# HOLLYWOOD

Construction Update  
December 2018

## **Hollywood, 5 Missouri Avenue, Media City, Salford, M50 2NP**

At Hollywood in Manchester, full strip out is now complete along with external drainage to the car park and a number of other key activities including the removal of asbestos. Phase 2 construction works will now commence.

### **Works Progressed**

Full strip out has been completed.

External drainage to the car park has been completed.

Drainage connections and pop-ups have been installed on the ground floor for all the SVP connections throughout the building.

More pop-ups have been installed to the beam and block floor.

Internal structural alterations have been completed.

Asbestos has been successfully removed off site.

Structural details have now been submitted to allow the removal of the internal staircase.

A structural design for the trimming of the roof truss to allow for the smoke shaft.

### **Works Anticipated**

Phase 2 works commence.
