# Conclusion

Simple Promise Xetina 20 is a dietary supplement that claims to support eye health and reduce the risk of age-related macular degeneration (AMD). It is made with a blend of ingredients that have been shown to have eye-protective properties, including:

- **Vitamin B3 (niacin):** Niacin is a B vitamin that helps to protect the eyes from damage caused by free radicals.
- **Ginkgo biloba:** Ginkgo biloba is an herb that has been shown to improve blood flow to the eyes and protect them from damage.
- **Lutein:** Lutein is an antioxidant that is found in the macula, the central part of the retina. It helps to protect the macula from damage caused by light.
- **Zeaxanthin:** Zeaxanthin is another antioxidant that is found in the macula. It works with lutein to protect the macula from damage.

Simple Promise Xetina 20 is generally safe for most people when taken as directed.
