SPECIAL EVENTS

One of the best ways to become a part of the community during our festival week is by hosting an official event to invite attendees into your world. Whether it's a rowdy rock 'n' roll shindig or a networking-focused BBQ, you can get creative from breakfast time until 7pm during our event week and engage attendees who are looking for a place to connect over good music and good times.

Some of the perks of becoming an official AMERICANAFEST event:

More impressions. Your event will be listed in our daily schedule to give attendees a chance to become familiar with your company before even stepping foot at your event. Your event will also appear on our website (almost 350,000 page views at peak festival season in 2019), our mobile app (almost 10,000 users who viewed the app close to 2M times in 2019), and local third-party event listing websites like NowPlayingNashville.com.

Higher attendance. Our staff has seen a significant increase in attendance for returning events once they became a part of our daily schedule.

You can organize a special event at a venue of your choosing in Nashville during the approved hours below. The length of your event determines the listing rate, which includes you in our schedule. All performers will need to be approved. Please note that approved hours may coincide with AMERICANAFEST-produced programming.

Special event info will be due in early July. Learn more at www.americanamusic.org/special-events.

AMERICANAFEST 2021

FESTIVAL & CONFERENCE IN REVIEW

In 2021, we carefully and thoughtfully made the decision to bring our community together again. With proper COVID-19 protocols in place, AMERICANAFEST returned to Nashville in September, safely uniting thousands of artists, industry and fans in Music City. While our attendance was affected by the pandemic in 2021, we anticipate growing back to our 2019 attendance in future years. You can view our 2021 and our 2019 details on the following pages.
