Revelation 1:8 (KJV)

I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

When most people hear the above words, which are common in Christian circles, they tend to think God is the beginning and the end. That's the generic understanding of scriptures, yet there is something deeper embedded in the above words. Right now you may be asking yourself, "What does the man of God really mean?" Stay with me.

Alpha and omega actually means "The One who starts with the end before the beginning." The Bible says Christ was crucified before the foundation of the earth, which means the end was completed before He was born of Mary. God completed everything about you, and you were blessed with all physical and spiritual blessings.

The million dollars you are looking for were delivered already; your health is the past tense in His sight. Claim your belongings today as you make spiritual decrees and declarations. God gave you a complete package, and nothing is missing or lacking in the Name of Jesus. You shall experience only milk and honey this year in Jesus Name!

365 DAY BIBLE READING CHALLENGE

Your scripture for today: Genesis 1-3

**Acts 9:3 (KJV)**

And as he journeyed, he came near Damascus: and suddenly there shined round about him a light from heaven.

Life is a product of encounters, either divine or demonic. Spiritual encounters come in the form of God directly talking to you, a person meeting you, or any form of significant occurrence. Apostle Paul had his own encounter on the way to Damascus. He was struck by a strange light, which later resulted in him being the greatest apostle of all time to the extent that even Peter was bamboozled by some of his text. A text message from Paul was considered scripture because of his own encounter.

As you are reading this devotional today, it might be your own encounter to change generations and the course of history in your family. Your encounter might be a person that you are meeting today. Use every positive encounter to declare your victory over the enemy. You have an encounter through this word, and you shall surely go out and make tangible impact.

PROPHETIC DECLARATION

I have my personal encounter through today's word, and nothing shall stop me from experiencing milk and honey this year in Jesus' Name. Amen.

Job 22:28 (KJV)

Thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways.

Every word that proceeds from your mouth is working and waiting to be fulfilled. That's why it's vital to put a standard to the words that you utter from your lips. Remember, the Bible even says death and life lie in the power of your tongue. It didn't refer to some sickness or failure of medical practitioners but your own words. Set a premium on the words you speak.

The moment you say "things are hard," that word is waiting to make everything hard for you. It will wait until it's fulfilled. The only way to cancel negative words is by speaking positively. Speak positive

words into the atmosphere, and you shall live according to the same words you speak.

This is a new day; your language is only there to build, not to destroy. Even if the pressures of life press you, maintain your positive language. You are the blessed one of the Most High, and no poverty or sickness shall come closer to your tent in the Name of Jesus.

PROPHETIC DECLARATION

My mouth is the pen of a ready writer; I speak milk and honey in all circles of my life. Surely goodness and mercy shall follow me all the days of my life in the Name of Jesus. Glory.

**Psalms 92:12-13 (KJV)**

The righteous shall flourish like the palm tree, he shall grow like a cedar in Lebanon Those that be planted in the house of the Lord shall flourish in the courts of our God.

Lebanon is very harsh when it comes to its climatic conditions. Sometimes harsh, stormy winds will sweep through the breadth of the country causing mass damage to structures and trees. Many will wonder what happens to the palm tree of Lebanon that causes even the psalmist to liken the righteous to the palm tree of Lebanon.

When the winds blow, the palm tree of Lebanon will just bend and come back to its position. It bends not because it's weak but because it's flexible. Christ

made you God's righteous one and the righteous ones are like the palm tree of Lebanon. Whether they speak or write evil about you, you will simply bend and come back to your position. You shall not be shaken or uprooted by anything. You are strong and flexible like the palm tree of Lebanon, and your foundation is stronger than the pressure of life.

PROPHETIC DECLARATION

I'm stronger and firmly rooted in Jesus Christ. No weapon formed against me shall prosper. I was born to conquer and to prosper in the Name of Jesus.

**Matthew 11:11 (KJV)**

Verily I say unto you, among them that are born of women there hath not risen a greater than John the Baptist: notwithstanding he that is least in the kingdom of heaven is greater than he.

Our scripture is clear that to all those who came before John, there was no one greater than him. It might be Isaiah, Joshua or anyone that you might think of; there is no one who was graced like John. He was operating at his own unique level of grace and power. Surprisingly, Jesus went on to say that even the least amongst the born-again Christians is greater than John.

Brothers and sisters, John did wonders, but we can do wonders without number. Go out with this confidence that

you are a five-star general of God, and you can shift things in your life. Speak words and prophesy into the atmosphere, and your environment shall yield to your word.

PROPHETIC DECLARATION

I am a five-star general born of the Spirit of God. I decree and declare that my life is more than a wonder. My steps are ordered by God in the Name of Jesus.

**James 4:7 (KJV)**

Submit yourselves therefore to God Resist the devil, and he will flee from you.

The word devil is not just a name but a job description that describes someone who pounces and pounces until he pierces through. What the devil mastered is consistency in his quest to defeat you. He even left Jesus for a season after he tempted Him, which means he was coming back for another season. Though Jesus was God in the flesh, the enemy still had the audacity to pounce and pounce on Him.

When you feed yourself with the Word and put a premium on the words you speak, pray in the Holy Ghost. You will build resistance against the enemy. You will create stamina against all the

arrows of the enemy and the reality of milk and honey will be yours. Take time to go for the Word, praying in the Holy Ghost, and you will surely come back with a testimony. You will live a life of sure victory over the enemy.

Genesis 1:3 (KJV)

And God said; Let there be light; and there was light.

From Genesis to Revelation, God only did one thing: He spoke! Nothing physical, but His mouth created the earth, conquered walls and changed the course of many lives. Those things that look physical in your sight, if you search deeper, you will realize that He just spoke a word into being. That's why God values the prophetic because the prophetic office only speaks.

When God saw darkness in the book of Genesis, He did not complain but spoke light into being. Today, use your mouth profitably by speaking into being anything that you desire. Is it money, a job, contracts, growth, or marriage? Just

"SPEAK, and it shall be established.

PROPHETIC DECLARATION

I choose to use my mouth profitably and I create empires with my tongue. I decree and declare milk and honey in my life in the Name of Jesus.

Your scripture for today: Job 14-16

1 Timothy 1:18 (KJV)

This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;

Prophecy is not just a mere utterance of words that are divine but a release of weapons. Paul charged Timothy to use his own prophecies to fight a good warfare. He didn't tell him to use his connections, CVs or any physical advantage, but prophecy. When a prophetic word is released upon you through a preached word, scripture, or one-on-one encounter, it is an arsenal given to you. You are already equipped by that word.

Dig deep into every positive word given to you and stand on that word to

launch a battle against the enemy. If you were told that you shall be the deliverer of your family, then the enemy cannot stop you or stop your progress because you carry a generational assignment to deliver an entire family. Go out and conquer in all streams of your life. Nothing shall hinder you in the Name of Jesus.

PROPHETIC DECLARATION

I am a carrier of a prophetic word of God. Greater is He that is in me than he that is in the world. I shall not be defeated by any enemy or challenge. My foundation is solid and strong in the Name of Jesus.

Beat your plowshares into swords, and your pruninghooks into spears: let the weak say, I am strong.

When reduced to its basic component, you will realize that faith is nothing more than an argument. The enemy will be trying to push you to his own way, and your duty is to resist the plan of the enemy. The Bible is clear that when you submit to God and resist the devil, he will flee.

Our scripture for today says let the weak say I'm strong. Note, the weak do not say I'm strong when they get the strength but whilst they are still weak. They know the facts say that they are weak, not rich, or sick, but they should choose to argue with those circum-

stances. Today, make an argument against all the plans of negative occurrences in your life. If your bank account is empty, just say, "The money is coming in the year of milk and honey"; and it shall be so. Don't buy into any situation emanating from the enemy; make an argument in the Name of Jesus.

But the men marveled, saying, what manner of man is this, that even the winds and the sea obey him!

My father, Pastor Chris Oyakhilome, vindicated me when many criticized me for miracle money. It was beyond many people's comprehension to believe that money can rain both physical and soft cash in millions. As much as even Jesus did miracle money, which your own Bible termed "miracle tribute money," many still do not believe that in this day and age, God is still in the business of making money appear. In our scripture above, they couldn't understand what manner of a man Jesus was because he had codes to control seas and storms.

Pastor Chris said all those who were questioning miracle money did not understand "the codes." There are spiritual codes, brothers and sisters, that cause you to get into a realm of miracles that others are not experiencing. It's like writing computer programs; we input all the lines of code, and miracles will happen. Today you shall experience strange miracles in the Name of Jesus. This word, together with your prayers, shall launch you into a realm of supernatural codes which will result in miracles upon miracles!

PROPHETIC DECLARATION

I'm full of the Word, and my spirit is alert. I live in a different realm of power. Supernatural activities shall continue to happen in my life in the Name of Jesus.

And as he journeyed, he came near Damascus: and suddenly there shined round about him a light from heaven:

Prayer is a protocol or an usher that you send ahead of you to execute a task. To some, it might sound like just a bubbling of words, but prayer is a powerful tool to shape the future that you desire. Ananias was just a certain disciple, but his prayers condensed the atmosphere of Damascus to the extent that when Paul headed to Damascus, he was struck by lightning. Though Ananias was just a certain disciple, his prayers were deployed in the atmosphere in order to trap all the threats to God's mission. His prayers were on assignment, like protocol or ushers in the atmosphere.

Offer your prayers without ceasing, and every word that you declare shall be established. Speak milk and honey, that is, prosperity, longevity, health and promotion, and it shall be established in the Name of Jesus. Send your protocol to industries and all the unconquered territories. You are not weak if you can pray. Take this moment to assign your protocol, and victory is certain.

The entrance of thy words giveth light, it giveth understanding unto the simple.

The greatest form of deliverance is when your ignorance is confronted. When the Bible calls the devil the prince of darkness, it's not what many people think. 'Prince' means 'first,' and darkness means 'ignorance,' so it literally means the first one to be ignorant. When he thought of making a coup in Heaven, he became number one on the list of the ignorant ones.

There are those areas that you have been ignorant about; those are the same places where the devil and his cohorts succeed the most. Let this Word of God shine in every area of your life. Pay attention to all the subjects where you were failing. The entrance of God's Word will bring light, and you shall be transformed by the renewal of your mind.

I will worship toward thy holy temple, and praise thy name for thy lovingkindness and for thy truth: for thou hast magnified thy word above all thy name.

When you go for the Word, you will surely come back with a testimony. Our ministry is known mainly for the revelation of the Word more than anything. Even if we prophesy and operate in other spiritual gifts, we still emphasize the Word of God, which is a more sure word of prophecy. According to the above scripture, God even exalted His Word more than His name. In fact, He consults His Word before doing anything. That is why the Word of the Lord is a standard for everything happening on this earth.

Everything is a result of God's Word, and the more you dive deep into the Word in the Word of God, the more you will find solutions. Create time to read and listen to the Word of God, and you will surely come back with a testimony. Never shun the Word of God; it is a surer word of prophecy.

No servant can serve two masters; for either he will hate the one, and love the other; or else he will hold to the one, and despise the other, Ye cannot serve God and mammon.

There is only one thing in the Bible that God put himself on par with. Only one entity that God Himself confirmed that this one can give me perfect competition, and it's not the devil but MONEY. Money is a master; it seeks to control and to be worshipped. When it sees you, it sees a subject to be controlled and dominated. According to scripture, God even called it a master, and He confirms that you cannot serve Him and money at the same time.

When you master the art of controlling money, you can easily serve God. How do you master money? Every time you give money to God or to His missions, you are telling money that there is a superior Master over you, thereby mastering money. Giving money is the only way to master money. Whatever ministry you might be a part of, never hesitate to give money, for it is the only way to master money, and more will come to you in different streams.

The Gospel is absolutely free, but the means to bring it to the people is not free. It takes money to hire a stadium for a crusade, print devotionals – although we give them out freely – or buy PA systems to preach the Gospel to millions of people. This is the main reason why God wants to give you money, which is not just money but money with a mission. It's money for His cause.

Money is coming to you as I prophesied, but remember, it's not there to quench your personal desires but for God's mission. It's for God's work to be forwarded. As you are reading this devotional, grace is available to make you rich, but bear in mind that the money is coming not only for you but also for God's mission. Like those ladies who ministered to Jesus out of their substance, through your increase, nations shall receive the Gospel.

Suburbs are classified into three common classes: low density, middle density and high density. Low-income earners stay in high density, and the residences are very small compared to low-density. The same applies in the spiritual realm. We are not all in the same realm or class. That's the main reason some miracles and encounters that we might have in the GoodNews World might sound strange somewhere else.

The servant of Elisha was in a different location than his own man of God. Where he was seeing imminent death, the man of God was seeing divine protection and life. As you read this word and commit yourself to prayer, you are shifting locations in the spirit. The light entering your spirit is relocating you right now. And God said, let there be light: and there was light.

Sonoluminescence is a phenomenon in physics that proves scientifically that sound produces energy that produces light. This is a technology created by God so that when He spoke, He emitted sound waves, and those sound waves created light. When He created you in His likeness, He gave you the same ability so that you also produce light when you speak. Understand that when you speak, you produce sound from what is inside you and then express or articulate it externally. The same is true in the spiritual realm.

The Bible says, "The entrance of Thy words giveth [shows or becomes] light!" So, for you to emit light externally, light must first enter you. The Scripture tells us that the entrance of God's Word is what produces that light in you. In other words, in the realm of the Spirit, words are measured by light. We speak by emitting light. So, the amount of light you have is the amount of vocabulary you can speak in the Spirit in light. Build your light vocabulary daily by immersing yourself in the Word of God. As you speak know that everything about your life is changing into milk and honey!

For the love of Christ constraineth us; because we thus judge, that if one died for all, then were all dead:

There is something about the mindset of a prostitute that every Christian ought to imitate. That may sound crazy, but I will explain. Have you ever noticed how a prostitute makes sure her product is always exposed so that every potential customer knows exactly what she is selling? She is compelled to do it because she recognizes the value of her product, and she understands that she is the best person to promote it. She speaks with one goal in mind, and that is to promote her product. Despite the weather, come rain or thunder, she will be out there selling. Furthermore, if the corner she's on is not attracting the customers she wants, she will find another corner.

Understand that God's greatest product is Jesus, and every Christian is His select salesperson. So, as a Christian, never hide God's Product. As you move around, let your Bible be seen. Don't hide it. Instead, display it proudly. When you speak, let your conversation be a marketing tool that points others to Jesus. Adopt the mindset that come rain or shine, in all you do, you will promote Jesus no matter what!

Honor the LORD with your wealth And with the first fruits of all your crops (income).

Wealth management refers to the strategic management of an individual's financial assets to help achieve their financial goals. The world has its own ways of manipulating this system, but we are not of this world. God has given us our own system to secure, increase and protect our finances, even before they arrive. The world's financial system involves saving, but in God's system, the way to unquestionable financial dominion is through giving.

Tithing is a vehicle in God's financial system that empowers you to prosper. Within this system, you have the ability

to control and accelerate your profit by investing or giving, not based on what your bank balance or budget dictates, but based on what you expect as a return. You have been given power to tithe based on what you expect to receive. Decide what you want your income to be, then make it your goal to begin tithing at or towards that level now. Never allow your bank balance to decide your giving potential. Instead, give according to your expected harvest, and you will see wonders in your finances.

There's a certain level of diplomatic immunity, a heavenly security that some Christians have realized, that they can say anything at any given time, and it happens. This privilege is not reserved for a select few in Christendom. You also have the capacity to do this through prayer. The secret of Christianity is in your mouth. Your mouth is not for eating. As a matter of fact, the Greek rendering for 'mouth' is stoma, which means a knife you use to cut something down and into pieces. When you understand this, you will realize how dangerous your prayers are.

Prayer is an intercontinental ballistic missile you can use to destroy poverty, sickness, and any form of failure. Engage your mind as you are praying so that you are conscious of the weapon you are wielding. As you pray to the Father in the Name of Jesus, begin to visualize yourself stabbing that sickness, stabbing failure, stabbing divorce, stabbing poverty! Use your stoma – your mouth – to cut down and cut out everything that tries to hinder your progress!

2 Corinthians 6:14 (KJV)

Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

The Christian life is about eliminating demonic data and replacing it with holy spiritual data. In fact, the amount of light in you can be measured by how much darkness you have removed from around you. That is why in John 14:30 (AMP), He could boldly declare that the devil “has no claim on Me. [He has nothing in common with Me; there is nothing in Me that belongs to him, and he has no power over Me.]” How could He make such a bold claim? It is because He mastered the art of eliminating demonic data.

This is why you ought to be careful who you befriend. This is the admonition the Bible has given. Some people only enter your life to monitor and hinder your progress. They emit negative light that attracts demonic activity. Make the decision to live a designed life. Tell yourself I'm not going to do anything unless God is in it, unless it exalts God's name, and is for my personal ministry for God. Choose to remove yourself from anyone who fellowships with the darkness you have decided to eliminate from your life.

Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

Invisible to our naked eyes are the molecules of hydrogen and oxygen, yet through a chemical reaction they become a visible substance called water. God set these invisible processes in motion at creation to respond continuously to His Word to form visible substances that add to our lives.

He has done the same in the spiritual realm. Our spiritual genes hold the creative power to frame our personal world by the thoughts and words we think and speak, which are divine tools

given for our creative use.

We are surrounded by spiritual “molecules” that are designed to respond to our thoughts and words, or more scripturally put, our faith, to produce miracles. Since the spirit realm is the causal realm, then your miracle is always in motion. When I say, the money is coming, the mere fact that I speak it, it means, the mechanism to have the money deliver to you has already been set in motion, it’s yours in Jesus’ Name!

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

The verse above states that God gave His children authority over all power of the enemy, not some, not most, but ALL! This means as Christians, you have the power to declare life into any dead situation, whether it is crippling poverty or sickness – YOU have been given the power to overcome. As a child of God, it is important that you exercise this authority that was freely given to you the moment you accepted Christ into your life.

In the Bible, there are several instances we can cite that display the heroes of

our faith being conscious of their spiritual authority. This is shown when Apostle Paul says in 2 Corinthians 10:4, 'For the weapons of our warfare are not carnal, but mighty through God.' Despite the heavy persecution Paul faced throughout the writing of this particular book of the Bible, he maintained the consciousness of his authority in God! Regardless of the vicissitudes of life you are facing, choose to walk in the consciousness that God has given you power over the devil!

Our duty as Christians is to put the Word to work! Many Christians pride themselves in attending services and church programs regularly, yet their lives remain the same! While some could suggest the preacher is at fault, it is actually the polar opposite! Some people make the mistake of simply hearing the Word without actioning it. The Bible is clear on the negative attributes of being a hearer of the Word only when it states in James 1:22, 'Be doers of the word, not merely hearers who deceive themselves.' This tells us that those who hear only live a life of deception!

Learn to apply the Word of God in every area of your life. Our rhema word for this year is milk and honey, so refuse to be like those who hear this word but do not action it. Happiness is based on happenings, whereas joy is a decision every child of God has to make. Notice I said 'decision', not 'feeling'. The Bible tells us to count it all joy when we fall into diverse temptations. This means joy is not dependent on circumstances but a choice.

A popular verse amongst preachers and congregation alike says, 'Rejoice in the Lord always' (Philippians 4:4). Many Christians do not realise the circumstances in which this passage was written. Paul was writing to the church of Philippi whilst in prison! Yet, despite

the horrendous conditions he was subjected to, Paul could remain joyous through it all.

God has equipped all His children with the weapon of joy. The Bible says joy is good medicine, but a crushed spirit dries the bones. This shows us that not choosing to be joyful has detrimental effects on your life. Today, choose to confuse the enemy by being joyful regardless of your situation!

Is that not amazing how God never forgets all you have done for the Kingdom? The Bible tells us that those who seek first the Kingdom and righteousness, all things will be added unto them. Whilst salvation is a gift freely given

Those who finance the spreading of the Gospel are also rewarded. The Bible tells us that those who give in secret, God shall reward them openly! The Bible states in 1 Peter 1:15, 'But as he which hath called you is holy, so ye be holy in all manner of conversation.' This scripture shows us we are expected to conduct ourselves in a godly manner in ALL manner of conversation. As you go about your day, whether in school, at university or at your job, conduct yourself in a Godly manner; you don't always know who you're interacting with!

Wherever we go, we must be an example, not just to non-Christians but also to Christians in word, conversation, charity, spirit, faith and purity. Fear ye not therefore, ye are of more value than many sparrows.

In the Bible, the devil claimed God's servant Job (a man of great wealth and integrity) would reject Him if he was stripped of all he had. God allowed Satan to test Job but disallowed him from harming His child physically in any way. Although God prohibited the devil from harming Job, the devil was allowed to cause raiders to raid and kill Job's farmhands.

Through prayer, we are revitalised and charged up! The place of prayer is a place of rehabilitation and incubation. Men of prayer move from life to eternity! People of prayer have undeniable value in God's Kingdom.

This is why the Bible tells us of Abel's voice crying out to God even in death. Abel had built so much stature in the Kingdom through his prayer that his voice remained audible to God. Ensure your house is a house of prayer.

Prayer has the power to change your and your family's lives. Know that when you create open dialogue with the King of Kings, your prayer is, without any exceptions, answered with a yes and amen before you even start praying.

Love is the totality of God's nature; He is love personified! As a result, in Christ there is love that transcends all human understanding. The Bible tells us that God loves you so much that He gave His Son, Jesus Christ, so you may have eternal life. Whilst those in the world can revoke their feelings towards you depending on various circumstances or even actions you may have taken against them, God's love is described as never-ending, meaning absolutely nothing can separate you from the love of Christ!

When you accepted Jesus Christ as your Lord and Saviour, His Spirit immediately dominated you with His love. So, as Christians, it's important to be loving just as your Father is loving. Winning souls is easy! Jesus has already answered every possible objection to the belief that soul winning is difficult. The problem is that Christians have read the scriptures about soul winning but have not taken the time to delve deeper into what God said. Jesus (the masterful soul-winner) understood the Jewish people's love for agriculture and used it as the basis for this teaching.

To understand the question posed in the verse for today's reading, you must understand that it takes four months for wheat to mature before it is ready to be harvested by a farmer, and the Lord uses this language deliberately, knowing His audience.

Now, you are not the farmer! So, it is not your duty to cultivate the grounds for soul winning. It was already done by God! This completely nullifies the belief that soul winning is difficult. Whilst faith certainly accumulates, it hinges on your current state of being. What are you doing now? Are you holding onto what faith is and abiding by its laws? The word 'substance' in the original rendering directly translates to hypóstasis, meaning substructure or fundamental reality that supports all else.

Faith acts as the title deed for what you want to obtain and is the proof and foundation of your belief. As a Christian, you are born into faith but must learn how to access it. The Bible says that faith comes by hearing and hearing by the Word of God. So, for you to access faith, you must consume the Word daily! Ensure you attend church and read the Word of God so that faith can accumulate in you.

Additionally, the Bible tells us to walk by faith and not by sight, meaning faith should be fully functioning regardless of your situation. When you walk in faith, poverty has no hold on you, and no sickness is strong enough to harm you.

How that he was caught up into paradise, and heard unspeakable words, which is notlawful for a man to utter.

There is a certain realm where some humans can host the presence of God and go beyond the average man. You can be better than them in the prophetic or even healing, but in the eyes of the Father, they are superior spirits! Paul describes his experience going to Heaven saying he heard words that were unlawful for him to utter. Those who are superior spirits hear secrets from another world!

There are dimensions that can only be revealed through the mouth of superior spirits! Whilst they are not respected amongst the masses, they are respect-

ed by God. These men and women are signposts to God's existence through Christianity alone!

God has made His ministers flames of fire! The prerequisite of being a superior spirit is fire. This means the reason your enemies are failing to destroy you is because they lack fire! The fire of God is birthed through conversing with the King of Kings and taking time to indulge in His Word. Imagine the power you would have if you only realised there is fire needed in you, and when you host the fire of God in you, you will become a superior spirit!

PROPHETIC DECLARATION

I hold the fire of God in me! My life is a signpost to Christ! I am a host of God's presence in Jesus' Name! Amen.

Saying, Touch not mine anointed, and do my prophets no harm.

The reality of spirituality is based on your ability to sense the unction! There is a certain way by which every general and luminary in the spirit is able to locate the anointing. Most people do not even realise there is such a thing as sensing the anointing. For this reason, most failures in your life can be attributed to not recognising the anointing of the people God sent to help you.

As you continue your walk in Christ, it is vital that you respect and sense the anointing on those whom God has ordained and placed in authority over you. In the Bible, we see a demon compelled to preach as Paul walked by because of the strong power the apostle had within him. This means the devil can also smell, touch and sense the anointing.

Refuse to let the words of others dictate your life! Especially if those words are contrary to what God says concerning your life. It may seem like your boss, teacher, or colleague mistreats you for reasons unbeknownst to you, but it is because they are threatened by the anointing they sense in you!

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

What caused God to leave Heaven to forgive you? Why go through the process of finding a human body, becoming an embryo, waiting nine months only to grow to adulthood and eventually die on the cross, then forgive His children. Do you realise God took on the form of a servant and removed divinity just so he could come here and forgive you!

Why is it that the devil has not repented to this day, yet he is described as the one who sealest up the sum, in other words, the most intelligent being. Do

you really think the devil has not calculated what he lost by now? The reason for this is spirits cannot forgive! In the eyes of spirits, forgiveness can only be fulfilled when death takes place. This is why God had to send His Son, Jesus Christ, to die for you so you could be forgiven!

Notice in the Bible it was the devil's thoughts that caused him to be removed from Heaven. He never carried out or acted upon these thoughts! The devil hates you because you sin every day, yet God continues to love and forgive you!

All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.

Currency and money are two different things. Currency measures the value of exchange whilst money is the storage of it. Today, money is not backed up by anything. What was once the universally used currency (the dollar) continues to decrease in value! Where it was once backed by gold, it is now our words that give money backing! This means money can also be commanded and controlled by the power of your words! Every Christian has adopted a godly inheritance in Christ Jesus, meaning as a child of God, poverty has no choice but to check out!

Currency must be portable, durable and divisible. When you increase your value, more money comes to validate that value. Give full attendance to reading the Word of God, as the Bible says that the reading of the Word is profitable in all areas of your life. God is a God of multiplication; He can't multiply anything by zero. You must create value in yourself for God to use you and multiply you. Choose to associate yourself with like-minded individuals who do not take away but add value to your life!

Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me.

The problem with people on earth today is that they do not realise every person emits energy! There is no way for any demonic influence to enter your life unless you emit something that attracts them. Jesus saw the devil and said there was not a single attribute He shared with him! In other words, one can credit several of the devil's attacks to him finding characteristics of himself emitting from the inside of them.

Scientists have recently found that light and matter are co-dependent, as you cannot have light without matter and matter without light. This idea of cause

and effect shows the reason you are the way you are is a result of two things being co-dependent and responding to one another!

The reason God demands holiness is because holiness stops any emission that might attract the devil! As a child of God, refuse to accept any characteristics of the devil into your life. Do not accommodate sickness, poverty or anger. Let your calling push you and direct your life so that your emissions are removed from the devil's access!

As a child of God, you have been crucified with Christ! Whilst you are dead to the flesh, you do not live, but Christ is living and breathing through you. This means the Bible is literally saying when they see you, they have seen Christ! Once you grasp this concept and move with it as your reality in Christ, you don't make mistakes! There is nothing called sickness or poverty because Jesus doesn't struggle with sickness or poverty. Those who are dead to the flesh don't care about what other people think or say!

When you live a crucified life, you must crucify the flesh daily! The flesh has desires of its own that you must burn; kill the desires of the flesh before they kill you. As a Christian, God has made and designed you to be exactly how Christ is. Walk in this mindset, and you will do mighty exploits in the Kingdom of God.

Every single Christian has been given power to be a demon demolition expert! Whilst God gave us power to cast out devils in His name, some Christians are still tormented by all manner of ailments and issues. The reason for this can be attributed to many Christians using the name of God but not His character. The word 'name' in its original rendering is ónoma, meaning character.

The Bible speaks about seven sons of a Jewish high priest attempting to cast out a demon in the name of Jesus and

failing! They simply did not have the character of Jesus to back up what they were saying. Do not fall for the devil's trickery or allow him to infiltrate your life, for the Bible says God has given you power over all evil entities and power to trample serpents. When your eyes are not open to the spiritual realm, you allow several problems to enter your life. As a Christian, seeing angels should be a regular experience in your life! When you observe the eye's functionality, you are able to see based on light rays reflecting off an object and entering the eyes through the cornea (the transparent outer layer covering the eye). The amount of light is then adjusted by the pupil. Finally, a signal is sent to over 125 million sensors in the retina, allowing you to see. Just imagine that for you to see relies solely on light entering your eyes!

The Bible tells us the entrance of God's Word gives light. This means that in order for you to see angels, you must read scriptures concerning angels so that the light of angels enters for you to see them! God created angels to help and assist you! When you consistently allow the light of angels to enter you, seeing angels will be an everyday occurrence!

It is impossible to be in the Spirit without having direct communication with the Lord. There are too many Christians who are not hearing the voice of God, who abuse their own words, voice, and mind to become the 'voice of God.' You'll find when they apply for a job and get rejected, they say it was simply not God's will for them to get the job, and when they get accepted, they say it was God's will! The Bible tells us the Kingdom of God does not come by observation. Just because certain events seem a certain way does not mean God spoke or did not speak. Learn to be led by the Spirit of God. Learn to

walk and function in the Spirit.

Do not be as those who prophesy their own vision and ambition instead of God's vision and dream. You have a mission in your life which you must take seriously. So, do not be led by the voices of others, especially those who are of the world. Be disciplined enough to listen to the voice of God's Spirit, and allow God to be your driver!

Every single Christian should walk in a victory mindset. A concept such as failure should be foreign in your mind. A person possessing the most powerful weapon in the world and not knowing how to use it is the weakest person on the planet. This is how many of God's children operate, yet you have already overcome this world!

The Bible says we are not ignorant of the devil's devices. He holds absolutely no power over you as a child of the Lord. No weapon powerful enough to destroy you has ever been made or will

No matter what you go through today, there is a remedy within the Word of God! All those who fight against you are fighting a losing battle. Gods communicate with gods! This is the reason God remained silent; He had no other person to commune with. Even when you look at the god of this world (the devil), for the whole of Genesis, we never see him talking until he sees Adam! This means Adam's being was a complete replication of God! When you begin to dive into deeper realms in Christ, you must watch who you allow to have access to you. Make sure those you surround yourself with understand the level of revelation you have caught and the journeying it took for you in the spirit to reach the point you are at.

As a god, you must understand who you are! In the world today, people go to the graveyards and find tombstones of Muslims, Hindus and Christians all right beside each other. The reason for this is many Christians are not coming to the realisation of who they are in Christ! Christians are gods and, therefore, should not die like mere men. Paul, a bond-servant of Christ Jesus, called as an apostle (special messenger, personally chosen representative), set apart for [preaching] the gospel of God [the good news of salvation].

During the old days in Israel, after seven years, a slave was entitled to his freedom. However, when the slave voluntarily chooses to remain in his master's house and not leave him to live a free life of his own, then his ear is pierced, and he continues to work in his master's house as a "bondservant" or "BOND-SLAVE". So, Paul is saying he's totally committed to serving Christ permanently without being forced.

Paul says, I was a slave that was given the liberty to leave my master, but

because my master is so good to me, I cannot afford to leave him. I am committed with my entire being to serve Him! How many of us can genuinely say that is also true of me: I am ready with everything to serve my Lord Jesus; I am going to serve Him not under compulsion but willingly and cheerfully? The goodness of the Lord is overpowering and continues to flow regardless of our shortcomings. Count yourself a BONDSERVANT in his vineyard!

And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

The scripture points out that the earth as we know it now was without "form" and "void" from the beginning. Void here entails emptiness, nothingness, like a wasteland where nothing is expected to grow! When the Spirit of God "moved", the Hebrew rendering of the text is "rachaph", meaning to brood in constant imagination of an outcome. It was there and then something new was birthed forth. The Holy Spirit was incubating or brooding, then finally said, "Light Be", and there was light!

Spiritual incubation has conditions if you want the outcome to be as intended. Fluctuations in temperature greatly impact the result. Therefore, when spiritual incubation is happening, begin to raise the standard of your character, intensify your prayer life, increase the level of your worship to God and see your life become a wonder. The spiritual incubation process speeds up your spiritual growth and allows for spiritual capacities to be built. So, expand your fellowship with the Holy Spirit to empower you to live the newness of life supernaturally.

Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ.

Today's scripture involves understanding "all spiritual blessings". God, in His sovereign power, decided to lavish "all spiritual blessings" upon us through Jesus! I mean the One who sits in the circumference of Himself made the decision to bless us with "all spiritual blessings" in Christ! If you think about it, God, in His benevolence, took it upon Himself to bless us regardless of our shortcomings and imperfections! That is why I always say God is not mad at you; He's mad about you!

One thing that I believe you now understand is this: life is spiritual! So, when God decided to bless us with spiritual blessings in Christ, He demonstrated His goodness towards us at the highest level. When you have Christ, you have all spiritual blessings – not some, but all. Numbers 23:20 puts it this way, "Behold, I have received commandment to bless; and he hath blessed; and I cannot reverse it." Whatever they say or think about you is of no consequence. What God says about you takes precedence. He said this year shall be a year of milk and honey; that settles the matter!

Then Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life.

This statement made by Simon Peter signifies so many things. Simon Peter and the other disciples have thoroughly made their research and findings clear: only Jesus has the "Words of eternal life". John 1:1 says, "In the beginning was the Word, and the Word was with God, and the Word was God." Verse 14 of the same chapter says, "And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth." (NKJV). Jesus is the WORD who was manifested in the flesh!

Recognise that Jesus is God, so the words that God speaks are eternal. That is a fact! Jesus says in Mark 13:31, "Heaven and earth shall pass away: but my words shall not pass away." Notice the flourishing of the righteous is compared to the palm tree. There is something unique about the palm tree that the righteous can be compared to it. There are certain qualities of the palm tree that we must emulate. The palm tree is flexible and resilient enough to withstand storms! The palm tree can bend backwards, forwards, and sideways in the face of heavy storms to the breaking point. Yet after the storm, the palm tree is still standing, unmovable, and steadfast.

The comparison of a palm tree to a righteous man – a Christian – as depicted in today's scripture is not a coincidence. In the face of adversity, the Christian is expected to stand strong. In the face of life's challenges, like the storms of life, the Christian should not budge but stand solid on the Word of God, rooted in faith. 2 Corinthians 4:8-9 declares, "We are hard pressed on every side, but not crushed; perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed." For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

We have a peculiar advantage when it comes to ministry because of the revelation we have received from God. This is the foretaste of glory divine. The scripture is clear, but I think I need to expound on this one. The Lord, on that day, as He descends from Heaven, will shout with the voice of an archangel. The dead in Christ will rise first when they hear the last trumpet. This means only the voice of an archangel can be heard by the dead and resurrect them!

I often declare, "By the voice of an archangel", because voices are different, and men and women of God are different. There is a pull in the Spirit that draws you to those who are afflicted and in need. Today, I speak with the voice of an archangel to that dead womb, to that dead marriage, to that dead company, to that dead bank account to resurrect now and begin to be fruitful and productive. Deadness is exiled from your life now!

PROPHETIC DECLARATION

**Psalm 82:5 (KJV)**

They know not, neither will they understand; they walk on in darkness: all the foundations of the earth are out of course.

One of the most powerful but often ignored men in the Bible is Adam! Adam's fall created pandemonium in the heavenlies to the point that all the cosmos, the earth systems, and the moon and stars went out of alignment. The Bible tells us Jesus is the last Adam: "So it is written, The first man Adam became a living being; the last Adam became a life-giving spirit." (1 Corinthians 15:45, CSB). So, do you think the first Adam was powerless? No, sir!

In the Garden of Eden, Adam got information from a tree, and today, we

even get medication from trees. Money is made from paper, which is made from trees. So if Adam ate first of the tree of life, mankind would not have gotten sick! Adam's authority and dominance far surpass the ordinary. Adam lost that authority when he fell, but the last Adam, Jesus Christ, restored that power and authority back to us. Now you can speak to your surroundings and environment, and they have no option but to obey and see a change effected!

PROPHETIC DECLARATION

I am restored to power in Christ. I speak creative words, I carry the DNA of God, I am royalty, and creation is my subject. I shall dominate, and winning is what I do! Amen.

The first of these living beings was like a lion; the second was like an ox; the third had a human face; and the fourth was like an eagle in flight.

One of the four creatures that sat around God's throne had the face of a man. So, in reality, man was with God before Adam's creation, but notice the qualifier: God said let us create "man in our own image". That lets us know that Adam as a man was created differently from the being that had the face of a man. God created us in His image with spirit, soul, and body. The body was made from dust, so the flesh or body is carnal.

When the devil tempted Eve to eat of the forbidden tree, and she enticed her husband to do the same, a curse was placed upon the serpent that it would eat dust (Genesis 3:14). Yet, we all know snakes don't eat dust. So, what does this 'dust' actually refer to? It symbolizes the flesh. The enemy attacks the flesh, so it's crucial to nourish your spirit daily with the Word of God to prevail over the desires of our flesh. Keep affirming milk and honey even in your spiritual life and it shall be so!

PROPHETIC DECLARATION

I am growing in my spirit by the Word of God. I build up resistance against the fiery darts of the enemy. I have the spiritual fortitude to make the enemy flee in the Name of Jesus! Amen.

And Jesus looking upon them saith, With men it is impossible, but not with God: for with God all things are possible.

There are infinite possibilities in the realm of the Spirit. When the Bible says all things are possible with God, it simply means "all things"! There are no exceptions when it comes to possibilities with God. Note that most things in the Spirit are not taught but caught! One essential element you must know today is that accessing things of the Spirit requires a vehicle. Some vehicles can be human beings! Certain environments are called vehicles in the Spirit because they push you to a place where your destiny will be birthed forth.

When you locate your vehicle, you will be taken from one location to the other and see progress in your life. When you choose the right vehicle, you will rise and be celebrated. Some adversities cause you to rise, so inadvertently, they also become vehicles transporting you to your next level. That situation you called imprisonment that has harassed your marriage, finances, ministry, or children is the vehicle that will transport you to your palace. Do not fear it; go through it.

Before today's scripture, Prophet Elijah moved from Gilgal to Bethel to Jericho and finally to Jordan, where he went to Heaven in a whirlwind. He moved from place to place until he found a conducive environment saturated with a level of spiritual sensitivity and activity that could serve as a portal to the next spiritual realm. There are some environments that push you in the Spirit to accomplish more. Environments in the Spirit set the stage to be transported to another dimension.

In the right environment, miracles are manifested, and healings take place. You must understand environments that are sustained by spiritual activities have possibilities that can change your destiny. There are mortals who are also carriers of environments that sustain the ability to transform your life forever. Your assignment is to locate these environments that when you encounter, your bank account must change, your marriage must change, your family must change, and when you find them, treasure them!

And the rain fell, and the floods and torrents came, and the winds blew and slammed against that house; yet it did not fall, because it had been founded on the rock.

The Bible says there was rain, floods, torrents and winds – all representing the vicissitudes of life – pounding against a house. The house spoken of in this scripture is you. Yes, you reading this word now. Remember, you are the temple of God, so everything the enemy is being thrown at you. You may be unemployed, and your marriage may be facing the strongest challenge ever. Like walking a tightrope, all these may be happening at the same time, but do not worry!

The storms of life come against you for the sole purpose of testing your foundation! The good news is, as Christians, Christ is our foundation. If the foundation is Christ, rest assured, you're not stuck in that problem; you're going through it! You're not waiting to see the light at the end of the tunnel, no. You entered that tunnel as light, for you are the light of the world. Know for certain your problem has an expiry date, so you will not remain in it.

PROPHETIC DECLARATION

This declaration about believing God and His prophets is cardinal to life's success. God's preoccupation is not soul winning! Oh, someone is shaken as their entire belief system rested on this, but understand, facts have no feelings. God's greatest desire is to be believed. That's it! Change your mindset, believe, and confidently take God at His word, then your establishment will be solid as a concrete foundation.

Interestingly, God links your prosperity to believing his prophets. Prosperity is a function of believing God's prophet. The significance is God is a God of order and principles. Amos 3:7 says: "Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets." God honours His word and teaches us to understand that He works on planet Earth through His mouthpiece, the prophet, and by simply believing His prophet, your prosperity is guaranteed!

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

Some people consider the ministration of the Word of God a mere and ordinary segment of the church service, just the preacher delivering the Word as a routine! However, this is not the case. When a man of God appears on the pulpit, what you see is physical, but the reality in the spirit realm is different! The words being released from the pulpit are not just empty and ordinary words, no. They are fiery weapons causing havoc in the enemy's camp.

Paul said in 1 Corinthians 15:31, "I protest by your rejoicing which I have in

Christ Jesus our Lord, I die daily". Paul says the possibility of dying while preaching the Gospel is high. Ministering the Word of God could cause death, but in the realm of the spirit, demons are crying! This is one of the reasons why Christians have a duty to pray for men of God everywhere no matter what. The devil's agenda is destructive, and he needs to be punished!

It is laughable for someone to say that God is not involved in prosperity! When we declare a life of milk and honey, they don't take it seriously. Yet, some well-meaning Christians believe when they live a mediocre, beggarly lifestyle of lack, it shows piety and their ticket to Heaven is booked! They are sincere but sincerely wrong! Some Christians even believe that if you prosper, your own mind and knowledge cause it, but God is not part of the equation.

If you are a Christian, then you should know Abraham, the Father of Faith, to whom God spoke clearly saying, "I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing." (Genesis 12:2). If you believe that God spoke these words to Abraham, then know that God does not take pleasure in poverty. Rather, He takes pleasure in the prosperity of His servant (Psalm 35:27). You are blessed to become a blessing to many!

In our early days, I once brought home a book I bought on finance. I explained to my wife how this book would make us rich! I told her we would have a million times what I spent on the book by the degree of knowledge acquired by reading it! The scriptures tell us in Proverbs 4:7, "Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding." It is important that you read books and other materials that enrich your spiritual growth and understanding.

Some Christians queue in long lines waiting to buy a bottle of anointing oil rather than investing in books and other materials that will build their capacities and knowledge. While I do not object to anointing oil as a conduit of the anointing, knowledge acquired through books is compressed and enlarges your understanding of how best to navigate life and win. Do not neglect the study of the Word of God and other spiritual material by substituting them with an anointing jar. Each has a role in building you up for Kingdom advancement.

Sometimes, you need to be pregnant with something new to change your appetite. If there is nothing new to push you out of your comfort zone, expect nothing new to happen. When a woman becomes pregnant, there are certain changes in her appetite that do not normally surface until she's pregnant. When this happens, understand that it is not the woman who is demanding the new food, the new dress code, the new accommodation, the new financial security, no. Something is pushing that demand, and that is the pregnancy!

When your surroundings suddenly seem uncomfortable for you, your vehicle is not adequate for you anymore, your wardrobe has become miniature, your dress code demands an upgrade, etc., then you know it's time for milk and honey! When God is shifting you to another dimension, your current position becomes unsatisfying, and the motion for change becomes irreversible. The push from within is not of yourself but a call from the pregnancy to expand your horizons and birth something new that will become a blessing for generations to come!

Many of life's challenges and problems come from unlikely sources. David lamented in the scripture above about the source of his troubles: friends who shared bread and ate with him. In the end, the one David considered a "friend" lifted their heel against him! This friend had become prideful and boastful and taken themselves to be too big when, in fact, they were nobodies. The worst betrayal a person can have is those you consider friends stabbing you in the back.

I have concluded that life is a blast with no friends. Some friends are enemies in

waiting! Some will say he or she is my best friend, but two years later, they become your worst enemy! Examine your relations so that you can distinguish the ones that will stay with you through thick and thin. The Christians living in this dispensation are the best yet the weakest. We have been supplied with the best weaponry God has in His arsenal, the gifts are distributed, but our failure to use the weapons results in living a lifestyle of mediocrity and defeat! We should be the most powerful, but regrettably, Christianity has been reduced to an ideology. It is about time that Christians utilize the voice and vocal cords of an archangel to manufacture the right data to create a code that will produce the manifestation of a miracle!

Sometimes, Christians pray for hours on end. Yet, their bills remain unpaid, unemployment continues to linger, and even financial support for the work of God becomes a choice and option! God puts money in the bracket of a master, a god, which means money exercises control. If you understand God entrusts you with money as a steward, a manager, when the Master who gave it to you requires it to be used for His purposes, you will have no hesitation.

Take note: money is an entity in the spiritual realm. The money in your purse or wallet has no knowledge that it belongs to you. Money is arrogant, so money can only be mastered by a

master! Money is a spiritual thing, and it wants to be worshipped! The love of money is the root of all evil, so understand when your love is directed towards God, everything you have will be for Him, including your money. It will not control you! When money knows you gave it to another master – God – money will respect you and be attracted to you!

When destiny calls, you have no explanation for certain realities of your own life. You may find yourself in a ministry and cannot logically explain why you are there. The Bible says John the Baptist was in the desert. There was no Instagram, WhatsApp, YouTube, or television. Yet, John's voice echoed in the wilderness, and people from the city flocked to hear his teachings. When destiny calls, distance is no barrier, geographical positions are not considered, and social stratification is not imputed.

The only thing that resonates in your spirit when destiny calls is the voice of the one who is assigned to you. God uses men to change destinies, so it is important to know who God has placed in your life to change your destiny. God does not make sense; He makes faith. When God is about to bless you, He sends you a man, and it is your responsibility to find out who that man is. God called you for a reason. Take your calling seriously; it is destiny calling!

Excesses and life beyond the ordinary are considered post-luxury life. People in the world who are considered wealthy live post-luxury lives, yet they eat vegetables and fruits and are not bothered about wearing the most expensive brands. A post-luxury life does not measure or intend to live like someone else. You do not know the pitfalls, ups and downs of the person who has "arrived" in life, so why try desperately to copy their life?

Ephesians 4:10 says, "He that descended is the same also that ascended up far above all heavens, that he might fill all things." Also, Genesis 1:1 declares, "In the beginning, God created the heaven and the earth." If God can create the heaven, it means He is not there!

Soul winning is an investment of eternal significance that the Church needs to grasp. The world will do more for a lie than the Church is willing to do for truth. When a fashion trend is announced, people in the world will run with it as if that is all to life. Everybody out there will blindly follow and subject themselves to whatever the fashion world has imposed on them without hesitation or any objection to wearing it! Why? Because it is fashionable to appear so!

The tragedy of it all is that this has crept into the Church unawares and is being applauded. We are not just looking at it from a distance; we have joined in and

promoted it. We are separated (holy) and called to be effective soul winners, but until we call sin what it is, we cannot be effective soul winners.
