Product Overview

Skin Biotix MD Skin Tag Remover is a powerful serum made from natural ingredients. With just a few drops applied to a blemish, the serum works to penetrate to the root of a mole or skin tag, and triggers a rush of white blood cells to the blemish, which starts the removal and healing.

- **Revolutionary new all-natural formula**
- **Works on moles & skin tags anywhere on your body**
- **Delivers FAST results in as little as 8 hours**

Skin Biotix MD Skin Tag Remover is specially formulated and manufactured in the United States of America, in a state of the art FDA approved facility.
