Construction Update  
September 2018

# Fabric District Residence

## 33 Devon Street, L3 8HA

The latest Fabric District Residence Construction Update consists of substation removal, the installation of ring pads and ring beams plus other primary steel works. Now that all of the relevant materials have arrived on site and have been prepared, major steelworks are scheduled for the next construction period at Devon Street.

### Works Progressed

- Original substation has been removed during demolition works.
- New substation requirements are being arranged.
- Ring beams have been installed in preparation for steelworks
- Ring pads have also been installed.
- Bolts and steel materials have arrived on site.
- Steel fabrication works are underway.
- The procurement process is almost complete.

### Works Scheduled

Extensive steelwork is now ready to commence.
