TRIBE

 BY BONAVERI

The new TRIBE Collection is all about diversity; a collection that adapts to your creativity.

The Tribe collection's unique design means that it is able to adapt to many different creative concepts, from youthful groupings to sophisticated single poses. The female and male poses each offer a range of heights and ages that can be mixed together to form a carefully curated visual concept. TRIBE Mannequins are composed of 5 standing females, 4 standing males and 2 seated male and female variations.
