# FABRIC DISTRICT RESIDENCE

Construction Update  
December 2018

# Fabric District Residence

## 33 Devon Street, L3 8HA

Construction has begun at the site of Fabric District Residence on Devon Street, Liverpool. The latest construction update from the developer outlines the arrival of steel on site to commence the steel frame installation. In the new year, the steel frame is expected to be complete by the end of February with envelope works, scaffold and joisting construction activities all commencing during January's construction period.

### Works Progressed

- Erection of the steel frame has commenced.
- The first and second loads of steel have arrived on site.

### Works Scheduled

- Steel frame works to be completed end of February.
- Envelope works to commence early January.
- Scaffold edge protection will commence early January.
- Bespoke joisting system will arrive to form the floors to all levels.
- SFS system works will begin.
