My Theme: Prepare for the Storm

2) Since the President's acquittal, things appear to be moving quickly toward the prosecution of corrupt people. If you've followed my recent threads, you know it's my belief that recent Q posts suggest significant events transpiring in the very near future

3) If the President is to avoid another attempt to remove him from office, he must act quickly.

Q said Adam Schiff's four-step plan to remove POTUS from office failed and there will be no step 5.

► Q !!Hs1Jq13jV6 02/10/20 (Mon) 11:21:22

<https://www.washingtonexaminer.com/washington-secrets/bigger-than-vindman-trump-scrubs-70-obama-holdovers-from-nsc>

We got what we needed.
There is no step [5].
Thank you for playing.
Q

4) Q has been promising for years that the days of evil people walking free are about to come to an end.

Because we've seen these posts so frequently, some refuse to believe it's ever going to happen.

► Q !!Hs1Jq13jV6 02/17/20 (Mon) 19:29:50

To be blunt....
GAME OVER.
Q

5) Either corrupt people are going to be prosecuted or POTUS will be subjected to another fake Congressional investigation. If that happens, he will likely face another impeachment.

6) I don't believe the President will allow that to happen.
I believe he will take the steps that are necessary to remove the threat of bad actors.
He has no other option.

7) Tonight, it was announced that Kash Patel will become a senior adviser to newly appointed (acting) Director of National Intelligence, Richard Grenell.

Natasha Bertrand ✓
@NatashaBertrand

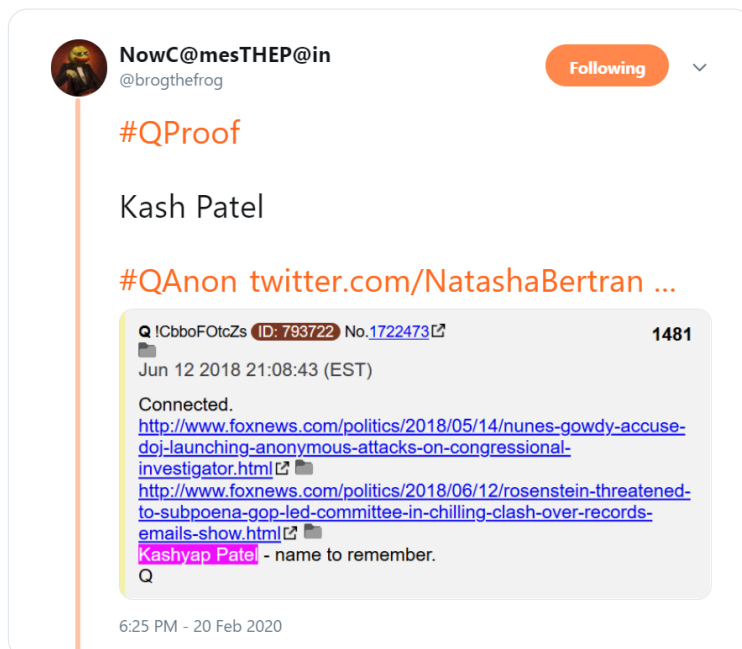

Breaking now: Kash Patel, a former NSC official who also played a key role as a Hill staffer in helping GOP discredit the Russia probe, is now a senior adviser for new acting DNI Richard Grenell, according to 4 people familiar with the matter.
[@dliipman politico.com/news/2020/02/2...](https://dliipman.politico.com/news/2020/02/2...)

8) [@brogthefrog](#) posted a Q drop from June of 2018 where Q said Kash Patel is a name to remember.

9) Patel was an aid to Devin Nunes. He helped write the famous "Nunes memo" that

detailed the improper actions taken by Spygate plotters - a memo disputed by Adam Schiff but found to be factually accurate after the IG report on Crossfire Hurricane was released.

10) Patel came under attack by Democratic members of Congress for the work he did uncovering Spygate corruption.

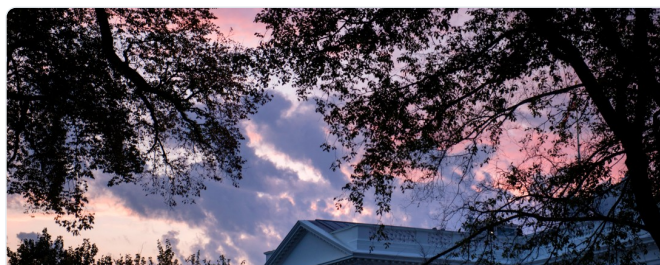

Nunes, Gowdy accuse DOJ of launching anonymous attacks on Congr...

Two senior House Republicans are accusing the Justice Department of being behind "anonymous attacks" in the press targeting a House Intelligence Committee GOP staffer who helped author the committee'...

<https://www.foxnews.com/politics/nunes-gowdy-accuse-doj-of-launching-anonymous-a...>

11) In February of 2019, Patel joined the National Security Council.

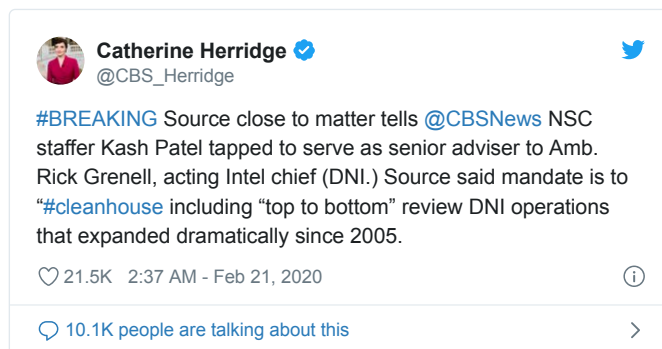

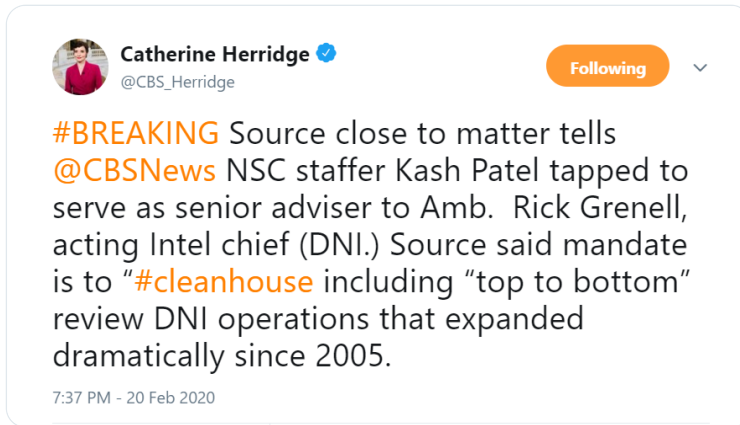

12) On May 10, 2019, Patel had a 25-minute phone conversation with Rudy Giuliani. The circumstances surrounding the call caused some to accuse him of being a backchannel to POTUS on matters related to Ukraine. Patel denied the allegation.

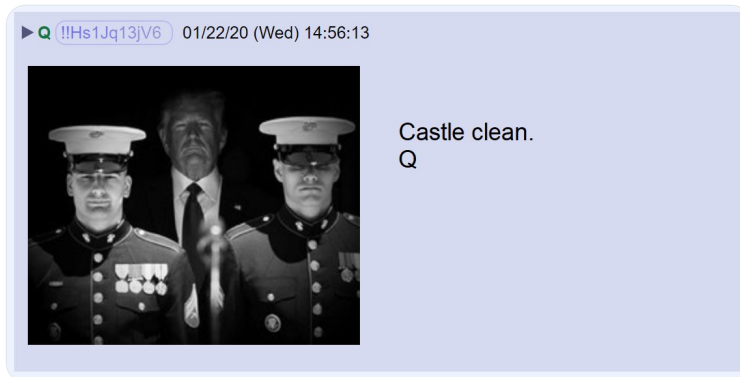

13) According to [@CBS_Herridge](#) Rick Grenell and Kash Patel have been given a mandate to [#CleanHouse](#) at the DC swamp.

14) I believe this post from January was a predictor of the current house cleaning.

15) When Hope Hicks returned to the White House last week, the bigger story most people missed was the addition of Johnny McEntee, a friend of the Trump family, who will end the careers of swamp creatures and bring in new people willing to support POTUS.

POLITICO

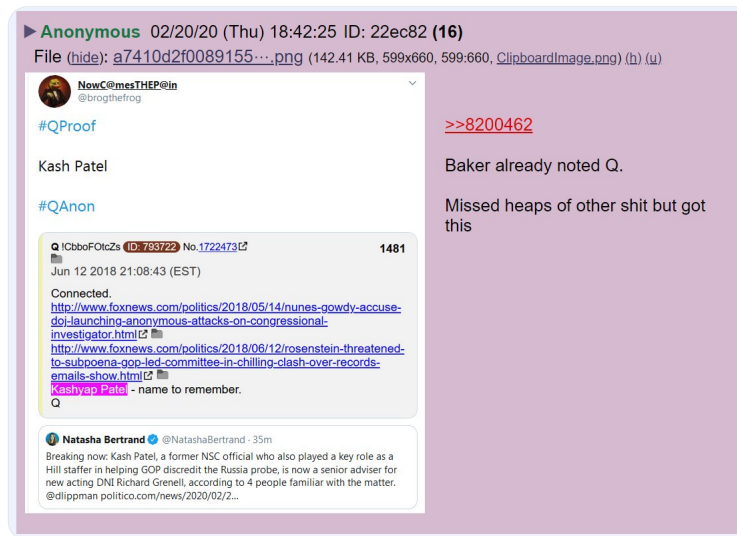

On Thursday, the White House confirmed that Hope Hicks, one of Trump's most trusted confidants, will return to the White House to work directly for the president's son-in-law and top adviser, Jared Kushner, as a senior adviser after nearly two years away. Trump's "body man" Johnny McEntee is also being promoted to run the office responsible for filling hundreds of top political jobs throughout the federal agencies, according to three senior administration officials, replacing Sean Doocey, who will move over to the State Department.

16) I see a change in strategy and tactics regarding personnel.

POTUS is done trying to work with the swamp.

He's kicking deep state sympathizers out of the castle, surrounding himself with a handful of loyal patriots, and going to war with them at his side.

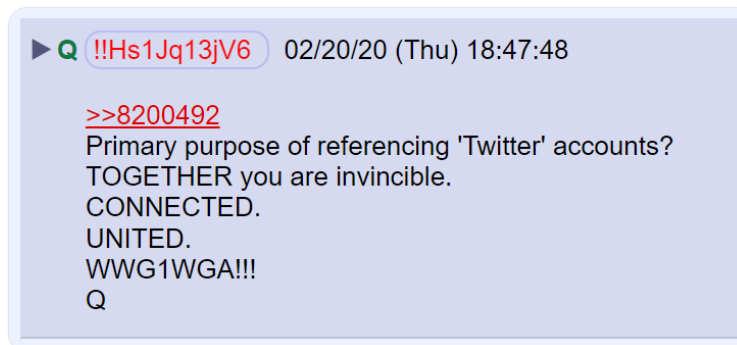

17) After Q posted the link to [@brogtthefrog](#)'s tweet, an anon said they'd already noted it.

18) Bakers and anons to a lot of the heavy lifting when it comes to research and organizing information.

Twitter users spread the information to the public.

Together, we're invincible.

21) The film "White Squall" contains many themes relevant to the journey we're on. Among them are the development of maturity and bravery in the face of adversity, and the need for unity.

22) A reminder:

Look for this as the signal that the storm has arrived.

23) Confirmation on the role Johnny McEntee will play in helping drain the swamp.

President's new personnel head tells agencies to look out for disloyal ...

President Donald Trump's new personnel chief told agency officials at a meeting on Thursday to expect staffing changes and movements across the government, people familiar with the meeting told CNN.

<https://www.cnn.com/2020/02/21/politics/john-mcentee-disloyal-white-house-staffers/in...>

24) McEntee, who was elevated to run the presidential personnel office, made it clear his office will be on the lookout for staffers across the bureaucracy who are disloyal to Trump.

McEntee will focus his efforts on personnel at the State Department & the Department of Defense.

Johnny McEntee became somewhat famous for this viral video.

29) Not to be outdone, Eric Trump posted the insignia of the Treasury Department on his Instagram account.

Why is this relevant?

The year shown is 1789.

That's also a post number.

30) Post number 1789 is about Q going mainstream as part of the Great Awakening.

Q said less than 10 people have the full picture and only [three] are non-military.

Are those three people the ones who dropped subtle hints today?

You can count the people who have the full picture on two hands.
Of those (less than 10 people) only three are non-military.
Why is this relevant?
Game theory.
Outside of a potential operator who has been dialed-in w/ orders (specific to his/her mission) nobody else has this information.
Operators never divulge.

32) I wonder if today's Trump family posts are what Q was hinting at in the filename of this post from February 12th: GA2.21

33) Consider what POTUS has been saying about Dan Scavino lately (most powerful man in politics).

Why do you suppose Politico chose to include in this story a pic of Scavino with Kash Patel?
