2) For the benefit of those who are new to Q, I'd like to look back at a few key posts that provide context for today's drop.

3) In November of 2017, Q hinted that Loretta Lynch was offered a deal by Bill Clinton during their tarmac in June of 2016.

Q suggested the meeting was recorded by the NSA, the file was hidden by Admiral Rogers, and that James Comey was confronted with the information.

4) A few days after Loretta Lynch and Bill Clinton met on the Phoenix tarmac, Comey explained that he was not recommending prosecution of Hillary Clinton, a move that angered Republicans and Democrats, and provided some epic meme material.

5) On February 6th, 2018, Q told anons to keep public interest high regarding the tarmac meeting.

Q suggested the tarmac deal involved an offer to Lynch for a Supreme Court appointment.

Q also hinted that Supreme Court Justice Antonin Scalia had been murdered (187).

6) Two months later, on April 15th, 2018, President Trump tweeted his suspicions about a deal Loretta Lynch made with Bill Clinton, agreeing with Q's assertion that it had to do with a position on the Supreme Court.

5:08 AM - 15 Apr 2018

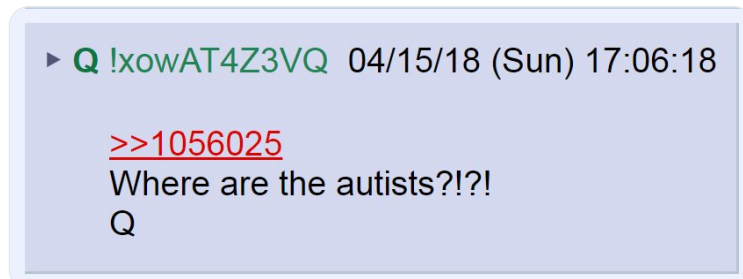

7) Following the President's tweet, Q reposted his drop from February and drew attention to the fact that POTUS had confirmed his post about Loretta Lynch and the Supreme Court deal.

8) Q reminded anons that side by side graphics are important and made clear that Loretta Lynch had been promised a future Supreme Court appointment when Ruth Bader Ginsburg stepped down.

9) Q chided anons for not having a graphic made.

10) Side by side graphics provide important proofs.

16) Christopher Sign broke the story after receiving a tip from a "trusted source." Bill Clinton and Loretta Lynch said their meeting was unplanned and denied discussing investigations of Hillary or anything else of interest to the public.

Connect: Clinton, Lynch met privately in PHX

Former President Clinton and US Attorney Loretta Lynch sat in a private plane parked at Sky Harbor International Airport for a private meeting.

17) The IG report on the FBI's handling of the Hillary Clinton email investigation found discrepancies in the stories about the tarmac meeting.

An OPA supervisor said Bill Clinton's Secret Service detail contacted Lynch's detail to arrange the meeting at Bill Clinton's request.

The Deputy Chief of Staff said that she had "zero knowledge" that former President Clinton was there before she saw him approach the plane. She stated, "And if I had knowledge, I would not have been in that van. I would've...stayed on the plane and got everybody off.... No heads up or anything." The Senior Counselor said she asked everyone in the van if they knew that former President Clinton was going to be there, and they all said no. The OPA Supervisor said that he later learned that former President Clinton's Secret Service detail had contacted Lynch's FBI security detail and let them know that the former President wanted to meet with Lynch. Although Lynch's staff was supposed to receive notice of such

requests, witnesses told us that they were not informed of the request from former President Clinton.¹⁴⁵

Lynch said that she was on the plane with her husband and the head of her security detail, and that they were preparing to leave when she learned that former President Clinton had asked to speak to her. She stated:

[W]e were walking toward the front door, and then...the head of my detail stopped and spoke to someone outside the plane, turned around and said former President Clinton is here, and he wants to say hello to you. And I think my initial reaction was the profound statement,

The tarmac meeting was on June 27th, 2016.

James Comey closed the investigation into Hillary's emails on July 5th, 2016.

Q: The Silent War Continues
By Deborah Franklin

We're living in dramatic times that are difficult to understand. One way to try to interpret them is through the cryptic clues provided by Q, which appear on an anonymous online forum and imply top-secret knowledge of upcoming events.

As I wrote in my [article](#) "An Introduction to Q," "Q's followers believe that Q is a military intelligence operation, the first of its kind, whose goal is to provide the public with secret information... Q is a new weapon in the game of information warfare, bypassing a hostile media and corrupt government to communicate directly with the public." It's interesting to note that shortly after my article was published here, American Thinker suffered a series of unprecedented [hacking](#) attempts. Also noteworthy is that Twitter permanently shut down the account of Zero Hedge, a popular finance blog, two weeks after it posted my article.

President Trump continues to [bring attention](#) to Q, repeatedly retweeting Q followers, featuring Q fans in his ad campaign, and making a public display of a "Q baby" at a rally. Yet the media never asks Trump the obvious question: What do you think about Q?

Instead, the media keeps ratcheting up its attacks on Q and the ever-growing worldwide movement that Q inspires. On February 9, both the [AP](#) and [New York Times](#) published blistering anti-Q articles, claiming that Q promotes baseless, debunked far right conspiracies and
