

Cheers to 170 Years!

Experience the festivities during your stay.

This year marks a milestone for Charleston's iconic Mills House, as we celebrate our 170th Anniversary this month. Originally opened in 1853, the legendary Pink Hotel on the corner of Queen and Meeting Streets is celebrating all August long with festive programming, throwback menus, local partnerships and more!

THROWBACK IRON ROSE MENU

Stop into Iron Rose all month long for historically inspired dishes that pay homage to the original dining menu of the hotel from 1860. Enjoy a three-course dinner tasting menu for \$48/person with a selection of appetizers, entrées, and desserts – expect items such as “Mock” Turtle Soup, Crab Gratin a la Creole, Venison Loin en Croute, Grilled White Shrimp, Lafayette Cakes, and more for a fun taste of history. Head to millshouse.com or text us at 843-305-7086 for the full menu and to make reservations.

JERRY THOMAS INSPIRED COCKTAILS

Taking inspiration from Professor Jerry Thomas, widely considered the founding father of the modern cocktail and a bartender at The Mills House's Best Friend Lounge back in the late 1800s, Iron Rose is offering a special cocktail menu featuring twists on classic recipes. View the full menu on millshouse.com.

We'll see you at our signature restaurant Iron Rose for a taste!

GIBBES MUSEUM POP-UP GALLERY

Curated in partnership with our neighbor, The Gibbes Museum of Art, this pop-up art exhibit on the first floor features original historical works of The Mills House from the museum's archives - and a slideshow of documents from over the years including news clippings, menus, and more.

During the month of August, Gibbes is offering our guests 20% off all tickets – use code Mills23 at check out on their website.

THE MILLS HOUSE BARBER SHOP

On Saturday, August 26, The Mills House is hosting a pop-up barber shop in partnership with Broad Street Barber offering free shaves and haircuts. A nod to Joseph Rainey – one of the most influential freedmen in Charleston and the first African American to serve in the U.S. House of Representatives – the pop-up barber shop will pay homage to Rainey's original barber shop, which operated on the ground floor of The Mills House in the 1800s.
