## THE 1930S HOUSE

The historic 1930s House, a private outdoor Spanish-Style Bungalow, was originally built as a single family home. The structure, once located across the street from the hotel, was picked up by crane and moved to The Confidante's backyard in 2001. It still has the original wood beam ceilings and hand-carved limestone fireplace. This incomparable aesthetic creates an unforgettable backdrop for rehearsal dinners, baby showers, milestone birthdays and more. The space can host up to 40 people for seated functions and up to 100 for a reception inside of the house and on the front and back terraces.
