My Theme: Blind Justice Returns

2) For centuries, there has been a 2-tiered justice system in place that allows society's elites to evade justice. A major theme of Q's mission is the return of equal (blind)

justice for all.

3) A review of leading anti-POTUS Twitter accounts reveals a familiar pattern of talking heads using the same [4am] talking points issued by their deep state masters.

This morning's talking point: William Barr isn't objective because he was "hand-picked" by Donald Trump.

03/25/19 (Mon) 10:28:14 ID: 3ca87f (1) No. 5882797

File (info): ab8d82a5a9b96d495975c20cb3ece26f8.jpg (242.97 KB)

File (info): 7824b46a24f653e...jpg (156.88 KB, 1120x1494, 586:747, [https://www.mediafire.com/...]) (0) (u)

Barr was hand-picked because he said the president couldn't be charged with obstruction and, guess what? He doesn't need obstruction! Blocker!

The American people deserve the opportunity to read the full Mueller report, not a sanitized summary from Donald Trump's hand-picked AG. The Trump administration has proven it can't be trusted. It's time to #ProsecuteTrump.

Congress and the American people need to see the Special Counsel's full report - not a short-hand summary from the President's hand-picked Attorney General.

Good questions. Shouldn't we hear Mueller's conclusions directly from him and not the information from Trump's hand-picked AG? Just so everyone can come together around the same set of facts?

Congress voted 409-0 to release the full Mueller report. Not a "summary" here is a hand-picked Attorney General. AG Barr, make the full report public, immediately.

The Mueller report needs to be made public; the underlying investigative materials should be turned over to Congress, and then must testify. That is what transparency looks like. A short order from Trump's hand-picked Attorney General is not sufficient.

Robert Mueller concluded that he could NOT exonerate #TrumpAdmin, and Americans deserve to know why.

The decision not to prosecute Trump was made by the hand-picked Attorney General based on a false legal premise. Congress must #ProsecuteTrump.

The image shows a screenshot of a social media post or a document page. It contains several tweets or statements related to the Mueller report and the Trump administration. On the right side, there is a thumbnail image of the cover of TIME magazine, which features a large, ornate building with multiple domes and spires, likely St. Basil's Cathedral in Moscow. Below the tweets, there is a section titled "TALKING POINTS?" which contains a block of text starting with "PEOPLE around the WORLD are 'WAKING UP' to the FACT (NOT FICTION) that the CORPORATE [ID] party politically controlled [6 CORPORATIONS OWN 90%] MEDIA [FAKE NEWS] IS NOT unbiased journalism but POLITICALLY MOTIVATED AND CONTROLLED. 5) Some people are willing to let the crimes of the deep state go unpunished, but Q has warned:

NOBODY WALKS AWAY FROM THIS.

6) Because Rod Rosenstein appointed Robert Mueller and because he signed the last FISA application against Carter Page, it was important to keep Rod Rosenstein in his position at the DOJ to avoid the appearance of impropriety.

7) The abuse of power and corruption in the White House, State Department, FBI, DOJ, CI_A, Five Eyes, etc. has completely destroyed the public's faith in government.

The only way to restore public trust is to hold the responsible parties accountable for their crimes.

Following the revelation that Special Counsel Robert Mueller unearthed no evidence that President Trump or his campaign colluded with Russia to sway the 2016 election, Trump allies are now awaiting the results of two long-running internal probes that could expose the backstory behind the Russia probe's beginnings – and provide more detail on already-documented misconduct among top FBI and DOJ officials.

Following the revelation that Special Counsel Robert Mueller unearthed no evidence that President Trump or his campaign colluded with Russia to sway the 2016 election, Trump allies are now awaiting the results of two long-running internal probes that could expose the backstory behind the Russia probe's beginnings – and provide more detail on already-documented misconduct among top FBI and DOJ officials.

DOJ Inspector General (IG) Michael Horowitz confirmed at a panel discussion last week that his office is continuing to review potential surveillance abuses by the FBI, a review that began last March and that Fox News is told is nearing completion. Horowitz has previously found that senior FBI officials routinely leaked information without authorization to the media, and also received "improper gifts" from reporters, including meals and sporting event tickets. Most notably, Horowitz found that FBI officials' anti-Trump communications raised doubts as to the integrity of their work.

Republicans, meanwhile, are increasingly looking for answers from U.S. Attorney for Utah John Huber, who was appointed a year ago by former Attorney General Jeff Sessions to review not only surveillance abuses by the FBI and DOJ, but also authorities' handling of the probe into the Clinton Foundation. Huber, Republicans have cautioned, has apparently made little progress, and spoken to few key witnesses and whistleblowers.

60) Q asked if the Attorney General will need to get involved in Smollett's case.

What many people missed about this story is hinted at in the last line from the above article.

The FBI is already investigating and has no comment.

Police said Smollett hired two men, both of whom are black, to attack him. Smollett allegedly paid the men \$3,500.

The men are brothers Abimbola "Abel" and Olabinjo "Ola" Osundairo, and one of them had worked on "Empire." An attorney for them has said the brothers agreed to help Smollett because of their friendship with him and the sense that he was helping their careers.

Police have also said that before the attack, Smollett sent a letter that threatened him to the Chicago studio where "Empire" is shot. The FBI, which is investigating that letter, has declined to comment on the investigation.

Dougherty didn't answer whether Alcoff had been fired or resigned. He also didn't answer whether the organization was aware of Alcoff's associations during his employment.

Alcoff was reportedly also an organizer for Smash Racism DC, the group responsible for gathering and shouting threats outside the home of Fox News host Tucker Carlson in November and for heckling Sen. Ted Cruz, R-Texas, and his wife Heidi at a Washington restaurant in September. Reports have not said Alcoff was directly involved in either incident; only that he was associated with the group.

Democrats are hardly eager to be associated with Alcoff now. Most spokespersons for Democratic members of Congress did not respond to inquiries from Fox News, or distanced themselves from Alcoff.

Conservapedia has an excellent timeline for Obamaagate (Spygate) that can be found here: https://www.conservapedia.com/Obamagate_timeline

- **17 November:** Adm. Rogers informs Trump of Obama administration surveillance. NSA Director Mike Rogers makes unannounced trip to Trump Tower to meet with President-elect Trump without notifying the White House.^[374] Rogers warned Trump of Obama administration illegal spying on Trump and the transition team. Trump immediately moves transition headquarters from Trump Tower to Trump National Golf Club in Bedminster, New Jersey to interview and discuss the most sensitive positions to fill. Defense, State, CIA, OONI.^[375]
- Congress renews calls for perjury charges against OONI boss James Clapper.^[376]
- Strzok texts Lisa Page "Sessions for AG," along with a profanity. Page replies, "Good god."
- Obama administration votes against Russian sponsored UN Resolution entitled "Combating glorification of Nazism, Neo-Nazism and other practices that contribute to fueling contemporary forms of racism, racial discrimination, xenophobia and related intolerance," condemning the neo-fascist regime Obama and progressives brought to power in Ukraine.^[377]
- **Mid November:** Steel and Wood meet for a second time. Sir Andrew Wood approaches Steele after the election "to discuss whether they needed to take further steps to ensure the U.S. government was aware of his information."
- **18-20 November:** McCain and his longtime adviser, David Kramer—an ex-U.S. State Dept. official—attend a security conference in Halifax, Nova Scotia where former UK ambassador to Russia Sir Andrew Wood tells them about the Fusion GPS anti-Trump dossier. (Kramer is affiliated with the "Ukraine Today" media organization). They discuss confirming the info has reached top levels of FBI for action.
- **19 November:** Washington Post reports Defense Secretary Ashton Carter and OONI James Clapper recommend to the White House that NSA Dir. Rogers be fired. Rogers traveled to New York to meet with President-elect Trump days earlier at Trump Tower, warning Trump about the Obama administration illegal surveillance of the Trump team. "That caused consternation at senior levels of the administration, according to officials."^[378]
- **21 November:** Bruce Ohr receives email from Kathieen Kavaiec, a deputy assistant secretary of state in the Bureau of European Affairs in the State Department. (Kavaiec is now President Trump's nominee to be ambassador to Albania.) Kavaiec sent Ohr information on Simon Kukes, a Russian-born executive who contributed more than \$250,000 to Trump-supporting organizations after Trump won the Republican nomination. Kavaiec said she met Kukes around 2014, when "Tom Firestone brought him in," a reference to former Justice Department official Thomas Firestone, now a partner at the Washington law firm BakerHostetler. Kavaiec also linked to a Mother Jones article about Kukes. Ohr responded by saying, "I may have heard about him from Tom Firestone as well, but I can't recall for certain." Then Kavaiec answered by saying she was "just re-looking at my notes from my convo with Chris Steele" and that "I see that Chris said Kukes has some

Q-Digging on MAGA Coalition shows obvious fraud. Also those associated are non-stop attacking and obviously coordinated. Why would a PAC attack us? This in itself shows its FAKE. This PAC also engages known shills/frauds. Do we still dig? Many reported to the IRS.

116) Q pointed out MAGA Coalition not because they attacked the movement but because they're an example of an organization that wastes donor money on inflated fees and expenses.

Focusing on attackers can become a distraction.

Eye on the ball.

This is Q's last discussion of them.

Some organizations do not have good intentions.
Due diligence required.
We highlighted this particular organization as one example.

Follow the money.
Track donations vs. expenses.
Admin, fundraising, strategy & research, etc etc expenses highly inflated?
Monthly installment payments made to 'names' who can attract 'more donations'? (the 'wheel')
How much 'donated' money was actually spent promoting MAGA / PRO_MAGA candidates (indirectly) vs. internal costs or 'wheel' costs?
><https://www.irs.gov/individuals/how-do-you-report-suspected-tax-fraud-activity>
When you offer 'better' goods and services for free there is no longer a need to 'donate' 'purchase' and/or 'follow' those who would use such platforms to enrich themselves. (hence the 'attacks')
Logical thinking always wins.
Attempts to 'divide' the movement draws LIGHT to their TRUE INTENTIONS.
This is about the survival of our Nation (our World) - not funding scams.

124) We know the DOJ under Obama coordinated with UK intelligence to spy on the Trump campaign.

Q seemed to suggest the UK is now cooperating with the Department of Justice regarding the declassification of documents related to FISAGATE.

Resolution to Brexit is part of the

126) An anon posted flight tracking of a DOJ aircraft that went to the UK and apparently has not yet returned. He thought perhaps Christopher Steele is being extradited to the US.

CP is a common acronym for child pornography. It could be a reference to Prince Andrew.

Think plane tracking?

So is the DOJ plane in the UK picking up another passenger besides the CP king? Christopher Steele is key to the dossier & basis for the FISA, and would probably have an indictment. Is he getting shipped over here to the US? Are we going to be seeing him in front of the Senate? UK is helping to DECLAS FISA.

127) Q indicated that the anon's reference was correct.

The anon made 2 references.

I'm not sure if one was correct or if both were correct.

128) [@Savedangel61](#) was Q'd for posting an article about James Comey's comments regarding Donald Trump being exonerated by the Mueller investigation.

129) Although Comey said at the time he was fired, POTUS could fire him at any time with or without cause, he's changed his tune and now believes his firing could be considered obstruction of justice.

130) Comey didn't object to his own firing at the time because the plan (or so he thought) was for Mueller to bring charges against Trump and remove him from office.

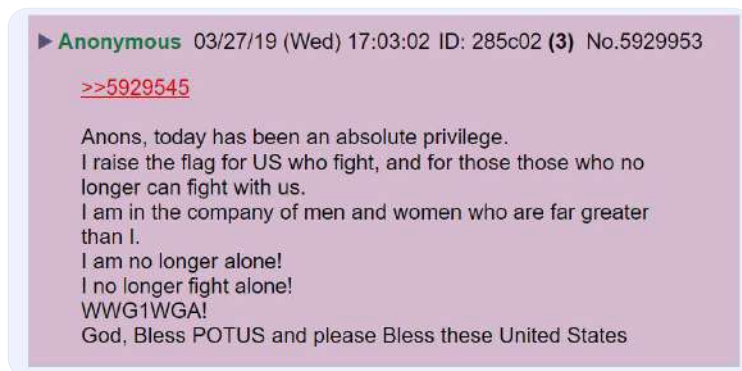

Comey must be wondering what happened to the plan.
His indictment is coming.
