2) This morning's drops by [#Qanon](#) don't provide information about ongoing operations against the bad guys. We're going to look at another proof of Q's legitimacy (or just another coincidence, depending on your perspective.)

We'll also look at the attempts to discredit Q.

3) This morning, [#Qanon](#) posted a sample of links to articles that have attempted to discredit him.

Sample.

It happens to be post #74

Follow PATRIOTS.

What you are about to learn should not only scare you, but intensify your resolve to take back control [Freedom]. The information that will become public will further demonstrate the criminal & corrupt [sure evil] abuse of power that the Hussein administration undertook in joint efforts w/ domestic and foreign dignitaries. The snowball has begun rolling - there is no stopping it now. DS.

25) Here's a closeup of the fire engine on the right. It's unheard of for a fire truck to have the number Q74 on the side. In most cases, the letter would be an "E" for an engine (pumper) or "L" for a ladder truck.

(Check for images on the internet to see if I'm wrong.)

[#Qanon](#)

<https://pbs.twimg.com/media/DdL2SiU0AA9TRa.jpg>

26) Some have suggested the Q could signify "Quint"—a hybrid pumper named because it performs 5 essential functions. As a career firefighter, I've seen hundreds of engines, ladders, brush rigs & medial transports and I've never seen a piece of apparatus with a Q identifier.

[#Qanon](#)

27) Maybe the Q was phoshopped?

This video was recorded the night of the 10th.

29) Why is it relevant?

#QAnon is suggesting that he coordinated his post #74 on May 10th to coincide with the appearance of the Q74 ladder truck at Joint Base Andrews the same night.

If Q is a LARP, how did he pull that off?

30) More than the numbers, the message of hope that #QAnon posted spoke of the prisoners being freed.

Sure, anyone could have done that. The event was known in advance.

But the LARP narrative fails the test of kindness, compassion and human dignity.

31) If I've learned anything over the past week it's that when you criticize someone publicly, your intent may be to expose their flaws but many times, you expose your own.

Your fear, your insecurity and your envy are revealed to your followers.

32) I don't personally care if you follow #Qanon.

Q isn't a litmus test for patriotism or MAGA.

I follow many people on Twitter who think Q is a LARP.

But they don't mock Q and his followers.

33) If you don't follow #Qanon, I would suggest refraining from attacking him for your own good. Q can take anything you can dish out.

But you'll damage your own credibility among your supporters who do follow Q.

34) Still think [#Qanon](#) is a LARP?
