FABRIC DISTRICT RESIDENCE

Construction Update
March 2018

Fabric District Residence 33 Devon Street, L3 8HA

What's new?

Lots of progress has been made behind the scenes at 33 Devon Street.

Multiple design meetings have confirmed that the project will not require ground stabilisation.

Concrete pads are planned to be installed to support a steel frame.

The contractors have been awarded the ground work tender. Everything has been approved and construction is due to take place mid-April 2018.
