2) Is it a coincidence that Democratic politicians are trying to impeach President Trump over alleged bad behavior with Ukraine when their own corrupt dealings with Ukraine have been exposed?

3) Q posted a link to a Wikileaks email between Hillary Clinton's campaign team discussing how to remove from the minds of the public the idea that she engaged in quid pro quo as Secretary of State (SoS).

Did you know that Ukraine was the biggest Clinton Foundation donor?

First, thanks to all for the marathon session today, I thought we got a lot of good work done.

Second, I wanted to follow up on HRC idea of doing the video. Having thought about it and talked to Craig and Maura about it - I don't think it is good idea for her to do. There aren't great answers and in many cases not her place to answer them.

But I think it does make sense for her to publicly state that she never did anything at state to help a donor. Philippe has been a proponent of this She could frame it this way:

1) very proud of Clinton foundation work.

2) think people donate to it bc they want to support good works.

3) If anyone did ever give money in hopes of influencing something State did - they are foolish bc she never did that and never would. SOS makes life and death decisions and those kinds of political considerations don't come into play.

At least this way she will have taken off the table any notion that there was a quid pro quo - even if some donors may have had bad intentions.

If we did this, think we should do before WJC interview airs on Monday. Which may mean that tomorrow is the last chance we have will she will be in front of the press (they wont be at fundraisers but will prob be outside them so she could take a q).

Jennifer thought it might be good for Hillary to make a public statement setting the record straight—insisting that she did not engage in quid pro quo. "She could frame it this way."

But if anyone did think they would get something for a donation, they were foolish

We must "take off the table" the notion that there was quid pro quo.

Time was short. The wanted to do it before the Bill Clinton (WJC) interview aired.

5) Other members wondered if it would be possible to have HRC receive only one question and nothing more and if that would be a convincing message about quid pro quo.

Agree with Jen.

Also tend to agree with her going before him. Anything other than her taking quid pro quo of the table, included what would say first, won't take questions about her actions off the table.

Fine with the proposed way of handling what she says, but hard setting to take only one question.

- 6) Democrats in the House are trying to impeach POTUS on the grounds that he requested that Ukraine investigate Joe Biden as a condition of receiving aid.
- 7) Today, Ambassador Sondland (one of the only people who talked directly to POTUS about aid to Ukraine) said he presumed POTUS tied the aid to an action but was not actually told that by the President.

- 8) Tonight, Sean Hannity laid out a timeline of events related to the Bidens and Ukraine.

- 9) Part 2 of Hannity's timeline.

- 10) John Solomon noted that contrary to the claim of the media, the investigation of Burisma was not over at the time Joe Biden pressured the President of Ukraine to fire Victor Shokin. The investigation was heating up. Which is why Biden pushed for the prosecutor to be fired.

11) Lindsey Graham pointed out that Ambassador Sondland likely fabricated his initial story about aid being connected to action by POTUS but today, under oath and in public, the truth was finally revealed.

12) Lindsey Gram zeroed in on Joe Biden's phone calls to the Ukranian President and his trip there to push for the firing of Victor Shokin, who was investigating Burisma.

Graham will ask Sec of State Mike Pompeo for recordings and transcripts of Biden's communications.

13) Apparently, Q was watching and said it's time for that information to be made public.

Amazing what you can do with a small majority in the Senate. 🇺🇸

► Q !!mG7VJxZNCI 11/20/19 (Wed) 19:26:50

Senate was the target.

Q

14) BONUS:

Lindsey Graham said the DOJ IG report on FISA abuse will be out by December 9th
since IG Horowitz will be testifying before his committee on the 11th.

15) When you see a post by Q that sounds puzzling like, "The Senate was the target"
do a search to see if that phrase was used previously. The context will often clarify the
meaning of the message.

16) The day after the 2018 mid-term elections, people grumbled about the GOP losing
control of the House.

Q said: "The Senate was the target."

Investigations that began in the House would move to the Senate.

Lindsey Graham's Judiciary committee plays an important (future) role.

17) Q just dropped a long post.

I've broken it into 6 parts to make it easier to read.

► Q !!mG7VJxZNCI 21 Nov 2019 - 3:00:19 PM Part 1

What happens when 90% of the media is controlled/owned by (6) corporations?
What happens when those same corporations are operated and controlled by a political ideology?
What happens when the news is no longer free from bias?
What happens when the news is no longer reliable and independent?
What happens when the news is no longer trustworthy?
What happens when the news simply becomes an extension/arm of a political party?
Fact becomes fiction?
Fiction becomes fact?
When does news become propaganda?
Identity creation?
.....

18) Is there a strategic reason why 90% of the media are controlled by a handful of powerful people?

Does the media present objective information or a biased narrative?

When does the media cease to be a source of news and instead, become a source of political propaganda?

► Q !!mG7VJxZNCI 21 Nov 2019 - 3:00:19 PM Part 1

19) Does the average person have time to do their own research on current events?

Is there a strategic reason for that?

Do most people think that if the majority believes "x" then "x" must be true?

How does a media echo chamber use key phrases to reinforce narratives?

► Q !!mG7VJxZNCI 21 Nov 2019 - 3:00:19 PM Part 2

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?
 Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?
 Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?
 'Mainstream' is used for a reason [dominate trend in opinion].
 [If majority of people believe 'x' then 'x' must be validated / true]
 Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?
 Coordinated? By who? Outside entity providing instructions?
 Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources?
 Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?

20) Do the media help control the beliefs of the population?

Why have the media and politicians engaged in a massive, coordinated and sustained (3 year) campaign to portray Trump as an illegitimate President?

► Q !!mG7VJxZNCI 21 Nov 2019 - 3:00:19 PM Part 3

Threat to intellectual freedom?
 Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
 Read again – digest.
 Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
 Logical thinking.
 Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?

21) In the weeks following the 2016 election, were protests and demonstrations organized by powerful people and broadcast by the media to make people believe that the majority of Americans felt he was an illegitimate President?

► Q !!mG7VJxZNCI 21 Nov 2019 - 3:00:19 PM Part 4

Why were violent [masked] terror orgs such as Antifa immediately created/funded?
 Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?
 Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?
 Why were marches immediately organized which divided people into sex/gender, race, [ism]?
 When you control the levers of news dissemination, you control the narrative.
 Control of the narrative = power
 When you are blind, what do you see?

22) Do those in power use class, race, gender, religion, and political ideology to divide us and keep us fighting against each other so we don't see how they control all of us?

Divided, we are not a threat to them.

When we are united, we have control of our own destiny.

► Q [!!mG7VJxZNCI](#) 21 Nov 2019 - 3:00:19 PM Part 5

They want you divided.
 Divided by religion.
 Divided by sex.
 Divided by political affiliation.
 Divided by class.
 When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible [controllers].
 Divided you are weak.
 Divided you pose no threat to their control.

23) Arguments that elicit emotions like fear are used by those who want to control us.

Free thinking requires the use of logic, facts and empirical, objective analysis.

► Q [!!mG7VJxZNCI](#) 21 Nov 2019 - 3:00:19 PM Part 6

When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].
 When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.
 "Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

An FBI official is under investigations for altering a FISA document and CNN is concerned that it might give President Trump "and his allies" proof about their corruption and not about the freaking crime itself. Are you serious right now @CNN? Delete your network you are garbage.

Washington (CNN) — An FBI official is under criminal investigation after allegedly altering a document related to 2016 surveillance of a Trump campaign adviser, several people briefed on the matter told CNN.

The possibility of a substantive change to an investigative document **is likely to fuel accusations** from President Donald Trump and his allies that the FBI committed wrongdoing in its investigation of connections between Russian election meddling and the Trump campaign.
