The sky is orange over California. Half a million acres are burning.

This is what climate change looks like. The proof is right in front of us.

This is a national emergency — it's now or never.

A screenshot of a tweet from Jack Dorsey (@jack) dated June 3. The tweet says "Download @signalapp signal.org". Below the tweet, there is a quote from Rami Mulla (@ramimulla) dated June 3, which states: "Signal became one of the top 10 most downloaded social apps on iOS yesterday for the first time, according to data from App Annie. "Signal became one of the top 10 most downloaded social apps on iOS yesterday for the first time, according to data from App Annie. 35) Are anti-Trump protesters coordinating their activities on the Signal app?

If one were to analyze the number of downloads and compare the data to the timing of protests (riots) you might see a correlation.

The same is likely to be true for fires.

MSDNC CON: the Country is divided and dementia Joe [currently taking early-stage dementia medication?] is leading across-the-board. HOW DO YOU AMPLIFY A DESIRED THEME-NARRATIVE? MSDNC controls what you see [digital echo]. Twitter - FB - GOOG control what you see and what trends [digital echo].

Hollywood [stars] swarm to enforce [trend] echo]. Blue checkmarks swarm to enforce [digital echo]. ANTIFA swarm to enforce [non_digital echo]. Rage and emotion follow by those indoctrinated [echo controlled]. Define 'indoctrinate'. to often repeat an idea or belief to someone in order to persuade them to accept it

Next: grab 'rage & emotion' [organized platform(s)] by indoctrinated and project as 'majority' [zoom and enhance _narrow focus as mainstream]. System of control. Many choose the path of least resistance. For many you cannot tell them the truth. You must show them. Only at the precipice will people find the will [strength] to change and break the system of control [be free].
