2) On June 10, just before the [#TrumpKimSummit](#) was about to begin, [#Qanon](#) posted these pictures from Singapore.

He noted that information is first revealed privately and then it is made public.

Erik Prince's Blackwater is on guard.

Evidence [that kills] is being gathered.

<https://pbs.twimg.com/media/DfgpbiQUcAAGVud.jpg>

9) #Qanon confirmed there would be heavy redactions. That's why the Executive Order was put on hold. To minimize claims of partisanship, POTUS will declassify & unredact the Strzok/Page texts, McCabe emails and the IG report with a single stroke of the pen.

▶ **Q !CbboFOtcZs** 06/11/18 (Mon) 09:38:59 ID: 3497f0 No.1699928 >>1699950 >>1699953 >>1699954

There will be many redactions.

Why was the EO put on ice?

To wait for the release of the 'Clinton Investigation' portion of the IG report?

Why?

To include in the DECLAS?

Why would it be important to include? (all in one)

It's the same reason you guys couldn't come into office and just start locking everyone up. You're trying to stop unrest and unneeded suffering.

If you bundle the CF investigation with all of the other misdeeds of the Deep State you can say it falls under the umbrella of corruption. If you had declassified just the CF portion people would assume it was a political hit job and an irresponsible use of presidential declassification powers.

We hit on this earlier that Huber and Horowitz are both Obama appointed holdovers. It's also one of the reasons Sessions recused himself.

<https://pbs.twimg.com/media/Dfg55rmVMAA-WSE.jpg>

11) The hammer is in the hand of John Huber (an Obama appointee).

The trigger is the release of the IG report. It's the legal basis for corrective action & prosecution of the

swamp.

This article explains why Huber is the man for the job:

12) An anon observed that POTUS left the [#TrumpKimSummit](#) early because the deal had already been made. But he expressed frustration that no one had been [publicly] arrested yet.

[#Qanon](#) reiterated that Huber will drop the hammer [soon].

## The Rescuers

From Wikipedia, the free encyclopedia

*For other uses, see [The Rescuers \(disambiguation\)](#).*

**The Rescuers** is a 1977 American animated adventure comedy-drama produced by Walt Disney Productions and released by Buena Vista Distribution. The 23rd Disney animated feature film, the film is about the Rescue Aid Society, an international mouse organization headquartered in New York City and shadowing the United Nations, dedicated to helping abduction victims around the world at large. Two of these mice, jittery janitor Bernard (Bob Newhart) and his co-agent, the elegant Miss Bianca (Eva Gabor), set out to rescue Penny (Michelle Stacy), an orphan girl being held prisoner in the Devil's Bayou by treasure huntress Madame Medusa (Geraldine Page). The film is based on a series of books by Margery Sharp, most notably *The Rescuers* and *Miss Bianca*.

*The Rescuers* entered development in 1962, but was shelved due to Walt Disney's dislike of the project's political overtones. During the 1970s, the film was revived as a project for the younger animators, but it was taken over by the senior animation staff following the release of *Robin Hood*. *The Rescuers* was released on June 22, 1977, to positive critical reception and became a box office success. The film was also successful throughout the

### North Korean leader Kim Jong Un visiting several Singapore attractions on Monday night

SINGAPORE - North Korean leader Kim Jong Un is spending his second night in Singapore on a mini tour that includes some of the Republic's best-known sights such as Gardens by the Bay and the Marina Bay Sands (MBS) integrated resorts.

At around 9.10pm on Monday (June 11), his motorcade was seen leaving the St Regis Hotel in the Tanglin area where his delegation is being housed at, before driving past the Raffles City area towards Marina Bay.

Mr Kim, who arrived in Singapore on Sunday ahead of his historic summit with United States President Donald Trump in Sentosa on Tuesday, stopped by Gardens by the Bay first and is expected to also visit the MBS SkyPark or the nearby Merlion Park.

At around 8pm, the observation deck of the 57th-storey sky park at the MBS, which offers panoramic views of Marina Bay and the central business district, was closed off to the public, ahead of its usual 10pm timing.

MBS staff were seen polishing fingerprints off the glass panels of the observation deck. The Straits Times also saw a heavy security presence comprising MBS personnel and police officers.

Mr Kim, who is North Korea's Chairman of the State Affairs Commission, may also visit other sights such as the Esplanade performing arts centre.

The mini-city tour will cap a rather quiet public schedule for Mr Kim on Monday, compared to his officials and Mr Trump.

Apart from a meeting with Singapore's Prime Minister Lee Hsien Loong at the Istana on Sunday evening, Mr Kim has not been seen stepping out of the St Regis hotel in Orchard Road where he and his delegation are being housed at.

In contrast, Mr Kim's officials were seen earlier on Monday meeting with Singapore and American officials - making courtesy calls or engaging in last-minute talks over the one-day summit.

Mr Trump met PM Lee and also members of the American community in Singapore.

97) There are many military installations near Whidbey Island.

Whidbey Naval Air Station at Oak Harbor is on the island but has nothing (at least that I know of) that could vertically launch such a missile.

[#Qanon](#)

<https://pbs.twimg.com/media/DfjJlyqW0AEzabH.jpg>

98) Joint Base Lewis-McCord is near Tacoma but it's unlikely that a vertically launched missile would have come from there.

[#Qanon](#)

<https://pbs.twimg.com/media/DfjJbhmWkAAhAqZ.jpg>

99) The Puget Sound Naval shipyard is nearby in Bremerton but that operation primarily does shipbuilding and repair and it's unlikely to be the source of a vertical missile launch.

[#Qanon](#)

<https://pbs.twimg.com/media/DjK2RlXUAAxqRe.jpg>

It was an awful interview. Once again, weak, ineffectual,

Until Rosenstein is hauled off by the House Sergeant At

If power TENDS to corrupt, it's not surprising there is corruption in DOJ, FBI, CIA, GCHQ, KGB and other intelligence agencies. Did you expect Mossad to be any different?

Use logic.

So funny to watch the Fake News, especially NBC and CNN. They are fighting hard to downplay the deal with North Korea. 500 days ago they would have "begged" for this deal-looked like war would break out. Our **Country's biggest enemy is the Fake News** so easily promulgated by fools!

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

Wikileaks Vault 7 exposed the software that makes it possible to leave 'false fingerprints' implicating others for your own hacking.
