Andrew McCabe testified before Congress today about his role in Spygate.

What you need to know about Andrew McCabe's Congressional testimony:

Regardless of what he admits to or denies, his statements are being recorded for the benefit of the public. At a later date when documents are declassified, if he lied the public will know.

Information Warfare.

Election news:

The votes counted in Arizona today are breaking for Trump, but not at the rate that will help him overcome the current deficit. Lawsuits have already been filed to challenge the rejection of ballots.
