### About The Magazine

Groundskeeping Journal is a market leading digital bi-monthly magazine which is sent directly to the inboxes of our 36,500 requested circulation including Greenskeepers, Groundsmen/ women, Local Authorities, Estate Managers, Leisure Organisations, Schools, Colleges and Universities.

Each of our editions keep our readership up to date with the latest information and technology within the Groundskeeping industry.

With in depth editorial and articles from industry leaders on topics including, but not limited to, Greens keeping, Top Dressing, seeds, loams, Turf Management, Equipment, Pitch Markers, Irrigation & Drainage, Aeration, Weed Control, Tractors, Synthetic Surfaces, Sprayers & Spraying, Specialist Mowers, Sports Ground Equipment and Sports Pitches.

The magazine is distributed directly to laptops, tablets, PCs and other mobile devices giving the reader, wherever they may be, information at their finger tips. Every action by the reader is recorded and tracked.

### Circulation

Groundsmen/Women	56.3%
Greenskeepers	21.04%
Local Authorities	10.7%
Estate Managers	6.2%
Leisure Organisations	2.3%
Universities	1.5%
Colleges	0.9%
Schools	0.7%

Groundskeeping Journal has a circulation of just over 36,500 subscribers.

This digital publication is distributed via email to key specifiers and major decision makers within the Groundskeeping Industry.

This publication is bi-monthly and latest issues will be released the first weeks of January, March, May, July, September and November.

With hyperlinks placed on all booked in artwork/articles our readers are then able to go direct to our advertisers websites to peruse their site for products and projects.

We will also be looking to further our circulation by gaining new followers on our social media platforms, Instagram and Twitter, daily along with sharing and supporting companies we follow.
