My Theme: The Great Awakening

2) [@martingeddes](#) and I use a couple of different terms to describe two global phenomena that are occurring right now.

"The Great Awakening" refers to the public becoming aware of the severity of institutional corruption.

[#TheGreatAwakening](#)

3) "The Storm" refers to the prosecution of corrupt people around the world.

Just as the prosecution of corrupt elites in Saudi Arabia commenced in November of 2017, corrupt elites will be prosecuted in North America, Europe, and Asia.

[#TheGreatAwakening](#)

4) Jarmo Elkman (@JipeFIN) and other patriots in Finland are helping spread awareness of corruption.

He was Q'd for this tweet.

[#TheGreatAwakening](#)

5) In his interview on Fox and Friends, POTUS strongly suggested that foreign aid often ends up in the bank accounts of politicians and their relatives.

6) Q said the Iran deal and the Paris Climate accord are examples of how taxpayers are robbed of their money by corrupt politicians.

No one audits where supposed foreign aid goes.

7) In January of 2018, Q listed more scams that rip off taxpayers and put trillions into the pockets of elites and their political puppets.

▶ Q !UW.yye1fxo 01/07/18 (Sun) 01:10:11 ID: 05b846 (9) No.13359 >>13363 >>13364 >>13367 >>13369 >>13370 >>13373 >>13375 >>13376 >>13377 >>13378 >>13380 >>13382 >>13383 >>13386 >>13388

 Who actually receives the money?
 The US taxpayer is funding the very people we are engaged in taking down.
 Slush funds everywhere.

 The hole is deep.
 Feel sick yet?
 Q

8) Q has assured us that changes are coming.
 The first step is making the public aware of the problem.
 (The Great Awakening)
 The second step is prosecuting those who are corrupt.
 (The Storm.)

9) After corrupt people have been prosecuted, a system of checks and balances will be put in place by POTUS to make sure this never happens again.

▶ Q !lmG7VJxZNCI 02/12/19 (Tue) 09:34:13 ID: 539e80 (1) No.5140929
 POTUS: "This can never be allowed to happen again (in our Country or to another President)."
 How do you deter & prevent this from happening again?
 Simply by terminating employment of those responsible?
 Simply by conducting a few 'non-threatening' investigations?
 Or by:
 Prosecuting those responsible to the fullest extent of the law?
 Setting up new checks & balances and oversight designed to increase transparency?
 Provide OIG office(s) w/ funding inc (size) ++ authority?
 Provide select committees w/ access and in-house viewing of non NAT SEC CLAS material?
 Provide a check on Directors/Dep Directors/Asst Directors of all such ABC agencies?
 Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity)?
 Transparency and Prosecution is the only way forward to save our Republic and safeguard such criminal and treasonous acts from occurring again.
 While some want to quietly remove those responsible and go about our business (save face on the World Stage), those in control, understand, this band-aid will simply not work.
 Nobody should be above the law (no matter how massive the spider-web is (entangled)).
 This will never happen again.
 TRUTH WORKS.
 FACTS MATTER.

The Honorable Ken A. Blanco
Director
Financial Crimes Enforcement Network
Department of Treasury

Dear Director Blanco:

The Senate Finance Committee and Homeland Security and Governmental Affairs Committee are conducting an investigation into potentially improper actions by the Obama administration with respect to Burisma Holdings (Burisma) and Ukraine. As discussed in our November 6, 2019, letter to the State Department, while then-Vice President Biden was in office, his son, Hunter, worked for Burisma and "would be paid no more than \$50,000 per month."¹ At the time, Burisma and its owner were under investigation by Ukraine and U.K. authorities.² According to a report, in 2016, then-Vice President Biden threatened to withhold aid to Ukraine unless the Ukrainian prosecutor that was investigating Burisma was fired, which he eventually was.³ In addition, Burisma's consulting firm, Blue Star Strategies, used Hunter Biden's board membership to gain access to Obama administration officials at the State Department and potentially influence matters before government officials on behalf of Burisma.⁴ The Committee has jurisdiction over the taxpayer-funded operations of the State Department and the Financial Crimes Enforcement Network (FinCEN).

NOVEMBER 22, 2019

The Honorable Lindsey Graham
Chairman, Committee on the Judiciary
United States Senate
290 Russell Senate Office Building
Washington, D.C. 20510

Dear Senator Graham,

I write to you to ask your help on a very urgent problem. As the Schiff frame-up moves forward based on inadmissible evidence (including double-hearsay, rumors, guesses, surmises, questionable overhears, and a hysterical Trump-hating media), there is a very real set of crimes crying out to be investigated and, if necessary and appropriate, prosecuted. They are being ignored and covered-up.

There are at least three (3) witnesses who have direct (non-hearsay) evidence of Democrat criminal conspiracy with Ukrainians to prevent Donald J. Trump from being President, with the alternative to remove him from office based on contrived charges. This has been most recently established by Mark Zaid, the discredited anonymous informant's lawyer, who called for a coup ten days after the January 2017 inauguration. These witnesses have oral, documentary, and recorded evidence of the Biden Family's involvement in bribery, money laundering, Hobbs Act extortion, and other possible crimes. They do not seek anonymity, like the disappearing informant. They desire a visa and it will not be granted by Ambassador Bill Taylor's embassy in Kiev. The Ambassador, apparently, has been too busy starring on mid-day soap operas, providing us with inadmissible second and third-hand information, including guesses and surmises. Some of which I personally know is false because his information about me is largely untrue. This is understandable, however, as he has never met me or spoken to me about my legal work, defending my client against false charges. Frankly, he seems to not care or possibly not understand.

third imitation of Kay Corlone ('don't ever ask me about my family's business') such an absurd excuse becomes clear evidence of his guilty acquiescence in his family becoming millionaires by selling his office. His response is also quite often like a cheap thug. That is the way he acted with President Poroshenko. More recently, his demand on September 29th that the media keep me off the air, showed an extraordinary entitlement to preferential media treatment. And his even more recent threat to Senator Lindsey Graham, in which he said the Senator "will regret your (his) whole life" is like he is playing out a Grade B remake of The Godfather. He does this because he has been enabled by a predominant media, that has ignored his pattern of criminality which has played out for over forty years, right in front of their eyes.

Consider that when he brazenly announced his strong-arming of President Poroshenko, none of the self-acknowledged geniuses at the Council on Foreign Relations even raised an eyebrow, if their eyes were even open. Contrast that to the reaction of the Trump conversation with Zelensky (which has no threat, no pressure, no conditions, and no quid pro quo). Unlike Biden's "I'll make you an offer you can't refuse," the Trump-Zelensky conversation was entirely cordial, friendly, and agreeable but is being used as the basis for impeachment. Meanwhile, Biden hasn't even been investigated.

If you need any other evidence of how corrupt the self-satisfied establishment insiders have become, not a single one of the 'very impressed with themselves' audience members listening to Biden, connected Biden's bribery to the December 8, 2015, NY Times article. That article excoriated Biden for the conflict of interest he had due to his totally unqualified son being paid by one of the most corrupt businesses in Ukraine. And this was all happening while Biden was "Point Man" to end corruption.

The allegations against Biden are highly credible (an admission, three (3) witnesses, tapes, and documents). The conduct, if true, is corruption at the highest levels of both the American and Ukrainian governments. President Trump was fully justified and legally obligated in requesting this important investigation, of very serious criminal allegations, because no one else had the courage to do so. And he has the ultimate responsibility "to take care that the laws are faithfully executed", *Art 2, section 3 of the U.S. Constitution*. The corrupt conflicts and actions of the Biden Family made the United States' efforts in Ukraine, to deal with corruption, pure hypocrisy. Indeed, all of Schiff's hearsay witnesses have made corruption in Ukraine that much worse by turning their back on the corruption that took place in 2016. Their protestations, to the contrary, are pure posturing for a fawning and warped media.

I will supply your staff with the three names of the witnesses who need visas and ask that you cut through the State Department's obstruction, to make certain they can come here quickly and share their highly relevant evidence with us. I also will certainly be willing to give them the

In any event, under Taylor's predecessor, whom President Zelensky agrees was "bad news", visas were denied to many who possessed evidence of Democrat, embassy and Biden corruption. Some witnesses went even so far as to hire a lawyer and as far back as October 2018, presented the United States Attorney's office with their information about Ukrainian falsified information to affect the 2016 election and the exercise of influence by Joe Biden, in exchange for payments to Hunter Biden and Devon Archer. This lawyer was suspiciously never contacted again. Now, he is willing to share with you his memoranda and e-mail. I would add that he also is a well respected former United States Attorney.

These witnesses and others are ready, willing and able to come to the United States and inform us of the corruption, election interference and other crimes Americans committed in Ukraine in 2016. However, our embassy is uniformly refusing them visas.

It is my duty, as the President's personal counsel, in order to defend my client against another set of false charges, to bring these exigencies circumstances to your attention. Although I understand the reluctance of the Senate to hold hearings in the past and I appreciate the strong support from Senators Johnson, Grassley and Kennedy, the Senate now has an additional duty to protect the office of the Presidency from the damage predicted by Alexander Hamilton, from an impeachment becoming entirely partisan. Our constitutional balance is under attack by partisans not trying to do justice or follow the constitution, but remove a President who they know they cannot defeat in an election less than a year away.

At times, some of your colleagues have been critical of my actions without giving me the benefit of the doubt or the chance to explain. I am disappointed, but I have a thick skin and realize there can be mistaken, immediate reactions to false or exaggerated criticisms from a largely hostile press. I assure you, despite the false rumors and exaggerations of reality, everything I did was to defend an innocent man, in this case, the President of the United States. Not only from false charges but from a deliberately planned conspiracy to prevent him from being elected, and then the insurance policy to remove him by false charges and illegal methods.

This current attempt is undoubtedly another effort to carry out the coup, and the attack on me which is false, malicious and unrelenting, is because I have had the temerity to call attention to the tip of the Pay-for-Play pattern in the Obama administration. The Biden situation is not limited to Ukraine but instead extends to other places where Biden was Obama's "Point Man". Infact, everywhere Biden was "Point Man", the Biden Family happened to enrich themselves. Iraq and China are two other notorious examples. Indeed, this conduct of monetizing Biden's office, by his family, seems to go way back to his early days in the Senate. When asked, his forty-year cover is to say he does not know his family's business dealings. However, after the

identity of the former United States Attorney, who is willing to share his surprise at the failure to follow-up in October 2018 to serious allegations of corruption. Someone should find out what happened.

Of course, I am at their disposal for any help they need in facilitating the relevant witnesses coming to America and also in uncovering and bringing to the American people the full scope of this scandal. The enablers will fight back and try to destroy those of us who reveal their long-term pattern of corruption, but be confident all those real people outside the Swamp know this has been going on for a very long time. As it is revealed many will say, we always suspected that this is why they are so alienated from D.C. As it is revealed fairly and people held properly accountable, be assured, trust and faith will be restored in a government with one standard for all Americans.

Sincerely,

Rudolph W. Giuliani
