauma. Satanism is this conditioning "practice" of separation enforced. To maintain a "state" of separation between us the Satanists "craft" belief systems & put in "practice" a "System" for us to perpetuate. All occults, esoterics, science, New Age, "Oneness", race, culture, creed, system-education, commerce, as documented across their recorded ages with remote Gods, Deities, Beings, Heavens, Hells, etc, that are the basis of all fantasy, illusion & delusion that have ever appeared, existed/exist ONLY to maintain MANS separation (fallen "state"). Satanism is all about worshipping fantasy, creating fairytales of individualism (in-divide-u-all-ism) that we fall into so that we can be ruled by the inventors of the fairytale. Using them as shields, Satanists hide behind all races, cultures, creeds & systems to use MAN (us).

Satanists in the higher orders are high priests, masters of remote control, remote viewing and remote thought projection. They project thoughts into the brains of men and women so that those men and women think they are thinking/creating their own thoughts. They place value and importance on those thoughts and act accordingly, whether going to church, wheeling and dealing in commerce or even going to war and killing for those thoughts. Satanists con us into giving our life to their thoughts so that we create their world in their image. This is how we become their slaves who labour for their dream-world.

Copied from Facebook

Sharing the path we've taken in dealing with the Freemasonic/Satanic world. You don't go to educated slaves who made their bed in "The System" to learn about freedom. What we are addressing here in this post is the big picture that affects all our lives, including Chemtrails, Global Warming, Overpopulation, Injustice, 9/11, Poverty, Sickness and Disease, etc.

Until we really wake up to the big picture of what has been done to us, we will never be able to deal with all the problems and issues facing us. Just keep contemplating and using your brain as an intense blow torch of scrutiny and go where the logic of truth/sense takes you. Do not believe in anything we say... VIP. Belief is NOT proof of fact. Put all beliefs up to the test of scrutiny to see how they stack up - you will find if you are pure and sincere in your intention that no belief will stack up, they all get demolished. This is how we get past all the deep trauma based emotions, rooted in a, b, c, 1, 2, 3, which stop us all being manipulated in ways that make us support, condone and cause harm.

Fiona Seeking ACAT Clarification For In Chamber Order XD 14/823

6/02/2015 1:37 PM

Subject: Re: XD 14/823 Order

From: action@loveforlife.com.au
To: Tribunal@act.gov.au

This is Fiona Cristian here.

I spoke to Gordana at 12.40pm in your office today because I was seeking clarification of the meaning of the IN CHAMBERS ORDER made by Ms. K. Soper on Thursday 5 February 2015.

Gordana explained that the following words from the IN CHAMBERS ORDER

"1. The application for Interim or Other Orders being withdrawn is dismissed."

means that Case XD 14/823 has been dismissed completely.

I need to have a copy of the judgement as a formal document, with a letterhead, in unambiguous, plain English rather than in Legalese, as I do not comprehend Legalese, confirming that case XD 14/823 has been completely dismissed. The copy of the judgement needs to be immediately accompanied by the written reasons for the dismissal. Both documents need to be signed by Ms. K. Soper who made the IN CHAMBERS ORDER and sealed with the ACAT seal.

I would like to have these documents sent by email as attached pdfs by no later than Wednesday 11th February 2015 by 5.00pm, with the originals to be sent in the mail to the address you already have.

I also instruct you to inform the Magistrates Court of the Australian Capital Territory that Form 2.49 No. CS15/00083 dated 21st January 2015, made by the applicant David Bottrill no longer applies as Case XD14/823 has been dismissed. I need confirmation in writing that this has been done, sent by email as attached pdf also by Wednesday 11th February 2015 by 5.00 pm, with originals to be sent in the mail to the address you already have.

With regards to case XD 14/741, I am due to appear at a hearing with Bill Stefaniak, Appeals President, and David Bottrill, applicant, on the 20th February at 10.00am. When this date was arranged between him, myself and David Bottrill, I was free to attend. However, one of my daughters has been made president of Mittagong Public School's Student Representative Council (SRC) and I have been asked to attend the school assembly to pin on her SRC badge and her president's badge. I need to contact the Appeals President to request a change of date for the hearing, after the 20th February 2015. Could you please let me know how to go about this? I can be contacted by mobile on 0408 978 404 or through this email address.

Dear Ms Evans

I do not consent to an adjournment of this matter.

As raised with the Tribunal yesterday (documents lodged at the counter) I consider the respondent is in contempt of the orders given by the Appeals President in that defamatory materials continues to be published on the loveforlife.com.au website with further materials added only on 4 February 2015.

A copy of these materials and the letter to the Tribunal was mailed to the respondent today.

Given the nature of the materials displayed, the contempt of the respondent to orders made by the Tribunal of two occasions, I suggest that if anything the hearing should be brought forward and certainly do not consent to an adjournment.

Hi Kerry

Can you please send me a copy by email asap during Tuesday 10th February 2015. of the original filings for XD14/741 / AA15/01 by applicant David Bottrill.

I don't have copies of all these filings as my partner was bouncing the emails from the mail-server back to sender and they were never downloaded and all snail-mail was returned to sender unopened.

The earliest paperwork I currently have is the Order made by Elizabeth Symons on the 10th of December 2014 so I also need any/all other orders/filings, etc, made before that date.

Thank You

Dear Ms Cristian,

Firstly you have not responded to my email stating that you can request to attend via telephone. The Appeal President has stated that YOU must be here either in person or via phone on Thursday 12 February 2015 at 9:30am. If you are not here in person or on the phone your appeal can and may be dismissed. The Appeal President is very concerned at the allegations of breach of tribunal orders made on 28/1/15 at which you were in attendance. This is an very extremely serious allegation and must be dealt with first before your appeal can proceed.

Any photocopying done by the tribunal will incur a cost to yourself. Photocopying is charged at 30 cents per page and will be payable in advance.

Ms Cristian

I am unable to supply these documents until payment is received. There is a lot of work and I am unable to do so today.

Perhaps you could receive it from Mr Bottrill, as you returned it to him, he may be able to resend

Electronic Copies Of Original Filings Will Do

Subject: Re: XD14/741 - AA15/01 CRISTIAN V BOTTRILL

From: action@loveforlife.com.au
To: Kerry.Evans@act.gov.au

Hi Kerry

Arthur told me that at least two emails were sent to this email address action@loveforlife.com.au which he bounced back to your office from the mail-server. They were never downloaded.

Are you saying that you/your-office does not have copies of these emails to resend again, copies that contain the original applicants filings, etc?

I don't need hard copies printed, just the electronic digital scanned copies resent will do.

As there is no printing involved and is just electronic digital data sent across the internet why would there be costs involved?

Secondly, you or others have not yet answered the email sent Friday 6th February 2015.

Is the information/documents forthcoming today or tomorrow?

This is also very important to the matter this coming Thursday.

Thank you for your assistance in this matter.

Regards
Fiona

Before Hearing You Can Inspect Your File And Request Copies @ .30c Per Copy

Miss Cristian,

I do not know which emails you refer, and especially on which dates they were sent. The XD file from the civil section (which incidentally have a staff of up to 8 people who could have sent emails) is quite large, and the Appeal file the only thing that has been sent is the order from the directions hearing in which you attended.

If you need copies of documents, you can inspect your file Thursday and request copies of those documents you need at 30 cents a copy.

This Thursday morning the appeal president is dealing with the documents that Mr Bottrill filed alleging that you have breached tribunal orders. Mr Bottrill has sent a copy of those documents to you.

Fiona's Letter To ACAT Bill Stefaniak And David Bottrill

11/02/2015 9:40 AM

Subject: AA15/01 & XD14/741 To Bill Stefaniak and David Bottrill 10th Feb 2015

From: Fiona Cristian

To: Kerry.Evans@act.gov.au and david.bottrill@ and david.bottrill@

To Bill Stefaniak and David Bottrill,

This letter is a continuation of the letter I sent to Elizabeth Symons and David Bottrill on the 21st January 2015. The letter to Elizabeth and David needs to be read alongside this one to get the full picture of what I am saying.

This letter comes with recognition that you, Bill Stefaniak, have a job to do which is to mediate this matter to resolution in the most efficient, fairest manner possible which is why I have been willing to meet with both of you to resolve this matter. This is an explanation of the simplicity of this AA15/01 & XD14/741 matter, which was instigated as a complaint by David Bottrill in May 2014, that I responded to at the beginning of June 2014 and thought the issue was resolved then, an issue that had no need to escalate into a matter involving ACAT, you, Bill Stefaniak, and all the others from ACAT who have been involved.

The defamatory comment <http://loveforlife.com.au/content/08/01/30/gaiaguysnet-website-has-been-...> that David Bottrill originally objected to on the 17th May 2014, was taken down on the 3rd June 2014 after I had given Michael Borisewitz who posted the comment, 3 weeks to come up with evidence of his claims. The URL of that comment <http://loveforlife.com.au/content/08/01/30/gaiaguysnet-website-has-been-...> has never been re-published since. On the 3rd of June 2014, I sent David Bottrill an email telling him that the comment had been taken down and have records of all email correspondence with David.

At our last meeting on the 28th January 2015, David claimed that the defamatory comment <http://loveforlife.com.au/content/08/01/30/gaiaguysnet-website-has-been-...> was still showing up on the 6th June 2014, after I sent him an email on the 3rd of June 2014 telling him that it had been removed. He claims to have a print out of this. I can assure you 100% that David does not have a copy of this unpublished comment. The comment was definitely unpublished by me and it can only be that what David is referring to are cookies still appearing in his computer still holding the comment in his computer memory, or Google cache records, which continue to show up for some time after a comment has been removed. We know people who have had experience of this in the past.

In Drupal 5, the 2005/2006 database software program used for the Love For Life.com.au website up to today, the removal of a comment or a post/article is instant but browsers (men, women, children) need to refresh their computer internet browsers, in this case whatever computer browser David Bottrill was using and/or clear the cookies on the computer of the internet browser David is using for it to stop showing up on the computer.

With Google, it can take a few months before the cache records, the shadow of the comment browsed by Google bots, are removed by Google but I am not Google and the Love For Life.com.au website is not Google either and I cannot be held responsible for how Google works. I really do not comprehend why David didn't just email us if he still had concerns with the computer/s he was using. If he had, we would not all be in this situation now. The matter would have ended there and then, but a mischievous controversy has been created where there was no need for one.

Love For Life is a non-commercial, non profit, news/information website and is used as a voice for thousands and thousands of men and women to express whatever they need to express. Since Love For Life started, Arthur has been working long hours for most of this time as an unpaid volunteer/"humanitarian", handling the daily email traffic, posting of information and talking to people, while I helped him with grammar around being a mother, running the home and maintaining our suburban back yard food forest vege garden, see: <http://www.youtube.com/watch?v=1sJCCvZ97A> and <http://youtu.be/TPTPn8tqcPI> where we demonstrate how to grow vast amounts of living, organic food in small spaces to show how we can take full responsibility for our lives rather than relying on old, lifeless food from supermarkets. Most of the infrastructure in the garden has been paid for with gifts from supporters over many years.

Much of this is explained in great detail in the the two letters that I sent to Elizabeth Symons and David Bottrill on the 21st and 24th January 2015, see Darkness Visible Part Five here: <http://loveforlife.com.au/node/8562> , which you

need to read for the bigger picture of the Love For Life work and why we are exposing the extent of ritual sexual abuse and sacrifice that is in all areas of "The System". This article, along with Darkness Visible Part One here: <http://loveforlife.com.au/node/8557> explains how Freemasonry works and why and how "The System" we all live under is based on trauma and reactions to trauma.

The living MAN, Arthur, has commercially been out of "The System" since 2006, receives no income of any sort and refuses to enjoiner with "The System". Since 2006 Arthur has intentionally walked away from performing in commerce which is why he dropped the legal fiction "Arthur Cristian" back then never to return to it. The living MAN, Arthur provides no commercial business services.

Before this, as a family, we had everything that we worked hard for, over many years in the legal fiction of "The System", stolen from us and I now live on the legal fiction Centrelink money the legal fiction Fiona Cristian generates fortnightly. Love For Love and I and my children also receive a few gifts here and there from those who are inspired to support the Love For Life Kindom/Do No Harm Community dream we live for and want to make sure that my family has food on the table and a roof over our head, and anything else that is needed for my family to function healthily and safely. This is clearly pointed out on the home page of the Love For Life website with links provided for more detail. What more does David think I have to give him? Does he want my 15-year-old car or the beds my children sleep in?

What is David's agenda in trying to take money from someone who has none to spare? Why has David already filed the Order from the 10th December 2014 with the ACT Magistrates Court, seeking for a legal fiction to enforce the legal fiction payment of \$10,000.00 when the matter is still being resolved with the legal fiction ACAT and not closed? Why did he also do this with the legal fiction "Arthur Cristian" in relation to the matter XD 14/823 as well, trying to enjoiner the living MAN Arthur to the legal fiction of "The System" where the legal fiction "David Bottril" is being performed?

There is a 2012 Love For Life supporters umbrella called Love For Life Supplies that is a determined partnership of Love For Life supporters that looks after Love For Life projects that support the communication and walk-the-talk of the Kindom Do No Harm Community message, including but not limited to creating food forest vege gardens, health, healing, e-books, music, video projects, workshops, etc. This has been done because Arthur is deeply passionate about causing a mass exodus out of "The System" of harm-doing in this life where no one is compromised by slavery based system obligations anymore. Arthur does not perform in a world of commerce and remains apart from the legal fiction of "The System". Over the years the partners of Love For Life Supplies has generated far less than a junior's annual wage but owns all the assets of Love For Life that have been gifted to Love For Life over the years. Basically, it is each supporters annual, taxable income who have been gifting fictional dollars towards the assets of Love For Life supplies but only after paying their taxes.

It seems that David wants more than simply to protect his name, a name that has consistently been damaged since the late 1990s due to the stigma of others publicly claiming that David has connections with paedophilia and because he is, in his words, "the public face of the OTO". The fact that he wants more than to protect his name can be seen by the fact that he refused to resolve the matter as of the 3rd of June 2014. Even though it is clearly explained on the website that Arthur pulled out of "The System", with full disclosure about our lives having been on the website since 2006, full transparency, nothing hidden or kept secret about who we are and what we stand for, David has still chosen to include the legal fiction name "Arthur Cristian" in his original filings even though the living MAN Arthur, does not own the Love For Life website or have any contractual/commercial interest in it and never has. He cannot be held responsible for what is on the website. This makes David's original filings incompetent, frivolous and vexatious, a form of threat and intimidation and an attempt to coerce the living MAN Arthur to contract. If David Bottrill, or anyone else, wants to have dealings with the legal fiction "Arthur Cristian", they need to contact the administrator, representative or owner of that intellectual property because the living MAN Arthur has nothing to do with it.

Since the 3rd of June, David instigated filings with ACAT in an attempt to enjoiner the legal fiction" Arthur Cristian" to this matter. When the original emails of those filings were sent from ACAT to the Love For Life mail server, the living MAN Arthur saw the legal fiction "Arthur Cristian"/ "ARTHUR CRISTIAN" and bounced them straight back to ACAT. He did not even download them as he refuses to contract with the legal fiction. To the living MAN Arthur, it was irrelevant if my name was in the heading or not. When envelopes started arriving by mail, they were addressed only to the legal fiction "Arthur Cristian" and not to Fiona Cristian and Arthur immediately returned them to sender.

This is why I knew nothing about the matter until I got a phone call in December 2014 from a woman in Western Australia who was also being sued by David Bottrill, with three others.

Now I raise the Waterhouse Act which shows that I cannot legally be held responsible for the actions of the living MAN Arthur, as proved by Gai Waterhouse when she defeated the Australian Jockey Club (AJC) in the Industrial Relations Commission and in the Appeals Court in the Supreme Court of New South Wales when the AJC refused her a trainer's

licence after her husband, Robbie Waterhouse was banned from being a bookie following his involvement in the Fine Cotton affair. Her name was being tainted by association with Robbie, and she was being discriminated against. The ruling that brought about The Waterhouse Act states that a man or woman cannot be held responsible for the actions of his/her spouse and Gai Waterhouse got her trainer's licence in 1992. To refuse me an appeal because I did not appear at the first hearing because I did not know about it because of the living MAN Arthur's actions, is to hold me responsible for the living MAN Arthur's actions which legally cannot be done.

I have sent emails to Kerry Evans at ACAT over the last two days requesting any filings and/or orders dated prior to the 10th December 2014 be immediately sent to me by email because I do not have any of this paperwork and do not know the nature of the original complaint, in legalese or plain English. How am I supposed to have a full picture of this matter if I am unable to see all the paperwork involved? I stress the point, I cannot be held accountable for the living MAN Arthur's actions.

Bill Stefaniak; this matter should have ended a long time ago. You need to be looking at David Bottrill and asking why it has come to this? Why has he gone to such trouble over a comment written by someone else that I took down 6 months ago?

I have lived with Arthur for 19 years and I know what he is like, and the way he does things. The best way to explain it is in the way he explained to me how he used to play rugby league and rugby union as a full back and five eight in the late sixties, early seventies. He is not a big man so he used to get coat-hangered amongst many other dirty things done to him on the field of play by the big boys. Arthur would never let them get the better of him so he would wait to pick his moment and give them back more than he received. And he did it in ways that ensured he never got sent off.

When David started coming after the legal fiction "Arthur Cristian", the living MAN Arthur could see that David is not a peaceful man, added to the fact that David's name has come up in many conversations with the victims of paedophile networks and the fact that Arthur was badly sexually abused from the age of one and a half for some years, Arthur was not going to sit back and let David walk all over him and his family. So when we found out about the shenanigans of the Order on the 10th December 2014 and David's attempt to extort money (slave labour/processing a curse - refer to letters sent to Elizabeth and David)) from my family, the living MAN Arthur put up on the 14th December 2014 a text attachment of the original comment by Michael Borisewicz that was taken down on the 3rd June 2014 in amongst the reporting of the fact that my family was being sued by David Bottrill. See Darkness Visible Part One posted on the 14th December 2014. I have since taken down the text attachment, see below. The living MAN Arthur wanted the wider networks reached across the internet to be provided with full disclosure and transparency as to how the matter started and what has transpired since. Part of Arthur's healing from the damage done to him as a child has come through the Love For Life work in helping many many thousands of men, women and children over the years for free.

Since late December 2014, we have also had the Police involved investigating the possibility that Michael Borisewicz was put up to posting the original comment in March 2014 so that it could be used against us. We have been contacted by people who know Michael and who have suggested that this is the case. The Love for Life work angers those who have things to hide because we bring the dirty secrets of "The System" out into the open. We are seeing other good people with insightful websites across Earth being attacked for the work they do, with none of them having had a problem before. Over the past year, we have had tens of thousands of weekly bot attacks directed at the server of the Love For Life database. The hosts of this server have tracked the attacks and found that they were coming from many, many countries, are coordinated and that they think they are deliberate attacks. Because of this, they have waived the many thousands of dollars in over usage fees thus far. They have kept records of all this.

We have also had the police looking into intelligence agents with possible links into surveillance issues that we became aware of because of comments made on Facebook. Our eldest daughter recently went to Cambodia with her high school, a trip she saved up for herself. We told no one, apart from those connected to her school and yet someone on Facebook started asking us questions about Cambodia out of the blue, and what we knew about the current situation there, someone who has never asked our opinion on anything and claims that she does not read our posts. This particular woman uses masonic imagery and what appears to be Voodoo and claims to be Gnostic. Within the last two months, she was telling us, through her use of Satanic imagery, that we were going down, down, down, teamed with her subtle spite.

This sort of intimidation is common in Satanic cults. We have noticed that Police cars are regularly coming down our very quiet, dead end street, which they never used to do, since my family reported the death threats my family has been receiving. Read Darkness Visible Part Four for more on this here: <http://loveforlife.com.au/node/8561>

Bill, if you do read Darkness Visible Part One, or scroll down the Love For Life home page, you will see all the attacks that have been waged against us and supporters since the whole corruption inside Macquarie Bank came about. And this is to a family that has never broken the peace, has committed no crimes, has never injured anyone, is non-

violent, carries no weapons and does not drink, smoke, take drugs, is not aligned to any movements or politics, alternative or not, and is not part of any cults, sects, religions, think tanks, secret societies, etc, etc.

On top of this is a recent YouTube community strike against a video that has been on the Love For Life YouTube channel since 2011. Suddenly we are being accused of "hate speech". We have never had a problem since the channel started in 2008. For more on this see Darkness Visible Part 6 here: <http://loveforlife.com.au/node/8563>

On Facebook, we have had many thousands of Friends removed over the last 16 months or so, having had none removed previously since 2008. We have people writing to us asking us why we removed the friendship, when we have not done this. We could fill up a page with everything going on on Facebook, which is well-known for being a CIA surveillance and psyop tool.

I also noticed that in the print out David sent of the text copied from the Love For Life website, all the videos posted in the article have "Access Restricted" across them. Presumably David printed them out in the government department where he works. Why are all these videos blocked? We promote truth, stand up to lies and promote life is a gift on a do no harm path. What is so dangerous about this? If David didn't print them out at work, we would love to know what internet filters are being used over the internet of his service provider. The amount of internet blocks that have been appearing over the last year is staggering. We are contacted by many people who say that they cannot access the website, or that the website is tagged as dangerous. Even our emails to each other are regularly tagged as spam and dangerous!

There seems to be a blatant operation to bring us down at play here. The Police we have spoken to are already investigating Satanic networks and their connection to paedophilia, organised crime and ritual sacrifice. There are other things going on that I have documented and given to the Police.

Finally, after our meeting on the 28th January 2015, I unpublished the defamatory comment that David originally objected to by un-ticking the box that referred to that text attachment in Drupal 5. Arthur doesn't usually put up text attachments like this so we don't have much back end experience with this. Normally, the webmaster deals with the back end of the website database. Then I spent some time researching defamation, what makes a defamatory comment and looking at mainstream media and how they deal with reporting cases of defamation and accusations of paedophilia, child abuse, naming names, allegations, etc.

This past Friday night and Saturday morning, I went carefully through all the content in the website that Arthur has been posting and changed a few sentences that I thought David might object to, even though they are not strictly defamatory. From my research, it is NOT defamatory to report on the Love For Life website that David Bottrill is suing me for defamation and why. This is truth and fact. It is NOT defamatory for me to give my opinion, and Arthur's opinion, on this matter. Both reporting and opinion make up the bulk of copy in mainstream newspapers. It is not defamatory to post news and comments that have been on mainstream media and elsewhere for many years.

Whilst checking the content on the Love For Life website early Saturday morning, I clicked again on the link that I thought I had unpublished and the attached text file came up again, despite being un-published. Since 2006, we have had a skilled webmaster voluntarily helping us with the website, doing the back end stuff that we cannot do, as neither of us have a software programming/engineering background. He helped us to set up the website and showed us how to manage the basic html codes for fonts, pictures, deleting and adding comments and posts. He looked after everything else. He is elderly and decided last year that he could no longer keep looking after the website for us. I have copies of all the email correspondence about this.

Since then, after some 12 months or so without a webmaster, as we are unable to pay someone to do this for us, Love For Life.com.au being a non-commercial website with all work done for free, we have finally found a woman we can trust who is voluntarily working on the development of the new Drupal 7 website data base for Love For Life.com.au in her spare time. She has been learning about the Drupal 7 system from scratch and how to upgrade the website database from Drupal 5 to Drupal 7. I contacted her early Saturday morning when I realised that the attached text file was still showing up and she contacted the Drupal community that she connects with for help and found out how to un-publish the attachment properly, by going in to the back end of the website. We have checked on various computers and various search engines and the attachment does not come up. This was all resolved by around 11.00 am on Saturday, 7th February 2015. We can provide correspondence with her to show you. I explain this because, on Monday the 9th February 2015, I received a copy of the letter from David Bottrill to ACAT complaining that the order made on the 28th January 2015 had been breached. I did not breach the order because I removed the defamatory comment straight away, then took time to research as explained before going through the rest of the content concerning David.

Some of the comments that David highlighted have already been changed but there are others that do not seem to be defamatory to me. I am happy to discuss these on Thursday.

I have done everything in my power to satisfy David Bottrill from the 3rd of June 2014, and again since we met on the 28th January 2015. This includes going into everything the living MAN Arthur has done since Arthur started posting the controversies on the 14th December 2014. Yes, I am the owner of the website and I have four young daughters and I am very busy and I have done the best I can in the time I have got to resolve this matter, one that would never have transpired had David Bottrill gone away after the 3rd of June, never to come into our lives again. I spend very little time on the website. Again, this matter should have ended in June 2014.

Also, if I don't get all the information I have requested from Kerry by 11 am today, we need to rearrange this hearing to a day when I have all the information I need to properly present my side of events and circumstances. I need to have full disclosure of everything that has transpired with ACAT if I am not to be disadvantaged in this matter. I also need copies of what David is claiming was still on the website on the 6th June 2015. I can no longer meet on the 20th February because I have committed to my duties to my daughter so it will have to be after that. I have provided full disclosure here, as I have done from the start since I have got involved in this matter.

I am asking you to end this matter as it has been incompetent, frivolous and vexatious from the beginning and David shows absolutely no good will or willingness to resolve the matter as can be seen from the 3rd of June 2014. All this for a comment that living MAN Arthur and I had not made/posted!

Fiona's Letter To Kerry Evans, Bill Stefaniak and David Bottrill

Subject: Re: XD14/741 - AA15/01 CRISTIAN V BOTTRILL - AA15/01 & XD14/741 To Bill Stefaniak and David Bottrill
10th Feb 2015

From: action@loveforlife.com.au
To: Kerry.Evans@act.gov.au and david.bottrill@ and david.bottrill@

Hi Kerry, Bill Stefaniak and David Bottrill,

This reply is to go to all parties addressed above. There are two issues here that need to be resolved today, before close of business.

Firstly, this living woman, referred to as both "I" and "the living woman" in this letter, just needs the originating document that David Bottrill filed that started this matter with ACAT.

Is it not possible for that to be sent today? In reference to what Kerry has written to me earlier today, does no one in the ACAT office have access to this document? Am I supposed to trust ACAT to make decisions about this matter when ACAT staff cannot find originating documents and forward them by email? Are the men and women setting ACAT into motion competent or not?

One of the objects of the ACT Civil and Administrative Tribunal Act 2008 is "d) to ensure that decisions of the tribunal are fair"

How can the decisions be fair when I am denied access to the originating complaint, the seed of this whole matter?

To this woman, saying that the hearing tomorrow is just to address an alleged breach of order as if it has no relation to the rest of the matter XD 14/741 and the subsequent application for appeal, is like saying that the leaves of the tree that is the alleged breach are separate from the branches of the tree that is the appeal that is separate from the roots of the tree that come from the seed of the originating complaint.

I have already provided Bill Stefaniak and David Bottrill with full disclosure today as to my position and circumstances surrounding the whole of this matter because it is only by looking at the whole picture that a satisfactory solution can be reached. It is no use putting a band aid on a cut finger if the rest of the body is also bleeding.

David Bottrill's originating document has bearing on what happens tomorrow and without it, I cannot competently conduct my standing in the tribunal. Am I being disadvantaged here? Remember that I do not have paperwork prior to the 10th December 2014 due to the actions of the living MAN Arthur that I am not responsible for and cannot legally be held responsible for under the Waterhouse Act.

I am coming to this matter with full responsibility for everything I think, feel and do. I am not giving up my power, my life, and acting under third party limited liability, limited responsibility, making someone else responsible for what happens to me. I am not the Ward of State, a person in fiction in this matter because this affects the living, not the fiction that does not exist. In each moment of my life I have the natural inheritance to be competent and therefore, to have all the information I need to be competent and be fully accountable for all my actions, which means I am to be treated with respect, meaning that I am dealing with competent people in ACAT who act responsibly in this matter with a competent woman who wants to do her job competently tomorrow. When it comes to harm being done to this living woman and her living family through the name scam of the legal fiction, this living woman stands up and says, "No". This "No" to harm and disrespect is a constant.

I do not give permission for anyone to impersonate the sensory consciousness (touch, taste, feel, smell, hear, see) of the living woman that I am by claiming to know the thoughts, intentions and motivations of this living woman and putting them down on pieces of paper and using those pieces of paper to attempt to e-motionally compel this living woman to perform in a ritual as set out on pieces of paper. The living woman is not there on the pieces of paper. The living woman is not in the letters or the numbers, or in the thoughts of this living woman bouncing between your ears as echoes. Can you have a direct, first party to first party sensory experience of the consciousness of the living woman by talking to the thoughts in your head or what is written on pieces of paper? Does she live in your filing?

I fully comprehend the third party legal fiction name and how it works in "The System" and I also fully comprehend that this living woman is not the third party legal fiction put down on pieces of paper in the claims about a Fiona Cristian. All he has here is the legal fiction of a make-believe Fiona Cristian in third party that he has to impersonate and persuade others to join with him in that impersonation of the consciousness of the living woman being performed here. This is fraud and lying. David Bottrill is going to have to prove that the consciousness of this living woman is in the letters and numbers on the pieces of paper that form the story telling of his claims. This is not my real life, my consciousness. Is David Bottrill the real life of the living woman Fiona Cristian or is he attempting to give life to the legal fiction Fiona Cristian. He has to prove that he is the living woman and can therefore act for her. No one has my permission to kidnap this living woman. I do not give my life away to anyone. I refuse the offer of harm.

I am not prepared to accept lies and perform them because a lie is a curse and the curses of the lies always return to their makers. I do not accept the curses of this action against me. I refuse to lie and to be cursed, which is why I refuse to accept the legal fiction as being the consciousness of this living woman. I refuse the make-believe performance being put on by David Bottrill and Bill Stefaniak, all in third party, if your intention is to get me to accept this offer of harm in the form of slave labour, the processing of a curse, the discrediting of the living woman. Those who create the curses are welcome to process them in whatever way they create, without respite or escape. This living woman and her family have nothing to do with it and never will. The line is drawn here. I do not give anyone permission to blur the line between the consciousness of the living woman and the make-believe legal fiction in third party fake consciousness.

As explained several times, I am more than happy to meet with you, Bill Stefaniak and you, David Bottrill, first party to first party, the living amongst the living to sense the real lives of each others intentions and to bring peace to this matter through the magnificence of the intentions of each others consciousness, but I will not accept any man or woman impersonating my consciousness, my life and making out that they know my intentions. I come to sort out the lies from truth and move forward from there.

If you David Bottrill and you Bill Stefaniak want to deal with the legal fiction Fiona Cristian, I suggest that you take it up with the administrator of the legal fiction name because I am not performing the legal fiction name here in this matter. As this matter is a curse, and therefore a sin, you could also take it up with the local priestly administrators who deal with sinners.

Now, how hard is it to send me an email of David Bottrill's originating document? Kerry, I am sure you can make it happen if you chose to.

Secondly, I provide a copy of an email sent to ACAT last Friday.

This is Fiona Cristian here.
I spoke to Gordana at 12.40pm in your office today because I was seeking clarification of the meaning of the IN CHAMBERS ORDER made by Ms. K. Soper on Thursday 5 February 2015.

Gordana explained that the following words from the IN CHAMBERS ORDER

"1. The application for Interim or Other Orders being withdrawn is dismissed."

means that Case XD 14/823 has been dismissed completely.

I need to have a copy of the judgement as a formal document, with a letterhead, in unambiguous, plain English rather than in Legalese, as I do not comprehend Legalese, confirming that case XD 14/823 has been completely dismissed. The copy of the judgement needs to be immediately accompanied by the written reasons for the dismissal. Both documents need to be signed by Ms. K. Soper who made the IN CHAMBERS ORDER and sealed with the ACAT seal.

I would like to have these documents sent by email as attached pdfs by no later than Wednesday 11th February 2015 by 5.00pm, with the originals to be sent in the mail to the address you already have.

I also instruct you to inform the Magistrates Court of the Australian Capital Territory that Form 2.49 No. CS15/00083 dated 21st January 2015, made by the applicant David Bottrill no longer applies as Case XD14/823 has been dismissed. I need confirmation in writing that this has been done, sent by email as attached pdf also by Wednesday 11th February 2015 by 5.00 pm, with originals to be sent in the mail to the address you already have.

With regards to case XD 14/741, I am due to appear at a hearing with Bill Stefaniak, Appeals President, and David Bottrill, applicant, on the 20th February at 10.00am. When this date was arranged between him, myself and David Bottrill, I was free to attend. However, one of my daughters has been made president of Mittagong Public School's Student Representative Council (SRC) and I have been asked to attend the school assembly to pin on her SRC badge and her president's badge. I need to contact the Appeals President to request a change of date for the hearing, after the 20th February 2015. Could you please let me know how to go about this? I can be contacted by mobile on 0408 978 404 or through this email address.

Dear Sir / Madam

Thank you for emailing the ACT Civil & Administrative Tribunal (ACAT). The Tribunal aims to action all emails within 3 business days.

Please note that the Tribunal is unable to provide legal advice.

"3 business days" but have heard nothing since. It is now past three business days since the time the email was sent. The information I have requested also has bearing as to what happens tomorrow in that it is part of the bigger picture of everything that has happened since David Bottrill made his original complaint.

Has the information been prepared?
What time today will I receive it?
Or is this another matter of incompetence by the men and women of ACAT?

Fiona Email To Queanbeyan Local Court And To Wollongong Sheriff

In reference to 912/2015/L0002855

Queanbeyan Court Issued Writ For Levy Of Property 2015/00011100 - Arthur Cristian - David Bottrill

Hi, this is Fiona Cristian here.

I live in Bowral NSW and am driving to Canberra tomorrow and am planning to drop in to the Queanbeyan Local Court on the way through. I want to have this file ready so that I can make photocopies (unless you have a spare copy) because we know nothing about this matter. We have never received any paper work regarding this matter 912/2015/L0002855 - 2015/00011100.

NSW Sheriffs from Wollongong want to visit my family home this Friday 27th February to meet Arthur.

After bankruptcy orders were made in the Federal Magistrates Court 2005 - SYG 37 332 005 for legal fiction Arthur Cristian, the living MAN Arthur completely dropped out of "The System" by mid-end 2006 and since then has never had a job and gave up all bank accounts, credit cards, Centerlink \$\$\$, Medicare, Drivers License, Car Registration, Passport, leases, contracts with gas, electricity, telephone, internet, etc, etc...

Besides giving away his business to his staff back in early 2006, the living MAN Arthur just completely dropped everything with the legal fiction Arthur Cristian and walked away from "The System" and has never used the legal fiction since to perform in commerce. Ever since Arthur has been assisting as a humanitarian, an unpaid volunteer.

Since November 2005 I have been the only lessee for the family home 11 Roycroft Street East Bowral NSW and will be providing the Sheriffs with a copy of the lease for him/them to sight and a Sydney Family Law Court Order made in 2004 - FYF 4465 / 2004 showing that in my 2004 separation with Arthur, the orders gave me all family property, assets, furniture, etc, back then. As I have four daughters with Arthur, Arthur loves to see his children regularly at my family home.

As best that I know since 2005 and besides the clothes that he wears and hair brush, etc, Arthur does not own anything, has no money, no furniture, no home, car, boat, bike, truck, equipment, etc, no superannuation, no savings, etc, etc.

Last week I spoke over the phone with David of the Wollongong NSW Sheriffs office and have informed him that I am willing and able to help him/them in fulfilling their responsibilities when he comes to visit outside my family home this coming Friday. I have since arranged for Arthur to be at my family home this Friday to meet David too. Unless David/Sheriffs can show the law where he has the rights to come onto my family property/home I will not be letting the NSW Sheriffs enter my property. For that to happen I would need to see a warrant or at least a copy of the law that shows they have rights to enter my property. This matter has to do with the legal fiction Arthur Cristian and NOT Fiona Caroline Cristian.

I have also sent this email to wollongongsheriff@agd.nsw.gov.au today for David to receive. Arthur has assured me that he has every intention of cooperating with David/Sheriffs this coming Friday which I will be doing as well, in a civil manner, so that this matter can be sorted out as efficiently as possible. I am just making it very clear that I do not give David and his staff my permission, past, present, future, to enter my family home that's unless they can provide me with a copy of the law that clearly shows they have the legal right to do so.

I can be contacted on

Thank You
Fiona Cristian

Good Afternoon,

I refer to phone discussions last week concerning the leave to appeal application that was adjourned recently.

I have been in contact with ACAT and have now received the material that Judge Burns was looking for and this together with the file has been passed on to the Judge for perusal.

I have spoken to the Judges associate Alexandra Smith concerning the matter and she has informed me that the matter is still listed for 13/04/15 as previously advised. She has further informed me that if you wish the hearing to be brought forward for any reason then you can email her (alexandra.smith@act.gov.au) requesting a change and explaining the reasons and background for that change and the issue will be discussed with Judge Burns. You should also cc the respondent into the email so that they are aware of the situation and can agree or disagree with any change accordingly.

Fiona Writes To Judge Burns Associate Alexandra Smith

Subject: Urgent - Leave To Appeal - Fiona Cristian - Hearing Before Judge Burns

From: action@loveforlife.com.au
To: alexandra.smith@act.gov.au

Hi Alexandra,

I had a hearing for Leave To Appeal before Judge Burns on the 4th March 2015.

When I appeared before him he said he did not have sufficient material to make a decision as the paperwork from ACAT, where the Order that I am appealing was made, had not been given to him.

He said that he would arrange for the paperwork to be sent across and we re-arranged the hearing for the 13th April 2015.

There is one matter that I did not clear up with Judge Burns on the 4th March 2015.

Among the papers I filed in the Supreme Court is an Application in proceeding, Form 6.2, to apply for an injunction to be put on the order from ACAT until this matter has been fully heard and resolved. Due to the actions of my husband, I did not know about the original hearing at ACAT and I was refused an appeal at ACAT due to my lack of understanding of the laws of defamation in Australia, which is why I am appealing to the Supreme Court. Details of all this can be found in the Affidavit I filed at the Supreme Court on the 24th February 2015.

The Order given to me by ACAT was made on the 12th February 2015 and gave me 28 days to pay \$10,000.00 to the Applicant. I am a mother of four children on Centrelink payments and do not have \$10,000.00 to pay, which is also why I am appealing the decision by ACAT. The 28 days I have been given to pay before enforcement proceedings begin against me runs out tomorrow 11th March 2015 so I am very anxious to know whether the injunction has been granted so that I do not have to deal with sheriffs turning up at my door until this matter is fully heard.

Please could you put this situation before Judge Burns and let me know if the injunction has been granted. I will also require a copy of the Order confirming this.

Regards,

Fiona Cristian

Having forgotten, a few minutes later Fiona sent a copy of her email to Alexandra to David Bottrill

To be continued..... Another 6 weeks or so of info still needs to be uploaded here. Should all be done by mid April or so 2015.

Sequential Order

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use

the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Name", Contract To "Name", "The System" Of "Names", "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, 1st Party vs 3rd Party, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, ignorance, being fed many many lies and being traumatised. The issue is not overpopulation - there is more than enough land available for every family to

have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

We live for NO SYSTEM. We do not lose anything by not having a man-made system and, in fact, we gain. We gain our freedom and we gain abundance. Let go of the fear.

**A Collection Of Various Love For Life Posts
Providing The Big Picture We See
Sequential Order**

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

Peaceful Transition Through Sacrifice And Service

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

The Cristian Family Declaration

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.
- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.
- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

Update Regarding The Love For Life Home Page And Quick User Guide

We are turning the Love for Life Quick User Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

Love For Life Videos

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

Love For Life Music

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

About Us - Love For Life & The Cristian Family

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

**THE CRISTIAN FAMILY SUPPORTS
FREEDOM OF SPEECH - FREEDOM OF THOUGHT**

Posted Wednesday 17th June 2009

Updated September 2011

NSW Jewish Board Of Deputies Has Threatened To Shut Down The Love For Life Website

No Freedom Of Speech - No Freedom Of Thought

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from

our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: "**NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of Bank Fraud Condoned By Judges**" <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles:** <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see

Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
