- * You have consented to such disclosure, or
- * When it is necessary for Us to fulfill our agreement to You, or
- * When required by law.

9. Condition and Return of Vehicle.

You must return the Vehicle to our rental office or other location we specify, on the date and time specified in this Agreement, and in the same condition that you received it, except for ordinary wear. If you wish to extend the Rental Period, you must return the Vehicle to our rental office for inspection and written amendment by us before the due-in date. If the Vehicle is returned after closing hours, you remain responsible for the loss of, and any damage to, the Vehicle until we inspect it upon our next opening for business, and Charges will continue to accrue. Service to the Vehicle or replacement of parts or accessories during the rental must have our prior approval. You must check and maintain all fluid levels, and return the Vehicle with at least the same amount of fuel as when rented. **Any vehicle not returned within four hours of the return time specified above will be reported to the police as stolen.** YOU waive all claims against US for any consequences ensuing from you making such report. Failure to return the vehicle may constitute a felony punishable by up to five years in prison.

We reserve the right to charge you extra if you have not removed the following when returning the rental bike:

- Flags, stickers, tape marks, glue residues, etc
- Rubber marks after shoes etc. on mufflers
- Garbage, foods etc. in the saddle bags and top box. These must be completely empty.

10. Responsibility for Vehicle Damage or Loss; Reporting to Police.

You are responsible for all damage to or loss or theft of the Vehicle, including damage caused by weather, acts of god or terrain conditions. Subject to the law in the jurisdiction where the Vehicle was rented, your responsibility will include:

(a) all physical damage to the Vehicle measured as follows: (i) if we determine that the Vehicle is a total loss, the fair market value of the Vehicle, less salvage; (ii) if we determine that the Vehicle is repairable: (A) the difference between the value of the Vehicle immediately before the damage and the value immediately after the damage; or (B) the reasonable estimated retail value or actual cost of repair plus Diminished Value; (b) Loss of Use, which is measured by multiplying your daily rental rate either by the actual or estimated number of days from the date the Vehicle is damaged until it is replaced or repaired, which you agree represents a reasonable estimate of Loss of Use damages and not a penalty; (c) an administrative fee, calculated based on the damage repair estimate as follows, which you agree is reasonable: \$0-\$250 damage=\$50 fee; \$251-\$500 damage=\$75 fee; \$501-750 damage=\$100 fee; \$751-1500 damage=\$150 fee; \$1501-2500 damage=\$200 fee; over \$2500 damage=\$250 fee; (d) towing, storage, and impound charges and other reasonable incidental and consequential damages; and (e) all costs associated with our enforcement of this Agreement or collection of Charges, including attorneys' fees, collection fees, and costs whether or not litigation is commenced. You must report all accidents or incidents of theft and vandalism to us and the police as soon as you discover them.

If You believe your responsibility for the Loss is covered by your own insurance or my charge card issuer, You will provide Us Your insurer and policy number or card issuer and its insurer. You authorize us to collect the Loss directly from the insurer. You also authorize US to collect the Loss directly from a third party responsible for the Loss. WE will refund any sum we collect in excess of the Loss.

In case you are involved in an accident you are obliged to contact the Us immediately. In case of personal injury, call the local emergency phone number 911 (US), 111 (New Zealand). Ensure that all persons involved receive the help and/or supervision they need, and make sure to get Police report of the incident. Secure documentation and take photos from the accident, people involved, vehicles, etc. **NOTE:** All damage to motorcycles/vehicles is automatically considered as the renter's responsibility if a "Police Report" is not obtained from the accident/incident.

11. Your rights if you damage your rental bike/vehicle

If you are hit by another person or vehicle and the incident is not your responsibility, the We will provide you with a new vehicle as soon as possible. If you are at fault, your lease and insurance are immediately terminated and the We will secure the vehicle for inspection, repair etc. If you are at fault, you are responsible for all damage you incur to third party cycles and your own motorcycle/vehicle, provided you have not purchased insurance with adequate coverage (LDW Zero, SLI 300K, SLI \$1 mill). If you are at fault, and We can quickly prepare your vehicle for safe and secure driving, you can request to continue the rental on the same vehicle (this is not a right and must be clarified with the Us). If your vehicle is no longer drivable, and you want to continue the rental, you will have to rent a new vehicle and buy new insurance, given that We give you the opportunity to do so. Explorify will prioritize safety and a good rental experience for you and the others in your tour group.

19. By confirming an order to Explorify on www.explorify.com and/or www.explorifyrentals.com, You accept our Terms and Conditions, and declare that You fully commit to the below Acknowledgement and "Assumption of Risk":

ACKNOWLEDGMENTS AND ASSUMPTION OF RISK

EXPLORIFY MOTORCYCLE RENTALS, LLC ("Rental Company/Operator") has agreed to rent to me and/or has agreed to permit me to operate or ride on a motorcycle owned by Rental Company/Operator (the "Motorcycle").

I fully understand and acknowledge that operating or riding on a motorcycle is an activity which has its own unique risks and that serious injury or death could result from operating or riding on the Motorcycle through no fault of my own. **I EXPRESSLY AGREE TO ASSUME THE ENTIRE RISK OF ANY ACCIDENTS OR PERSONAL INJURY, INCLUDING DEATH, WHICH I MIGHT SUFFER AS A RESULT OF MY OPERATING OR RIDING ON THE MOTORCYCLE.** I further agree to assume the entire risk of any property damage which might occur as a result of my operating or riding on the motorcycle.

If I am the operator of the Motorcycle, I possess the skill, knowledge, confidence, and experience on motorcycles the size of the Motorcycle to operate the Motorcycle in a safe manner, and I hold a current valid motorcycle operator's license in the state in which I reside.

I am not under the influence of alcohol, drugs, other illegal substances, or any medications at this time, which may impair my judgement or ability to operate or ride on the Motorcycle. I agree that I will not operate or ride on the Motorcycle while under the influence of alcohol, drugs, other illegal substances or such medications.

I have examined the Motorcycle and have been given an opportunity to ask questions regarding the operation of or riding on the Motorcycle. I am satisfied that the Motorcycle is in good operable condition and that I fully understand how to operate or ride on the Motorcycle.

I will not allow any other person to operate or ride on the Motorcycle for any reason unless he is specifically permitted to do so by Rental Company/Operator. I agree to operate or ride on the Motorcycle safely, defensively and within the limits of the law and my abilities. I will only operate or ride on the Motorcycle on public highways and roads

If I am the operator of the Motorcycle, I agree to personally confirm that all passengers have signed and agreed to the terms of a **Motorcycle Passenger Release of Liability and an Acknowledgements and Assumption of Risk** before I allow them to ride on the Motorcycle.

Accurate Head Measurement

I understand that, using a tape measure, I should measure around my head just above my eyebrows and ears to obtain my nominal helmet size in inches or centimeters. Use of the conversion chart below may be necessary to determine the best helmet size for me. I acknowledge that the accurate fitting of my motorcycle helmet is of utmost importance. A poorly fitting helmet will give much less protection, or may even part company with my head in the event of an accident.

Worth Remembering

I have fastened my chinstrap and ensured that the helmet does not slip from side to side. I understand that if I bend my head forward to try to remove the helmet with the chinstrap in place, and the helmet moves or slips off my head, I need a smaller size. Helmet linings almost always compress, so a new helmet on first fitting should feel a little tighter than snug.

Cm	Inches	UK	Universal	USA

62	24 1/2	7 5/8	X-Large	7 3/4
63	24 7/8	7 3/4	XX-Large	7 7/8

I acknowledge that it is my responsibility to determine which helmet size best fits my head and that the Rental Company/Operator is not responsible to determine my proper helmet size. The conversion chart provided above, and any assistance provided by the Rental Company/Operator in choosing a proper fitting helmet are not a substitute for me determining my proper helmet size by trying on helmets and feeling the fit of the helmet. If the Rental Company/Operator has provided me a helmet, I acknowledge that the Rental Company/Operator has provided me with the helmet size I requested and that the helmet fits me properly. If I am using a helmet provided by me or any person other than the Rental Company/Operator, I acknowledge that the helmet fits me properly.

I agree to wear at all times, and, if I am the operator of the Motorcycle, I will require any passengers on the Motorcycle to wear at all times, a properly fitted motorcycle helmet (my own or one provided by Rental Company/Operator) that has been approved by the D.O.T. (or, if outside the U.S.A., the appropriate local government authority).
