## UEBERT & BEBE ANGEL

The founders of Spirit Embassy (The Good News Church) Worldwide, Prophets' Uebert and BeBe Angel are excited to bring you The Good News Daily Kids Devotional.

Each day makes the word of God so much fun! We've made sure every lesson is easy to read and understand.

Children will be encouraged as they read and speak prophetic declarations into their lives every day. The devotional also inspires little ones to have their own quiet times through further studies and notes sections where their thoughts can be journaled. The roots of the Christian faith will be driven deeper in their tender hearts as they grow spiritually and understand the Good News of God's grace in their early years.

**Acts 2:38 (NKJV)**

Then Peter said, to them, "Repent, and let every one of you be baptized in the name of Jesus for the remission of sins; and you shall receive the gift of the Holy Spirit."

Today we have GoodNews, I mean really GoodNews! Have you ever thought about how God treats sin when you receive the life of Christ? You may be surprised that God does not forgive you when this happens! Yes, that is right! He does not forgive you!

Remission of sins means that God treats the sin as if it never existed before in your life. In other words, He looks at you, and sin is nowhere to be found! I do not know about you kids, but that is something to shout about! Jesus has dealt with sin, so leave it where it belongs!

**PROPHETIC DECLARATION**

Sin has been dealt with in my life. I walk in dominion and I walk in victory! Hallelujah!

**FURTHER STUDY**

Acts 2:36-39

**Acts 1:3 (ICB)**

After His death, He showed Himself to them and proved in many ways that He was alive. The apostles saw Jesus during the 40 days after He was raised from death. He spoke to them about the kingdom of God.

Sometimes people can talk about Easter with sadness, focusing on "Good Friday" as the terrible day that Jesus suffered and died. What is amazing about this verse is that it says, 'After His death' He showed himself to them (Jesus' disciples) and proved in many

ways that He was alive.

Kids, the Easter story is more than a story. It did not end on the day that Jesus was crucified. Forty days after His death, He proved in many ways that He was alive. He is still alive today! Glory, hallelujah! Shout to the Lord with a voice of victory!

**PROPHETIC DECLARATION**

Jesus proved that He was alive and He is still alive today! Hallelujah!

Acts 1:1-3

Acts 1:8 (NKJV)

But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth.

When you turn on a light switch, you may call the shining light electricity, but electricity is the power running through the cables which cause the light bulb to shine. God has given His children Holy Ghost power!

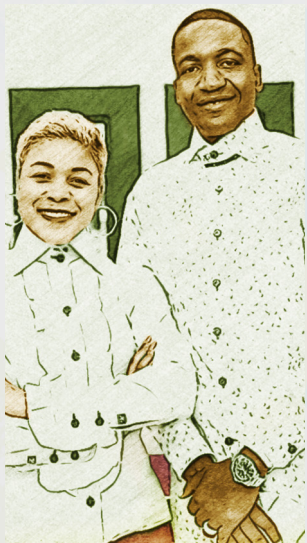

You carry God's Holy Ghost power on the inside if you are God's son or daughter. You can show this power to your family, friends and people you do not know because you are God's witness wherever you go! Walk in your God-given power today!

## PROPHETIC DECLARATION

Holy Ghost power is running through my veins. I am a walking talking powerhouse!

Acts 1:4-8

**Ephesians 5:30 (ICB)**

...because we are parts of His body.

Kids, do you want to know something amazing about Easter? As a child of God, you have become a member of Christ's body. You have literally become Christ's body parts.

Think of your body: you have ears, eyes, hair, and teeth.

In Christ, you are His eyes, ears, hair, and teeth. When you walk, it is Christ who is walking! When you speak, it is Jesus who is

speaking. This is almost too good to be true! This Easter, meditate on who you are in Christ. Know that Jesus' death and resurrection have given you this new identity!

**PROPHETIC DECLARATION**

When I walk, it is Christ walking. When I talk, it is Jesus talking! I am a member of His body, of His flesh and of His bones.

1 Corinthians 12:27

**2 Corinthians 5:17 (ICB)**

**If anyone belongs to Christ, then he is made new. The old things have gone; everything is made new!**

Easter is a glorious time for the child of God because it reminds us of the brand-new identity that Christ has given to us. In our Bible verse today, we are told that if anyone belongs to Christ, he is made new.

You are not the cause of the death of Christ. Rather, you are a product of His resurrection - glory! There is no old you because the new you has never existed before. That is a good place to shout! Walk in the reality of this mindset today!

**PROPHETIC DECLARATION**

**I am not the cause of the death of Christ. I am a product of His resurrection. I am a new creature, and I have never existed before. Hallelujah!**

### Ephesians 5:18 (ICB)

Do not be drunk with wine. That will ruin you spiritually. But be filled with the Spirit.

When you put rubbish into a bin for recycling, you know that it will be used so that after being processed, the raw material can be used again. You may have heard the phrase, 'he gave his life to Christ'. Although it sounds sincere, it is sincerely wrong!

When you become born again, you become a brand-new species that never existed before. Christ does not recycle your old life, but

He replaces it with His own! You are a container with God Himself on the inside of you. That is why you must be filled with the Holy Ghost so God can influence you completely! Be filled with the spirit today!

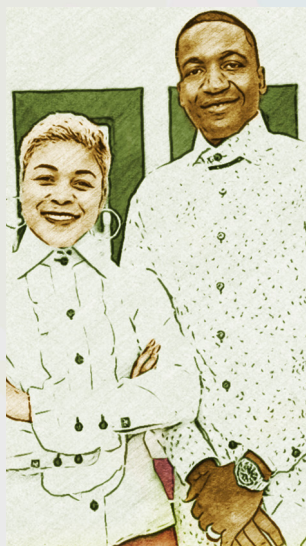

## PROPHETIC DECLARATION

God has replaced my life with His own. I am His body part and everywhere I go, I am Christ in motion. I yield myself fully to Him, hallelujah!

You were made free from sin, and now you are slaves to goodness

Imagine going to a shop and taking your item to the counter. The person at the till says, "This item has already been paid for, you can go". What would you say? Would you try to pay for the item again, even though it has already been paid for?

Jesus Christ has dealt with the sin nature once and for all. He has already paid the price; you don't need to or deal with sin again. You have indeed been set free from sin and become a slave to righteousness because the law no longer rules you, but you are now under grace. Hallelujah!

**PROPHETIC DECLARATION**

Sin has been dealt with. Sin no longer has dominion over me because I am not under the law. I am under grace!

### Romans 8:35 (ICB)

Can anything separate us from the love Christ has for us? Can troubles or problems or sufferings? If we have no food or clothes, if we are in danger, or even if death comes - can any of these things separate us from Christ's love?

There were a group of children playing at break time at school. They played a game where the person in the middle had to try to break the circle where the children's arms were interlocked. After several attempts, the circle

was broken, and it was someone else's turn.

Christ's love is not like that. His love for you cannot be broken or separated by anyone or anything, just as our verse tells us today. No matter the problem or trouble, know this: Nothing can separate you from Christ's love!

## PROPHETIC DECLARATION

Nothing can ever separate me from the love that Christ has for me! In this knowledge, I am secure!

### FURTHER STUDY

Romans 8:35-37

**Romans 8:38 (ICB)**

Yes, I am sure that nothing can separate us from the love God has for us. Not death, not life, not angels, not ruling spirits, nothing now, nothing in the future, no powers, nothing above us, nothing below us, or anything else in the whole world will ever be able to separate us from the love of God that is in Christ Jesus our Lord.

Are you a girl, or are you a boy? Can anyone convince you otherwise of this fact? You "EIDO" (are aware and know) this truth; you

know that you know it! Do you know, are you convinced and fully persuaded, that nothing can separate you from the love that God has for you?

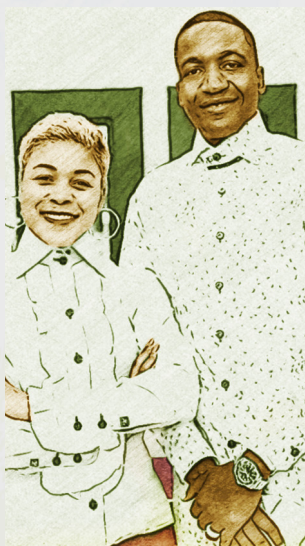

Jesus rose from the dead, He defeated Hell and the grave. No created thing can ever separate you from the love that Christ has for you. "Hagar" (meditate on) this truth until it becomes part of your being!

## PROPHETIC DECLARATION

Thank you, Holy Spirit, for revealing the love of the Father to me. I "EIDO" (know) the love that Christ has for me, hallelujah!

One man sinned, and so death ruled all people because of that one man. But now some people accept God's full grace and the great gift of being made right with Him. They will surely have true life and rule through the one man, Jesus Christ.

My wife, Prophetess BeBe Angel, has written an absolute classical and timeless masterpiece in the book *Grace-Driven Life*. In it, she says that God's grace is 'that overflowing of God's ability in your life'. Grace has everything

to do with God and nothing to do with you.

Grace is the limitless ability of God at work in your life. **Can-not** is no longer a word that should be found in your vocabulary. From today, take your eyes off yourself and focus on the grace of God at work in you!

## PROPHETIC DECLARATION

I operate by a different set of rules. God's abundant grace is at work in me and I am experiencing Heaven on Earth! Hallelujah!

### FURTHER STUDY

Philippians 1:7

Follow my example, as I follow the example of Christ.

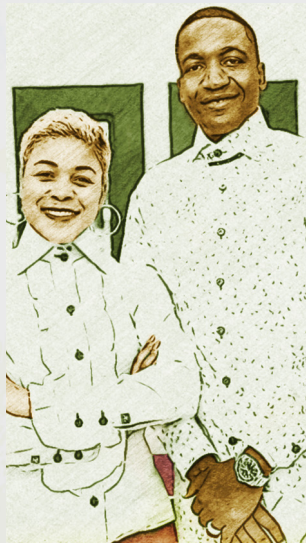

If you are given a present, what do you have to do to have the gift in your hands? That is exactly right; you must take hold of it. Everything that God gives to you comes through grace, but you must take hold of it.

Did you know that you are the one who decides how much grace you take? God has made abundant (lots and lots) of grace available to you kids, but you are the one who decides how much you will receive. As we delve deeper into this topic tomorrow, meditate on what we have been learning.

## PROPHETIC DECLARATION

**I have access to abundant grace! There is grace for everything and anything! I am ready!**

You are royalty, and you are a king! But if you want to live as a king in this life and experience

Heaven on Earth, you must fully receive the gift of righteousness and an abundance of grace. The gift of righteousness is the gift of being made right with God.

## PROPHETIC DECLARATION

I receive the gift of righteousness and I am reigning as a king in this life!

Did you know that it takes at least We are ambassadors of the Euangelion (the GoodNews), and today we have even more good news! Imagine this: You have been given a ticket to move around the palace of your nation's president or king and there are no limitations to your access. His food is your food, his rooms are yours and so on.

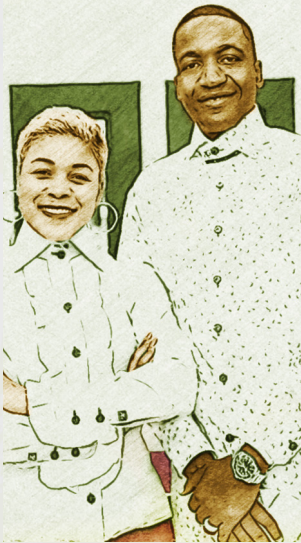

God has given you His righteousness – the nature and ability to be right. This righteousness (a gift) produces a further benefit for you – the ability to stand in the presence of God without a sense of guilt or condemnation. It is impossible for you to be more righteous than you are right now, no matter what you do or do not do, glory!

It is no different with the blessings of God, kids. God has already blessed you with all spiritual blessings. You cannot get God to bless you any more than He already has blessed you. That is a great place to shout, "hallelujah"!

## **PROPHETIC DECLARATION**

**It is a done deal! I am already blessed, praise be to God! I will experience God's blessings in this year of Heaven on Earth. Amen!**

Ephesians 1:3-5

### Ephesians 1:5 (ICB)

And before the world was made, God decided to make us His own children through Jesus Christ. That was what He wanted and what pleased Him.

Timothy was excited about the football game that afternoon. He had been training every day after school, and now the big game was here. He stood alongside his friends, ready to play the 'friendly match', knowing that this would decide who's who in the football scene. The players alongside Timothy decreased as each person was chosen to join

a team.

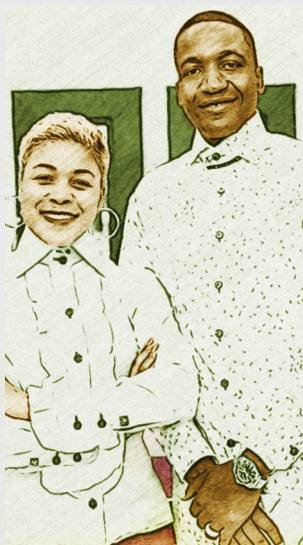

Timothy was left alone as the only one who had not been picked. Kids, it is an amazing thing to know that you are already accepted by God. In today's verse, we are told that God decided to make you His own child and that is what He wanted and what pleased Him. It does not matter who does not accept you, know (Eido) that you are already accepted by God!

## PROPHETIC DECLARATION

I am accepted in the beloved. Thank you Father for loving me!

Ephesians 1:5-6

**Ephesians 2:8 (ICB)**

I mean that you have been saved by grace because you believe. You did not save yourselves. It was a gift from God.

When you receive a gift, you know that you did not have to work for it and receive it as a present. Being saved is like that; you are saved by grace because you believe that Jesus Christ is LORD. Your salvation, in other words, is a gift from God.

Righteousness is just like that! Righteousness is a gift, not a reward.

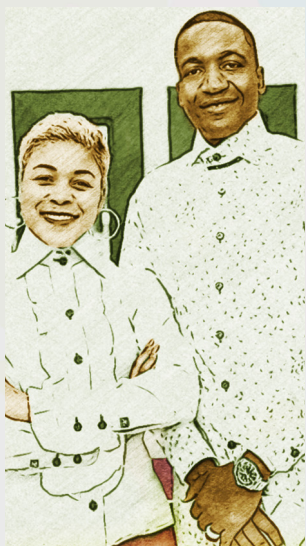

You must also accept that righteousness (right standing with God) as we are talking about today, has been granted to you as a child of God. It cannot be earned, it can only be received. Hagar this delightful truth as you go about your day!

**PROPHETIC DECLARATION**

I am the righteousness of God and I impart His goodness wherever I go!

Romans 6:23

**Galatians 5:22-23 (ICB)**  
But the Spirit gives love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. There is no law that says that these things are wrong.

What is your favorite fruit to eat? Guavas, plums, maybe lychees? In my wife Prophetess BeBe Angel's book, 'Enjoy Life Now' she explains the fruit of the spirit by using the illustration of an orange. In it, she highlights from the NKJV of Galatians 5:22 that 'the fruit of the spirit is, not are'.

In other words, the fruit of the spirit is love ALONE.

Each part of the 'fruit' that follows, like joy, peace, patience, kindness, goodness, etc., are a segment of the one orange. This means that LOVE consists of all these segments, just like orange has segments. Each segment however, is not a fruit on it's own. Ask yourself, can love be seen in my life?

## PROPHETIC DECLARATION

LOVE is the fruit of the spirit and I am walking in the spirit today!

## FURTHER STUDY

1 John 4:12-13

**1 Corinthians 13:4 (ICB)**  
Love is patient and kind. Love is not jealous, it does not brag, and it is not proud.

When you hear the word 'LOVE', what do you think of it? There are different types of love, but agape love comes from God and God is love itself. Christ died for us, which is the ultimate expression of God's love for us as people.

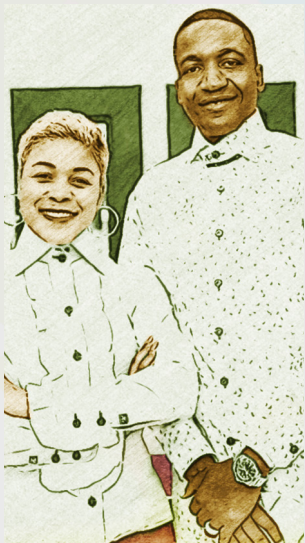

Listen to this kids, agape love is independent of what happens. It does not rely on good circumstances to perform. In other words, it cannot be influenced; how powerful is that? That is why it is possible for you to love your enemies. Agape love functions on its own, hallelujah!

## PROPHETIC DECLARATION

God has given me His love and I am walking in love today!

### FURTHER STUDY:

Romans 5:5

**Habakkuk 3:18 (ICB)**

**But I will still be glad in the Lord. I will rejoice in God my Savior.**

What is the difference between joy and happiness? What are your thoughts? Happiness in simple words, is based on what is happening. This is why a person's happiness can be on today and off tomorrow because it is based on what is happening around them.

Joy (chara in the Greek) however, goes much deeper than happiness ever can because true joy only comes from the LORD. It is

the love of God in your heart that contains the fullness of joy! Are you seeing this kids? The joy of the LORD is your strength. Joy looks at Christ and not the situation!

## PROPHETIC DECLARATION

**Joy is a choice, it is not a feeling. Today I choose joy!**

## FURTHER STUDY

**Nehemiah 8:10, Acts 16:25**

John 14:27 (ICB)

I leave you peace. My peace I give you. I do not give it to you as the world does. So, don't let your hearts be troubled. Don't be afraid.

If the president of your nation said, "I leave you riches, my riches I give to you". You can be sure that those riches would be no small amount and you and your family would probably start celebrating.

For Jesus to say that He is leaving you peace, His very own peace He is giving to you, means that

there is something special about this peace. The Lord's peace is explosive, it is supernatural and it contains a force behind it. The peace of God is in you, and it can change your world!

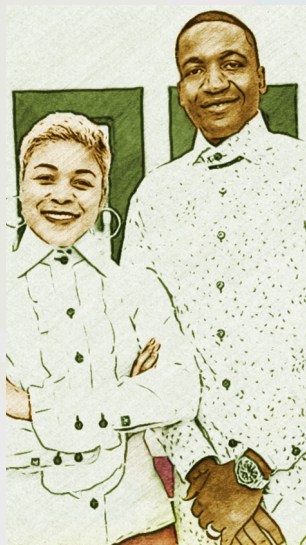

## PROPHETIC DECLARATION

I live in peace and I walk in peace. Peace is guarding my heart!

## FURTHER STUDY

Isaiah 26:3-4, Philippians 4:6-7

Galatians 5:22 (NKJV)

But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law.

There are two separate words in the word longsuffering. What are they? That is correct: long and suffering, two points for you! However, would you believe me if I said that the word longsuffering has nothing to do with suffering for a long time?

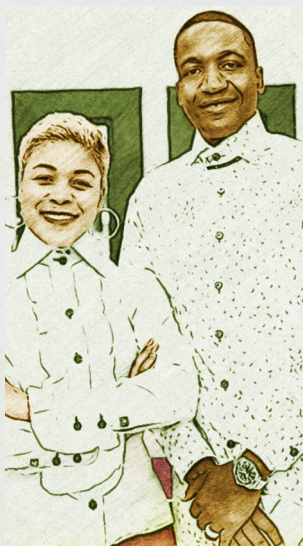

The segment longsuffering of the fruit of love is an ability to say that no matter what happens to me, I will never lose the fire burning in me to move forward. It comes from the Greek word makrothumia, which like patience, is mild, gentle and constant in all circumstances. How do you act when things do not go your way? Remember that you have longsuffering in your spirit and it is activated by walking in love!

## PROPHETIC DECLARATION

I am a burning one! No matter what, I will never lose the fire burning in me to move forward!

**Micah 6:8 (ICB)**

The Lord has told you what is good. He has told you what he wants from you: Do what is right to other people. Love being kind to others. And live humbly, trusting your God.

If you have a sibling, you have most likely heard your parents say something like, “be kind to your brother or sister”, especially when you have not been getting along! Showing mercy and understanding are some ways you might think of what kindness is all about. However, there is more to it!

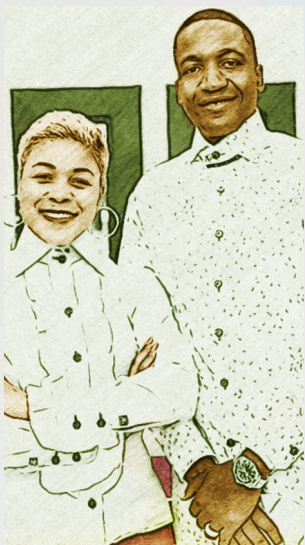

When Jesus was moved with compassion (kindness), great healings would take place (for example in Mark 1:41). Kindness was the switch to power being released. Being kind to yourself and others causes you to be a person of power. The Holy Spirit uses kindness to transport the power of God to others through you! Shout hallelujah! Practice kindness and see the power of God displayed in your life!

Today is Sunday and many of you are in Sunday School at church. All week we have been talking about the fruit of the spirit and it's segments. Today I want you to go over everything we have been learning and your homework is to study goodness, faithfulness, gentleness, and self-control.

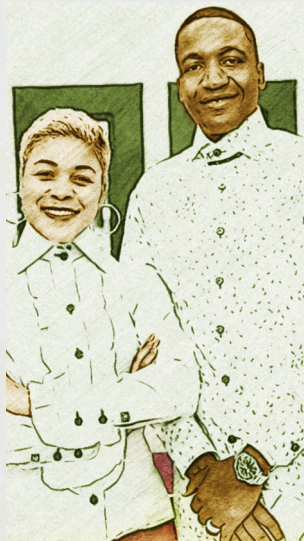

Ask your parents or your Sunday school teacher to talk to you about these remaining segments of the fruit of the spirit. You can use my book 'Enjoy Life Now', where I have taken the devotionals for this week. We are never out of Good-News, we are simply out of time! You have been equipped to walk daily in victory! Today I ask heaven and earth to be witnesses. I am offering you life or death, blessings or curses. Now, choose life! Then you and your children may live.

When you woke up this morning, there were a series of decisions and choices that you made based on your thoughts. When you speak or do something, it is always a result of a thought that you have acted upon.

In today's verse, the LORD has given us choices for life or death. He urges us to choose life. Kids, as we delve deeper into *what is*

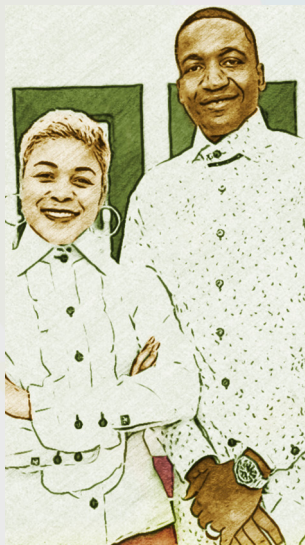

*on your mind?* This week, know this: your thoughts lead to choices. Having the right thoughts will lead to the right choices, which in turn will lead to life. Let us learn how to have the right thoughts!

**PROPHETIC DECLARATION**

My mind is designed to function like God. I think right and I make the right choices, in Jesus Name!

### 2 Timothy 1:7 (ICB)

God did not give us a spirit that makes us afraid. He gave us a spirit of power and love and self-control (of a sound mind).

Evolution boasts that man came from apes and evolved to become human, but the Bible says something quite different. God created man in His image and likeness (Genesis 1:26). In the same way, God wired your mind to function in a certain way.

Fear-based and negative thought patterns were never meant to feed your mind. It is God's Word that causes your mind to function as God intended. The Word of God contained in the Bible gives your mind its proper food to think in the right way. Feed your mind with the perfect diet; start today!

## PROPHETIC DECLARATION

The Word of God is the perfect diet for my mind. There is no room for fear!

In the ant world, ants follow a certain set of rules so that they can function and live out their ant life. In this world, there are systems (rules) that many people follow without even thinking about the consequences. God wants you to live an amazing and supernatural life, but the only way to do this is to feed your mind with the right information.

Like a computer, what you put in is what comes out. Your mind is no different. The word in you changes the circumstances outside. Re-program your mind today!

Ella held out her hand to Joshua. "If you choose the hand with the sweets, then they are yours", she smiled. Joshua tapped her right hand. She opened it and revealed her empty palm. Ella grinned, knowing she would get to eat all the chocolates!

It is your choice that makes the difference. When a negative thought comes to your mind, then

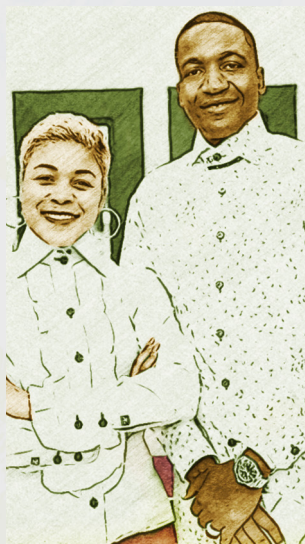

take a scripture linked to the situation and make it yours: "I will not worry about the test. Father, thank you for helping me to remember the information to pass. Thank you for giving me your peace in my heart and mind, in Jesus Name". So cheer up! The Word works!

## PROPHETIC DECLARATION

Do not be shaped by this world. Instead, be changed within by a new way of thinking. Then you will be able to decide what God wants for you. And you will be able to know what is good and pleasing to God and what is perfect.

How did you manage pronouncing today's title? Metamorphoo is the Greek word for being changed or transformed. When a caterpillar changes into a butterfly, it carries the same meaning as being changed or transformed in our verse today.

When you read the Word of God, you are literally changing the way you think, with God's thoughts changing your mind. This is so powerful. You are retraining your mind to function as God intended! Wow! Be transformed as you renew your mind with the Word of God!

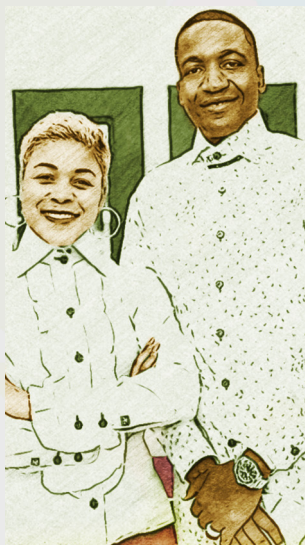

**PROPHETIC DECLARATION**

I am being changed from glory to glory as I renew my mind with God's Word.

In almost every film, there is usually a goodie and a baddie. Many films end with the baddie being captured and the goodie being celebrated as the hero!

Kids, all thoughts must be captured (put into prison) if they do not line up with God's Word. All day and every day, do not allow one thought to pollute your mind

with negativity or fear.

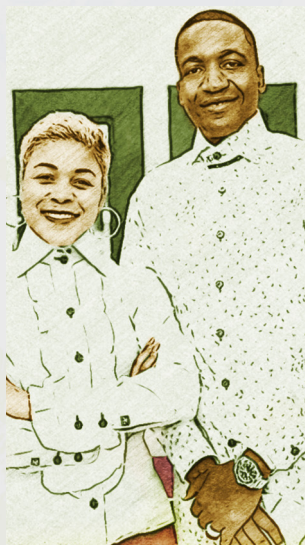

It wants to stay in your mind, do not let it. Destroy such thoughts by thinking God's thoughts and speaking those right words straight away. Do not let any negative thoughts off the hook. Capture it and put it into prison by replacing it with God's Word.

## PROPHETIC DECLARATION

I take every thought hostage by the power of the Holy Ghost. I think right thoughts only in Jesus' Name.

Fun fact: Did you know that your mind controls your brain? Scientifically, the abilities of the human brain go beyond anything that you can imagine. However, it is the mind that controls the brain.

Kids, when you think like God, the possibilities for your life are endless. There are no limits to what you can do or achieve. You start walking as the superman in Christ that you are. Do not look at someone else, I am talking to you! Start to think of God's thoughts and become a wonder to your world in this year of Heaven on Earth.

Proverbs 11:30 (NKJV)

The fruit of the righteous is a tree of life, And he who wins souls is wise.

If somebody knows how to play a certain game that you don't, we can agree that person is wise in that game or knows something that you do not. Since you do not know what the other person knows, you will find the game very frustrating to play and you will tell others that it is very hard. This is what many children of God think about soul-winning.

When they see our verse for today they also think that you become wise when they soul-win, which is not the case. You see, a soul winner has a certain wisdom to be effective and the wisdom they use is that soul-winning is easy! The first and most important step of wisdom a soul winner uses is to convince themselves daily that soul winning is easy and before they know it they are winning souls everywhere!

You say, 'Four more months to wait before we gather the grain.' But I tell you, open your eyes. Look at the fields that are ready for harvesting now.

Kids, how do you know a visitor is definitely coming to stay over at your house? Firstly, your parents or guardian starts preparing new sheets for the spare room and prepares new towels and some comfortable clothes ready on the bed. Now this is exactly what our scripture today says about those you will lead to Christ.

The fields (the people you will win to Christ) already have brilliant white garments of Heaven prepared with their names before you speak to them! This is why soul winning is easy, because God has already prepared their clothes for Heaven, meaning He is confident you will win them! God is definitely expecting company and all you have to do is invite people to wear their new garments and enjoy the party in Heaven!

Revelation 7:9

**John 4:35 (ICB)**

You say, 'Four more months to wait before we gather the grain.' But I tell you, open your eyes. Look at the fields that are ready for harvesting now.

In the scripture for today, which fields is Jesus talking about? Are we supposed to go to every football field and win souls there only? No! The word field means any space between two borders. Think about it. Is your house a space? What about your neighbourhood, village or town? Yes! What about a city, country or

even a stadium? Yes! So, if you were asking where you should win souls, the answer Jesus gave is every space you find people. There is no limit!

Start from where ever you are, at your home, or while waiting for the bus or even while you are on holiday, speak to someone about Jesus! No matter what nation you are in tell someone that their heavenly robe is ready and it is time to wear it. Win souls everywhere you go!

Kids, have you ever watched those movies or cartoons where aliens are trying to invade Earth and are looking to find a lost valuable that belongs in their world? Usually, the mothership sends a few aliens to go in disguise to Earth and their mission would be to retrieve the lost value. The mothership would supply them with all they need. Though they are disguised as human, they don't get distracted by normal human activities.

As a soul winner, your purpose and mission should you accept, is to retrieve lost souls that belong to the mothership (Mount Zion). You are not to be distracted by earthly things, and your supply comes from Mount Zion not Earth. You are a soldier in Christ; soldiers do one thing: they go on missions. This is why Jesus called it His food, which strengthened Him.

**Remember this:** Anyone who brings a sinner back from the wrong way will save that sinner's soul from death. By doing this, that person will cause many sins to be forgiven.

Let us say you met someone who loved swimming in the river, but you know that the river is infested with crocodiles. Would you keep quiet? Of course not. No matter how much you know the person loves swimming and how it makes them happy, you would stop them by all means, wouldn't

you?

This is exactly what we do as we soul win. People who do not know Christ may think what they are doing is good for them but it is you who knows that they are heading for danger that is far worse and terrible than crocodiles. Hate what God hates which is sin and decide to walk in love and as you do this, you will begin to win more souls.

You are young, but do not let anyone treat you as if you were not important. Be an example to show the believers how they should live. Show them with your words, with the way you live, with your love, with your faith, and with your pure life.

For many young people, winning souls of people older than them is a scary thing. It does not have to be this way. You see, Paul was telling young Timothy in our verse that even though he is so young, he should not allow people to

mistreat him. How would he and ultimately you do this?

Your appearance goes a very long way. To be an effective soul-winner, you must dress like the child of a King and not like other children. With being smart, your behaviour and manners in front of your elders (including your older brothers and sisters) can lead them to Christ. When you speak about Jesus they will listen to you. From today, be smarter and respectful to win souls everywhere you go.

**My whole being, praise the Lord.  
Do not forget all his kindnesses.**

Kids, why does God tell us not to forget his kindnesses? It is because it is easy to forget and therefore easy to be discouraged. We must remember His benefits so that we do not get tired of doing what He tells us such as soul-winning. There are some things that God tells us to do that have more benefits than others and soul-winning is one of them.

One advantage of note is divine protection. Jesus protects soul winners like no other because He knows they are doing their mission. The moment you decide to win souls, angel armies are ready to go with you. Another benefit is divine supply. As you take care to win souls, God takes care of everything concerning you. Soul winners never lack. Today, study the benefits of being a soul winner and be encouraged to go out and win souls.

Have you ever heard of a teacher's pet? Sometimes in school, there is always that one student who gets all the answers right and the teacher just likes them. While other students may be afraid of the teacher, the student is never afraid and approaches the teacher boldly. We say that student is in right standing with the teacher.

In the kingdom of God, you are God's favourite because you were born righteous. This means you can stand in front of God without guilt, feeling small, or judging. So, you do not have to approach Him afraid that He will punish you for what you did yesterday. You do not have to pray to become more righteous. You were born righteous!

The more you focus on your mistakes and failures, the more you become them. You do not have to live right or be good to go to Heaven because Jesus in you is already good enough and He lives in you! You were born righteous and so wherever there are verses in the Bible talking about the righteous they are for you! Keep telling yourself you are righteous and you will start doing righteous things.

Have you ever noticed how a teacher often puts their favorite student in positions of responsibility? Like a class monitor or leader of a group? This is exactly what our scripture today says will happen when you know you

You now walk in charge of anything. When you stop focusing on your mistakes and focus on the fact that you are born righteous, you can easily move in supernatural power wherever you go. You see, sometimes your body (flesh) gets angry, thinks bad thoughts, and doesn't do the right thing. That is because the real you is not your body but your spirit.

You were born righteous in your spirit and since God is Spirit, He only focuses on your spirit. Your spirit is perfect, and so God can never condemn you because your spirit has the same nature as His. grabbed it boldly and ate because he knew he was a son of God and therefore righteous.

He knew he was God's favourite. When you know you are righteous you can take things that others cannot have. You become bold and start commanding wonders without numbers in your life. And before the world was made, God decided to make us his own children through Jesus Christ. That was what he wanted and what pleased him.

Do you know what is God's pride and joy kids? Jesus. Jesus' life was not like other humans. It was full of power, miracles, signs and wonders! He was never sick but always healed others. He lived the supernatural life! There was nothing about Him that was natural. God chose you amongst billions to have that same life that others only dream of.

They go through many experiments and tests until the creators are sure their gadgets or medicines will not harm people but make their lives easier and better. We are now in the last days, the end of the end, as I usually say. We are the last generation of Christians before the rapture happens. During this time there is an incredible rush and desperation to win as many souls as possible. However, at the same time the enemy is rushing with his minions to keep souls lost like never before!

In ancient times, the king walked very closely with the priests and because of this, priests at that time usually lived much better lives than even the rich people of society. A priest would pray for the people and advise the king on important matters. Most of the time the king listened to the priest's advice more than his advisors therefore, priests had great

influence over the fate of a nation.

You should know that you were chosen to be a priest of God. Listen, if there is an issue within your family or country, God will listen to you and not any other advisor. With so many spiritual gifts to choose from like prophecy, healing, miracles, many get caught up in trying to choose one to master. There is a much better way. This is conditional love, where you love or like someone only if they are good to you. This is how the people who do not know Christ love even if they do not know it. But you have Christ, and even if someone is treating you unfairly it does not mean you stop loving them or praying for them. Just like Jesus, you will have people who will mistreat you but just like Jesus, you should never stop loving anyone! Continue to pray for them and be kind.

How do we love like Jesus? You see He loved unconditionally, meaning it did not matter whether you liked Him or not He still loved you. This kind of love is God-Kind of love and it is the one that changes people toward Christ. It worked for Jesus and it will work for you. Secondly, our verse for today gives us an idea of how to love and that is through giving. When you read about the life of Jesus, you will notice His life was about helping people.

He always put others' needs first before Himself. The only time He had time for Himself was when He prayed alone and studied the Word to be strengthened and equipped to help even more people. Kids, it is important for you to know that God did not start loving you yesterday or the day you were born again. Before your parents ever knew or love you, God had already made up His mind about you. God loved you before you said a word or did anything good or bad or before you even knew His name.

That just shows that if God loved you before you were born, nothing can stop Him from loving you now. No bad test results at school, no bad sports day and not even your parents or adults shouting at you can stop God from loving you. Many people use the word love for anything and it becomes meaningless. God however, has not loved you the way the world does. His love is unending. Do you know who you are kids? Have you ever doubted who you are? Today's GoodNews Daily says God chose you to be a king's priest. You have the mind of Christ. It means you think like Christ, you walk like Christ, you talk like Christ.

When the doctors tell you, you are sick, tell them I can't be sick,

I am a child of God because the Bible says whoever has the Son has life, so what I'm carrying is life therefore, I can't be sick. The Word of God is real, you have the ability to chase out the devil and he will run away from you. Speak a new language (tongues) in everything and you will succeed.

## PROPHETIC DECLARATION

Today I choose to take all authority over everything that belongs to me. I know who I am in Christ. Amen!

Revelation 1:6

**Isaiah 43:18 (ICB)**

**The Lord says, Forget what happened before. Do not think about the past.**

Hey kids, are you enjoying the GoodNews Daily? This week's GoodNews daily is about new Superman in Christ. Today we have an object lesson, now it's about to get messy. Things you need for your object lesson are: clear bowl, flour, food colour of your choice, spoon, jug of water and soap.

Pour flour into a bowl and mix all the ingredients. Take the dough out and make a ball or any shape of your choice. Can you see how beautiful it is?

That's how God created you. He washes you, He changes your life and your mindset, He molds you, He shapes you to be exactly what He wants. When God created you, He designed you with so much detail and care, He made you unique. So don't try to be like everyone, you are born to stand out.

**PROPHETIC DECLARATION**

**I am a new creature and my mind has been renewed, I am forever changed Hallelujah. Amen!**

Philippians 3:13

**James 1:6 (ICB)**

**But when you ask God, you must believe. Do not doubt God. Anyone who doubts is like a wave in the sea. The wind blows the wave up and down.**

God wants us to trust Him. The scripture above tells us if we don't trust Him we are like waves in the sea, waves are up and down. According to the Bible faith means being sure of the things we hope for, faith means knowing that something is real even if we do not see it.

How do you get faith? It's simple, faith comes by hearing the Word of God, after that we exercise it daily by reading the Word and doing what it says. So, the words says, I am the head, not the tail. You must say it over and over again until it sits in your spirit. Start today and exercise your faith and experience Heaven on Earth!

**PROPHETIC DECLARATION**

**I am a product of the Word, I am blessed with spiritual blessings, I walk by faith not by sight. In Jesus Name.**

James 1:3

**John 20:27 (ICB)**

Then he said to Thomas, "Put your finger here. Look at my hands. Put your hand here in my side. Stop doubting and believe."

It started as a rumour, "Jesus is resurrected". Jesus' disciples and followers told Thomas, "We saw the Lord". But Thomas said, "I will not believe it until I see the nail marks in His hands and I will not believe it until I put my finger where the nails were and put my hand into His side".

After a week, Jesus appeared to him and told him to put his fingers on His hands and to stop doubting. Thomas was like those people who only believe something when they see it with their eyes. He did not want to take someone else's word until he saw Jesus. Faith doesn't doubt, if you have doubts you will not receive anything from the Lord. Trust the Lord and believe in his Word. Don't be a doubting Thomas.

**I refuse to doubt God, I am confident in His word and I have faith. Amen!**

Abram believed the Lord. And the Lord accepted Abram's faith, and that faith made him right with God.

Did you know Abraham was 100 when he had his first baby? What was so special about him was his faith. God promised Abraham many things including lots of children in his old age and he believed. Kids, you can learn a lot from Abraham. The verse tells us God gave Abraham many promises and chose him to be the father of all nations.

The story of Abraham teaches us, God can use you at any age if you're willing to have faith and trust him. God had a very special plan for Abraham's life. Abraham knew what he wanted from God and decided to trust Him. God also has a special plan for each of our lives, you just have to trust him. God will never disappoint you.

Through their faith they defeated kingdoms. They did what was right and received what God promised. They shut the mouths of lions.

Who remembers the story of young David? David said to the Philistine, you come to me with a sword and a spear and with a javelin, but I come to you in the name of the Lord. The Lord will deliver you into my hand, and I will defeat you and he did it. David decided to trust God over his life and chose faith over fear.

By faith, David defeated Goliath. David was a small boy compared to his brothers, none of them believed in him, but he trusted God. Kids you can trust God with everything, He will protect you and remember you are not given a spirit of fear, but by faith, you can do many things that will bring glory to the Lord.

From today I choose faith over fear, by faith I can do all things through Christ because he gives me strength. Amen!

### Ephesians 3:12 (ICB)

In Christ we can come before God with freedom and without fear. We can do this through faith in Christ.

In the Bible, there's a story about King Nebuchadnezzar and three brave Hebrew boys Shadrach, Meshach, and Abednego. The king decided to build a tall statue made of gold; he said, "when you hear the music, you must worship the statue. If you refuse, you will be thrown into the fire".

The three Hebrew boys said, "we can't worship anything or anyone other than God". They were brought to the king and said, "you can throw us into the fire, the God we worship will save us". The king was angry and threw them in the fire. God protected and saved them and even stood in the fire with them but most importantly they believed and trusted God. There's nothing God can't do for you, be confident and bold enough to stand for Him.

## PROPHETIC DECLARATION

I have faith in God, He is my secret place, by faith I will not fear any evil. Hallelujah!

Deuteronomy 31:6

**John 14:6 (ICB)**

**Jesus answered, I am the way. And I am the truth and the life. The only way to the Father is through me.**

Why is faith in Jesus Christ so important? Kids the answer is so easy, look at the verse above Jesus is the only way to Heaven. The Bible didn't tell us about the short or long way to Heaven. The only way is to have faith in Jesus, How do we gain faith? By hearing the Word of God and following His instructions in the Bible. You can also share your testimonies to others about what God did in your life.

His teachings come from the Heavenly Father and will lead us back to him. Children without faith you can't please God. Prayer and reading the Word of God will help you grow in faith. Remember you have the ability, decide today to do His will.

**PROPHETIC DECLARATION**

**I choose faith over everything. Faith is the foundation of my life, no matter what happens, my faith is unshakeable. Amen!**

Hebrews 11:1

**James 2:17 (ICB)**

**It is the same with faith. If faith does nothing, then that faith is dead, because it is alone.**

At this point, we do not doubt that faith works, but faith with no action is dead. Let me break it down. Jesus told the blind man "go and wash in the pool of Siloam". So the man went to the pool. He washed and came back and by his faith he was able to see.

After you read all the scriptures in the Bible and read all the books that have been written, it's still not enough, faith without action is dead. Go and show the world how to be the doers of the Word by showing your faith in action. You will be surprised how many people will come to Christ because of your testimonies.

## PROPHETIC DECLARATION

**By faith I am moving in the right direction. Through my actions, I will bring more souls in Christ because I was born to be a soul winner. Amen!**

## FURTHER STUDY

James 2:18

**Genesis 1:3 (ICB)**

Then God said, "Let there be light!" And there was light.

If I tell you the Word of God is more powerful than anything in this world, would you believe it? I know some of you think there are more powerful things like a train, a lion, or a boat. The verse above tells us that God only used His Word to create everything we see. God's Word can help us understand God's purpose, even if we don't understand what He is doing at the moment or the process may seem slow.

In the book of Psalms 82:6 it reads, 'You are gods. You are all sons of the Most High God,' that means you can also use His Word and create whatever you want. Start creating using the power of the Word. You have the ability to do so.

**PROPHETIC DECLARATION**

**I will not be afraid God has given me the ability to create anything. I am a chosen generation and a royal priesthood, holy and special.**

“Without doubt, the secret of our life of worship is great: He was shown to us in a human body, proved right by the Spirit, and seen by angels. He was preached to the nations, believed in by the world, and taken to heaven in glory”.

When do we use the power of the Word? We can use the power of the Word at anytime and anywhere but we have to use it smartly. For example, you can't always use the Word of God to pray for more toys or things just

to please you.

You should also use the Word to pray for children in hospital, to pass your exams and to pray for your leaders. The Word has the power to change us from the inside out. In the year of Heaven on Earth, make time to read and meditate on the Word.

## PROPHETIC DECLARATION

I am a new creation, I use the power of the Word to create good things. In Jesus mighty name.

You were like sheep that went the wrong way. But now you have come back to the Shepherd and Overseer of your souls.

You might say, "how can I redirect people when I am only young"? The moment you think you can do it on your own, you are already doing it wrong. You can redirect people around you by showing them the Bible verses that can help them understand the importance of God in their lives.

The Bible puts it this way, you are young but do not let anyone treat you as if you were not important. Be an example to show the non-believers how they should live. Show them by your words, the way you live, with your love and with your faith. Many people's lives have changed using the Word of God.

**PROPHETIC DECLARATION**

God is my helper and He is always present in my life. He gave me the ability to redirect others in His Glory. Amen!

Jesus answered, "It is written in the Scriptures, 'A person does not live only by eating bread. But a person lives by everything the Lord says'".

Kids how many times do you eat per day? How many times do you feed your spirit? For those who don't know, you feed your spirit by reading the Bible every day, praying in (tongues) and worshipping God. Most people eat three times a day or more and feed their spirit only once a day or on a Sunday.

Some will say, "I need to feed my spirit, but sometimes I get too busy". If you are not feeding your spirit with the Word of God, you're feeding it something else. God created all of us to follow His instructions and His word. So start today and begin to feed your spirit-man.

## PROPHETIC DECLARATION

I allow God to guide me with everything I do. I will always follow God's Word as instructed. Amen!

John 6:35

**Proverbs 12:18 (ICB)**

Careless words stab like a sword. But wise words bring healing.

The verse today tells us that our words have the power to create something good or bad. It is important to always think before we say anything, use words that bring life to others. The Bible says if you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved.

Your words are what allowed you to become born again and have Jesus permanently stay inside of you. So much power in the word you speak; you can't just say anything. You must recognize the power of your words and use them wisely. Every day we have a choice. We can either speak words that build someone up or words that tear them down. Always speak life!

**PROPHETIC DECLARATION**

**I use my words to create good things only, I am a child of God and I refuse to use bad words. In Jesus name Amen!**

**FURTHER STUDY**

Proverbs 12:14

**John 3:33 (ICB)**

The person who accepts what he says has proven that God is true.

Can you tell if something is true or not? The verse above tells us if we accept what He says, we have proven that God is true. The Word of God is true and anything that goes against it is false. There is nothing false about God, from the book of Genesis to Revelation He has stuck to His Word, He is not a man that should lie and He is a just and fair God.

When starting to read the Word in the beginning, it may seem hard or you might feel like you don't understand it, but the more you read your Bible, the more you will begin to know God more. There's no power without knowledge of truth and there is no knowledge without the study of God's Word.

**PROPHETIC DECLARATION**

I am in the right direction, Christ and I are a team. I am ready to take the step forward using the Word of truth. Amen!

The words I say do the same thing. They will not return to me empty. They make the things happen that I want to happen. They succeed in doing what I send them to do.

Are you someone who always complains? Do you always say I've tried everything and nothing helps? Today's story is about a girl named Lucy. She loved school but she was not good at maths. She was invited to church one day by her friend.

Lucy shared with her friend that she struggled with maths, her friend prayed with her and read the Word. Within a month, Lucy was top of her class. God's power helps you with every need. It's impossible to change ourselves to become more like God without God's Word in us. Start praying for others and use the power of the Word.

**PROPHETIC DECLARATION**

2 Timothy 3:16

**Acts 19:14 (ICB)**

These Jews tried to use the name of the Lord Jesus to force the evil spirits out. They would say, "By the same Jesus that Paul talks about, I order you to come out"!

Have you prayed for something so many times using the name of Jesus but never received it? Have you ever asked yourself why? The scripture above shows us it's not just about saying in the Name of Jesus but to also have the character of Jesus.

To have the character of Jesus, you have to accept Jesus as your Lord and Savior and believe His Word. It should be a part of you. If you've prayed and it hasn't worked, it means you've been using it as a password. So remember kids, you carry Jesus, He gave you His power to use it for everything you need. Anything Jesus did we have the ability to do too!

## PROPHETIC DECLARATION

I pray in the character of Jesus and my words cause things to change. Amen!

## FURTHER STUDY

Philippians 2:10

**Romans 8:26 (ICB)**

Also, the Spirit helps us. We are very weak, but the Spirit helps us with our weakness. We do not know how to pray as we should. But the Spirit himself speaks to God for us, even begs God for us. The Spirit speaks to God with deep feelings that words cannot explain.

The Bible says you must pray with the Holy Spirit, the Holy Spirit helps you pray a perfect prayer because you are not using your natural mind. He knows exactly what you need.

Can you see how life can be easy for you if you can allow the Holy Spirit to be your friend. In this year of Heaven on Earth I will begin to have daily conversations with Him. I will pray in tongues with the help of the Holy Spirit. I will have a relationship with Him and He will lead me in the right direction.

**PROPHETIC DECLARATION**

The Holy Spirit is my prayer partner, He helps me pray the perfect prayer to God.

**1 John 5:14 (ICB)**

We can come to God with no doubts. This means that when we ask God for things (and those things agree with what God wants for us), then God cares about what we say.

God has a purpose for all of us; your faith must be based on what the Word of God says. When you pray the Word of God you must check in your Bible and see what God says about your life. In other words, you speak the scriptures back to yourself.

It doesn't matter who says what; you keep repeating the Word of God. I am precious to God, He put me before the world. Can you see? Even if it was only you, Jesus would come and die for you.

**PROPHETIC DECLARATION**

In this year of Heaven on Earth I will pray more than ever using the Word of God because I know God's promises are yes and amen!

**FURTHER STUDY**

Isaiah 43:4

**Luke 18:1 (ICB)**

Then Jesus used this story to teach his followers that they should always pray and never lose hope.

What is prayer? Prayer is a conversation between you and God. The Bible even tells us that God already knows what we will pray for and has answered, so why do we pray, you may ask.

We pray because the scripture above says Jesus tells His followers to pray always, so we are praying because Jesus instructed

us to pray. As Christians we have to use our words to change situations, if we don't speak it, it won't happen.

You are priests, you are kings, you are intercessors and ambassadors of God. As an intercessor, you have to take time and pray not just for you but for others. The moment you pray you have to expect only good things to happen.

**PROPHETIC DECLARATION**

**I am a child of God and I communicate with God through prayer. In this year of Heaven on Earth, prayer will become my lifestyle. Amen!**

Psalm 91:15

### 1 timothy 2:1 (ICB)

First, I tell you to pray for all people. Ask God for the things people need, and be thankful to Him.

As a child of God, the Bible tells us that we are the restrainers. That means that we are the people stopping things from going really bad. However, many Christians will come to God only to ask God for things for themselves, but you need to realize that even when you pray for other people because of your relationship with God, He will take care of your

needs.

He will notice if things are missing from your life and answer your prayers! He knows what you need and the Bible says that He Has given us all things. Start by praying for the nations and those around the world. You have the power to prevent things from happening.

## PROPHETIC DECLARATION

**I speak life into the lives of my family and friends, God shall meet their needs. Amen!**

### FURTHER STUDY

1 kings 3:12-13

**Acts 3:1 (ICB)**

One day Peter and John went to the Temple. It was three o'clock in the afternoon. This was the time for the daily prayer service.

Kids could you go a day without speaking to your best friend, your parent, or someone that is close to you? If the answer is no, then why is it sometimes we can go a day without speaking to God? Prayer is not something that you do when you need something from God, prayer is a lifestyle, it is something that you do on a day-to-day basis, it is how

you have a relationship with God.

God loves it when we are in continuous fellowship with Him, even though He knows everything about us. Don't ever let prayer become an afterthought or something you do because you want something, make it your lifestyle from today!

**PROPHETIC DECLARATION**

**I have a consistent prayer life, and God hears me when I pray. Amen!**

**FURTHER STUDY**

Ephesians 6:18

### 1 Thessalonians 5:17 (ICB) Never stop praying.

As a child of God, when things are not going the way they are supposed to, that is when we are supposed to speak. Nothing changes if we do not change. When you pray and declare things, that is when things change. The Bible verse today says prayer without stopping; therefore, we should always pray.

You have the power to change the way your school is, the way your city is, the way your country is. When you stop praying,

that's when things start to go bad. The beauty of prayer is that because it's a conversation, it means that God is also talking back to you. In moments of prayer, God begins to give you answers to any problem you may have. So don't be quick to say Amen. Listen to what God is saying.

## PROPHETIC DECLARATION

**When I pray things change, my prayer life has increased.  
I am going deeper in my prayer life.**

### FURTHER STUDY

Luke 18:1

**Galatians 5:22 (ICB)**

**But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness,**

The Bible tells us that the fruit of the spirit is love, which means that when we receive Christ and the Holy Spirit we now carry the fruit of the spirit which is love on the inside of us. When you look at an orange, it is one fruit but you can break it apart and have different pieces.

Now the fruit of the spirit is love but it contains different things and one of the things is joy. We

have joy on the inside of us because of the Holy Spirit. So as a child of God you should never be the one that's always sad and angry because joy is already on the inside of you. So, wherever you go you can change the atmosphere because of the joy you bring.

**PROPHETIC DECLARATION**

**I show joy wherever I go because of the Holy Spirit that is on the inside of me in the mighty name of Jesus!**

Romans 15:13

**Philippians 4:4 (ICB)**

**Be full of joy in the Lord always. I will say again, be full of joy.**

Have you ever wanted to gain a clearer understanding of joy and happiness? What makes you happy? The Bible tells us to rejoice always but some will ask how?

Joy is a decision you make for yourself on a daily basis. Joy is a selfless feeling of extreme happiness, joy comes from God. Happiness is the feeling of a moment and it is temporary. You may feel happy when your parents brought

something new for you, but you feel the same way you did before.

When you have joy, it lasts forever because you make that decision and are not moved by temporary moments. When you're happy, it can be fun for that moment but it will not last. In this year of Heaven on Earth make sure to always be full of joy!

**PROPHETIC DECLARATION**

**Today I decide to have joy every day, because joy comes from the Lord. I will not focus on being happy but rejoice always.**

### 2 Corinthians 8:2 (ICB)

They have been tested by great troubles. And they are very poor. But they gave much because of their great joy.

The Bible scripture in the GoodNews Daily today talks about a church in Macedonia that was going through a lot of problems. They were going through many trials and were in deep poverty, but I want you to focus on that despite all they were going through, the Bible verse tells us they still had joy.

You would think they would complain and cry to God because of their situation and that they would be justified in human understanding, but because they understand the God they

serve they were full of joy.

You see kids, in every situation you can always have joy, because joy doesn't come from people or from what's happening around you, but joy comes from God. So don't look at your current circumstances but focus on God on the inside of you.

## PROPHETIC DECLARATION

**I have joy in all circumstances; nothing can remove the joy that I have!**

### FURTHER STUDY

Psalms 30:5

**Acts 13:52 (ICB)**

**And the disciples were filled with joy and with the Holy Spirit.**

There is only a certain level of joy that can be found through the Holy Spirit. A lot of times, people think that they need to find joy in friends, their favourite sports, or music, but what you need to understand is that you will never reach the maximum level of joy that you want.

The Bible verse today tells us to be filled by the Holy Spirit. That is exactly how you have joy; it

cannot be found anywhere else. You become filled with the Holy Spirit by meditating on the Word, continuously praying and having fellowship with the Holy Spirit. When you do this, every situation you will experience will be full of joy.

**PROPHETIC DECLARATION**

**I am filled with the Holy Spirit and joy is flowing on the inside of me. Hallelujah!**

1 Thessalonians 1:6

... the joy of the Lord will make you strong.

Have you been in school and you were asked a really hard question, or you get asked to do something that's very difficult? How do you feel? Do you get angry and frustrated? Although that's how you may feel on the inside, the Bible tells us the joy of the Lord is our strength. That means the strength to handle situations that are hard is found in us.

That is the power of joy, it's not just about being in a constant state of happiness, but it gives you strength to go through anything that comes your way. So always remember kids, when you are going through something difficult, your strength comes from your joy.

**PROPHETIC DECLARATION**

It doesn't matter what happens around me because the joy of the Lord is my strength and I will be full of joy and experience Heaven on Earth. Hallelujah!

**FURTHER STUDY**

Philippians 4:13

**2 Corinthians 5:17 (ICB)**

If anyone belongs to Christ, then he is made new. The old things have gone; everything is made new!

The Bible tells us that when we became born again we became new creatures. Our old self disappeared and we have now become new. Now if you look at yourself in the mirror you will see that you look the same as you did before, but what changed is the real you, your spirit man.

You changed from within, though you don't see it in the natural realm by your face. You are a completely new person. Now part of what has also changed is your nature. Your nature is how you behave and act around others. Now you are born again; joy becomes your nature. As a child of God, you shouldn't accept anything less than being joyful; that is who you are.

**PROPHETIC DECLARATION**

Joy is my nature. That is who I am in Christ. I spread joy wherever I go, in Jesus mighty name!
