I also asked the last of a young woman in a chat because she believed so much about what she was talking about.: " can I go to the morphogenic field that you speak of.

She laughed at me, I should make myself first ?????

In rank and file.....

Arthur Cristian

Every "NAME" (word) is filed and ranked but who we really are, UNDEFINED MAN, does not exist amongst filing cabinets, hard/storage drives and folders. :)

Van Gelis

This text Arthur is so strong when you want to understand him, " take me to word air to get my breath.," hammer

Van Gelis

And at the same time totally logical and normal. How can you make a reality from one word?

Arthur Cristian

Prove where you are right now.

You can't because words (DEFINITIONS) do not prove where you are right now.

Definitions form the fantasies of perceived realities.

Using definitions to argue for preconceptions is already the predetermination of a fake robotic life set amongst these notions that form the entertainment of "The System"

(CULTS/SECTS), where these fantasies are played out in games of wow and wow, right and wrong, health and not health, life and death, etc, etc, day in, day out for a whole lifetime.

Everything you are experiencing in "The System" was already predetermined and no matter when you wake up to this fact, there were already men and women going back centuries, determined to bamboozle you with the craft and practice of their black magic tricks, alphabets, including mathematics and geometry, being one of many.

Have these magic tricks stopped all the wars, abolished poverty, homelessness, malnutrition, cruelty, injustice, etc, and has it brought an eternal living peace and freedom for all of MAN across earth, and do words/definitions put food on the table, make the sun shine, clouds rain and cause seeds to burst into flowers, fruits, herbs, vegetables, shrubs and trees and do words create shelter??????

Definitions form the fantasies of perceived realities.

Prove where you are right now.

In me?

Prove that "in me" exist.

Van Gelis

All right, just this man!

Arthur Cristian

Words are NOT proof of fact.

Where is this MAN?

Prove where you are right now.

Van Gelis

On the couch ????

Van Gelis

Just here now.

Arthur Cristian

@ Van Gelis

Bring forward the couch in first party.

Let's hear this claim directly from the couch and not from a MAN acting as the wagging tongue and wriggling fingers of the couch.

"Hello couch, is it true that a MAN is sitting/laying/resting on you right now?"

PLEASE DON'T TELL US THAT ONLY A MAN CAN COME FORWARD TO ACT ON BEHALF OF A COUCH WHICH CAN ONLY PROVE THE FACT THAT THE MAN HAS NO IDEA WHERE THE MAN REALLY IS, PAST, PRESENT OR FUTURE.

Prove where you are right now.

Van Gelis

Wooww...??

Van Gelis

I don't know Arthur.. ??

Van Gelis

On Earth

Arthur Cristian

Bring forward Earth in 1st party. Let's hear this claim directly from the wagging tongue and wriggling fingers of Earth and not from a MAN, a 3rd party actor, performing on behalf of a Earth who can't come forward to talk directly with the living. Can you arrange this spectacular event? Many of us would love to be there and experience this fantorgasmic, paranormal event.

Arthur Cristian

@ Van Gelis "I don't know"

Will you ever know?

Arthur Cristian

"Hello Earth, is it true that a MAN is on Earth right now?"

Van Gelis

Ok then you have to come here and see me

Arthur Cristian

@ Van Gelis

So you want a MAN to follow definitions/words, longitude, latitude, street and road numbers, definitions defining highways, byways, suburbs, towns, villages, cities, states, principalities, territories, countries, nations, hemispheres, airports, seaports, central-stations, altitudes, seaways, motorised transport, maps, etc, to find you? How can any of this be proof of fact where you really are? And even if this MAN was to follow these collective predeterminations and came before your vessel, how can you still prove to this MAN incontrovertibly where you really are?

Arthur Cristian

Are you still able to bring forward 1st party evidence to back your claims where you really are without lying and committing fraud to another MAN?

Van Gelis

So I can't prove to anyone where I am. But I know where I am!

Arthur Cristian

@ Van Gelis

"So I can't prove to anyone where I am. But I know where I am!"

Do you.

PROVE IT.

Van Gelis

I don't know where I am?

Arthur Cristian

@ Van Gelis

Unless you can bring forward 1st party evidence to back your claims, it's clearly obvious that you still don't know where you really are right now.

Until you have solid, incontrovertible evidence, you have nothing of truth to back your claims.

Can you ever prove where you are right now?

Van Gelis

Nein ! Ich kann nicht beweisen wo ich bin ,aber ich ich weiß DASS ICH BIN !

No! I can't prove where I am, but I know that I am!

Arthur Cristian

If this undefined MAN can't prove to anyone where this UNDEFINED MAN really is right now, how can you?

Van Gelis

Weil ich doch am Leben bin .

Because I'm alive.

Arthur Cristian

@ Van Gelis

"No! I can't prove where I am, but I know that I am!

OK, prove "I know that I am!" is true and not lies and committing fraud.

Arthur Cristian

@ Van Gelis

"Because I'm alive".

Prove it.

And does this prove the fact that you really know where you are right now?

Van Gelis

Nein das ich wirklich weiss wo ich bin nicht , Aber dass hier Leben ist halt schon!

No that I really know where I'm not, but that living here is stop!

Van Gelis

Ich fühle mich doch

I'm feeling

Van Gelis

Hier lebt doch was

There's something here

Arthur Cristian

@ Van Gelis

"No that I really know where I'm not, but that living here is stop!"

Ok, the auto translation might not be working here correctly.. "but that living here is stop!" "

Can you clear this up so we are clear about your intentions behind the words used.

Van Gelis

Ich bin das Leben !

I'm life!

Arthur Cristian

@ Van Gelis

I'm feeling - There's something here"

Prove it

And does this prove the fact that you really know where you are right now?

@ Van Gelis

"I'm life!"

Prove it

And does this prove the fact that you really know where you are right now?

And does this prove the fact that you really know what you are right now?

Van Gelis

Ich weiß nicht was ich bin ,ich weiss nicht wo ich bin . Aber irgendwas ist hier .

I don't know what I am, I don't know where I am. But something's here.

Van Gelis

Eine Präsenz , eine Aufmerksamkeit

A presence, a attention

Arthur Cristian

@ Van Gelis

"I don't know what I am, I don't know where I am. But something's here."

OK, Prove that "something's here".

Arthur Cristian

@ Van Gelis

"A presence, a attention"

Prove it

Van Gelis

OK . Ich weiss gar nichts !

Okay. I don't know anything!

Van Gelis

My body is here

I'm the living man!

Arthur Cristian

@ Van Gelis

"Okay. I don't know anything!"

LOLLLLLLLLLLLLLLLLLLLLL

Exactly, because you are not answerable to another MAN ever.

You don't have to prove anything to anyone ever, about anything.

What you SENSE (touch, taste, feel, smell, hear, see) will always be unique and original to you, instant by instant, always, AND NO OTHER MAN CAN EVER EXPERIENCE WHATEVER YOU ARE SENSING/EXPERIENCING THROUGH YOUR SENSES INSTANT BY INSTANT.

So why do you sell out?

Van Gelis

ICH BIN DER LEBENDE MANN ????????

I'm the living man ????????

Arthur Cristian

@ Van Gelis

"I'm the living man ????????"

PROVE IT :)

Van Gelis

Ich muss dir nichts beweisen ...??

I don't have to prove anything to you

Arthur Cristian

As you can't prove it, why make the claim?

Van Gelis

????

Van Gelis

Mhhh ?? okay. We can meet ??

Then you have your proof

Arthur Cristian

IN "THE SYSTEM" OF THIS SCAM, MAN ALWAYS FUCKS UP WHENEVER MAN MAKES A CLAIM!

Every letter and word IS A CLAIM and is committing fraud and the occultists will always have jurisdiction over you when you buy into letters and words to make claims these definitions are proof of fact/reality, when in fact they are not.

When you make a claim, which you do through belief, faith and associated opinions with words/letters/alphabets, you are already admitting that you are not well, are psychotic and are lost in delusions of grandeur, etc, and the occultists/freemasons will continue to keep you trapped and enslaved in the mental asylum that is "The System" because you actually gave up full responsibility over your life (WHO YOU REALLY ARE = UNDEFINED MAN) and are now under limited responsibility and liability as a mental patient in a psychiatric hospital ("The System") as their "WARD OF THE STATE".

Arthur Cristian

They get you every time you commit fraud - the whole of the law is based on you committing fraud over and over and over again from the womb to the grave.

So why are you selling out (committing fraud) when you always have the free will not to do so? This fakebook thread is already proof of fact that you willing SELL OUT (COMMIT FRAUD) constantly.

Arthur Cristian

Can you prove where you are right now?

Arthur Cristian

Can you prove that you exist right now?

Van Gelis

Nein?

No?

Arthur Cristian

In "The System", if you respond (RE-ACT THE FRAUD) to these probes/questions, YOU ARE FUCKED... GOOONNNEEE.

Van Gelis

Ja stimmt

Yes true

Arthur Cristian

They trained you from the womb to re-present your "NAME" and they used your parents, etc, to support you in committing fraud and lying and your registration of "NAME", the "Birth Certificate" is your entry into the occultists mental asylum where you spend the rest of your life as their robot-drone- slave and nowhere in "The System" amongst alphabets will you find an exit that gets you out of this mental asylum until your vessel is deceased and there is no undefined soul there to move on with eternal (undefined) life forevermore.

So why are you selling out?

Van Gelis

wusste nicht

I didn't know

Arthur Cristian

@ Van Gelis

"I didn't know"

THAT'S HOW "THE SYSTEM" REALLY WORKS.

You were born into original sin (the fraud) and you remain as a sinner under the Occultists jurisdiction and authority" for the whole of your life.

So what are you going to do about all this IN T(HIS) LIFE?

HIS = Satan, Lucifer, the Grand Architect of Freemasonry/The-Occults who dreamt this fucking crazy dream you have been bonded to thus far and at least since you appeared in the womb.

You are in HIS IMAGE, IN HIS DREAM OF FAKE (DEAD) LIFE.= the living dead = the deeply brainwashed, confused and misled robot-drone-slave.

Van Gelis

Ich werde alles tun was ich kann um aus diesem Traum aufzuwachen

I will do everything I can to wake up from this dream

Arthur Cristian

@ Van Gelis

To repeat.....

"You are in HIS IMAGE, IN HIS DREAM OF FAKE (DEAD) LIFE.= the living dead = the deeply brainwashed, confused and misled robot-drone-slave."

THE CONSEQUENCE FOR BEING TRULY LOST IN "THE SYSTEM" IS
MURDER/GENOCIDE TO MAN'S UNDEFINED SOUL.

The life of every vessel already is the promise for each vessel having the freedom and free will to create a soul but "The System" interjection causes GENOCIDE to the vessel of every man, woman, child trapped in "The System" under "NAME", under family, tribe, village, community, race, culture, creed, title, standing, etc, etc.

IF YOU REALLY DREAM FOR AN ETERNAL SOUL, then what you are doing so far throughout all your wasted life in "The System", is working on the murder of your undefined soul, BECAUSE NOTHING ELSE IS REALLY GOING ON.

And while you remain in "The System", you acquiesce, support, condone and fully aid in the genocide of every man, woman and child you come in contact with directly or indirectly???

Imagining you have a life, have a consciousness, have a freedom, have truth, etc, IS NOT being/living life, consciousness, truth, etc... because THERE IS NO SOUL THERE, EVER.

Raised in "The System" and staying in "The System" for whatever reason IS MURDER AND GENOCIDE to MAN'S UNDEFINED dream of eternal life.

If you really don't sense (know) who you really are and where you really are, already is the clear, incontrovertible evidence of you working at murdering your undefined soul IN THIS DEFINED LIFE.

Do you really want to sell out?

Van Gelis

Verstehe

I understand.

Nein

No

Arthur Cristian

"Understand" is being under the standing of another MAN. Are you a true FREE UNDEFINED MAN or not?

Better to say "comprehend". :)

Van Gelis

Ich bin ein wahrer frei undefinierte Mann!

I'm a true free man!

Arthur Cristian

Always be conscious of what you are dreaming for. Words/letters/alphabets will always deceive you - it was meant-designed that way = THE FRAUD = THE ORIGINAL SIN.

Thoughts are dreams and dreams are thoughts and letters, words, definitions are dreams you are dreaming.

It's important that you are always in full control of this beast of hell, that you are holding the lead that ties around the collar of this beast and that you are in FULL control where you want this beast to go and never let this fucking nightmare beast take control over

your vessel through whatever you dream for, that was implanted in your vessel to dream out of (dream for).

Never give the beast (occultists) the collar around your neck that also has a lead that they take a grip of and pull you in whichever direction they want you to go as their dead to soul, their unconscious, deep-asleep robot-drone-slave. :)

Arthur Cristian

@ Van Gelis

"I'm a true free man!"

And NEVER claim this, SAY it. because then you are NOT.

NO MAN IS ANSWERABLE TO ANOTHER MAN.

SO THERE IS NOTHING TO SAY (CLAIM) BECAUSE YOU ALREADY ARE,
ALREADY LIVING, BEING, BREATHING as the FREE -----> MAN.

NEVER SELL OUT.

And as UNDEFINED MAN stops claiming (owning) anything, a living undefined peace, freedom, joy, abundance, consciousness, truth, etc, is already spreading out all across the dream of MAN'S life and all conflict, confusion, chaos, war, controversies, arguments, crimes, injustice, cruelty, harm, lies, deceit, "self-obsession", destructive emotions, etc, etc, etc, have ended forevermore. :) <3

All the best to you and your family. Now we're going back to the paradise garden of our co-creation <3 :) (Y)
