Only when evil is forced into the light can we defeat it.
Only when they can no longer operate in the [shadows] can people see the truth for themselves.
Only when people see the truth [for themselves] will people understand the true nature of their deception.
Seeing is Believing.
Sometimes you can't tell the public the truth.
YOU MUST SHOW THEM.
ONLY THEN WILL PEOPLE FIND THE WILL TO CHANGE.
It had to be this way.
This is not another 4-year election.
GOD WINS.
Q

6) The attempts to sow division that we see at present are the desperate acts of evil people trying to regain control of that which they lost.

▶ Q !!Hs1Jq13jV6 06/13/20 (Sat) 12:44:41

Division is man-made.
Division is designed to keep you powerless.
Division is designed to keep you fighting each other.
Division is designed to keep you enslaved.
The Narrative Has You.
No one person is above another.
Unity is Strength.
Unity is Love.
Unity is Humanity.
Trust yourself.
Think for yourself.
Only when good people [collectively] come together will positive change occur.
Q

8) We are standing at the precipice.

If we resist the schemes of evil people to divide us and instead, choose to unite, a positive change will occur.

If we do not, society is doomed to continue in darkness.

9) Although evil people have enslaved many of us in urban ghettos and robbed us of our destinies, history proves that oppressed people will, in time, rise up against tyrants.

YOUR VOICE MATTERS.
YOUR VOTE MATTERS.
Everything you see today is an attempt to eliminate that.
To remain silent _living in fear [controlled] is to remain powerless.
<https://dictionary.cambridge.org/dictionary/english/powerless>
A Moment in Time.
History has taught us that People Will Rise [Judgement [Revolution] Day] against the Rulers.
From Pharaohs to Kings to Elected Officials.
A rigged system of control and corruption [evil].
[on the backs of people]
Modern day slavery.
People Will Rise Again.
Put on the full armor of God so that you can take your stand against the devil's schemes.
For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.
Q

10) To remain silent _living in fear [controlled] is to remain powerless.

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government.

Old Glory stands for Freedom and Equality for All. The Flag was carried by Union Soldiers during the Civil War in a fight to abolish slavery [v Confederate Democrats]. The Flag of Lincoln. It was considered a great honor to be chosen to carry the flag in battle. The Soldier was unarmed and knew they would most certainly die (as did most who fought), but understood that the fight, that their lives, was worth the cost (self-sacrifice). They believed in something greater than themselves.

To them, the flag represented a symbol of freedom, of hope, of equality and prosperity. To disrespect the flag, to kneel, is to disrespect those people who fought and died to provide each and every one of us the rights we are afforded today. Old Glory knows not what color skin carries her - only that for which it stands - one Nation under God, indivisible, with Liberty and JUSTICE FOR ALL. TO FREE FROM OPPRESSION.

"Freedom is never more than one generation away from extinction. We didn't pass it on to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." - Reagan

26) Joe Biden comments on racial integration from 1977

 **Sheryl Gay Stolberg** ✓
@SherylNYT

NEW: @USCGouldLaw prof @droithmayr spotted this 1977 Biden quote. He warns that unless there is "orderly integration" (he favored housing, not busing) "My children are going to grow up in a jungle, the jungle being a racial jungle . . ." w/@AsteadWesley nytimes.com/2019/07/15/us/...

However, I do not think that the basic thrust of the bill is really unconstitutional. I do not think or obviously I would not have introduced it—I say "obviously." You do not know me so you might think I would obviously introduce it. But I would not introduce it unless I thought it was sound social policy.

We have a fundamental disagreement, you and I, I suspect, as to what is needed to insure that we do have orderly integration of society. I am not just talking about education but all of society.

I do not know your total position. Mr. Taylor has stated his as have others. I am anxious to hear from Mr. Flemming of the U.S. Commission on Civil Rights.

Unless we do something about this, my children are going to grow up in a jungle, the jungle being a racial jungle with tensions having built so high that it is going to explode at some point. We have got to make some move on this.
