

Sports Illustrated Nutrition Intensi-T Reviews

[OFFICIAL WEBSITE](#)

Sports Illustrated Nutrition Intensi-T is a 100% natural, proprietary compound that was made with special processes to make it even more testosterone-boosting. Ashwagandha, Bioperine, and horny goat weed extract are all ingredients in Intensi-T. All three ingredients are well-known herbs that can raise testosterone levels and improve performance.

What Is Sports Illustrated Nutrition Intensi-T?

Intensi-T by [Sports Illustrated Nutrition](#) helps men create bigger muscles, improve their aerobic performance, shed weight, and even kickstarts their sex drive. The way Sports Illustrated Nutrition Intensi-T works is that it stimulates the production of testosterone in your body. Testosterone increases protein synthesis, which aids in muscle mass development. Additionally, it inhibits the catabolic hormone cortisol, which degrades muscle tissue.

Amino acids are the building blocks of proteins. Protein is necessary for muscular building. However, your body's ability to utilise protein for larger weapons is contingent upon its bioavailability. By attaching to androgen receptors in muscle cells, testosterone aids in protein synthesis. Your body may then use that protein to mend the microscopic microtears in your tissues caused by weightlifting, resulting in muscular growth.
