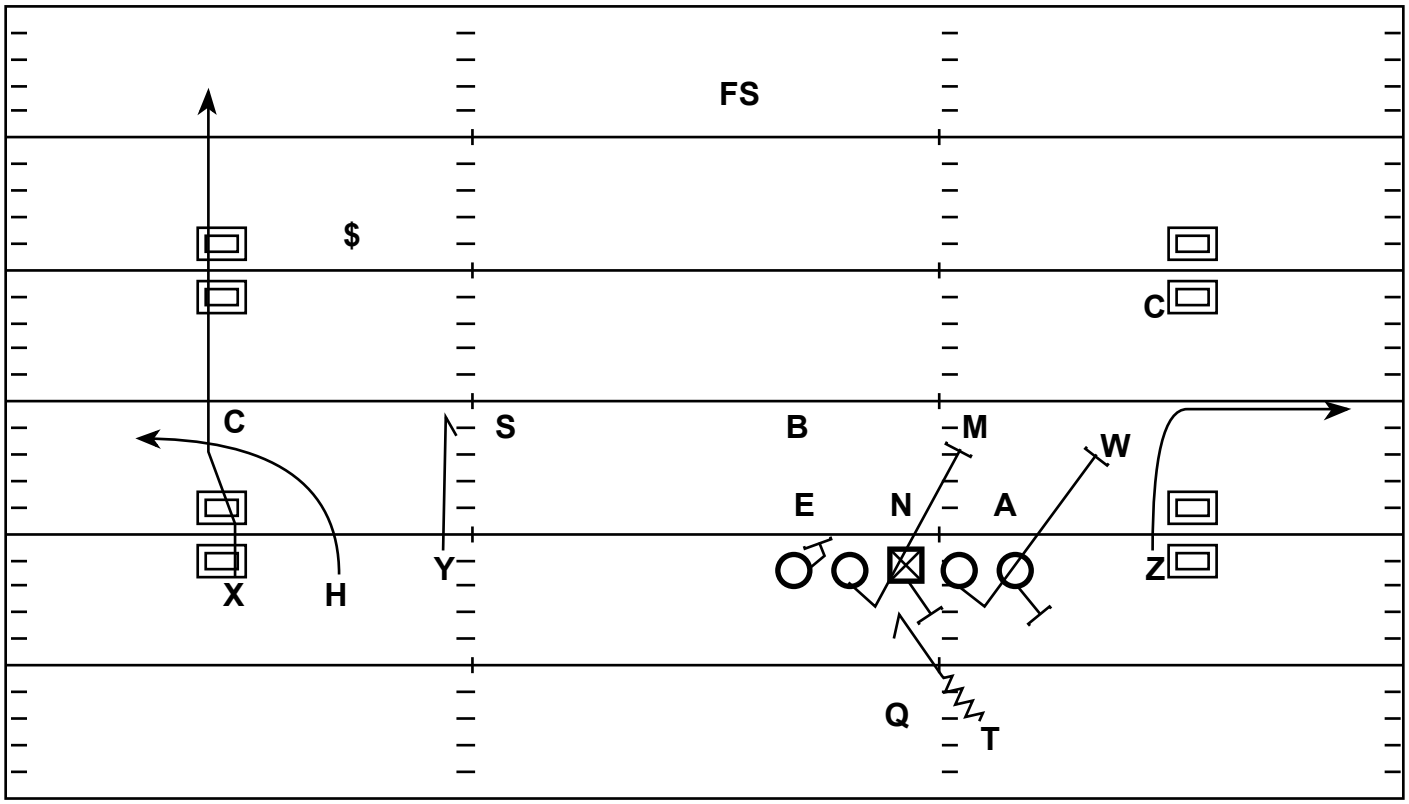
USC 3x1 Open: Shovel Draw

Quarter	Time	D & D	YD Line	Hash	Score
3rd	1:12	1 - 10	-8	L-M-R	17 - 17



Strategy: Same dynamic as a draw but better sell as the RB is going up towards the LOS. Give the QB Quick Game in case the Defense gives up something easy.

QB Progression/Read: Read Quick Game, if you don't like it throw the shovel

X - MOR Vertical	LT - Man Locked on End
H - Quick Out	LG - Slide Pro to A-Gap, realease up to Mike
Y - Stick	C - Slide Pro to Man Locked on Nose
Z - Speed Out	RG - Slide Pro to Will Linebacker
T - Sell Across Protection before turning for the Shovel, read the Blocks of the releasing OL	RT - Slide Pro to Man Locked on Anchor
