My Theme: White House Breach Prevented.

2) Last week, Q posted several messages implying that the enemies of the President were

planning a physical breach of White House.

Important to understand.
What happens if a breach occurs @ WH?
Attempts [coordinated] to 'capture a horrifying moment'?

<https://www.dictionary.com/browse/goal>

What happens then?
Heavy protect (WH) _prev?
POTUS 'warning' meant to push 'rational thought' (peaceful protestors)
_prev coordinated anarchist [anarchy 99] push to victory [WH breach]?
Q

3) The breach was going to be done as 1 million protesters were expected to descend on the capitol.

ONE MILLION protesters expected in DC today
Washington DC is gearing up for its biggest day of protests yet with one million Black Lives Matter demonstrators set to hit the US capital following the death of George Floyd last week.

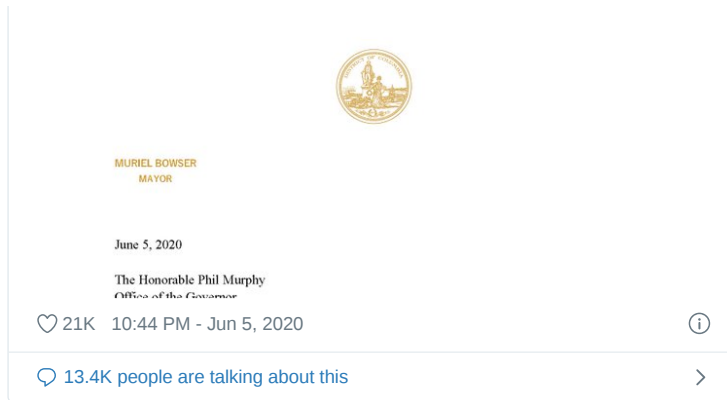

<https://www.dailymail.co.uk/news/article-8394395/Rallies-held-ONE-MILLION-protester...>

4) To facilitate the breach, Washinton DC Mayor Bowser ordered the removal of police and military who had been brought into the area to protect the White House and the President.

 **Mayor Muriel Bowser** 
@MayorBowser 

New Jersey @GovMurphy: I request that you remove your National Guard from our city. They were brought to the District without my knowledge and request.

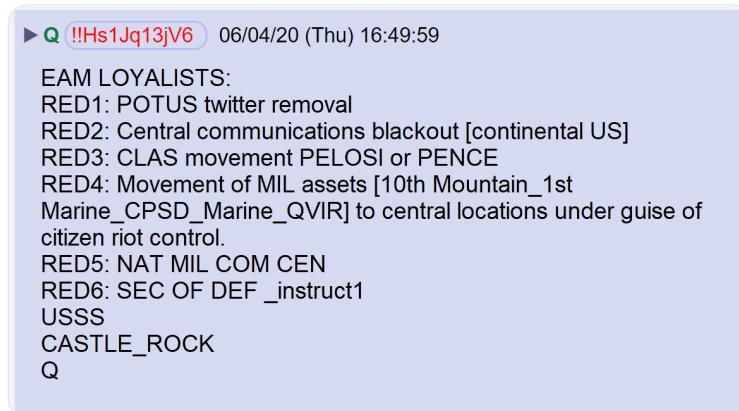

I appreciate your service, but your presence encroaches on the rights of 705,000 tax-paying residents.

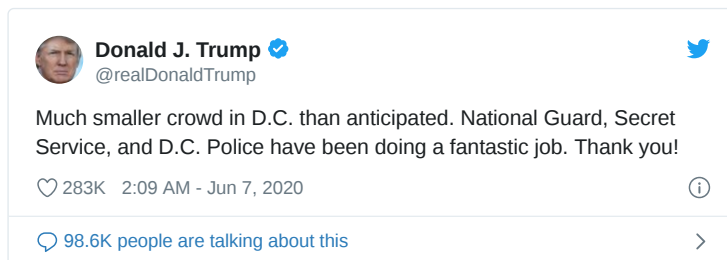

5)

6) Q exposed elements of the plan against the President and revealed the response that would be taken by those who are loyal to him.

7) On Saturday, the crowd in DC was smaller than expected. The police, military, and Secret Service handled the situation without incident.

8) It occurred to me on Sunday that perhaps Q's exposure of the plan forced the breach to be called off.

@prayingmedic

Once a covert plan has been discovered and made public, it cannot put into operation without risking public awareness.

The plan has to be scrapped.

Thank you Q for exposing [their] plan and forcing it to be called off.

Telling this board that Q team knew about the plans to attack the White house was disseminated far enough to force the cancellation of the attack. Well done Q.

What is a PSA?

A **public service announcement**, commonly known by the **PSA** acronym, is a message spread in the interest of the public. The objectives of PSAs are to raise awareness and change public attitudes, opinions, or even behavior towards an issue. These messages can be instructional, inspirational, or even shocking to elicit emotion and action.

Barr says It's a little annoying everyone saying nothing has been done. The wheels of justice turn very slow but don't think they won't be held

accountable.
