My Theme: End Goal? Government Control

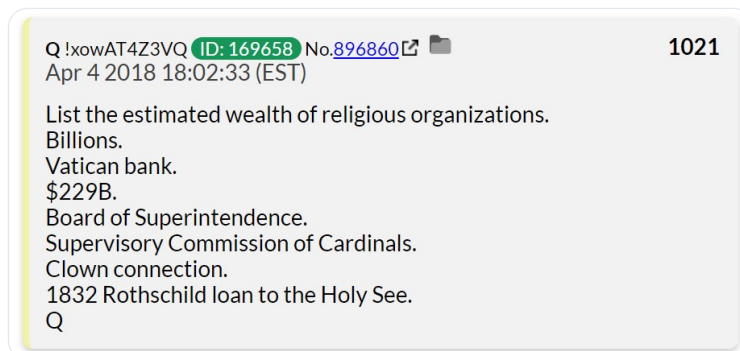

2) Q explained that the goal of elites is worldwide government control. The goal is realized by having certain families control certain groups of people.

The 3 families in control are illustrated by a triangle. They are the House of Saud, the Rothschilds & George Soros

3) The Rothschilds control banks and financial institutions and through them, national governments as well as the Catholic church (via the Vatican Bank). By controlling governments and the church, the Rothschilds control large numbers of people.

4) Saudi Arabia's oil reserves gave it global power. The Saudis controlled key U.S. and U.K. politicians through pedophilia and blackmail.

Saudi princes like Alwaleed bin Talal are major investors in the tech sector & the media, including social media platforms like Twitter.

Does the MSM shelter and protect select 'party' members?
Does this protection insulate these 'party' members?
Who controls the narrative?

5) George Soros funds left-leaning political activists & organizations. Slush funds have been set up by politicians to take taxpayer money and re-route it to fund Soros organizations which provide propaganda to keep normies unaware of who is in really in control.

6) The arrest of Saudi princes in November of 2017, cut the strings of control to U.S. politicians.

Having lost their protection, many members of congress resigned.

Wealth (over generations) buys power.
Power (over generations) buys more wealth/control.
More wealth/control buys countries and its people.
Families combined (TRI) = NWO.
Inner TRI families will collapse.
What is the keystone?
What Nation dominates all others?
What Nation has influence over most others?

Power brokers are also labeled as the puppets/servants.

9) But those who would enslave the world aren't giving up without a fight. They have a plan and we're watching it play out right now.

If you know your history, you may see familiar patterns developing.

10) The Russian revolution of 1919 swept Vladimir Lenin into power, giving communists a stronghold in Asia

11) Anti-communist sentiment grew throughout Europe in the 1920s. In Italy, Benito Mussolini promoted fascism as a counter to the communist threat.

12) Italy is predominantly Roman Catholic and winning the support of the Vatican was crucial to Mussolini's success.

13) In 1929, Mussolini and Pope Pius XI signed the Lateran Treaty—an agreement that provided financial compensation to the church and secured the Vatican's support of Mussolini's fascist party.

Lateran Treaty (1929) Summary & Facts

Vatican City territory The Lateran Treaty was an accord of 1929 between Italy and the Vatican. It was signed in February 11th of that year, and ratified in June 7th by the Parliament of the Kingdom o...

14) Mussolini employed the use of public threats, intimidation and beatings of anyone who opposed his ideology.

The violence was carried out by teams called "Squadre d'Azione," which later became known as the "Blackshirts."

15) The global depression of the 1930s triggered by the 1929 stock market collapse created an ideal situation for opportunistic political leaders.

16) Mussolini and Adolph Hitler rose to prominence in the 1930s by stoking anti-communist fear and promising a better standard of living.

17) Like Mussolini, Hitler signed an agreement with the Catholic church that provided wealth to the Vatican and secured the support of Germany's clergy and parishioners.

https://www.newadvent.org/library/docs_ss33co.htm

18) Like Mussolini, Hitler enforced his ideology through violence. His Stormtroopers AKA, "brownshirts" were a knockoff of Mussolini's blackshirts.

19) Although claiming to oppose fascism, Antifa takes its tactics from the playbook of fascist thugs from the 1930s.

20) Q picked up on this theme today, pointing out the similarities between the tactics currently used by Democrat leaders and those used by fascists in the 1930s.

21) Q linked to an article explaining how the Associated Press was the only media outlet allowed inside Germany during World War II. Their presence was permitted because they agreed to hire Nazi propagandists and publish what they were told to by Hitler.

22) A hallmark of fascism is control of the public narrative.
The censorship, dishonesty, bias and the practice of publishing leaked intelligence to harm political opponents are right out of the playbook of the fascists of the 1930s.

23)

24) HOW DID HITLER GAIN POWER?
Global depression?

Reparations?

Rise in unemployment?

“Germans began to lose faith in democracy and looked to extreme parties on the both the Left (the communists) and the Right (the Nazis) for quick and simple solutions.”

<https://www.bbc.co.uk/bitesize/guides/zpvhk7h/revision/1>

25) “When people are unemployed, hungry and desperate... they often turn to extreme political parties offering simple solutions to their problems. Between 1930 and 1933 support for the extreme right-wing Nazis and the extreme left-wing communists soared.”

26) NOW:

COVID-19 > global economic depression?

[D]party > BLM race push_reparations?

COVID-19 > huge rise in unemployment [40mm]?

27) NOW:

Insurrection [riots, city takeover(s), remove police (weaken), property destroy, assault(s), murder, release by [D] Gov/Mayor(s) back-to-streets (safezone(s)), division, hostility, race war, etc.?

28) Just as the goal of fascists in the 1930s was global domination, the goal of the Democrat party is to cause enough chaos to convince people that our Constitutional Republic must be replaced with a global government.

29) The schemer behind the mayhem, the agitator hoping to set up a one-world government is the king of chaos—George Soros.

(A worthwhile read.)

Only when evil is forced into the light can we defeat it.
Only when they can no longer operate in the

Only when people see the truth [for themselves] will
people understand the true nature of their deception.

I live near Atlanta. An officer came and shopped in my store the other day. She was afraid to even tell me what her job was, and when I finally convinced I was not a judgmental person, she whispered "I'm a cop". She then told me that she had just gotten off work and decided to change in her car before coming in because she was too scared to wear her uniform in public. She said her jurisdiction hasn't been too bad but tensions are high. Everyone is on high alert. I wanted to give her a hug. But with this covid nonsense you never know what people's comfort zones are anymore. At least I was able to give her 10% off her purchase. My heart hurts for all of the good cops out there right now.
