Rewards Packages That Go Above and Beyond

Be an employer of choice in this competitive market and keep your top talent happy with our total rewards packages.

Velocity Global exceeds the standard market approach to international benefits. Our local experts craft talent-friendly rewards packages in more than 185 countries. By offering locally competitive packages, you'll increase workforce loyalty and set the tone for ideal employment in your industry.

The best part of our comprehensive benefits? We do all the hard work for you—no need to pore through complex benefits laws or research market-specific offerings across the globe. Rely on our benefits team to deliver compliant rewards packages that help you rise above a crowded field of competitors.

Why Work With Us to Offer Global Benefits?

- **Comprehensive coverage.** Our benefits cover a range of rewards—from employee-friendly pension plans to life, AD&D, dental, and health coverage—that keep your talent feeling valued.
- **Unmatched rewards partnership.** We partner with you to design a comprehensive rewards strategy that meets your and your talent's unique needs, and we provide full support whenever questions arise.
- **Competitive pricing.** Give your talent top coverage at competitive prices. We offer benefits to thousands of professionals worldwide, making us eligible for low rates that are only available to large-scale global providers.
- **Global expertise and compliance.** We know how to elevate standard regional benefits for your global talent at scale. Rest assured your rewards packages are legally sound without spending countless hours researching local labor laws.
